COMMISSION REGULATION (EEC) No 208/86

of 31 January 1986

fixing the export refunds on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as last amended by Regulation (EEC) No 3768/85 ⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽³⁾, as last amended by Regulation (EEC) No 3768/85, and in particular the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 and Article 17 of Regulation (EEC) No 1418/76 provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 ⁽⁴⁾, and Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976 ⁽⁵⁾ laying down general rules for granting export refunds on cereals and rice respectively and criteria for fixing the amount of such refunds, provide that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice, broken rice and cereal products on the world market on the other; whereas the same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Article 6 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice

⁽⁶⁾, as last amended by Regulation (EEC) No 1027/84 ⁽⁷⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas, on the basis of the criteria laid down in Regulation (EEC) No 2744/75, particular account should be taken of the prices and quantities of basic products used to calculate the variable component of the levy; whereas Article 8 of Regulation (EEC) No 2744/75 and Article 1 of Regulation (EEC) No 1077/68 ⁽⁸⁾, as amended by Regulation (EEC) No 2764/71 ⁽⁹⁾, provide that the amount of the export refund should, for certain products, be reduced by an amount equal to the production refund granted in respect of the basic products;

Whereas it follows from applying these detailed rules to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas when the refund is being calculated account should be taken of the quantities of raw materials used to determine the variable component of the levy; whereas the quantities of raw materials used for certain processed products may vary according to the end use of the product; whereas, depending on the manufacturing process used, products other than the main product are obtained, the quantity and value of which may vary with the nature and quality of the main products being manufactured; whereas cumulation of the refunds on the various products manufactured by a single process from the same basic product may make it possible, in certain cases, to export to third countries at prices which are lower than world market prices; whereas the refund on certain products should therefore be limited to an amount which, while allowing access to the world market, will ensure that the aims of the common organization of the markets are respected;

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the quantity of basic product actually incorporated in the processed product;

⁽⁹⁾ OJ No L 283, 24. 12. 1971, p. 30.

x Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products ; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time ;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination ;

Whereas Regulation (EEC) No 2806/71 ⁽¹⁾ lays down additional rules for granting export refunds for certain products processed from cereals and rice ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Regulation (EEC) No 1676/85 ⁽²⁾,

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient ;

Whereas the refund must be fixed once a month ; whereas it may be altered in the intervening period ;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION :

COMMISSION REGULATION (EEC) No 209/86

of 31 January 1986

fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as last amended by Regulation (EEC) No 3768/85 ⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds ⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the cereal markets;

Whereas it follows from applying these detailed rules to the present situation on the market in cereal-based compound feedingstuffs that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs ⁽⁴⁾, as amended by Regulation (EEC) No 2560/77 ⁽⁵⁾, provides that, when export refunds on cereal-based compound feedingstuffs

are being fixed, only the products normally used in the manufacture of compound feedingstuffs for which a refund may be fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69 of 29 September 1969 on the granting and the advance fixing of the export refund on cereal-based compound feedingstuffs ⁽⁶⁾, as last amended by Regulation (EEC) No 537/83 ⁽⁷⁾, provides that calculation of the export refund must be based on the average of the refunds granted on the most commonly used basic cereals, adjusted on the basis of the threshold price in force during the month of exportation and on the levy applicable to maize; whereas this calculation must also take account of the cereal products content; whereas, therefore, in the interest of simplification, compound feedingstuffs should be placed in categories and the refund for each category should be fixed on the basis of a quantity of maize which is representative of the usual cereal products content for the category concerned; whereas, furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to avoid disturbances on the Community market and the economic aspect of the export;

Whereas, however, in fixing the rate of refund it would seem advisable to base it at this time on the difference in the cost of raw inputs widely used in compound feedingstuffs as between the Community and world markets, allowing more accurate account to be taken of the commercial conditions under which such products are exported;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for compound feedingstuffs according to composition and destination; whereas, for purposes of varying the refund, the destination zones laid down in Annex II to Commission Regulation (EEC) No 1124/77 of 27 May 1977 redefining the destination zones for export refunds or levies and for certain export licences for cereals and rice ⁽⁸⁾, as amended by Regulation (EEC) No 3817/85 ⁽⁹⁾, should be used;

⁽¹⁾ OJ No L 281, 1. 11. 1975, p. 1.

⁽²⁾ OJ No L 362, 31. 12. 1985, p. 8.

⁽³⁾ OJ No L 281, 1. 11. 1975, p. 78.

⁽⁴⁾ OJ No L 281, 1. 11. 1975, p. 60.

⁽⁵⁾ OJ No L 303, 28. 11. 1977, p. 1.

⁽⁶⁾ OJ No L 246, 30. 9. 1969, p. 11.

⁽⁷⁾ OJ No L 63, 9. 3. 1983, p. 10.

⁽⁸⁾ OJ No L 134, 28. 5. 1977, p. 53.

⁽⁹⁾ OJ No L 368, 31. 12. 1985, p. 16.

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Regulation (EEC) No 1676/85⁽¹⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient ;

Whereas the refund must be fixed once a month ;
whereas it may be altered in the intervening period ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on the compound feedingstuffs covered by Regulation (EEC) No 2727/75 and subject to Regulation (EEC) No 2743/75 are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 February 1986.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 210/86

of 31 January 1986

fixing the import levies on syrups and certain other products in the sugar sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as last amended by Regulation (EEC) No 3768/85⁽²⁾, and in particular Article 16 (8) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (1) of Regulation (EEC) No 1785/81 provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 must be calculated, where appropriate, at a standard rate on the basis of the sucrose content (including other sugars expressed as sucrose) of the product concerned and of the levy on white sugar; whereas, however, the levies on maple sugar and maple syrup are limited to the amount resulting from application of the rate of duty bound within GATT;

Whereas Article 7 of Commission Regulation (EEC) No 837/68 of 28 June 1968 on detailed rules for the application of levies on sugar⁽³⁾, as last amended by Regulation (EEC) No 1428/78⁽⁴⁾, provides that the basic amount of the levy for 100 kilograms of product must be fixed per percentage point of sucrose content;

Whereas the basic amount of the levy must be equal to one-hundredth of the average of the levies applicable to 100 kilograms of white sugar during the first 20 days of the month preceding the month for which the basic amount of the levy is fixed; whereas, however, the levy applicable to white sugar on the day of the fixing of the basic amount must be substituted for the average of the levies, where that levy differs by at least 0,73 ECU from that average;

Whereas the basic amount must be fixed each month; whereas it must, however, be altered during the period between the day on which it is fixed and the first day of the month following the month for which the basic amount is applicable, if the levy on white sugar differs by at least 0,73 ECU from the average referred to above or from the levy on white sugar used to fix the basic amount; whereas, in this case, the basic amount must be equal to one-hundredth of the levy on white sugar used to calculate the alteration;

Whereas the basic amount thus fixed must be adjusted on the basis of variations in the threshold price for white sugar occurring between the month in which the basic amount is fixed and the period of application; whereas this adjustment, equal to one-hundredth of the difference between these two threshold prices, must be deducted from or added to the basic amount in the circumstances provided for in Article 7 (6) of Regulation (EEC) No 837/68;

Whereas the levy on the products referred to in Article 1 (1) (f) and (g) of Regulation (EEC) No 1785/81 comprises, under Article 16 (6) of that Regulation, a variable element and a fixed element, with the latter, per 100 kilograms of dry matter, being equal to one-tenth of the fixed element established pursuant to point B of Article 14 (1) of Regulation (EEC) No 2727/75⁽⁵⁾ for the fixing of the import levy on the products falling within subheading 17.02 B II of the Common Customs Tariff, and the variable element, per 100 kilograms of dry matter, being equal to one hundred times the basic import levy applicable as from the first of each month in the case of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81; whereas the levy must be fixed each month;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Regulation (EEC) No 1676/85⁽⁶⁾,

⁽¹⁾ OJ No L 177, 1. 7. 1981, p. 4.

⁽²⁾ OJ No L 362, 31. 12. 1985, p. 8.

⁽³⁾ OJ No L 151, 30. 6. 1968, p. 42.

⁽⁴⁾ OJ No L 171, 28. 6. 1978, p. 34.

⁽⁵⁾ OJ No L 281, 1. 11. 1975, p. 1.

⁽⁶⁾ OJ No L 164, 24. 6. 1985, p. 1.

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas it follows from the application of these provisions that the import levies on the products concerned should be as indicated in the Annex to this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies on the products listed in Article 1 (1) (d), (f) and (g) of Regulation (EEC) No 1785/81 shall be as indicated in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 February 1986.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 211/86

of 31 January 1986

fixing the export refunds on syrups and certain other sugar products exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as last amended by Regulation (EEC) No 3768/85⁽²⁾, and in particular Article 19 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 1785/81 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (d) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 8 of Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that the export refund on 100 kilograms of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 is equal to the basic amount multiplied by the sucrose content, including, where appropriate, other sugars expressed as sucrose; whereas the sucrose content of the product in question is determined in accordance with Article 13 of Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁵⁾, as last amended by Regulation (EEC) No 1467/77⁽⁶⁾;

Whereas Article 7 of Regulation (EEC) No 766/68 provides that the basic amount of the refund on sorbose exported in the natural state must be equal to the basic amount of the refund less one-hundredth of the production refund applicable, pursuant to Council Regulation (EEC) No 1400/78 of 20 June 1978 laying down general

rules for the production refund on sugar used in the chemical industry⁽⁷⁾, to the products listed in the Annex to the last mentioned Regulation;

Whereas the basic amount of the refund on the other products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 exported in the natural state must be equal to one-hundredth of an amount which takes account, on the one hand, of the difference between the intervention price for white sugar for the Community areas without deficit for the month for which the basic amount is fixed and quotations or prices for white sugar on the world market and, on the other, of the need to establish a balance between the use of Community basic products in the manufacture of processed goods for export to third countries and the use of third country products brought in under inward processing arrangements;

Whereas the application of the basic amount may be limited to some of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81;

Whereas Article 19 of Regulation (EEC) No 1785/81 makes provision for setting refunds for export in the natural state of products referred to in Article 1 (1) (f) and (g) of that Regulation; whereas the refund must be fixed per 100 kilograms of dry matter, taking account of the export refund for products within subheading 17.02 B II a) of the Common Customs Tariff and for products referred to in Article 1 (1) (d) of Regulation (EEC) No 1785/81 and of the economic aspects of the intended exports; whereas the refund is to be granted only for products complying with the conditions in Article 3 of Commission Regulation (EEC) No 1469/77 of 30 June 1977 laying down rules for applying the levy and the refund in respect of isoglucose and amending Regulation (EEC) No 192/75⁽⁸⁾;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Regulation (EEC) No 1676/85⁽⁹⁾,

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas the refunds referred to above must be fixed every month; whereas they may be altered in the intervening period;

Whereas application of these quotas results in fixing refunds for the products in question at the levels given in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (1) (d), (f) and (g) of Regulation (EEC) No 1785/81, exported in the natural state, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 February 1986.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 212/86

of 31 January 1986

fixing the export refunds on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 3768/85⁽²⁾,

Having regard to Council Regulation No 171/67/EEC of 27 June 1967 on export refunds and levies on olive oil⁽³⁾, as last amended by Regulation (EEC) No 2429/72⁽⁴⁾, and in particular the first sentence of Article 7 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 20 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas the detailed rules for fixing and granting export refunds on olive oil are contained in Regulations No 171/67/EEC and (EEC) No 616/72⁽⁵⁾, as last amended by Regulation (EEC) No 2962/77⁽⁶⁾;

Whereas Article 2 of Regulation No 171/67/EEC provides that the refund must be the same for the whole Community;

Whereas Article 3 of Regulation No 171/67/EEC provides that when the refund on olive oil is being fixed account must be taken of:

- the existing situation and the future trend with regard to prices and availabilities of olive oil on the Community market and prices for olive oil on the world market,
- the aims of the common organization of the market in olive oil which are to ensure equilibrium and the natural development of prices and trade on this market,

— the need to avoid disturbances on the Community market, and

— the economic aspect of the proposed exports;

Whereas, furthermore, Article 4 of Regulation No 171/67/EEC provides that the said refund must be fixed in accordance with the following criteria:

- the olive oil prices in the main producing areas of the Community,
- the most favourable quotations recorded on the various markets of importing third countries, and
- the marketing costs and the most favourable transport charges from Community markets in the main producing areas to ports or other points of export in the Community, as well as costs incurred in placing the goods on the world market;

Whereas Article 5 of Regulation No 171/67/EEC provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 7 of Regulation No 171/67/EEC provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these detailed rules to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries that the refund should be as set out in the Annex hereto;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Regulation (EEC) No 1676/85⁽⁷⁾,

COMMISSION REGULATION (EEC) No 213/86

of 31 January 1986

fixing the export refunds on oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 3768/85⁽²⁾,

Having regard to Council Regulation No 142/67/EEC of 21 June 1967 on export refunds on colza, rape and sunflower seeds⁽³⁾, as last amended by Regulation (EEC) No 2429/72⁽⁴⁾, and in particular the first sentence of Article 2 (3) thereof,

Having regard to Council Regulation (EEC) No 1678/85 of 11 June 1985 fixing the conversion rates to be applied in agriculture⁽⁵⁾, as last amended by Regulation (EEC) No 3772/85⁽⁶⁾,

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza, rape and sunflower seed⁽⁷⁾, as last amended by Regulation (EEC) No 1474/84⁽⁸⁾, and in particular Article 2 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the target price and the monthly increases in the target price for sunflower seed for the 1985/86 marketing year were fixed by Regulations (EEC) No 1489/85⁽⁹⁾ and (EEC) No 1490/85⁽¹⁰⁾;

Whereas Article 28 of Regulation No 136/66/EEC provides that a refund may be granted on exports to third countries of oil seeds harvested within the Community; whereas the amount of this refund may not exceed the difference between prices within the Community and prices on the world market where the former are higher than the latter; whereas Article 21 of Regulation No 136/66/EEC provides that, at present, Article 28 of that

Regulation applies only to colza, rape and sunflower seeds;

Whereas Article 3 of Regulation No 142/67/EEC provides that when the refund is being calculated account must be taken of prices ruling on the various Community markets which are representative from the point of view of processing and exportation; the most favourable quotations recorded on the various markets of importing third countries and costs incurred in placing the goods on the world market; whereas, when the amount of the refund is being fixed, account must also be taken of the level of market prices within the Community for the oil seeds referred to in Article 21 of Regulation No 136/66/EEC and the future trend of these prices; whereas, furthermore, account should be taken of the economic aspect of the proposed exports and the situation in the Community regarding the supply of and demand for these seeds;

Whereas, in the absence of the target price for the 1985/86 marketing year for colza and rape seed and in the absence of the amount of the monthly increase for March, April, May and June 1986 for colza and rape seed, the amount of the refunds in the case of advance fixing for February, March, April, May and June 1986 for colza and rape seed has been obtainable only provisionally on the basis of the target price and the monthly increase proposed by the Commission to the Council for the marketing year 1985/86; whereas this amount may, therefore, be applied on a temporary basis and should be confirmed or replaced when the indicative price of the 1985/86 marketing year is known;

Whereas, in the absence of the indicative price for the 1986/87 marketing year for colza and rape seed, in case of advance fixing for July 1986, the amount of the refund on these products has been obtainable only on the basis of the indicative price proposed by the Commission to the Council for the marketing year 1985/86; whereas this amount may, therefore, be applied on a temporary basis and should be confirmed or replaced when the indicative price of the 1986/87 marketing year is known;

Whereas Article 1 of Commission Regulation (EEC) No 651/71 of 29 March 1971 on certain detailed rules for the application of export refunds on oil seeds⁽¹¹⁾, as last amended by Regulation (EEC) No 1815/84⁽¹²⁾, provides that the amount of the refund must be calculated on the basis of the weight of exported seeds; whereas this weight must be adjusted to take account of any differences

between the percentages of moisture and impurities found to exist and those used to define the standard quality for which the target price is fixed ; whereas, when this adjustment is being made, the weight of the exported seeds must be increased by the amount of the difference between the actual moisture and impurities content and that used to define the standard quality if the former is lower than the latter ; whereas, if the opposite applies, the weight of the exported seeds must be reduced by the same amount ;

Whereas the standard quality referred to above was defined in Article 2 of Council Regulation (EEC) No 1102/84 ⁽¹⁾ ;

Whereas Article 2 of Regulation No 142/67/EEC provides that the refund may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary ;

Whereas Article 4 of Regulation (EEC) No 651/71 provides for the publication of the amount of the final refund obtained from the conversion into each of the national currencies of the amount of the refund in ECU plus or minus the differential amount ; whereas Article 1 of Regulation (EEC) No 1813/84 ⁽²⁾ defined the elements which determine the differential amounts ; whereas these elements are equal to the incidence on the target price or the refund of the coefficient derived from the percentage referred to in Article 2 (1) of Regulation (EEC) No 1569/72 ; whereas, according to these provisions, this percentage represents :

(a) for those Member States whose currencies are maintained as between themselves within a spread at any given moment of 2,25 %, the difference between :

- the conversion rate used under the common agricultural policy, and
- the conversion rate resulting from the central rate,

(b) for Italy, the United Kingdom and Greece, the difference between :

- the relationship between the conversion rate used under the common agricultural policy for the currency of the Member State concerned and the central rate of each of the currencies of the Member States referred to in (a), and
- the spot market rate for the currency of the Member State in question in relation to each of the currencies of the Member States referred to in (a), as recorded over a period to be determined ;

Whereas, however, pursuant to Article 2a of Regulation (EEC) No 1569/72, the monetary disparity for the marketing years 1984/85 to 1986/87 will be calculated by a method which takes into account a coefficient applied to the conversion rate resulting from the central rate ; whereas Regulation (EEC) No 2679/85 ⁽³⁾ fixed the coefficient ;

Whereas pursuant to Article 2 (2) of Regulation (EEC) No 1569/72 forward differential amounts are to be determined where the forward exchange rate for one or more currencies differs from the spot rate by at least a given percentage ; whereas this percentage has been fixed at 0,5 by Regulation (EEC) No 1813/84 ;

Whereas Regulation (EEC) No 1813/84 specifies the spot and forward exchange rates and the period to be used for calculating the differential amounts ; whereas in cases where, for one or more months, quotations of forward exchange rates are not available, the rates adopted for the previous months or the following months, as the case may be, must be used ;

Whereas it follows from applying these provisions to the current situation of the oil-seeds market and to the rates or prices of these products that, pursuant to Article 4 of Regulation (EEC) No 651/71, the amount of the refund in ECU and the amount of the final refund in each of the national currencies must, in the case of colza and rape seed, be fixed in accordance with the Annex to this Regulation ; whereas it is not necessary to fix a refund for sunflower seed ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION :

Article 1

In the case of colza and rape seed, the amounts of the refund referred to in Article 4 (1) of Regulation (EEC) No 651/71 shall be as set out in the Annex hereto.

The amount of the refunds in the case of advance fixing for February, March, April, May and June 1986 for colza and rape seed will, however, be confirmed or replaced as

COMMISSION REGULATION (EEC) No 215/86**of 31 January 1986****fixing the rate of the additional aid for dried fodder**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1117/78 of 22 May 1978 on the common organization of the market in dried fodder⁽¹⁾, as last amended by Regulation (EEC) No 3768/85⁽²⁾, and in particular Article 5 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas, under Article 5 (1) of Regulation (EEC) No 1117/78, when the guide price is higher than the average world market price a supplementary aid is given for dried fodder as described under Article 1 (b) and (c) of that Regulation obtained from fodder plants harvested in the Community; whereas this aid is equal to a percentage of the difference between these two prices;

Whereas this percentage and the guide price were fixed by Council Regulation (EEC) No 1315/85 of 23 May 1985 fixing for the 1985/86 marketing year the flat-rate production aid and the guide price for dried fodder⁽³⁾;

Whereas the average world market price is determined for a bulk pelleted product delivered to Rotterdam of the standard quality for which the guide price has been fixed;

Whereas, under Council Regulation (EEC) No 1417/78 of 19 June 1978 on the aid system for dried fodder⁽⁴⁾, as last amended by Regulation (EEC) No 2026/82⁽⁵⁾, the average world market price for the products described in the first indent of Article 1 (b) of Regulation (EEC) No 1117/78 is to be determined on the basis of the most favourable actual purchase possibilities excepting those which cannot be considered representative of the real market trend; whereas offers and quotations recorded during the first 25 days of the month in question for quantities that can be delivered during the following calendar month are to be used; whereas the average world market price thus deter-

mined is used to fix the supplementary aid rate applicable on the following month;

Whereas the necessary adjustments must be made in the case of offers and quotations not of the type referred to above; whereas these adjustments were defined in Article 3 of Commission Regulation (EEC) No 1528/78 of 30 June 1978 laying down detailed rules for the application of the system of aid for dried fodder⁽⁶⁾, as last amended by Regulation (EEC) No 3760/85⁽⁷⁾;

Whereas when no offer of or quotation for the products described in the first indent of Article 1 (b) of Regulation (EEC) No 1117/78 can be used to determine the average world market price it is to be determined from offers on the world market of and quotations on the exchanges important for international trade for the products described in the second indent of Article 1 (b) of Regulation (EEC) No 1117/78;

Whereas, under Article 3 of Regulation (EEC) No 1417/78, when no offer or quotation can be used to determine the average world market price this price is determined on the basis of the sum of the value of competing products; whereas those products are defined in Article 3 (3) of Regulation (EEC) No 1528/78;

Whereas, under Article 11 of Regulation (EEC) No 1417/78, when forward prices differ from that applying in the month when the application is lodged, the supplementary aid rate is adjusted by a correcting amount calculated from the trend of forward prices;

Whereas the correcting amount is equal to the difference between the average world market price and the average forward world market price multiplied by the percentage fixed in Article 3 of Regulation (EEC) No 1221/83; whereas when for one of the months following that of the introduction of supplementary aid the average forward world market price cannot be determined by applying the criteria specified in Article 1 of Regulation (EEC) No 1417/78, the price determined for the previous month is

used to calculate the difference ; whereas, when for two or more consecutive months following that of the introduction of supplementary aid, the average forward world market prices cannot be determined by applying the criteria set out in Article 1 of Regulation (EEC) No 1417/78, the prices for the months in question are determined by applying the criteria laid down in Article 3 of Regulation (EEC) No 1417/78 ;

Whereas, where the average world market price is determined in accordance with Article 3 of Regulation (EEC) No 1417/78, the corrective amount must be equal to the difference between the average world market price and the average forward world market price determined by applying the criteria laid down in Article 3 (3) of Regulation (EEC) No 1528/78 and valid for delivery during a month other than that in which the supplementary aid is introduced, adjusted by the percentage fixed under Article 5 (2) of Regulation (EEC) No 1117/78 for the product concerned ; whereas where the average forward world market price for one or more months cannot be determined by applying the criteria laid down in Article 3 (3) of Regulation (EEC) No 1528/78, the corrective amount must be fixed for the month or months in question at a level such that the supplementary aid is equal to zero ;

Whereas, if the aid system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in

the last paragraph of Article 3 (1) of Regulation (EEC) No 1676/85 ⁽¹⁾,

- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies in relation to the Community currencies referred to in the previous indent and the afore-said coefficient ;

Whereas the rate of the additional aid must be fixed once per month so as to ensure application of the aid from the first day of the month following the date of its fixing ;

Whereas, as the result of the applications of all these provisions to the offers and quotations which the Commission has recorded, the rate of the additional aid for dried fodder must be fixed as indicated in the table annexed to this Regulation,

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Whereas Article 4 (3) of Regulation (EEC) No 3035/80 provides that, when the rate of the refund is being fixed, account should be taken, where necessary, of production refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products;

Whereas Article 17 (1) of Regulation (EEC) No 804/68 provides that the difference between prices in international trade for the products listed in Article 1 (a), (b), (c) and (e) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 3035/80 of 11 November 1980 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and criteria for fixing the amount of such refunds ⁽³⁾, as last amended by Regulation (EEC) No 1982/85 ⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in the Annex to Regulation (EEC) No 804/68;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world markets;

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as last amended by Regulation (EEC) No 1018/84 ⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽³⁾, as last amended by Regulation (EEC) No 1025/84 ⁽⁴⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Whereas Article 16 (1) of Regulation (EEC) No 2727/75 and Article 17 (1) of Regulation (EEC) No 1418/76 provides that the difference between quotations of prices on the world market for the products listed in Article 1 of each of those Regulations and the prices within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 3035/80 of 11 November 1980 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds ⁽⁵⁾, as last amended by Regulation (EEC) No 1982/85 ⁽⁶⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex B to Regulation (EEC) No 2727/75 or in Annex B to Regulation (EEC) No 1418/76 as appropriate;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 3035/80, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world markets;

- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;

- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 3035/80 provides that, when the rate of the refund is being fixed, account should be taken, where appropriate, of production refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products; whereas a production refund is granted in respect of common wheat, maize and broken rice under the conditions laid down in Council Regulation (EEC) No 2742/75 of 29 October 1975 on production refunds in the cereals and rice sectors ⁽⁷⁾, as last amended by Regulation (EEC) No 1499/85 ⁽⁸⁾; whereas, for the purposes of applying the provisions of Article 4 (3) of Regulation (EEC) No 3035/80, the amount of the production refund applicable during the month of exportation should be taken into account;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EEC) No 223/86

of 31 January 1986

fixing the export refunds on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽¹⁾, as last amended by Regulation (EEC) No 3768/85 ⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 17 of Regulation (EEC) No 1418/76 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds ⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances of the Community market;

Whereas Regulation (EEC) No 1361/76 ⁽⁴⁾ lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum;

Whereas Article 3 of Regulation (EEC) No 1431/76 defines the specific criteria to be taken into account when the export refund on rice and broken rice is being calculated;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas a separate refund should be fixed for packaged long grain rice to accommodate current demand for the product on certain markets;

Whereas the refund must be fixed at least once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Regulation (EEC) No 1676/85 ⁽⁵⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas it follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market, that the refund should be fixed as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 of Regulation (EEC) No 1418/76 with the exception of those listed in paragraph 1 (c) of that Article, exported in the natural state, shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 224/86
of 31 January 1986
fixing the corrective amount applicable to the refund on cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as last amended by Regulation (EEC) No 3768/85 ⁽²⁾,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds ⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, a corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice ⁽⁴⁾, as last amended by Regulation (EEC) No 1027/84 ⁽⁵⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (c) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75 ⁽⁶⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed, account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and possibilities and conditions for the sale of cereals and cereal products on the world market on the other; whereas the same Regulation provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 2727/75 account should be taken of the specific criteria laid down in Article 2 (2) of Regulation (EEC) No 1281/75;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure;

Whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Regulation (EEC) No 1676/85 ⁽⁷⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the preceding indent and the aforesaid coefficient;

Whereas it follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 16 (4) of Regulation (EEC) No 2727/75 which is applicable to export refunds fixed in advance in respect of cereals shall be as set out in the Annex hereto.

fixing the corrective amount applicable to the refund on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as last amended by Council Regulation (EEC) No 3768/85 ⁽²⁾,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds ⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, a corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice ⁽⁴⁾, as last amended by Regulation (EEC) No 1027/84 ⁽⁵⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (d) of Regulation (EEC) No 2727/75;

Whereas Regulation (EEC) No 1281/75 ⁽⁶⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed in respect of malt, account must be taken of the existing situation and the future trend with regard to the possibilities and conditions for the sale of the cereals concerned and of malt on the world market; whereas the same Regulation also provides that account

must be taken of the quantity of cereals needed for making malt, the economic aspect of exports and the need to avoid disturbances on the Community market;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure; whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Regulation (EEC) No 1676/85 ⁽⁷⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the preceding indent, and the aforesaid coefficient;

Whereas it follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 16 (4) of Regulation (EEC) No 2727/75 which is applicable to export refunds fixed in advance in respect of malt shall be as set out in the Annex hereto.

Having regard to the opinion of the Monetary Committee,

Whereas the first subparagraph of Article 17 (4) of Regulation (EEC) No 1418/76 provides that the export refund applicable to rice and broken rice on the day on which application for an export licence is made, adjusted for the threshold price which will be in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the licence ;

Whereas the cif price is that determined in accordance with Article 16 of Regulation (EEC) No 1418/76 ; whereas the cif forward delivery price is that determined in accordance with Article 3 (2) of Regulation (EEC) No

1428/76 ⁽⁵⁾, based in respect of each month for which the export licence is valid, on the cif price calculated on the basis of offers for shipment during the month of exportation ;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis :

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Regulation (EEC) No 1676/85 ⁽⁶⁾,

Whereas it follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

COMMISSION REGULATION (EEC) No 227/86
of 31 January 1986
fixing the export refunds on malt

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No 2727/75
of 29 October 1975 on the common organization of the
market in cereals ⁽¹⁾, as last amended by Regulation (EEC)
No 3768/85 ⁽²⁾, and in particular the fourth subparagraph
of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or prices
on the world market for the products listed in Article 1 of
those Regulations and prices for those products within
the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975 laying down general rules for
granting export refunds on cereals and criteria for fixing
the amount of such refunds ⁽³⁾, provides that when
refunds are being fixed account must be taken of the
existing situation and the future trend with regard to
prices and availabilities of cereals on the Community
market on the one hand and prices for cereals and cereal
products on the world market on the other; whereas the
same Article provides that it is also important to ensure
equilibrium and the natural development of prices and
trade on cereal markets and, furthermore, to take into
account the economic aspect of the proposed exports, and
the need to avoid disturbances on the Community
market;

Whereas Council Regulation (EEC) No 2744/75 of 29
October 1975 on the import and export system for
products processed from cereals and from rice ⁽⁴⁾, as last
amended by Regulation (EEC) No 1027/84 ⁽⁵⁾, defines the
specific criteria to be taken into account when the refund
on these products is being calculated;

Whereas it follows from applying these detailed rules to
the present situation on the market in products processed
from cereals and rice that the export refund should be
fixed at an amount which will cover the difference
between Community prices and world market prices;

Whereas the world market situation or the specific
requirements of certain markets may make it necessary to
vary the refund for certain products according to destina-
tion;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in rela-
tion to each other at any given moment within a band
of 2,25 %, a rate of exchange based on their central
rate, multiplied by the corrective factor provided for in
the last paragraph of Article 3 (1) of Regulation (EEC)
No 1676/85 ⁽⁶⁾,
- for other currencies, an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded for a given period in rela-
tion to the Community currencies referred to in the
previous indent and the aforesaid coefficient;

Whereas the refund must be fixed once a month;
whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are
in accordance with the opinion of the Management
Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on malt listed in Article 1 (d) of Regu-
lation (EEC) No 2727/75 subject to Regulation (EEC) No
2744/75 shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 228/86

of 31 January 1986

introducing a countervailing charge on endives originating in Spain

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables⁽¹⁾, as last amended by Regulation (EEC) No 3768/85⁽²⁾, and in particular the second subparagraph of Article 27 (2) thereof,

Whereas Article 25 (1) of Regulation (EEC) No 1035/72 provides that, if the entry price of a product imported from a third country remains at least 0,6 ECU below the reference price for two consecutive market days, a countervailing charge must be introduced in respect of the exporting country concerned, save in exceptional circumstances; whereas this charge is equal to the difference between the reference price and the arithmetic mean of the last two entry prices available for that exporting country;

Whereas Commission Regulation (EEC) No 2910/85 of 18 October 1985 fixing for the 1985/86 marketing year the reference prices for endives⁽³⁾ fixed the reference price for products of class I for the period from 15 November 1985 to 31 January 1986 at 57,16 ECU per 100 kilograms net;

Whereas the entry price for a given exporting country is equal to the lowest representative prices recorded for at least 30 % of the quantities from the exporting country concerned which are marketed on all representative markets for which prices are available less the duties and the charges indicated in Article 24 (3) of Regulation (EEC) No 1035/72; whereas the meaning of representative price is defined in Article 24 (2) of Regulation (EEC) No 1035/72;

Whereas, in accordance with Article 3 (1) of Regulation (EEC) No 2118/74⁽⁴⁾, as last amended by Regulation

(EEC) No 3110/83⁽⁵⁾, the prices to be taken into consideration must be recorded on the representative markets or, in certain circumstances, on other markets;

Whereas, for endives originating in Spain the entry price calculated in this way has remained at least 0,6 ECU below the reference price for two consecutive market days; whereas a countervailing charge should therefore be introduced for these endives;

Whereas, if the system is to operate normally, the entry price should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Regulation (EEC) No 1676/85⁽⁶⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas under the terms of Article 394 (3) of the Act of Accession of Spain and of Portugal⁽⁷⁾ the arrangements applicable to trade between a new Member State and the Community as constituted on 31 December 1985 are those that applied before accession,

HAS ADOPTED THIS REGULATION:

Article 1

A countervailing charge of 14,90 ECU per 100 kilograms net is applied to endives (subheading 07.01 D II of the Common Customs Tariff) originating in Spain.

of 31 January 1986

altering the import levies on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as last amended by Regulation (EEC) No 3768/85 ⁽²⁾, and in particular Article 14 (4) thereof,

COUNCIL ESTIMATE

of 27 January 1986

concerning young male bovine animals weighing 300 kilograms or less and intended for fattening for the period 1 January to 31 December 1986

(86/15/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal ⁽¹⁾, as last amended by Regulation (EEC) No 3768/85 ⁽²⁾, and in particular Article 13 thereof,

Having regard to the proposal from the Commission,

HAS ADOPTED THIS ESTIMATE:

Introduction

Article 13 (2) of Regulation (EEC) No 805/68 provides that the Council shall, each year before 1 December, draw up, on a proposal from the Commission and by qualified majority vote, an estimate of the young male bovine animals which may be imported under the system laid down under the said Article. This estimate is to take account both of the forecast supplies of young bovine animals intended for fattening within the Community and of Community livestock farmers' requirements. In addition, pursuant to Article 31, the aforementioned Regulation must be applied in such a way that appropriate account is taken, at the same time, of the objectives set out in Articles 39 and 110 of the Treaty.

I**Community supplies of young bovine animals**

This estimate covers the period 1 January to 31 December 1986. It has been prepared in the light of information available to the Commission and on the basis of the foreseeable trend for 1986 of supplies of and requirements for young male bovine animals intended for fattening in the Community.

In view of the number of breeding females (cows and heifers) anticipated for 1986 (about 37 900 000), some 30 500 000 births of calves are expected during that year. Production over the year of male calves would therefore be about 15 250 000 head.

II**Community requirements**

The number of slaughterings of male calves envisaged for 1986, on the basis of data collected from Member States, should be about 4 285 000 head.

The number of male animals intended for slaughter as fattened steers and young bulls or for breeding should be about 11 118 000 head.

In the light of information provided by Member States and of the above estimates, it is expected that in 1986 the requirements of Community livestock farmers as regards young male bovine animals for fattening will be 11 118 head.

It follows from the foregoing that the Community's overall requirements in male calves will be 15 403 000 head in 1986.

These requirements will be only partly satisfied by Community supplies of these animals, which amount to about 15 250 000 head.

The foreseeable Community shortfall for 1986 in male calves for fattening can therefore be estimated as 153 000 head.

Conclusion

However, having regard to the need to take appropriate account, at the same time, when applying Regulation (EEC) No 805/68, of the objectives set out in Articles 39 and 110 of the Treaty, and above all given the importance of the imports concerned in the context of the trade relations between the Community and the non-member countries which supply it, the estimate for young male bovine animals intended for fattening which may be imported in 1986 under the arrangements provided for in Article 13 of the aforesaid Regulation is fixed at 175 000 head.

Done at Brussels, 27 January 1986.

COUNCIL ESTIMATE
of 27 January 1986
concerning beef and veal intended for the processing industry for the period
1 January to 31 December 1986

(86/16/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

I

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal ⁽¹⁾, as last amended by Regulation (EEC) No 3768/85 ⁽²⁾, and in particular Article 14 (2) thereof,

Having regard to the proposal from the Commission,

HAS ADOPTED THIS ESTIMATE:

Introduction

Article 14 (2) of Regulation (EEC) No 805/68 provides that each year before 1 December the Council shall draw up an estimate of meat which may be imported under the arrangements laid down in that Article.

This estimate shall cover the period from 1 January to 31 December 1986. It has been prepared in the light of information available to the Commission and on the basis of current forecasts. It is derived from estimates of demand in the industry and of Community supplies of meats of qualities and types of cut suitable for industrial use, hereinafter referred to as 'meat for processing'.

Demand in the industry for meat for processing has been assessed by reference to the quantities of fresh or frozen meat used each year.

Community supplies of meat for processing have been estimated by reference to the quantities of fresh meat normally used for this purpose;

In adopting this estimate, the Council has taken account of the fact that, in accordance with Article 31 of Regulation (EEC) No 805/68, that Regulation must be applied in such a way that appropriate account is taken, at the same time, of the objectives set out in Articles 39 and 110 of the Treaty.

Supplies of meat for processing

According to information supplied to the Commission by the Member States in September 1985, Community supplies of home-produced fresh meat for processing for 1986 can be estimated at 1 124 000 tonnes of meat on the bone.

It is also estimated that at the end of 1985 the Community will hold a public stock of meat as a result of intervention buying. The quantity of this meat satisfying the requirements of meat for processing can be estimated at 288 000 tonnes of meat on the bone.

It can also be considered that at the end of 1985 there will be a stock of meat held in cold stores as a result of the granting of private storage aid for the storage of carcasses, half-carcasses, hindquarters and forequarters of adult bovine animals. The quantity of this meat satisfying the requirements of meat for processing can be estimated at 20 000 tonnes of meat on the bone.

With effect from 1 January 1986 the Community intends to open a tariff quota for 50 000 tonnes of frozen meat, which corresponds to 65 000 tonnes of meat on the bone.

Experience indicates that, under this quota, 1 000 tonnes of frozen meat on the bone will be imported for processing in 1986.

In 1986 the quantity of meat originating in Botswana, Kenya, Madagascar, Swaziland and Zimbabwe to be imported into the Community which satisfies the requirements for processing may be estimated at 8 000 tonnes of meat on the bone.

For 1986 the total available supplies intended for processing will thus be as follows:

	(tonnes)
— fresh meat:	1 124 000
— frozen meat taken over at intervention:	288 000
— frozen meat stored under the system of private storage aid:	20 000
— frozen meat imported under GATT quota:	7 000
— frozen meat imported under ACP Convention arrangements:	8 000
Total	1 447 000

⁽²⁾ OJ No L 362, 31. 12. 1985, p. 8.

II

Industrial demand for meat for processing

According to information supplied to the Commission by the Member States in September 1985, Community demand for meat for processing in 1986 can be estimated at 1 260 250 tonnes of meat on the bone.

This figure includes quantities required for the preparation of preserved foods as specified in Article 14 (1) (a) of Regulation (EEC) No 805/68. This latter quantity is estimated at 184 000 tonnes.

Conclusions

On the basis of the foregoing, Community supplies of meat for processing will exceed the demand in industry in 1986.

However, having regard to the need to take appropriate account, at the same time, when applying Regulation (EEC) No 805/68, of the objectives set out in Articles 39 and 110 of the Treaty, and above all given the importance of the imports concerned in the context of the trade rela-

tions between the Community and the non-member countries which supply it, the estimate for meat intended for the processing industry which may be imported in 1986 under the arrangements provided for in Article 14 of the aforesaid Regulation is fixed at 25 000 head.

It has been decided to apportion this tonnage, as required by Article 14 (1) of the said Regulation, so that :

- 16 670 tonnes of meat intended for the manufacture of preserved food which does not contain characteristic components other than beef and jelly shall qualify for the total suspension of the levy, and
- 8 330 tonnes of meat intended for the processing industry for the manufacture of products other than the preserved foods referred to in the first indent shall qualify for the total or partial suspension of the levy.
