COMMISSION REGULATION (EEC) No 1605/87

of 9 June 1987

fixing the export refunds on white sugar and raw sugar exported in the natural state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as last amended by Regulation (EEC) No 229/87⁽²⁾, and in particular point (a) of the first subparagraph of Article 19 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 1785/81 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (a) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that when refunds on white and raw sugar, undenatured and exported in the natural state, are being fixed account must be taken of the situation on the Community and world markets in sugar and in particular of the price and cost factors set out in Article 3 of that Regulation; whereas the same Article provides that the economic aspect of the proposed exports should also be taken into account;

Whereas the refund on raw sugar must be fixed in respect of the standard quality; whereas the latter is defined in Article 1 of Council Regulation (EEC) No 431/68 of 9 April 1968 determining the standard quality for raw sugar and fixing the Community frontier crossing point for calculating cif prices for sugar⁽⁵⁾; whereas, furthermore,

this refund should be fixed in accordance with Article 5 (2) of Regulation (EEC) No 766/68; whereas candy sugar is defined in Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁶⁾, as amended by Regulation (EEC) No 1467/77⁽⁷⁾; whereas the refund thus calculated for aromatized sugars or for sugars with colouring added must apply to their sucrose content and, accordingly, be fixed per 1 % of the said content;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for sugar according to destination;

Whereas, in special cases, the amount of the refund may be fixed by other legal instruments;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85⁽⁸⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas the refund must be fixed every two weeks; whereas it may be altered in the intervening period;

Whereas it follows from applying the rules set out above to the present situation on the market in sugar and in particular to quotations or prices for sugar within the Community and on the world market that the refund should be as set out in the 1 May

COMMISSION

ARRANGEMENT

**in the form of an Exchange of Letters between the European Economic Community
and the International Council for the Exploration of the Sea**

A. Letter from the European Economic Community

International Council for the Exploration of the Sea (ICES)
Mr Parrish, General Secretary
Palægade 2 - 4
DK-1261 Copenhagen
Danmark

Sir,

I should like to propose the following arrangements which will serve as a basis for cooperation between the European Economic Community and the International Council the Exploration of the Sea.

1. The European Economic Community, represented by its Commission, hereinafter called 'the Commission', shall have the right to ask the International Council for the Exploration of the Sea, hereinafter called 'the Council', for scientific advice on fisheries resources management and related matters, which the Council shall to the extent possible provide.
2. Having regard to the fishery management responsibilities of the Commission, the Council agrees to provide the Commission with all relevant reports of its Working Groups on stock assessment and of its Advisory Committee on Fishery Management. On its part the Commission shall supply all relevant scientific reports to the Council.
3. The Council and the Commission shall consult regularly on ways in which cooperation between them can be further improved and extended and, in particular, shall explore means by which the Commission may establish a closer liaison with the Council's Advisory Committee on Fishery Management.
4. The Community will make a payment of Dkr 376 000 on the signature of this agreement and annual payments subsequently. The subsequent annual payments shall be indexed. The index shall be :

Total contribution by member countries of ICES for the year in question

Total contribution by member countries of ICES for 1987

The annual payment shall exclude the costs of any meetings specifically requested by the Commission. Such meetings shall only be held with the approval of the Council.

5. The terms of this agreement shall be reviewed by the two parties three years after it has gone into effect. If they fail to agree new terms, the agreement shall continue on the basis of the existing terms until new terms have been agreed. Either party may withdraw from the agreement at any time subject to giving one year's notice.

With respect to clause 3, the Council agrees to grant observer status to a scientifically qualified member of the Commission's staff, or a scientist nominated by the Commission, at meetings of the Council's Advisory Committee on Fishery Management.

In that capacity the Commission's representative would have the right to ask for the floor and participate in the meetings, but would have no voting rights nor have freedom to change the meetings' agendas.

I should be grateful if you would indicate whether these arrangements are acceptable to you as the basis of cooperation between your Council and the Commission. It is my understanding that this letter and your reply thereto will together constitute the Agreement on Cooperation between the International Council for the Exploration of the Sea and the Commission of the European Communities. This Agreement will come into force on the date of your reply to this letter.

Yours sincerely,

For the European Economic Community

Vice-President of the Commission
