opening, allocating and providing for the administration of a Community tariff quota for rum, arrack and tafia, falling within subheading 22.09 C I of the Common Customs Tariff and originating in the African, Caribbean and Pacific States (ACP) (1987 to 1988)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas Protocol 5 annexed to the Third ACP-EEC Convention, signed at Lomé on 8 December 1984⁽¹⁾, provides that products originating in the ACP States which fall within subheading 22.09 C I of the Common Customs Tariff shall, until the entry into force of a common organization of the market in spirits, be allowed into the Community free of customs duties under conditions such as to permit the development of traditional trade flows between the ACP States and the Community and between the Member States; whereas the Community shall fix each year the quantities which may be imported free of customs duties on the basis of the largest quantities imported annually from the ACP States into the Community in the past three years for which statistics are available, increased by an annual growth rate of 37 % on the market of the United Kingdom and 27 % on the other markets of the Community; whereas, however in accordance with the provisions of Article 3 (1) of the Protocol to the Third ACP-EEC Convention consequent on the Accession of the Kingdom of Spain and the Portuguese Republic to the European Communities⁽²⁾ implemented in advance by Regulation (EEC) No 1820/87⁽³⁾, the minimum quantity in Article 2 (a) second subparagraph of Protocol 5 on rum has been increased to 172 000 hectolitres; whereas by reason of the particularities peculiar to the market in rum, the quota period ranges from 1 July to 30 June;

Whereas, having regard to the levels reached by imports of the products concerned into the Community and the Member States during the past three years for which

statistics are available, the annual quota volume would amount to 159 444 hectolitres of pure alcohol; whereas this volume is less than the threshold established by Regulation (EEC) No 1820/87, the quota volume must be fixed at 172 000 hectolitres of pure alcohol;

Whereas, during the past three years for which statistics are available, the corresponding imports by each of the Member States represent the following percentages of the imports into the Community from the ACP States of the products concerned:

Member State	1984	1985	1986
Benelux	5,7	5,2	5,4
Denmark	1,8	1,9	1,7
Germany	28,0	34,0	30,5
Greece	0,0	0,0	0,0
Spain	0,0	n.c.	0,1
France	1,0	2,1	1,4
Ireland	1,9	1,8	1,8
Italy	0,6	0,4	0,4
Portugal	0,0	0,0	0,0
United Kingdom	61,0	54,6	58,7

Whereas, in view of these factors, of market forecasts for the products in question and of the estimates submitted by certain Member States, quota shares may be fixed approximately at the following percentages:

Benelux :	5,43
Denmark :	1,79
Germany :	30,90
Greece :	0,03
Spain :	0,17
France :	1,51
Ireland :	1,85
Italy :	0,42
Portugal :	0,02
United Kingdom :	57,88

⁽²⁾ OJ No L 172, 30. 6. 1987.

⁽³⁾ OJ No L 172, 30. 6. 1987, p. 1.

Whereas an arrangement for using the Community tariff quota, based on an allocation between the United Kingdom on the one hand and the other Member States on the other, would seem likely to reconcile the application of the growth rates provided for in Protocol 5 with the uninterrupted application of the duty-free entry arrangements in respect of the said quota to all imports of the products concerned into the Member States until the quota is exhausted; whereas in order to reflect as closely as possible actual market trends for the products concerned, allocation of the Community tariff quota among Member States should be made in accordance with the requirements of the Member States; whereas, in this case, the tariff quota should be allocated among the Member States on the basis of the largest quantities imported annually into each Member State during the past two years and taking into account the abovementioned growth rates;

Whereas measures should be laid down to ensure that Protocol 5 is implemented under conditions such as to permit the development of traditional trade flows between the ACP States and the Community, on the one hand, and between the Member States on the other;

Whereas owing to the special character of the products in question and their sensitivity on Community markets, exceptional provision should be made for a method of use based on a single division among Member States;

Whereas it is possible that, during the period of applicability of the said quota, the nomenclature used by the Common Customs Tariff will be replaced by the combined nomenclature based on the International Convention on a harmonized system of designation and codification of goods; whereas this Regulation must take account of that possibility by using the codes of the combined nomenclature within which the said products fall;

Whereas, since the Kingdom of Belgium, the Kingdom of the Netherlands and the Grand Duchy of Luxembourg are united within and jointly represented by the Benelux Economic Union, any measure concerning the administration of the share allocated to that economic union may be carried out by any one of its members,

HAS ADOPTED THIS REGULATION:

COUNCIL REGULATION (EEC) No 1824/87

of 25 June 1987

opening, allocating and providing for the administration of a Community tariff quota for rum, arrack and tafia, falling within subheading 22.09 C I of the Common Customs Tariff and originating in the overseas countries and territories associated with the European Economic Community (1987 to 1988)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community and in particular Article 136 thereof,

Having regard to Council Decision 86/283/EEC of 30 June 1986 on the association of the overseas countries and territories with the European Economic Community⁽¹⁾,

Having regard to the proposal from the Commission,

Whereas Annex V to Decision 86/283/EEC provides that rum, arrack and tafia shall be imported into the Community free of customs duties within the limits of a Community tariff quota;

Whereas the Council has established by Decision 86/47/EEC⁽²⁾, as last amended by Decision 87/342/EEC⁽³⁾, arrangements for trade between Spain and Portugal on the one hand and the overseas countries and territories (OCT) on the other; whereas this Decision provides for the application by the two Member States of the particular provisions concerning the quota duties to be applied on imports of products originating in the OCT;

Whereas the annual size of the quota is to be fixed on the basis of a basic annual quantity, calculated in hectolitres for pure alcohol, equal to the amount of imports during the best of the past three years for which statistics are available; whereas to this quantity a certain growth rate is applied; whereas this growth rate should be fixed at 27 %; whereas the quota period ranges from 1 July to 30 June of the following year;

Whereas Community statistics for the years 1984 to 1986 show the highest volume of imports into the Community of the products in question originating in the said countries and territories, namely 5 569 hectolitres of pure alcohol, occurred in 1984; whereas the volume of the Community tariff quota should therefore be fixed at 7 073 hectolitres of pure alcohol;

Whereas, pursuant to Article 3 (3) of the said Annex V, the volume of the quota in question should, however, be increased to 15 000 hectolitres of pure alcohol;

Whereas, taking into account actual trends on the markets for the products in question, the needs of the Member States and the economic prospects for the period under consideration, the percentage shares in the quota volume may be laid down approximately as follows:

Benelux:	60
Denmark:	7
Germany:	10,8
Greece:	0,2
Spain:	2
France:	4
Ireland:	4
Italy:	2
Portugal:	2
United Kingdom:	8

Whereas the development of imports into the Community of these products should be recorded and imports accordingly monitored;

Whereas it is possible that during the period of validity of the said quota, the nomenclature used by the Common Customs Tariff will be replaced by the nomenclature based on the International Convention on a harmonized system of designation and codification of goods; whereas this Regulation must take account of the possibility by using the combined nomenclature codes within which the said products fall;

Whereas, since the Kingdom of Belgium, the Kingdom of the Netherlands and the Grand Duchy of Luxembourg are united within and jointly represented by the Benelux Economic Union, any measure concerning the administration of the share allocated to that economic union may be carried out by any one of its members,

HAS ADOPTED THIS REGULATION:

Article 1

⁽²⁾ OJ No L 63, 5. 3. 1986, p. 95.

2. The rules of origin applicable to the products referred to in paragraph 1 shall be those set out in Annex II to Decision 86/283/EEC.

2. The extent to which the Member States have taken up their shares shall be determined on the basis of the imports of the products in question, originating in the said countries and territories, entered for customs clearance under declarations for free circulation.

Article 4

1. In accordance with Article 6 of Annex V to Decision 86/283/EEC, the Community shall monitor imports of the products in question originating in the said countries and territories.

2. Member States shall forward to the Commission, not later than the 15th day of each month, statements of imports of the products in question actually charged against the tariff quota during the preceding month. Only products entered at customs under declarations for free circulation and accompanied by a movement certificate conforming to the rules referred to in Article 1 (2) shall be taken into consideration for this purpose.

COUNCIL REGULATION (EEC) No 1825/87

of 25 June 1987

revising the amounts for the documentary requirements in Protocol 1 concerning the definition of the concept of 'originating products' and methods of administrative cooperation to the Third ACP—EEC Convention

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Protocol 1 concerning the definition of the concept of 'originating products' and methods of administrative cooperation⁽¹⁾ to the Third ACP—EEC Convention, and in particular Article 6 thereof,

Having regard to the proposal from the Commission,

Whereas Article 6 (1) (d) of Protocol 1 provides that the Community may, where necessary, revise the amounts for determining when forms EUR 2 may be used instead of movement certificates EUR 1 or when no documentary evidence of origin is required as laid down in Article 16 of the said Protocol;

Whereas as a consequence of the automatic change, which takes place every two years, of the base date provided for in the second sentence of Article 6 (1) (c) of the Protocol, the effective value of the limits expressed in the national currencies concerned, which correspond to the amounts laid down in Articles 6 and 16 of the

Protocol, would be reduced; whereas in order to offset such a reduction it is necessary to increase these amounts,

HAS ADOPTED THIS REGULATION:

Article 1

Protocol 1 to the Third ACP-EEC Convention is hereby amended as follows:

- the amount laid down in Article 6 (1) (b) is hereby increased to 2 590 ECU,

Whereas these short-term precautionary measures should be aimed at retaining on a provisional basis, from 1 July 1987 and at the level of 30 June 1987 ;

- the import levies for milk and milk products,
- the accession compensatory amounts,
- the aids for colza and rape seeds, dried fodder, peas, field beans and sweet lupins,
- the production refunds for sugar ;

Whereas, however, as regards cereals and sugar, the import levies should be determined as from 1 July on the basis of the threshold prices valid on 30 June ;

Whereas provisions should also be made to retain as from 1 July the intervention buying-in prices for skimmed-milk powder, sugar and colza and rape seeds and to retain the minimum prices for peas, field beans and sweet lupins ;

Whereas the co-responsibility levies for milk and milk products and for cereals are one of the key factors in ensuring balance on the markets concerned ; whereas they should be retained at the levels applicable on 30 June ;

Whereas the Commission has already been obliged, pending a decision by the Council, to lay down as a precautionary measure, by Regulations (EEC) No 1213/87 ⁽¹⁾ and (EEC) No 1503/87 ⁽²⁾, a number of prices in the fruit and vegetable sector in order to ensure the continuity of the intervention arrangements for those products in respect of which the period of application of the basic and buying-in prices began in May and June ; whereas the prices applicable from 1 July for the products in question should be fixed along the same lines ;

Whereas, pending the fixing of the prices for the 1987/88 marketing year, the measures necessary to avoid speculative trading and market disturbance should be adopted ; whereas this aim can be met by suspending the possibility of advance fixing of the import levies, export refunds and certain of the aids referred to above ;

Whereas it should be stressed that the amounts set out in this Regulation will be adjusted, where appropriate, with effect from 1 July, on the basis of the decisions adopted in respect of the prices for the 1987/88 marketing year ; whereas, likewise, the attention of traders should be drawn to the fact that the monetary compensatory amounts applicable will be adjusted, where appropriate, with effect from 1 July, on the basis of the decisions adopted in respect of prices and the representative rates,

HAS ADOPTED THIS REGULATION :

COUNCIL

COUNCIL DECISION

of 25 June 1987

revising the amounts for the documentary requirements in Annex II concerning the definition of the concept of 'originating products' and methods of administrative cooperation to Decision 86/283/EEC on the association of the overseas countries and territories with the European Economic Community

(87/341/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Decision 86/283/EEC of 30 June 1986 on the accession of the overseas countries and territories with the European Economic Community⁽¹⁾, and in particular Article 77 (2) thereof,

Having regard to the recommendation from the Commission,

Whereas Article 6 of Annex II to Decision 86/283/EEC provides that the Community may, where necessary, revise the amounts for determining when forms EUR 2 may be used instead of movement certificates EUR 1 or when no documentary evidence of origin is required as laid down in Article 16 of that Annex;

Whereas as a consequence of the automatic change, which takes place every two years, of the base date provided for in the said Annex II, the effective value of the limits expressed in the national currencies concerned, which correspond to the amounts laid down in Articles 6 and 16 of the said Annex, would be reduced; whereas in order to offset such a reduction it is necessary to increase the amounts in question,

HAS DECIDED AS FOLLOWS:

Article 1

Annex II to Decision 86/283/EEC is hereby amended as follows:

- the amount laid down in Article 6 (1) (b) is hereby increased to 2 590 ECU;
- the amounts laid down in Article 16 (2) are hereby increased to 180 ECU and 515 ECU respectively.

Article 2

This Decision shall apply from 1 May 1987.

Done at Luxembourg, 25 June 1987.
