on maple sugar and maple syrup are limited to the
amount resulting from application of the rate of duty
bound within GATT;

Whereas Article 7 of Commission Regulation (EEC)
No 837/68 of 28 June 1968 on detailed rules for the
application of levies on sugar ⁽³⁾, as last amended by
Regulation (EEC) No 1428/78 ⁽⁴⁾, provides that the
basic amount of the levy for 100 kilograms of product
must be fixed per percentage point of sucrose content;

Whereas the basic amount of the levy must be equal
to one-hundredth of the average of the levies appli-
cable to 100 kilograms of white sugar during the first
20 days of the month preceding the month for which
the basic amount of the levy is fixed; whereas,
however, the levy applicable to white sugar on the day
of the fixing of the basic amount must be substituted
for the average of the levies, where that levy differs by
at least 0,73 ECU from that average;

Whereas the basic amount must be fixed each month;
whereas it must, however, be altered during the period

between the day on which it is fixed and the first day
of the month following the month for which the basic
amount is applicable, if the levy on white sugar differs
by at least 0,73 ECU from the average referred to
above or from the levy on white sugar used to fix the
basic amount; whereas, in this case, the basic amount
must be equal to one-hundredth of the levy on white
sugar used to calculate the alteration;

Whereas the basic amount thus fixed must be adjusted
on the basis of variations in the threshold price for
white sugar occurring between the month in which
the basic amount is fixed and the period of applica-
tion; whereas this adjustment, equal to one-hundredth
of the difference between these two threshold prices,
must be deducted from or added to the basic amount
in the circumstances provided for in Article 7 (6) of
Regulation (EEC) No 837/68;

Whereas the levy on the products referred to in Article
1 (1) (f) and (g) of Regulation (EEC) No 1785/81
comprises, under Article 16 (6) of that Regulation, a
variable element and a fixed element, with the latter,
per 100 kilograms of dry matter, being equal to one-
tenth of the fixed element established pursuant to
point B of Article 14 (1) of Regulation (EEC) No
2727/75 ⁽⁵⁾ for the fixing of the import levy on the
products falling within subheading 17.02 B II of the
Common Customs Tariff, and the variable element,
per 100 kilograms of dry matter, being equal to one
hundred times the basic import levy applicable as
from the first of each month in the case of the
products listed in Article 1 (1) (d) of Regulation (EEC)
No 1785/81; whereas the levy must be fixed each
month;

Whereas, if the levy system is to operate normally,
levies should be calculated on the following basis:

— in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2,25 %, a rate of exchange based on
their central rate, multiplied by the coefficient
provided for in Article 2b (2) of Regulation (EEC)
No 974/71 ⁽⁶⁾, as last amended by Regulation (EEC)
No 855/84 ⁽⁷⁾,

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas it follows from the application of these provisions that the import levies on the products concerned should be as indicated in the Annex to this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies on the products listed in Article 1 (1) (d), (f) and (g) of Regulation (EEC) No 1785/81 shall be as indicated in the Annex hereto.

COMMISSION REGULATION (EEC) No 1779/85

of 28 June 1985

fixing the export refunds on syrups and certain other sugar products exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as last amended by Regulation (EEC) No 1482/85⁽²⁾, and in particular Article 19 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 1785/81 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (d) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 8 of Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that the export refund on 100 kilograms of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 is equal to the basic amount multiplied by the sucrose content, including, where appropriate, other sugars expressed as sucrose; whereas the sucrose content of the product in question is determined in accordance with Article 13 of Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁵⁾, as last amended by Regulation (EEC) No 1467/77⁽⁶⁾;

Whereas Article 7 of Regulation (EEC) No 766/68 provides that the basic amount of the refund on sorbose exported in the natural state must be equal to the basic amount of the refund less one-hundredth of the production refund applicable, pursuant to Council Regulation (EEC) No 1400/78 of 20 June 1978 laying

down general rules for the production refund on sugar used in the chemical industry⁽⁷⁾, to the products listed in the Annex to the last mentioned Regulation;

Whereas the basic amount of the refund on the other products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 exported in the natural state must be equal to one-hundredth of an amount which takes account, on the one hand, of the difference between the intervention price for white sugar for the Community areas without deficit for the month for which the basic amount is fixed and quotations or prices for white sugar on the world market and, on the other, of the need to establish a balance between the use of Community basic products in the manufacture of processed goods for export to third countries and the use of third country products brought in under inward processing arrangements;

Whereas the application of the basic amount may be limited to some of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81;

Whereas Article 19 of Regulation (EEC) No 1785/81 makes provision for setting refunds for export in the natural state of products referred to in Article 1 (1) (f) and (g) of that Regulation; whereas the refund must be fixed per 100 kilograms of dry matter, taking account of the export refund for products within subheading 17.02 B II a) of the Common Customs Tariff and for products referred to in Article 1 (1) (d) of Regulation (EEC) No 1785/81 and of the economic aspects of the intended exports; whereas the refund is to be granted only for products complying with the conditions in Article 3 of Commission Regulation (EEC) No 1469/77 of 30 June 1977 laying down rules for applying the levy and the refund in respect of isoglucose and amending Regulation (EEC) No 192/75⁽⁸⁾;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the coefficient provided for in Article 2b (2) of Regulation (EEC) No 974/71⁽⁹⁾, as last amended by Regulation (EEC) No 855/84⁽¹⁰⁾,

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas the refunds referred to above must be fixed every month; whereas they may be altered in the intervening period;

Whereas application of these quotas results in fixing refunds for the products in question at the levels given in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (1) (d), (f) and (g) of Regulation (EEC) No 1785/81, exported in the natural state, shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 1780/85

of 28 June 1985

fixing the export refunds on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats ⁽¹⁾, as last amended by Regulation (EEC) No 231/85 ⁽²⁾,

Having regard to Council Regulation No 171/67/EEC of 27 June 1967 on export refunds and levies on olive oil ⁽³⁾, as last amended by Regulation (EEC) No 2429/72 ⁽⁴⁾, and in particular the first sentence of Article 7 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 20 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas the detailed rules for fixing and granting export refunds on olive oil are contained in Regulations No 171/67/EEC and (EEC) No 616/72 ⁽⁵⁾, as last amended by Regulation (EEC) No 2962/77 ⁽⁶⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

- the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market,
- the aims of the common organization of the market in olive oil which are to ensure equilibrium

and the natural development of prices and trade on this market,

- the need to avoid disturbances on the Community market, and
- the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

- the olive oil prices in the main producing areas of the Community,
- the most favourable quotations recorded on the various markets of importing third countries, and
- the marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/67/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these detailed rules to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries that the refund should be as set out in the Annex hereto;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the coefficient provided for in Article 2b (2) of Regulation (EEC) No 974/71 ⁽⁷⁾, as last amended by Regulation (EEC) No 855/84 ⁽⁸⁾,

COMMISSION REGULATION (EEC) No 1781/85
of 28 June 1985
fixing the export refunds on oil seeds

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation No 136/66/EEC
of 22 September 1966 on the establishment of a
common organization of the market in oils and fats ⁽¹⁾,
as last amended by Regulation (EEC) No 231/85 ⁽²⁾,

Having regard to Council Regulation No 142/67/EEC
of 21 June 1967 on export refunds on colza, rape and
sunflower seeds ⁽³⁾, as last amended by Regulation
(EEC) No 2429/72 ⁽⁴⁾, and in particular the first
sentence of Article 2 (3) thereof,

Having regard to Council Regulation (EEC) No
1223/83 of 20 May 1983 on the exchange rates to be
applied in agriculture ⁽⁵⁾, as last amended by Regula-
tion (EEC) No 1297/85 ⁽⁶⁾,

Having regard to Council Regulation (EEC) No
1569/72 of 20 July 1972 laying down special measures
for colza, rape and sunflower seed ⁽⁷⁾, as last amended
by Regulation (EEC) No 1474/84 ⁽⁸⁾, and in particular
Article 2 (3) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas the target price and the monthly increases in
the target price for sunflower seed for the 1985/86
marketing year were fixed by Regulations (EEC) No
1489/85 ⁽⁹⁾ and (EEC) No 1490/85 ⁽¹⁰⁾;

Whereas Article 28 of Regulation No 136/66/EEC
provides that a refund may be granted on exports to
third countries of oil seeds harvested within the
Community; whereas the amount of this refund may
not exceed the difference between prices within the
Community and prices on the world market where the

former are higher than the latter; whereas Article 21
of Regulation No 136/66/EEC provides that, at
present, Article 28 of that Regulation applies only to
colza, rape and sunflower seeds;

Whereas Article 3 of Regulation No 142/67/EEC
provides that when the refund is being calculated
account must be taken of prices ruling on the various
Community markets which are representative from the
point of view of processing and exportation; the most
favourable quotations recorded on the various markets
of importing third countries and costs incurred in
placing the goods on the world market; whereas,
when the amount of the refund is being fixed, account
must also be taken of the level of market prices within
the Community for the oil seeds referred to in Article
21 of Regulation No 136/66/EEC and the future trend
of these prices; whereas, furthermore, account should
be taken of the economic aspect of the proposed
exports and the situation in the Community regarding
the supply of and demand for these seeds;

Whereas, in the absence of the target price for the
1985/86 marketing year for colza and rape seed and in
the absence of the amount of the monthly increase for
September, October, November and December 1985
for colza and rape seed, the amount of the refunds in
the case of advance fixing for July, August, September,
October, November and December 1985 for colza and
rape seed has been obtainable only provisionally on
the basis of the target price and the monthly increase
proposed by the Commission to the Council for the
marketing year 1985/86; whereas this amount may,
therefore, be applied on a temporary basis and should
be confirmed or replaced when the indicative price of
the 1985/86 marketing year is known;

Whereas Article 1 of Commission Regulation (EEC)
No 651/71 of 29 March 1971 on certain detailed rules
for the application of export refunds on oil seeds ⁽¹¹⁾, as
last amended by Regulation (EEC) No 1815/84 ⁽¹²⁾,
provides that the amount of the refund must be calcu-
lated on the basis of the weight of exported seeds;
whereas this weight must be adjusted to take account
of any differences between the percentages of moisture
and impurities found to exist and those used to define
the standard quality for which the target price is fixed;

⁽¹⁾ OJ No 172, 30. 9. 1966, p. 3025/66.

⁽²⁾ OJ No L 26, 31. 1. 1985, p. 12.

⁽³⁾ OJ No 125, 26. 6. 1967, p. 2461/67.

⁽⁴⁾ OJ No L 264, 23. 11. 1972, p. 1.

⁽⁵⁾ OJ No L 132, 21. 5. 1983, p. 33.

⁽⁶⁾ OJ No L 137, 27. 5. 1985, p. 1.

⁽⁷⁾ OJ No L 167, 25. 7. 1972, p. 9.

⁽⁸⁾ OJ No L 143, 30. 5. 1984, p. 4.

⁽⁹⁾ OJ No L 151, 10. 6. 1985, p. 13.

⁽¹⁰⁾ OJ No L 151, 10. 6. 1985, p. 14.

⁽¹¹⁾ OJ No L 75, 30. 3. 1971, p. 16.

⁽¹²⁾ OJ No L 170, 29. 6. 1984, p. 46.

whereas, when this adjustment is being made, the weight of the exported seeds must be increased by the amount of the difference between the actual moisture and impurities content and that used to define the standard quality if the former is lower than the latter; whereas, if the opposite applies, the weight of the exported seeds must be reduced by the same amount;

Whereas the standard quality referred to above was defined in Article 2 of Council Regulation (EEC) No 1102/84⁽¹⁾;

Whereas Article 2 of Regulation No 142/67/EEC provides that the refund may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 4 of Regulation (EEC) No 651/71 provides for the publication of the amount of the final refund obtained from the conversion into each of the national currencies of the amount of the refund in ECU plus or minus the differential amount; whereas Article 1 of Regulation (EEC) No 1813/84⁽²⁾ defined the elements which determine the differential amounts; whereas these elements are equal to the incidence on the target price or the refund of the coefficient derived from the percentage referred to in Article 2 (1) of Regulation (EEC) No 1569/72; whereas, according to these provisions, this percentage represents:

(a) for those Member States whose currencies are maintained as between themselves within a spread at any given moment of 2,25 %, the difference between:

- the conversion rate used under the common agricultural policy, and
- the conversion rate resulting from the central rate,

(b) for Italy, the United Kingdom and Greece, the difference between:

- the relationship between the conversion rate used under the common agricultural policy for the currency of the Member State concerned and the central rate of each of the currencies of the Member States referred to in (a), and
- the spot market rate for the currency of the Member State in question in relation to each of

the currencies of the Member States referred to in (a), as recorded over a period to be determined;

Whereas, however, pursuant to Article 2a of Regulation (EEC) No 1569/72, the monetary disparity for the marketing years 1984/85 to 1986/87 will be calculated by a method which takes into account a coefficient applied to the conversion rate resulting from the central rate; whereas the said Article 2a fixed the coefficient for the beginning of the 1984/85 marketing year; whereas account should be taken thereof in respect of colza and rape seed with effect from 1 July 1984, and in respect of sunflower seed with effect from 1 August 1984;

Whereas pursuant to Article 2 (2) of Regulation (EEC) No 1569/72 forward differential amounts are to be determined where the forward exchange rate for one or more currencies differs from the spot rate by at least a given percentage; whereas this percentage has been fixed at 0,5 by Regulation (EEC) No 1813/84;

Whereas where, for one or more months, forward exchange rates are not available, the rate adopted for the previous month or the following month, as the case may be, is to be used;

Whereas, for the period 19 to 25 June 1985, for certain currencies:

- for the current month, the difference referred to in Article 2 (1) of Regulation (EEC) No 1569/72 differs by more than one point from the percentage adopted for the previous fixing,
- for certain following months the difference referred to in Article 2 (2) of Regulation (EEC) No 1569/72 exceeds 0,5 %; whereas this difference in the case of certain forward differential amounts differs by more than one point from the percentage adopted for the previous fixing;

Whereas it follows from applying these provisions to the current situation of the oil-seeds market and to the rates or prices of these products that, pursuant to Article 4 of Regulation (EEC) No 651/71, the amount of the refund in ECU and the amount of the final refund in each of the national currencies must, in the case of colza and rape seed, be fixed in accordance with the Annex to this Regulation; whereas it is not necessary to fix a refund for sunflower seed;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

⁽¹⁾ OJ No L 113, 28. 4. 1984, p. 8.

⁽²⁾ OJ No L 170, 29. 6. 1984, p. 41.

HAS ADOPTED THIS REGULATION :

Article 1

In the case of colza and rape seed, the amounts of the refund referred to in Article 4 (1) of Regulation (EEC) No 651/71 shall be as set out in the Annex hereto.

The amount of the refunds in the case of advance fixing for July, August, September, October, November and December 1985 for colza and rape

seed will, however, be confirmed or replaced as from 1 July 1985 to take into account the indicative price which is fixed for these products for the 1985/86 marketing year, and the amount of the monthly increase for September, October, November and December 1985 for colza and rape seed.

No refund is fixed for sunflower seed.

Article 2

This Regulation shall enter into force on 1 July 1985.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

COMMISSION REGULATION (EEC) No 1789/85
of 28 June 1985
fixing the amount of the subsidy on oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats ⁽¹⁾, as last amended by Regulation (EEC) No 231/85 ⁽²⁾, and in particular Article 27 (4),

Having regard to Council Regulation (EEC) No 1223/83 of 20 May 1983 on the exchange rates to be applied in agriculture ⁽³⁾, as last amended by Regulation (EEC) No 1297/85 ⁽⁴⁾,

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza, rape and sunflower seed ⁽⁵⁾, as last amended by Regulation (EEC) No 1474/84 ⁽⁶⁾, and in particular Article 2 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the amount of the subsidy referred to in Article 27 of Regulation No 136/66/EEC was fixed by Regulation (EEC) No 1121/85 ⁽⁷⁾, as last amended by Regulation (EEC) No 1752/85 ⁽⁸⁾;

Whereas the target price and the monthly increments in the target price of sunflower seed for the 1985/86 marketing year have been fixed in Regulations (EEC) No 1489/85 ⁽⁹⁾, and (EEC) No 1490/85 ⁽¹⁰⁾;

Whereas, in the absence of the target price for the 1985/86 marketing year for colza and rape seed and in the absence of the amount of the monthly increase for September, October, November and December 1985 for colza and rape seed, the amount of the subsidy in the case of advance fixing for July, August, September, October, November and December 1985 for colza and rape seed has been obtainable only provisionally on the basis of the target price and the monthly increase as last proposed by the Commission to the Council for the marketing year 1985/86; whereas this amount may, therefore, be applied on a temporary basis and should be confirmed or replaced when the indicative price of the 1985/86 marketing year is known;

Whereas, for the period 19 to 25 June 1985, for certain currencies:

- for the current month, the difference referred to in Article 2 (1) of Regulation (EEC) No 1569/72 differs by more than one point from the percentage adopted for the previous fixing,
- for certain following months the difference referred to in Article 2 (2) of Regulation (EEC) No 1569/72 exceeds 0,5 %; whereas this difference in the case of certain forward differential amounts differs by more than one point from the percentage adopted for the previous fixing;

Whereas it follows from applying the detailed rules contained in Regulation (EEC) No 1121/85 to the information known to the Commission that the amount of the subsidy at present in force should be altered to the amount set out in the Annexes hereto,

HAS ADOPTED THIS REGULATION:

Article 1

1. The amounts of the subsidy and the exchange rates referred to in Article 33 (2) and (3) of Regulation (EEC) No 2681/83 ⁽¹¹⁾ shall be as set out in the Annexes hereto.
2. The amount of the subsidy in the case of advance fixing for July, August, September, October, November and December 1985 for colza and rape seed will, however, be confirmed or replaced as from 1 July 1985 to take into account the indicative price which is fixed for these products for the 1985/86 marketing year, and the amount of the monthly increase for September, October, November and December 1985 for colza and rape seed.

COMMISSION REGULATION (EEC) No 1790/85

of 28 June 1985

fixing the export refunds on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1018/84⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, as last amended by Regulation (EEC) No 1025/84⁽⁴⁾, and in particular the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 and Article 17 of Regulation (EEC) No 1418/76 provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975⁽⁵⁾, and Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976⁽⁶⁾ laying down general rules for granting export refunds on cereals and rice respectively and criteria for fixing the amount of such refunds, provide that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice, broken rice and cereal products on the world market on the other; whereas the same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Article 6 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁷⁾, as last amended by Regulation (EEC) No 1027/84⁽⁸⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas, on the basis of the criteria laid down in Regulation (EEC) No 2744/75, particular account should be taken of the prices and quantities of basic products used to calculate the variable component of the levy; whereas Article 8 of Regulation (EEC) No 2744/75 and Article 1 of Regulation (EEC) No 1077/68⁽⁹⁾, as amended by Regulation (EEC) No 2764/71⁽¹⁰⁾, provide that the amount of the export refund should, for certain products, be reduced by an amount equal to the production refund granted in respect of the basic products;

Whereas it follows from applying these detailed rules to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas when the refund is being calculated account should be taken of the quantities of raw materials used to determine the variable component of the levy; whereas the quantities of raw materials used for certain processed products may vary according to the end use of the product; whereas, depending on the manufacturing process used, products other than the main product are obtained, the quantity and value of which may vary with the nature and quality of the main products being manufactured; whereas cumulation of the refunds on the various products manufactured by a single process from the same basic product may make it possible, in certain cases, to export to third countries at prices which are lower than world market prices; whereas the refund on certain products should therefore be limited to an amount which, while allowing access to the world market, will ensure that the aims of the common organization of the markets are respected;

⁽¹⁰⁾ OJ No L 283, 24. 12. 1971, p. 30.

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the quantity of basic product actually incorporated in the processed product ;

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products ; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

Whereas Regulation (EEC) No 2806/71 ⁽¹⁾ lays down additional rules for granting export refunds for certain products processed from cereals and rice ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on

their central rate, multiplied by the coefficient provided for in Article 2b (2) of Regulation (EEC) No 974/71 ⁽²⁾, as last amended by Regulation (EEC) No 855/84 ⁽³⁾,

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient ;

Whereas the refund must be fixed once a month ; whereas it may be altered in the intervening period ;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on the products listed in Article 1 (d) of Regulation (EEC) No 2727/75 and in Article 1 (1) (c) of Regulation (EEC) No 1418/76 and subject to Regulation (EEC) No 2744/75 are hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EEC) No 1791/85

of 28 June 1985

fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1018/84⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the cereal markets;

Whereas it follows from applying these detailed rules to the present situation on the market in cereal-based compound feedingstuffs that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs⁽⁴⁾, as amended by Regulation (EEC) No 2560/77⁽⁵⁾, provides that, when export refunds on cereal-based compound feedingstuffs are being fixed, only the products normally used in the manufacture of compound

feedingstuffs for which a refund may be fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69 of 29 September 1969 on the granting and the advance fixing of the export refund on cereal-based compound feedingstuffs⁽⁶⁾, as last amended by Regulation (EEC) No 537/83⁽⁷⁾, provides that calculation of the export refund must be based on the average of the refunds granted on the most commonly used basic cereals, adjusted on the basis of the threshold price in force during the month of exportation and on the levy applicable to maize; whereas this calculation must also take account of the cereal products content; whereas, therefore, in the interest of simplification, compound feedingstuffs should be placed in categories and the refund for each category should be fixed on the basis of a quantity of maize which is representative of the usual cereal products content for the category concerned; whereas, furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to avoid disturbances on the Community market and the economic aspect of the export;

Whereas, however, in fixing the rate of refund it would seem advisable to base it at this time on the difference in the cost of raw inputs widely used in compound feedingstuffs as between the Community and world markets, allowing more accurate account to be taken of the commercial conditions under which such products are exported;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for compound feedingstuffs according to composition and destination; whereas, for purposes of varying the refund, the destination zones laid down in Annex II to Commission Regulation (EEC) No 1124/77 of 27 May 1977 redefining the destination zones for export refunds or levies and for certain export licences for cereals and rice⁽⁸⁾, as amended by Regulation (EEC) No 501/85⁽⁹⁾, should be used;

⁽⁸⁾ OJ No L 134, 28. 5. 1977, p. 53.

⁽⁹⁾ OJ No L 60, 28. 2. 1985, p. 26.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the coefficient provided for in Article 2b (2) of Regulation (EEC) No 974/71 ⁽¹⁾, as last amended by Regulation (EEC) No 855/84 ⁽²⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient ;

Whereas the refund must be fixed once a month ;
whereas it may be altered in the intervening period ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on the compound feedingstuffs covered by Regulation (EEC) No 2727/75 and subject to Regulation (EEC) No 2743/75 are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 July 1985.

zation of the market in cereals⁽¹⁾, as last amended by
Regulation (EEC) No 1018/84⁽²⁾, and in particular
Article 13 (5) thereof,

Having regard to Council Regulation No 129 on the
value of the unit of account and the exchange rates to
be applied for the purposes of the common agricul-
tural policy⁽³⁾, as last amended by Regulation (EEC)
No 2543/73⁽⁴⁾, and in particular Article 3 thereof,

Having regard to the opinion of the Monetary

to date, adopted the prices for this marketing year in
respect of this product; whereas the Commission, in
compliance with the tasks entrusted to it by the
Treaty, is obliged to adopt the precautionary measures
essential to ensure continuity of operation of the
common agricultural policy as regards durum wheat;

Whereas, in order to ensure continuity of operation of
the import arrangements for durum wheat and for
durum wheat groats and meal, a price equal to the
threshold price fixed for the 1984/85 marketing year
and applicable as from 1 July 1984 should be taken
into account in calculating the levies, namely 352,67
ECU per tonne for durum wheat, and 547,09 ECU per
tonne for durum wheat groats and meal; whereas

these prices shall be adjusted as from 1 August 1985
by the same amounts as the monthly increments fixed
by Regulation (EEC) No 1020/84⁽⁶⁾;

Whereas, if the levy system is to operate normally,
levies should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2,25 %, a rate of exchange based on
their central rate, multiplied by the coefficient
provided for in Article 2b (2) of Regulation (EEC)
No 974/71⁽⁷⁾, as last amended by Regulation (EEC)
No 855/84⁽⁸⁾,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent, and the aforesaid coeffi-
cient;

Whereas these exchange rates being those recorded on
27 June 1985;

Whereas it follows from applying the detailed rules
contained in Regulation (EEC) No 3131/84 to today's
offer prices and quotations known to the Commission
that the levies at present in force should be altered to
the amounts set out in the Annex hereto,

fixing the production refund for olive oil used in the manufacture of certain preserved fish and vegetables

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 683/85⁽²⁾,

Having regard to Council Regulation (EEC) No 591/79 of 26 March 1979 laying down general rules relating to the production refund for olive oil used in the manufacture of certain preserved foods⁽³⁾, as amended by Regulation (EEC) No 3176/84⁽⁴⁾, and in particular Articles 3 and 7 thereof,

Whereas Article 2 of Council Regulation (EEC) No 591/79 provides for the granting of a production refund for olive oil used in the manufacture of certain preserved fish and vegetables;

Whereas under Article 3 of the abovementioned Regulation, without prejudice to the second subparagraph of Article 7 of the said Regulation, the Commission shall fix this refund every two months;

Whereas, by virtue of Article 5 of the Regulation cited above, where the tender system is employed for fixing the levy, the production refund shall be fixed on the basis of the minimum levies determined under the

said system for oils falling within subheading 15.07 A II a) of the Common Customs Tariff; whereas, however, if the oil employed for manufacture of the preserves was produced within the Community, the amount referred to above shall be increased by a sum equal to the consumption aid in force on the day the said refund is applied;

Whereas application of the above criteria results in the refund being fixed as shown below,

HAS ADOPTED THIS REGULATION:

Article 1

For July and August 1985, the amount of the production refund referred to in Article 2 of Regulation (EEC) No 591/79 shall be:

- 100,00 ECU per 100 kilograms for olive oil produced in the Community and utilized in Member States other than Greece,
- 95,39 ECU per 100 kilograms for olive oil produced in the Community and utilized in Greece,
- 65,00 ECU per 100 kilograms for olive oil other than that referred to in the preceding indents.

Article 2

This Regulation shall enter into force on 1 July 1985.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1795/85
of 28 June 1985
fixing countervailing charges on seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2358/71 of 26 October 1971 on the common organization of the market in seeds⁽¹⁾, as last amended by Regulation (EEC) No 1581/83⁽²⁾, and in particular Article 6 (5) thereof,

Whereas Article 6 (3) of Regulation (EEC) No 2358/71 provides that where the free-at-frontier offer price, plus customs duties, for a type of hybrid maize for sowing and coming from a non-member country, is lower than the corresponding reference price, a countervailing charge shall be levied on imports of the hybrid from that country, subject to obligations resulting from binding under GATT; whereas the countervailing charge is equal to the difference between the reference price and the free-at-frontier price plus customs duties;

Whereas the reference prices for the 1985/86 marketing year for hybrid maize for sowing were fixed in Commission Regulation (EEC) No 1800/85⁽³⁾;

Whereas the free-at-frontier offer prices for each country of provenance are determined using all available relevant information; whereas such relevant information is defined in Article 1 (1), (2) and (3) of Commission Regulation (EEC) No 1665/72⁽⁴⁾; whereas Article 3 of the same Regulation provides that the free-at-frontier offer prices for each country of provenance shall be determined from the most favourable purchasing opportunities for the products in question calculated in accordance with Articles 1 and 2 of the Regulation; whereas information on offers which have no economic effect on the market in particular because of the insignificant quantities for

which they are made are to be disregarded for the purpose of calculating these prices;

Whereas, pursuant to Article 2 of Regulation (EEC) No 1665/72, an adjustment must be made in the case of price information relating to a stage other than free-at-Community-frontier; whereas, pursuant to Article 4 (2) of that Regulation, the countervailing charge must be amended where a significant variation in the free-at-frontier offer price is recorded;

Whereas, as a result of the application of the aforementioned provisions to the information currently available to the Commission, the countervailing charge in respect of certain types of hybrid is to be fixed at the amounts indicated in the Annex to this Regulation;

Whereas, consequently, Commission Regulation (EEC) No 1864/84⁽⁵⁾, as last amended by Regulation (EEC) No 1143/85⁽⁶⁾, which fixed the countervailing charges for the preceding period, should be repealed;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Seeds,

HAS ADOPTED THIS REGULATION:

Article 1

The countervailing charges on seeds are fixed as shown in the Annex hereto.

Article 2

Regulation (EEC) No 1864/84 is hereby repealed.

Article 3

This Regulation shall enter into force on 1 July 1985.

COMMISSION REGULATION (EEC) No 1796/85

of 28 June 1985

fixing the export refunds on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽¹⁾, as last amended by Regulation (EEC) No 1025/84 ⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 17 of Regulation (EEC) No 1418/76 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds ⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances of the Community market;

Whereas Regulation (EEC) No 1361/76 ⁽⁴⁾ lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum;

Whereas Article 3 of Regulation (EEC) No 1431/76 defines the specific criteria to be taken into account when the export refund on rice and broken rice is being calculated;

Whereas the world market situation or the specific requirements of certain markets may make it necessary

to vary the refund for certain products according to destination;

Whereas a separate refund should be fixed for packaged long grain rice to accommodate current demand for the product on certain markets;

Whereas the refund must be fixed at least once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the coefficient provided for in Article 2b (2) of Regulation (EEC) No 974/71 ⁽⁵⁾, as last amended by Regulation (EEC) No 855/84 ⁽⁶⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas it follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market, that the refund should be fixed as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 of Regulation (EEC) No 1418/76 with the exception of those listed in paragraph 1 (c) of that Article, exported in the natural state, shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 1797/85

of 28 June 1985

fixing the corrective amount applicable to the refund on rice and broken rice

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1418/76 of 21 June 1976 on the common organization
of the market in rice ⁽¹⁾, as last amended by Regulation
(EEC) No 1025/84 ⁽²⁾, and in particular the second
subparagraph of Article 17 (4) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas the first subparagraph of Article 17 (4) of
Regulation (EEC) No 1418/76 provides that the export
refund applicable to rice and broken rice on the day
on which application for an export licence is made,
adjusted for the threshold price which will be in force
during the month of exportation, must be applied on
request to exports to be effected during the period of
validity of the licence;

Whereas Regulation No 474/67/EEC ⁽³⁾, as amended
by Regulation (EEC) No 1397/68 ⁽⁴⁾, lays down
detailed rules for the advance fixing of the export
refund on rice and broken rice;

Whereas that Regulation provides that the refund
applicable on the day on which application for an
export licence is made must, when it is fixed in
advance, be reduced by an amount no greater than the
difference between the cif forward delivery price and
the cif price, where the former exceeds the latter by
more than 0,30 ECU per tonne; whereas on the other
hand, the refund must be increased by an amount no
greater than the difference between the cif price and
the cif forward delivery price, where the former
exceeds the latter by more than 0,30 ECU per tonne;

Whereas the cif price is that determined in accordance
with Article 16 of Regulation (EEC) No 1418/76;
whereas the cif forward delivery price is that deter-
mined in accordance with Article 3 (2) of Regulation

(EEC) No 1428/76 ⁽⁵⁾, based in respect of each month
for which the export licence is valid, on the cif price
calculated on the basis of offers for shipment during
the month of exportation;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in
relation to each other at any given moment within
a band of 2,25 %, a rate of exchange based on
their central rate, multiplied by the coefficient
provided for in Article 2b (2) of Regulation (EEC)
No 974/71 ⁽⁶⁾, as last amended by Regulation (EEC)
No 855/84 ⁽⁷⁾,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded for a given period in
relation to the Community currencies referred to
in the previous indent, and the aforesaid coeffi-
cient;

Whereas it follows from applying the provisions set
out above that the corrective amount must be as set
out in the Annex hereto;

Whereas the measures provided for in this Regulation
are in accordance with the opinion of the Management
Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 17 (4) of
Regulation (EEC) No 1418/76 which is applicable to
the export refunds fixed in advance in respect of rice
and broken rice shall be as set out in the Annex
hereto.

COMMISSION REGULATION (EEC) No 1798/85

of 28 June 1985

fixing the corrective amount applicable to the refund on cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1018/84⁽²⁾,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, a corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by Regulation (EEC) No 1027/84⁽⁵⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (c) of Regulation (EEC) No 2727/75;

Whereas pursuant to Article 11 of Regulation (EEC) No 2042/75⁽⁶⁾ a special period of validity may be fixed in respect of the export licence; whereas it seems advisable, in order to ensure that there is certainty as to the transactions, to fix corrective amounts in respect of the products in question that take account of the special periods of validity that may be granted;

Whereas Regulation (EEC) No 1281/75⁽⁷⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed, account must be

taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and possibilities and conditions for the sale of cereals and cereal products on the world market on the other; whereas the same Regulation provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 2727/75 account should be taken of the specific criteria laid down in Article 2 (2) of Regulation (EEC) No 1281/75;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure;

Whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the coefficient provided for in Article 2b (2) of Regulation (EEC) No 974/71⁽⁸⁾, as last amended by Regulation (EEC) No 855/84⁽⁹⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the preceding indent and the aforesaid coefficient;

Whereas it follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto;

COMMISSION REGULATION (EEC) No 1799/85

of 28 June 1985

fixing the corrective amount applicable to the refund on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Council Regulation (EEC) No 1018/84⁽²⁾,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, a corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by Regulation (EEC) No 1027/84⁽⁵⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (d) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75⁽⁶⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed in respect of malt, account must be taken of the existing situation and the future trend with regard to the possibilities and conditions for the sale of the cereals concerned and of malt on the world market; whereas the same Regulation also provides that account must be taken of the

quantity of cereals needed for making malt, the economic aspect of exports and the need to avoid disturbances on the Community market;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure; whereas it may be altered in the period between fixings;

COMMISSION REGULATION (EEC) No 1800/85

of 28 June 1985

fixing for the 1985/86 marketing year the reference prices for hybrid maize for sowing

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2358/71 of 26 October 1971 on the common organization of the market in seeds⁽¹⁾, as last amended by Regulation (EEC) No 1581/83⁽²⁾, and in particular Article 6 (5) thereof,

Whereas Article 6 (1) of Regulation (EEC) No 2358/71 lays down that a reference price for each type of hybrid maize for sowing shall be fixed annually; whereas these reference prices are to be fixed on the basis of the free-at-frontier prices recorded during the past three marketing years, but excluding abnormally low prices; whereas, under Article 2 of Council Regulation (EEC) No 1578/72 of 20 July 1972 laying down general rules for fixing reference prices and for determining free-at-frontier offer prices for hybrid maize for sowing⁽³⁾, only prices of imports from non-member countries which are representative as regards quantity and quality are to be taken into account;

Whereas imports of the types of hybrid maize for sowing falling within subheading 10.05 A IV ('other')

of the Common Customs Tariff cannot, given the very small quantity involved, be considered as representative; whereas, therefore, no reference price for those types of maize can be fixed;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Seeds,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1985/86 marketing year, the reference prices for hybrid maize for sowing, falling within subheading 10.05 A I, II and III of the Common Customs Tariff shall be as set out in the Annex hereto.

Article 2

COMMISSION REGULATION (EEC) No 1802/85

of 28 June 1985

on the sale at a price fixed at a standard rate in advance of boned beef held by the intervention agencies of Denmark, France, Ireland and the United Kingdom and intended for export

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal ⁽¹⁾, as last amended by the Act of Accession of Greece, and in particular Article 7 (3) thereof,

Whereas the intervention agencies of Denmark, France, Ireland and the United Kingdom hold substantial stocks of boned intervention meat; whereas an extension of the period of storage for the meat bought in should be avoided on account of the ensuing high costs; whereas outlets exist in certain non-member countries for the products in question;

Whereas it is appropriate therefore to offer this meat for sale at a price fixed at a standard rate in advance in accordance with Commission Regulation (EEC) No 985/81 ⁽²⁾;

Whereas Council Regulation (EEC) No 1055/77 ⁽³⁾ provides that, in the case of products held by an intervention agency and stored outside the territory of the Member State within whose jurisdiction that agency falls, a selling price different from that for products stored on that territory may be fixed; whereas Commission Regulation (EEC) No 1805/77 ⁽⁴⁾ laid down the method of calculating the selling price for those products; whereas, in order to avoid any confusion, it should be made clear that the prices fixed by this Regulation do not apply as they stand to those products;

Whereas it is necessary to provide for the lodging of a security sufficiently high to guarantee the export of this beef;

Whereas it is appropriate to specify that, in view of the prices which have been fixed in the context of this sale in order to permit the disposal of certain cuts, exports of such cuts should not be eligible for the refunds periodically fixed in the beef and veal sector;

Whereas Commission Regulation (EEC) No 1607/85 ⁽⁵⁾ should be repealed;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

1. The sale shall take place of approximately:

- (a) 220 tonnes of boned beef held by the French intervention agency;
- (b) 1 900 tonnes of boned beef held by the Irish intervention agency;
- (c) 2 000 tonnes of boned beef held by the Danish intervention agency;
- (d) 900 tonnes of boned beef held by the intervention agency of the United Kingdom.

This meat is for export.

The sale shall take place in accordance with the provisions of Regulation (EEC) No 985/81.

2. The qualities and the selling price of the products are given in Annex I hereto.

3. Particulars relating to the quantities and the places where the products are stored may be obtained by interested parties at the addresses given in Annex II.

Article 2

The security provided for in Article 3 of Regulation (EEC) No 985/81 is hereby fixed at 270 ECU per 100 kilograms.

Article 3

No export refund shall be granted in respect of cuts referred to under 2 and 3 of Annex I and sold pursuant to this Regulation.

Article 4

Regulation (EEC) No 1607/85 is hereby repealed.

COMMISSION REGULATION (EEC) No 1806/85

of 28 June 1985

amending Regulation (EEC) No 1836/82 laying down the procedure and conditions for the disposal of cereals held by intervention agencies

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1018/84⁽²⁾, and in particular Articles 7 (5) and 8 (4) thereof,

Whereas, pursuant to Article 3 of Council Regulation (EEC) No 2738/75 of 29 October 1975 laying down general rules for intervention on the market in cereals⁽³⁾ and Article 3 of Council Regulation (EEC) No 1146/76 of 17 May 1976 on particular and special intervention measures for cereals⁽⁴⁾, cereals held by the intervention agencies are to be disposed of by invitation to tender;

Whereas, pursuant to the provisions of Commission Regulation (EEC) No 1836/82⁽⁵⁾, disposal on the internal market must be on the basis of price conditions preventing deterioration of the market; whereas that aim can be achieved if the selling price is equal to the local market price — account being taken of the quality put up for tender — without being below a given level in relation to the intervention or reference price increased by 1 %; whereas, account being taken of the fixing of a period of payment on intervention of 120 to 140 days, this increase can no longer be justified;

Whereas, in addition, account being taken of Article 4 (3) of Commission Regulation (EEC) No 1629/77 of 20 July 1977 laying down detailed rules of application for special intervention measures to support the development of the market in common wheat of bread-making quality⁽⁶⁾, as last amended by Regulation (EEC) No 2215/84⁽⁷⁾, the provisions of Regulation (EEC) No 1836/82 relating to the minimum price to

be respected in the event of sales on the internal market should be adapted accordingly;

Whereas, pursuant to the provisions of the abovementioned Regulation, the disposal of cereals for export must be on the basis of price conditions to be determined in each case in the light of current market trends and requirements; whereas, however, detailed terms of payment for cereals in respect of which contracts for export have been awarded should be fixed in order to adapt them to the Community rules on the arrangements for export licences with advance-fixing of the refund;

Whereas, with regard to common wheat, the quality of the lot put up for tender should be precisely determined in order to better evaluate the tenders submitted at the time of sales on the Community market or for export; whereas, therefore, it should be laid down that the intervention agencies should take the necessary steps to inform the parties concerned;

Whereas, in the light of the foregoing, Regulation (EEC) No 1836/82 should be amended;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 1836/82 is hereby amended as follows:

1. Article 5 (1) is replaced by the following:

'1. Successful tenders must offer a price at least equivalent to the market price for a similar quality recorded on the market for the place of storage or, failing such a price, the price on the nearest market taking account of transport costs. The tender price may not, in any circumstances, be lower than the intervention or reference prices applicable on the closing date for the submission of tenders, adjusted, as appropriate:

(2) OJ No L 107, 19. 4. 1984, p. 1.

(3) OJ No L 281, 1. 11. 1975, p. 49.

(6) OJ No L 181, 21. 7. 1977, p. 26.

(7) OJ No L 203, 31. 7. 1984, p. 20.

- by the special increase provided for in Article 6 (1) of Regulation (EEC) No 1570/77, in the case of rye of bread-making quality.

However in the event that common wheat was bought in accordance with the provisions of the second subparagraph of Article 4 (3) of Regulation (EEC) No 1629/77, the successful tender in respect of this common wheat must not under any circumstances, be less than the price referred to in that Article and applied during the marketing year in which it was sent for sale, this price being increased monthly from September to July of the following year by an amount equal to the monthly increment fixed for the reference price.

⁽¹⁾ OJ No L 174, 1. 7. 1977, p. 18.

2. In Article 8 (2) (c), delete 'increased by 1 %'.
3. The following is added to the second indent of the first paragraph of Article 12:

'in addition, in the event that only the physical characteristics have been determined, the intervention agency shall, in respect of common wheat, analyze the technical characteristics of the lot put up for sale, which characteristics shall be determined in accordance with the procedure laid down in Article 26 of Regulation (EEC) No 2727/75, and shall publish them in the notice of invitation to tender.'

4. The term 'Article 5 (1) (b)' in the second subparagraph of Article 13 (1) is replaced by 'Article 5 (1)'.

5. Article 16 is replaced by the following:

Article 16

The successful tenderer shall pay for the cereals before they are removed and at the latest one month after the date on which the statement referred to in Article 15 is sent. The successful tenderer shall bear all risks and storage costs in respect of cereals not removed within the period of payment.

In the case of export, the price to be paid shall be that shown in the tender plus a monthly increase where the cereals are removed during the month following that in which the contract was awarded. Where the cereals are removed during the 12th month of the marketing year and the contract was awarded during the 11th month, the price to be paid shall be that shown in the tender.

If the cereals are not paid for within the period referred to in the preceding subparagraphs, the intervention agency shall terminate the contract in respect of the quantities for which payment has not been received.'

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply from 1 August 1985.

However, in the case of durum wheat it shall apply from 1 July 1985.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1809/85

of 28 June 1985

fixing the import levies on white sugar and raw sugar

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the market in sugar ⁽¹⁾, as last amended by Regulation (EEC) No 1482/85 ⁽²⁾, and in particular Article 16 (8) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (1) of Regulation (EEC) No 1785/81 provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the import levy on white sugar and raw sugar must be equal to the threshold price less the cif price; whereas the threshold price for each of these products was fixed by Council Regulation (EEC) No 1484/85 of 23 May 1985 fixing for the 1985/86 marketing year the derived intervention prices for white sugar, the intervention price for raw sugar, the minimum prices for A and B beet, the threshold prices and the amount of compensation for storage costs ⁽³⁾;

Whereas the cif price for raw sugar and white sugar is calculated by the Commission for a Community frontier crossing point which was fixed at Rotterdam by Council Regulation (EEC) No 431/68 of 9 April 1968 determining the standard quality for raw sugar and fixing the Community frontier crossing point for calculating cif prices for sugar ⁽⁴⁾;

Whereas this price must be based on the most favourable purchasing opportunities on the world market established for each product on the basis of quotations or prices on that market adjusted for any deviation from the standard quality for which the threshold price is fixed; whereas the standard quality for raw sugar was defined by Regulation (EEC) No 431/68 and that for white sugar by Regulation (EEC) No 793/72 of 17 April 1972 ⁽⁵⁾;

Whereas, when the most favourable purchasing opportunities on the world market are being established, the Commission must take account of all available information on offers on the world market, on quotations on the exchanges which are important for world trade, on prices recorded on important third-country

markets, and on sales concluded in international trade of which it has knowledge either directly or through the agency of the Member States;

Whereas, however, pursuant to Commission Regulation (EEC) No 784/68 of 26 June 1968 laying down detailed rules for calculating cif prices for white sugar and raw sugar ⁽⁶⁾, the Commission must disregard information if the goods concerned are not of sound and fair marketable quality or if the price quoted in an offer relates to small quantities and is not representative of the market; whereas offer prices which can be assumed not to be representative of the actual market trends must also be disregarded;

Whereas any offer or prices taken into consideration which are not for goods delivered in bulk cif Rotterdam must be adjusted; whereas when this adjustment is being made account must be taken of the difference in the cost of transporting the goods between the port of loading and the port of destination and between the port of loading and Rotterdam; whereas, if the price or the offer relates to goods in bags, it must be reduced by 0,73 ECU per 100 kilograms under the terms of Article 4 of Regulation (EEC) No 784/68;

Whereas, if information on sugar of the standard quality is to be comparable, the price increases or reductions fixed pursuant to Article 15 of Regulation (EEC) No 1785/81 must be added to or deducted from the offers taken into consideration in the case of white sugar; whereas, in the case of raw sugar, the corrective factors provided for in Article 5 of Regulation (EEC) No 784/68 must be applied;

Whereas, pursuant to Article 7 of Regulation (EEC) No 784/68, a special cif price may be established for sugar which has been specially treated or specially packed if the offer price for such sugar is lower than the cif price established pursuant to the provisions referred to above;

Whereas a cif price may, by way of exception, be left unchanged for a limited period if the offer price which served as a basis for the previous calculation of the cif price is not available to the Commission and if the offer prices which are available and which appear not to be sufficiently representative of actual market trends would entail sudden and considerable changes in the cif price;

Whereas the levy is altered only if the variation in the elements used to calculate it would entail an increase or a reduction of not less than 0,24 ECU per 100 kilograms in relation to the levy previously fixed;

⁽¹⁾ OJ No L 177, 1. 7. 1981, p. 4.

⁽²⁾ OJ No L 151, 10. 6. 1985, p. 1.

⁽³⁾ OJ No L 151, 10. 6. 1985, p. 5.

⁽⁴⁾ OJ No L 89, 10. 4. 1968, p. 3.

⁽⁵⁾ OJ No L 94, 21. 4. 1972, p. 1.

⁽⁶⁾ OJ No L 145, 27. 6. 1968, p. 10.

Whereas, in accordance with Article 21 (1) of Regulation (EEC) No 1785/81, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the coefficient provided for in Article 2b (2) of Regulation (EEC) No 974/71, as last amended by Regulation (EEC) No 855/84,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to

in the previous indent and the aforesaid coefficient;

Whereas it follows from applying these provisions that the levies for white sugar and raw sugar should be as set out in the Annex hereto,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies referred to in Article 16 (1) of Regulation (EEC) No 1785/81 shall be, in respect of white sugar and standard quality raw sugar, as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 July 1985.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1810/85

of 28 June 1985

fixing the import levy on molasses

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No
1785/81 of 30 June 1981 on the common organization
of the market in sugar ⁽¹⁾, as last amended by Regula-
tion (EEC) No 1482/85 ⁽²⁾, and in particular Article 16
(8) thereof,

Having regard to the opinion of the Monetary
Committee,

Whereas Article 16(1) of Regulation (EEC) No
1785/81 provides for charging a levy on imports of the
products listed in Article 1 (1) (c) of that Regulation ;

Whereas the import levy on molasses must be equal to
the threshold price less the cif price ; whereas the
threshold price for molasses was fixed by Council
Regulation (EEC) No 1484/85 of 23 May 1985 fixing,
for the 1985/86 marketing year, the derived interven-
tion prices for white sugar, the intervention price for
raw sugar, the minimum prices for A and B beet, the
threshold prices and the amount of compensation for
storage costs ⁽³⁾ ;

Whereas the cif price for molasses is calculated by the
Commission for a Community frontier crossing point
which was fixed at Rotterdam by Council Regulation
(EEC) No 431/68 of 9 April 1968 determining the
standard quality for raw sugar and fixing the Commu-
nity frontier crossing point for calculating cif prices
for sugar ⁽⁴⁾ ;

Whereas this price must be based on the most favour-
able purchasing opportunities on the world market
established for each product on the basis of quotations
or prices on that market adjusted for any deviation
from the standard quality for which the threshold
price is fixed ; whereas the standard quality for
molasses was defined by Commission Regulation
(EEC) No 785/68 of 26 June 1968 determining the

standard quality and laying down detailed rules for
calculating the cif price for molasses ⁽⁵⁾ ;

Whereas, when the most favourable purchasing oppor-
tunities on the world market are being established, the
Commission must take account of all available infor-
mation on offers on the world market, on quotations
on the exchanges which are important for world trade,
on prices recorded on important third-country markets
and on sales concluded in international trade of which
it has knowledge, either directly or through the agency
of the Member States ; whereas, under the terms of
Article 7 of Regulation (EEC) No 785/68, the
Commission may for this purpose take an average of
several prices as a basis, provided this average can be
regarded as being representative of actual market
trends ;

Whereas the Commission must disregard information
if the goods concerned are not of sound and fair
marketable quality or if the price quoted in an offer
relates to a small quantity and is not representative of
the market ; whereas offer prices which can be
regarded as not representative of actual market trends
must also be disregarded ;

Whereas any prices or offer taken into consideration
which are not for delivery cif Rotterdam must be
adjusted, account being taken in particular of the diffe-
rences in the cost of transporting the goods between
the port of loading and the port of destination and
between the port of loading and Rotterdam ;

Whereas, if information on molasses of the standard
quality is to be comparable, prices must, depending on
the quality of the molasses offered, be increased or
reduced in the light of the results obtained by
applying Article 6 of Regulation (EEC) No 785/68 ;

Whereas the cif price may, by way of exception, be left
unchanged for a limited period if the offer price which
served as a basis for the previous calculation of the cif
price is not available to the Commission and if the
offer prices which are available and which appear not
to be sufficiently representative of actual market trends
would entail sudden and considerable changes in the
cif price ;

Whereas the levy must be fixed each week ; whereas
pursuant to Article 5 of Commission Regulation (EEC)

application of levies on sugar ⁽¹⁾, as last amended by Regulation (EEC) No 1428/78 ⁽²⁾, the levy is altered only if the variation in the elements used to calculate it would entail an increase or a reduction of not less than 0,06 ECU per 100 kilograms in relation to the levy previously fixed;

Whereas in accordance with Article 21 (1) of Regulation (EEC) No 1785/81, the nomenclature provided for in this Regulation is incorporated in the Common Customs Tariff;

Whereas if the levy system is to operate normally, levies should be calculated on currencies following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the coefficient provided for in Article 2b (2) of Regulation (EEC) No 974/71, as last amended by Regulation (EEC) No 855/84,

Whereas the import levies on products processed from cereals and rice were fixed by Regulation (EEC) No 1407/85 ⁽⁷⁾, as last amended by Regulation (EEC) No 1754/85 ⁽⁸⁾;

Whereas Council Regulation (EEC) No 1027/84 of 31 March 1984 ⁽⁹⁾ amended Regulation (EEC) No 2744/75 ⁽¹⁰⁾ as regards products falling within sub-heading 23.02 A of the Common Customs Tariff;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the coefficient provided for in Article 2b (2) of Regulation (EEC) No 974/71⁽¹⁰⁾ as last amended by Regulation (EEC) No 855/84⁽¹¹⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas the levy on the basic product as last fixed differs from the average levy by more than 3,02 ECU per tonne of basic product; whereas, pursuant to Article 1 of Regulation (EEC) No 1579/74⁽¹²⁾ the levies at present in force must therefore be altered to the amounts set out in the Annex hereto,

COMMISSION REGULATION (EEC) No 1814/85

of 28 June 1985

introducing a countervailing charge on certain varieties of plums originating in Spain

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables⁽¹⁾, as last amended by Regulation (EEC) No 1332/84⁽²⁾, and in particular the second subparagraph of Article 27 (2) thereof,

Whereas Article 25 (1) of Regulation (EEC) No 1035/72 provides that, if the entry price of a product imported from a third country remains at least 0,6 ECU below the reference price for two consecutive market days, a countervailing charge must be introduced in respect of the exporting country concerned, save in exceptional circumstances; whereas this charge is equal to the difference between the reference price and the arithmetic mean of the last two entry prices available for that exporting country;

Whereas Commission Regulation (EEC) No 786/85 of 27 March 1985 fixing for the 1985 marketing year the reference prices for plums⁽³⁾ fixed the reference price for class I, group I, at 67,87 ECU per 100 kilograms net for the period 11 June to 31 July 1985;

Whereas the entry price for a given exporting country is equal to the lowest representative prices recorded for at least 30 % of the quantities from the exporting country concerned which are marketed on all representative markets for which prices are available, less the duties, and the charges indicated in Article 24 (3) of Regulation (EEC) No 1035/72; whereas the meaning of representative price is defined in Article 24 (2) of Regulation (EEC) No 1035/72;

Whereas, in accordance with Article 3 (1) of Regulation (EEC) No 2118/74⁽⁴⁾, as last amended by Regula-

tion (EEC) No 3110/83⁽⁵⁾, the prices to be taken into consideration must be recorded on the representative markets or, in certain circumstances, on other markets;

Whereas, for Spanish plums of group I, the entry price calculated in this way has remained at least 0,6 ECU below the reference price for two consecutive market days; whereas a countervailing charge should therefore be introduced for these plums;

Whereas, if the system is to operate normally, the entry price should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the coefficient provided for in Article 2b (2) of Regulation (EEC) No 974/71, as last amended by Regulation (EEC) No 855/84,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient,

HAS ADOPTED THIS REGULATION:

Article 1

A countervailing charge of 6,14 ECU per 100 kilograms net is applied to plums (subheading 08.07 D of the Common Customs Tariff), of varieties other than Altesse simple (common quetsche, Hauszwetschge), Reine-Claude d'Oullins (Oullins Gage), Sveskeblommer, Ruth Gerstetter, Ontario, Wangenheimer (early Wangenheim quetsche), Pershore (Yellow Egg), Mirabelle and Bosniche, originating in Spain.

opening, allocating and providing for the administration of a Community tariff quota for rum, arrack and tafia, falling within subheading 22.09 C I of the Common Customs Tariff and originating in the African, Caribbean and Pacific States (ACP) (1 July 1985 to 30 June 1986)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas the Community signed the Third ACP-EEC Convention at Lomé on 8 December 1984; whereas the Community decided, by Council Regulation (EEC) No 485/85 of 26 February 1985 concerning the application of Decision No 2/85 of the ACP-EEC Council of Ministers on transitional measures valid from 1 March 1985⁽¹⁾, to apply Protocol 5 annexed to the Convention autonomously in advance;

Whereas Article 1 of Protocol 5 provides that products originating in the African, Caribbean and Pacific (ACP) States which fall within subheading 22.09 C I of the Common Customs Tariff shall, until the entry into force of a common organization of the market in spirits, be allowed into the Community free of customs duties under conditions such as to permit the development of traditional trade flows between the ACP States and the Community, on the one hand, and between the Member States, on the other;

Whereas the Community shall fix each year the quantities which may be imported free of customs duties on the basis of the largest quantities imported annually from the ACP States into the Community in the past three years for which statistics are available, increased by an annual growth rate of 37 % on the market of the United Kingdom and 27 % on the other markets of the Community; whereas, however, the annual volume can in no case be less than 170 000 hectolitres of pure alcohol; whereas on account of the particular features of the rum market the quota period runs from 1 July to 30 June;

Whereas, having regard to the levels reached by imports of the products concerned into the Community and the Member States during the past three years for which statistics are available, the annual quota volume would amount to 154 100 hectolitres of pure alcohol; whereas, since this volume is below the

threshold established by Protocol 5, the quota volume for the period 1 July 1985 to 30 June 1986 must be fixed at 170 000 hectolitres of pure alcohol;

Whereas, during the past three years for which statistics are available, the corresponding imports by each of the Member States represent the following percentages of the imports into the Community from the countries in question of the products concerned:

Member State	1982	1983	1984
Benelux	5,0	5,1	5,7
Denmark	1,7	1,6	1,8
Germany	25,7	24,4	28,0
Greece	0,3	0,0	0,1
France	2,1	1,8	1,0
Ireland	2,0	1,8	1,9
Italy	0,3	0,4	0,5
United Kingdom	62,9	64,9	61,0

Whereas, in view of these factors, of market forecasts for the products in question and of the estimates submitted by certain Member States, quota shares may be fixed approximately at the following percentages:

Benelux	5,30
Denmark	1,70
Germany	26,10
Greece	0,05
France	1,62
Ireland	1,88
Italy	0,42
United Kingdom	62,93

Whereas an arrangement for using the Community tariff quota, based on an allocation between the United Kingdom on the one hand and the other Member States on the other, would seem likely to reconcile the application of the growth rates provided for in Protocol 5 with the uninterrupted application of the duty-free entry arrangements in respect of the said quota to all imports of the products concerned into the Member States until the quota is exhausted; whereas in order to reflect as closely as possible actual market trends for the products concerned, allocation of the Community tariff quota among Member States should be made in accordance with the requirements of the Member States; whereas, in this case, the tariff

⁽¹⁾ OJ No L 61, 1. 3. 1985, p. 1.

quota should be allocated among the Member States on the basis of the largest quantities imported annually into each Member State during the past two years and taking into account the abovementioned growth rates ;

Whereas measures should be laid down to ensure that Protocol 5 is implemented under conditions such as to permit the development of traditional trade flows between the ACP States and the Community, on the one hand, and between the Member States on the other ;

Whereas owing to the special character of the products in question and their sensitivity on Community markets, exceptional provision should be made for a method of use based on a single division among Member States ;

Whereas, since the Kingdom of Belgium, the Kingdom of the Netherlands and the Grand Duchy of Luxembourg are united within and jointly represented by the Benelux Economic Union, any measure concerning the administration of the share allocated to that economic union may be carried out by any one of its members,

HAS ADOPTED THIS REGULATION :

Article 1

1. From 1 July 1985 to 30 June 1986 rum, arrack and tafia falling within subheading 22.09 C I of the Common Customs Tariff and originating in the ACP States shall be imported duty free into the Community within the limits of a tariff quota of 170 000 hectolitres of pure alcohol.

2. Within the limit of its share, as indicated in Article 2, the Hellenic Republic shall apply customs duties calculated in accordance with the relevant provisions of the 1979 Act of Accession and of Regulation (EEC) No 439/81 ⁽¹⁾.

Article 2

1. The tariff quota referred to in Article 1 shall be divided into two instalments. A first instalment of 106 980 hectolitres of pure alcohol shall be for United Kingdom consumption. A second instalment of 63 020 hectolitres of pure alcohol shall be allocated among the other Member States.

2. The shares of each of the Member States to which the second instalment is allocated shall consist of the following quantities :

(hectolitres of pure alcohol)

Benelux	9 010
Denmark	2 890
Germany	44 400
Greece	50
France	2 760
Ireland	3 200

Article 3

1. Member States shall manage the shares allocated to them in accordance with their own arrangements.

2. The extent to which the Member States have taken up their shares shall be determined on the basis of the imports of the products in question, originating in the ACP States, entered for customs clearance under declarations for free circulation.

Article 4

1. Member States shall inform the Commission each month of imports actually charged against the tariff quota.

2. The United Kingdom shall take the steps necessary to ensure that the quantities imported from the ACP States under the conditions laid down in Articles 1 and 2 are restricted to those meeting its domestic consumption requirements.

3. The Commission shall regularly inform the Member States of the extent to which the tariff quota has been taken up.

4. Where necessary, consultations may be held at the request of a Member State or on the initiative of the Commission.

Article 5

The Commission shall take all necessary measures, in close cooperation with the Member States, to ensure the implementation of this Regulation.

COUNCIL REGULATION (EEC) No 1816/85

of 27 June 1985

opening, allocating and providing for the administration of a Community tariff quota for rum, arrack and tafia, falling within subheading 22.09 C I of the Common Customs Tariff and originating in the overseas countries and territories with the European Economic Community (1 July 1985 to 30 June 1986)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 136 thereof,

Having regard to Council Decision 80/1186/EEC of 16 December 1980 on the association of the overseas countries and territories with the European Economic Community⁽¹⁾, as amended by Decision 85/159/EEC⁽²⁾, and in particular Annex IX thereto,

Having regard to the proposal from the Commission,

Whereas Annex IX to Decision 80/1186/EEC provides that rum, arrack and tafia shall be imported into the Community free of customs duties within the limits of a Community tariff quota; whereas the annual size of the quota is to be fixed on the basis of a basic annual quantity, calculated in hectolitres of pure alcohol, equal to the amount of imports during the best of the past three years for which statistics are available, to which quantity a certain growth rate is to be applied; whereas this growth rate should be fixed at 27 %; whereas the quota period lasts from 1 July to 30 June of the following year;

Whereas Community statistics for the years 1982 to 1984 show that the highest volume of imports into the Community of the products in question originating in the said countries and territories, namely 43 506 hectolitres of pure alcohol, occurred in 1982; whereas, since the end of 1983 there has been no further production of the products in question in the overseas countries and territories; whereas Community imports in 1984 therefore amounted to only 5 515 hectolitres; whereas in these circumstances it seems advisable to open only a tariff quota large enough to allow, on the one hand, the import of the remainder of the stock and, on the other hand, to take into account the possibility of the installation of a new production unit; whereas the volume of the Community tariff quota for the period 1 July 1985 to 30 June 1986 should therefore be fixed at 15 000 hectolitres of pure alcohol;

Whereas, owing to the special character of the products in question and their sensitivity on Community markets, exceptional provision should be made for a method of use based on a single division among Member States;

Whereas, taking into account actual trends on the markets for the products in question, the needs of the Member States and the economic prospects for the period under consideration, the percentage shares in the quota volume may be laid down approximately as follows:

Benelux	47,33
Denmark	13,33
Germany	18,20
Greece	0,13
France	0,67
Ireland	6,67
Italy	0,33
United Kingdom	13,34

Whereas the development of imports into the Community of these products should be recorded and imports accordingly monitored;

Whereas, since the Kingdom of Belgium, the Kingdom of the Netherlands and the Grand Duchy of Luxembourg are united within and jointly represented by the Benelux Economic Union, any measure concerning the administration of the share allocated to that economic union may be carried out by any one of its members,

HAS ADOPTED THIS REGULATION:

Article 1

1. From 1 July 1985 to 30 June 1986 rum, arrack and tafia falling within subheading 22.09 C I of the Common Customs Tariff and originating in the countries and territories referred to in Article 1 of Decision 80/1186/EEC shall be imported free of customs duty into the Community within the limits of a Community tariff quota of 15 000 hectolitres of pure alcohol.

2. The rules of origin applicable to the products referred to in paragraph 1 shall be those set out in Annex II to Decision 80/1186/EEC.

⁽¹⁾ OJ No L 361, 31. 12. 1980, p. 1.

⁽²⁾ OJ No L 61, 1. 3. 1985, p. 25.

3. Within the limit of its share as indicated in Article 2, the Hellenic Republic shall apply customs duties calculated in accordance with the relevant provisions of the 1979 Act of Accession and of Regulation (EEC) No 439/81 ⁽¹⁾.

Article 2

The tariff quota referred to in Article 1 shall be shared among the Member States as follows:

	(hectolitres of pure alcohol)
Benelux	7 100
Denmark	2 000
Germany	2 730
Greece	20
France	100
Ireland	1 000
Italy	50
United Kingdom	2 000

Article 3

1. Member States shall manage the shares allocated to them in accordance with their own arrangements.

2. The extent to which the Member States have used up their shares shall be determined on the basis of the imports of the products in question, originating in the said countries and territories, entered at customs under declarations for free circulation.

Article 4

1. In accordance with Article 6 of Annex IX to Decision 80/1186/EEC, the Community shall monitor imports of the products in question originating in the said countries and territories.

2. Member States shall forward to the Commission, not later than the 15th day of each month, statements of imports of the products in question actually charged against the tariff quota during the preceding month. Only products entered at customs under declarations for free circulation and accompanied by a movement certificate conforming to the rules referred to in Article 1 (2) shall be taken into consideration for this purpose.

3. The Commission shall regularly inform the Member States of the extent to which the tariff quota has been used up.

4. Where necessary, consultation may be held at the request of a Member State or on the initiative of the Commission.

Article 5

The Commission shall take all necessary measures, in close cooperation with the Member States, to ensure the implementation of this Regulation.

Article 6

This Regulation shall enter into force on 1 July 1985.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Having regard to the Treaty establishing the European Economic Community, and in particular Articles 5 and 155 thereof,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1018/84⁽²⁾,

Whereas the marketing year for durum wheat begins on 1 July: whereas the Council has not, to date, adopted the prices for that product for the 1985/86 marketing year, in accordance with Article 3 (1) of Regulation (EEC) No 2727/75; whereas the Commission, in compliance with the tasks entrusted to it by the Treaty, is obliged to adopt the precautionary measures essential to ensure continuity of operation of the common agricultural policy as regards durum wheat; whereas these measures are taken as a precaution and are without prejudice to the Council's price decisions for the 1985/86 marketing year;

Whereas by Decision 85/309/EEC⁽³⁾ the Commission decided to apply, in respect of durum wheat in certain Member States, and for intervention operations carried out before 1 July 1985, the intervention price fixed by Regulation (EEC) No 1019/84⁽⁴⁾ for the 1984/85

marketing year; whereas, as from 1 July, this price should be applied for the whole of the Community and for durum wheat sent for intervention as from 1 July 1985;

Whereas the threshold price for durum wheat is a price derived from the target price, which price should be fixed by the Council; whereas, in order to ensure continuity of operation of the import and export arrangements for durum wheat and for durum wheat groats and meal, a price to be used as a basis for calculation both for the fixing of the levies and for the adjustments to be made in the event of advance-fixing of the levy and of the refund should be calculated; whereas account being taken of the retention of the intervention price at a level that is unaltered, prices to be used as a basis for calculation should also be applied in respect of durum wheat and durum wheat groats and meal at the same levels as the threshold prices fixed by Commission Regulation (EEC) No 1413/84⁽⁵⁾;

Whereas the intervention and threshold prices for the abovementioned products are the subject of monthly increments; whereas these monthly increments are one of the key factors in the operation of the current intervention arrangements and in external trade in the products in question; whereas, accordingly, the arrangements laid down by Council Regulation (EEC) No 1020/84⁽⁶⁾ should be applied;

⁽⁵⁾ OJ No L 136, 23. 5. 1984, p. 5.

⁽⁶⁾ OJ No L 107, 19. 4. 1984, p. 6.

Whereas the aid for durum wheat is a key factor in the existing arrangements for that product; whereas, account being taken of the arrival of the new crop, and in the light also of the fact that the operative event with regard to entitlement to the aid is considered to have taken place on 1 July of the marketing year in question, the aid should be applied at the level fixed for the 1984/85 marketing year; whereas, however, as regards Greece, the aid should be aligned with the level of Community aid applicable in France and Italy during the 1984/85 marketing year in accordance with Article 68 of the Act of Accession of 1979,

HAS ADOPTED THIS DECISION:

Article 1

1. The intervention agencies shall supply, when buying in durum wheat, an intervention price equal to that fixed by Regulation (EEC) No 1019/84 for the 1984/85 marketing year, adjusted on the basis of the premiums and penalties provided for by Commission Regulation (EEC) No 1570/77 ⁽¹⁾.

2. In calculating the adjustments to be made in the event of advance fixing of the import levies and of the export refunds, the price to be used for the month of import or export, shall be equal to the threshold price fixed for the 1984/85 marketing year at:

- 352,67 ECU per tonne for durum wheat, and
- 547,09 ECU per tonne for durum wheat groats and meal.

3. The prices referred to in paragraphs 1 and 2 shall be adjusted as from 1 August 1985 by the same amounts as the monthly increments fixed by Regulation (EEC) No 1020/84.

4. In Greece, France and Italy the agencies designated by the Member States shall, in accordance with Article 10 of Regulation (EEC) No 2727/75, pay an amount of aid for durum wheat of 101,31 ECU per hectare.

5. The provisions of this Article shall be applied without prejudice to the decisions to be taken by the Council in accordance with Articles 3, 6 and 10 of Regulation (EEC) No 2727/75.

COMMISSION DECISION

of 28 June 1985

on precautionary measures with regard to the buying in of rape seed

(85/330/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Articles 5 and 155 thereof,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats ⁽¹⁾, as last amended by Regulation (EEC) No 231/85 ⁽²⁾,

Whereas the Council has not, to date, adopted the prices for the 1985/86 marketing year, in accordance with Articles 22 and 24a of Regulation No 136/66/EEC; whereas the Commission, in compliance with the tasks entrusted to it by the Treaty, is obliged to adopt the precautionary measures essential to ensure continuity of operation of the common agricultural policy as regards rape seed; whereas these measures are taken as a precaution and are without prejudice to the Council's price decisions for the 1985/86 marketing year;

Whereas the retention, even on a temporary basis, of the intervention prices paid during the 1984/85 marketing year would definitely involve the threat of very heavy sales of rape seed from the new crop to intervention in the light of the possible reduction in the prices that will be adopted for the new marketing year; whereas, in order to avoid the management of the sector being disrupted, the buying-in prices fixed for the 1984/85 marketing year should be applied as a precautionary and interim measure, less a reduction;

Whereas Article 24a of Regulation No 136/66/EEC provides for a compulsory reduction in the target and intervention prices where the actual average production of the three most recent marketing years exceeds the guarantee thresholds set; whereas, in the light of the positions adopted in the Council and in line with the Commission's amended proposal, a reduction of 1,8 % should be implemented on a temporary basis;

whereas such a reduction leaves open the possibility of a later adjustment in the event that the prices are fixed at a higher level,

HAS ADOPTED THIS DECISION:

Article 1

1. The intervention agencies shall apply, when buying in rape seed, an intervention price equal to that fixed by Council Regulation (EEC) No 1102/84 ⁽³⁾ for the 1984/85 marketing year, less 1,8 %.
2. The price referred to in paragraph 1 shall be increased, in accordance with Article 25 of Regulation No 136/66/EEC, each month as from the beginning of the third month of the marketing year and for a period of eight months, by an amount equal to that laid down by Council Regulation (EEC) No 1103/84 ⁽⁴⁾.
3. Pursuant to Article 26 (1) of Regulation No 136/66/EEC, the purchase price shall be adjusted on the basis of the premiums and penalties provided for by Commission Regulation No 282/67/EEC ⁽⁵⁾.
4. The provisions of this Article shall be applied without prejudice to the decisions to be taken by the Council in accordance with Articles 22 and 24a of Regulation No 136/66/EEC.
