concluding and registering cultivation contracts in respect of leaf tobacco

THE COMMISSION OF THE EUROPEAN COMMUNITIES,
Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No 727/70 of
21 April 1970 on the common organization of the market
in raw tobacco ⁽¹⁾, as last amended by Regulation (EEC)
No 1576/86 ⁽²⁾, and in particular the first subparagraph of
Article 3 (3) thereof,

Whereas Article 2b of Commission Regulation (EEC) No
1726/70 of 25 August 1970 on the procedure granting the
premium for leaf tobacco ⁽³⁾, as last amended by Regula-
tion (EEC) No 1796/86 ⁽⁴⁾, lays down that cultivation
declarations and contracts must be concluded before 1
May and registered before 1 July of the year in which
they take effect;

Whereas, owing to adverse weather conditions which have
delayed the preparations of seed beds, some of the parti-
culars which must appear in the cultivation contracts
cannot be known until after the deadline for the conclu-
sion of the said contracts; whereas this is one of the cases,
specified in the second subparagraph of Article 2b (3) of
Regulation (EEC) No 1726/70, where the Commission is

accordingly postpone the said deadline and, therefore, the

deadline for registering the cultivation declarations and
contracts;

Whereas the measures provided for in this Regulation are
in accordance with the opinion of the Management
Committee for Tobacco,

HAS ADOPTED THIS REGULATION:

Article 1

By way of derogation from the first subparagraph of

COMMISSION REGULATION (EEC) No 2120/86
of 7 July 1986
on the issue of STM licences for certain floricultural products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal, and in particular Article 252 (3) thereof,

Having regard to Council Regulation (EEC) No 569/86 of 25 February 1986 laying down general rules for the application of the supplementary mechanism applicable to trade ⁽¹⁾, and in particular Article 7 (1) thereof,

Whereas Commission Regulation (EEC) No 643/86 ⁽²⁾ lays down detailed rules for the application of the supplementary trade mechanism to certain live plants floricultural products imported into Portugal and in particular the Annex thereto fixes the target ceiling, as provided for in Article 251 (1) of the Act of Accession, applicable to imports of ornamental plants into Portugal from the other Member States of the Community for the period from 1 March to 31 December 1986;

Whereas the abovementioned target ceiling has been reached after approximately three months of trade; whereas the continuation of imports at the rate observed since 1 March 1986 would be likely to bring about a serious disturbance of the Portuguese market at the very time that domestic produce is placed on the market; whereas the quantities imported since the abovementioned date have to a large extent not yet been marketed but stocks thereof are already depressing the market and compete directly with local production in the summer and autumn months; whereas imports should consequently be suspended until the period of the year when the market is likely to achieve new balance, in November and December;

Whereas, with prospects for a better situation on the market at the end of the year, an increase in the target ceiling may be contemplated for the current year and imports of given quantities may be permitted in the abovementioned months, when demand traditionally rises; whereas the issues of STM licences should be monitored specially in order to assess the risk of the new target ceiling being exceeded;

Where the provisions of this Regulation replace those of Commission Regulation (EEC) No 1376/86 ⁽³⁾, which should therefore be repealed; whereas the transitional measures of Commission Regulation (EEC) No 1768/86 ⁽⁴⁾ should also be repealed;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Live Plants,

HAS ADOPTED THIS REGULATION:

Article 1

In the Annex to Regulation (EEC) No 643/86, under the target ceiling for ornamental plants falling within heading No 06.02 of the Common Customs Tariff, '225,4' tonnes is hereby replaced by '260,4' tonnes.

Article 2

The issue of STM licences for ornamental plants falling within subheading 06.02 ex D of the Common Customs Tariff (NIMEXE Codes 06.02.96 and 06.02.99) is hereby suspended until 31 October 1986.

Article 3

1. For November and December 1986, STM licences for ornamental plants as referred to in Article 2 shall be issued up to a maximum of:

- 17,5 tonnes for November,
- 17,5 tonnes for December.

2. Applications for STM licences shall be lodged from 27 to 29 October and from 24 to 26 November.

The Member States shall notify the Commission by 30 October and 27 November at the latest of the quantities in licence applications.

If the quantities in STM licence applications exceed the quantities set out in paragraph 1, the Commission shall fix a single percentage reduction in quantities applied for.

3. STM Licences applications for which have been notified to the Commission shall be issued on the fifth working day following the deadline laid down for lodging applications.

Article 4

Regulations (EEC) No 1376/86 and (EEC) No 1768/86 are hereby repealed.

Article 5

Whereas Commission Regulation (EEC) No 1852/84 of 2 July 1985 laying down detailed rules of application with a view to exempt Member States from the obligation to buy in certain types of fruit and vegetables⁽³⁾ specified what information the Member States were to provide to the Commission with a view to their being exempted if they so requested, as provided for in Article 19a (4) of Regulation (EEC) No 1035/72, from intervention purchasing;

Whereas this information must concern either the proportion of each of the products indicated in Article 19a of Regulation (EEC) No 1035/72 marketed through recognized producer organizations or the proportion harvested in the Member State concerned during the last three marketing years;

Whereas the Member States have supplied this information; whereas the conditions for exemption laid down in Regulation (EEC) No 1852/85 are met by certain Member
