of 15 December 1987

fixing the amount of aid for peas, field beans and sweet lupins

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 1431/82 of 18 May 1982 laying down special measures for peas, field beans and sweet lupins ⁽¹⁾, as last amended by Regulation (EEC) No 3127/86 ⁽²⁾, and in particular Article 3 (6) thereof,

Having regard to Commission Regulation (EEC) No 3540/85 of 5 December 1985 laying down detailed rules for the application of the special measures for peas, field beans and sweet lupins ⁽³⁾, as last amended by Regulation (EEC) No 3741/87 ⁽⁴⁾, and in particular Article 24 thereof,

Whereas, as provided for in Article 3 (1) of Regulation (EEC) No 1431/82, aid is granted for peas, field beans and sweet lupins harvested in the Community and used in the manufacture of feedingstuffs where the world market price of soya cake is lower than the activating price; whereas this aid is equal to a proportion of the difference between these prices; whereas this proportion of the price difference was fixed in Article 3a of Council Regulation (EEC) No 2036/82 ⁽⁵⁾, as last amended by Regulation (EEC) No 1958/87 ⁽⁶⁾;

Whereas, in accordance with Article 3 (2) of Regulation (EEC) No 1431/82, aid is granted for peas and field beans harvested in the Community when the world market price for these products is lower than the guide price; whereas this aid is equal to the difference between the two prices;

Whereas pursuant to Articles 121 (2) and 307 (2) of the Act of Accession of Spain and Portugal the amount of the aid for products harvested and processed in either of these Member States should be reduced by the customs duty charged on importation of products from third countries; whereas, moreover, in the case of sweet lupins harvested

in Spain it must be reduced by the difference between the activating threshold price applied in Spain and the common price;

Whereas, under Article 4 of Regulation (EEC) No 1431/82, the world market price for soya cake must be determined on the basis of the most favourable purchase possibilities, excepting offers and quotations which cannot be considered representative of the real market trend; whereas account must be taken both of all offers on the world market and of the prices quoted on exchanges that are important for international trade; whereas this price may be adjusted under the conditions and in the manner specified in Article 1 (2) of Regulation (EEC) No 2036/82, in order to take account of the prices of competing products;

Whereas, under Article 1 of Commission Regulation (EEC) No 2049/82 ⁽⁷⁾, as last amended by Regulation (EEC) No 1238/87 ⁽⁸⁾, the price must be determined per 100 kilograms of bulk soya cake of the standard quality defined in Article 1 (2) of Council Regulation (EEC) No 1464/86 ⁽⁹⁾ delivered to Rotterdam; whereas the necessary adjustments, notably those referred to in Article 2 of Regulation (EEC) No 2049/82, must be made for offers and quotations not of the type referred to above;

Whereas, if the aid system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the correcting factor provided for in the last subparagraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 ⁽¹¹⁾, as last amended by Regulation (EEC) No 1636/87 ⁽¹²⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of

COMMISSION REGULATION (EEC) No 3752/87

of 15 December 1987

instituting a system for the authorization of imports into Italy and Spain of
certain kinds of slide fasteners originating in Taiwan

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 288/82 of 5 February 1982 on common rules for imports ⁽¹⁾, as last amended by Regulation (EEC) No 1243/85 ⁽²⁾, and in particular Article 15 (1) thereof,

After consultations within the Advisory Committee set up by the above Regulation,

Whereas :

A. Procedure

- (1) The Commission was informed on 7 April 1987 by the Spanish authorities and on 15 April 1987 by the Italian authorities that imports into Spain and Italy of slide fasteners and parts thereof originating in Taiwan, and in particular those with scoops not of base metal, had increased and would continue to do so in such quantities and in such manner that there was, or threatened to be, serious injury to national industries.
- (2) The Spanish and Italian requests were supported by evidence regarding the trend of imports and the terms on which they were taking place, in particular with regard to prices. Information had also been supplied regarding the effects of such imports on the slide fastener industry.
- (3) Having decided, after consultations, that the evidence in its possession was sufficient to justify the initiation of an investigation, the Commission accordingly announced, in a notice published in the *Official Journal of the European Communities* ⁽³⁾, the initiation of a Community investigation in respect of imports into Spain and Italy of the products concerned originating in Taiwan, and commenced the investigation.
- (4) The Commission officially informed the producers and importers known to be involved and gave all parties concerned the opportunity to make known their views in writing and to request a hearing.

Arguments were presented on behalf of the Italian producers by the Associazione Nazionale Industria Meccanica Varia ed Affine (ANIMA). Information was also supplied by Taiwan Zippers Manufacturers Association and by the main Spanish and Italian importers.

- (5) In the course of its investigation, the Commission endeavoured to gather and verify all the information it regarded as necessary. Since imports from Taiwan represent virtually all imports into Spain and Italy of slide fasteners originating in non-member countries, the Commission's investigation concentrated on products from Taiwan. It made on-the-spot checks at the premises of the following companies :

Spanish producers :

- Areito SA, Vitoria,
- Cremalleras Rubi, Barcelona,
- Yoshida Española SA, Tarragona ;

Italian producers :

- Lanfranchi SpA, Palazzolo,
- Sarem-Meras, Vimercate ;

Italian importers :

- Textil-Import du Ugo e Clemente Orsa & CSAS, Milano,
- Italchiusure Srl, Milano,
- Texxil SNC, Seregno ;

- (6) Price comparisons made related to the period 1 October 1986 to 30 September 1987.

B. Products and industries concerned

- (7) The products which are the subject of the investigation are slide fasteners falling within Common Customs Tariff subheading 98.02 ex B and, more particularly, those corresponding to NIMEXE codes No 98.02-51 and 55 and Combined Nomenclature codes 9607 19 00 and 9607 20 91.
- (8) The Commission investigation showed, whether with regard to import trends, prices or the impact of imports on the Spanish and Italian industries, that most of the imports into Spain and Italy concerned only slide fasteners with scoops not of base metal.

⁽¹⁾ OJ No L 35, 9. 2. 1982, p. 1.

⁽²⁾ OJ No L 113, 30. 4. 1986, p. 1.

⁽³⁾ OJ No C 123, 9. 5. 1987, p. 3.

C. Slide fasteners

- (9) Imports of slide fasteners with scoops not of base metal originating in Taiwan were as follows:

	1985	1986	1987 (nine months) (000 metres)
Spain	639	8 937	16 168
Italy	23 912	46 308	44 162

This has resulted in an increase in the market share held by Taiwanese exports from 0,1 % in 1984 to 47 % in 1987 (nine months) on the Spanish market and from 8 % in 1984 to 48 % in 1987 (nine months) on the Italian market. In view of this trend, of the substantial production capacity in Taiwan and of foreseeable demand in the Community, it is clear that unless adequate protective measures are taken the increase in imports originating in Taiwan will continue at the current pace, which would in itself constitute a source of material injury.

- (10) Resale prices on the Spanish market of slide fasteners with non-metal scoops imported from the non-member country in question were about 50 % below the prices charged by Spanish producers.

The same resale prices on the Italian market were about 60 % below the prices charged by Italian producers.

This price undercutting has forced the Spanish and Italian producers to cut their prices to a level which does not cover their cost of production and to abandon market share to the Taiwanese exporters. Their share of the Spanish market fell from 99 % in 1984 to 49 % in 1987 (nine months) and their share of the Italian market fell from 81 % in 1984 to 39 % in 1987 (nine months). The situation of the Spanish and Italian producers has deteriorated as a result and their financial results have been adversely affected, with most of the firms concerned making losses, which have grown during the period of the investigation.

The rate of utilization of production capacity fell in Spain from 72 % in 1984 to 60 % in 1987 (nine months) and in Italy from 59 % in 1984 to 50 % in 1987 (nine months). Employment has continued to fall; in Spain it fell from 978 units in 1984 to 800 units in 1987 (nine months) and in Italy from

1 800 units in 1984 to 1 600 units in 1987 (nine months).

The current attempt to restructure this sector, particularly in Spain, is severely compromised by the difficulties caused by extremely aggressive competition from imports originating in Taiwan, particularly in terms of prices, and the restructuring effort may fail as the firms concerned are deprived of the finance needed to achieve that objective.

- (11) Both the increase in imports originating in Taiwan and the prices charged for such imports are thus a cause of material injury to the Spanish and Italian industry concerned.

To eliminate that injury and prevent further injury from being caused to the Spanish and Italian producers, measures need to be adopted to protect those markets for a limited period so as to impede the harmonious development of world trade as little as possible while at the same time enabling the Spanish and Italian firms concerned to plan their modernization programmes.

- (12) The quantitative limits applicable to imports into Spain and Italy of slide fasteners with scoops not of base metal originating in Taiwan have been fixed by reference to imports into Spain and Italy during the period from 1 April 1985 to 31 March 1987.

- (13) To ensure that those quantitative limits are observed, the Spanish and Italian authorities should subject imports of the products in question originating in Taiwan to a system of import authorizations to be issued within the quantitative limits laid down by this Regulation.

- (14) Since the investigation showed that the increased penetration of imports originating in Taiwan was concentrated on the two markets in question, Community interests can be safeguarded without taking any immediate protective measures in the other Member States,

HAS ADOPTED THIS REGULATION:

Article 1

1. Entry for free circulation in Spain or Italy of the products specified below originating in Taiwan shall be subject to presentation of an import authorization to be issued by the Spanish or Italian authorities, as appropriate, within the following limits:

CCT heading No	NIMEXE code	Description	(Million metres) Limit	
			Spain	Italy
98.02 ex B	98.02-51 and 55	Slide fasteners with scoops not of base metal	4,6	33,3

This import authorization shall be valid only in the Member State in which it was issued.

2. The import authorization referred to in paragraph 1 shall be issued automatically, free of charge, within a maximum of five working days from the date of the request presented by the importer, subject to the annual quantitative limits for the Member State in question.

Article 2

The Community investigation to re-examine the trend of imports into Spain and Italy of certain kinds of slide fasteners originating in Taiwan is hereby terminated.

Article 3

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall be applicable from 16 December 1987 to 31 December 1988.

COMMISSION REGULATION (EEC) No 3756/87

of 15 December 1987

fixing the export refunds on pigmeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat⁽¹⁾, as last amended by Regulation (EEC) No 1475/86⁽²⁾, and in particular the first sentence of Article 15 (5) thereof,

Having regard to Council Regulation (EEC) No 2768/75 of 29 October 1975 laying down general rules for granting export refunds on pigmeat and criteria for fixing the amount of such refunds⁽³⁾, and in particular Article 5 (1) thereof,

Whereas Article 15 of Regulation (EEC) No 2759/75 provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices for these products within the Community may be covered by an export refund;

Whereas it follows from applying these rules and criteria to the present situation on the market in pigmeat that the refund should be fixed as set out below;

Whereas facilities exist at present for the export of live pigs falling within subheading 01.03 A II b), and for certain products falling within subheading 02.01 A III; whereas a refund should be fixed for these products taking particular account of the conditions of competition for Community exporters on world markets;

Whereas, in the case of products falling within subheading 02.06 B I, the refund should be limited to an amount which takes account of the qualitative characteristics of each of the products falling within this subheading and of the foreseeable trend of production costs on the world market; whereas it is important that the Community should continue to take part in international trade in the case of certain typical Italian products falling within subheadings 02.06 B I b) 1 and B I b) 5 aa);

Whereas, because of the conditions of competition in certain third countries, which are traditionally importers of products falling within subheadings ex 16.01 A and B, ex 16.02 A II and B III a) 2, the refund for these products

should be fixed so as to take this situation into account; whereas steps should be taken to ensure that the refund is granted only for the net weight of the edible substances, to the exclusion of the net weight of the bones possibly contained in the said preparations;

Whereas, since economically significant quantities of other pigmeat products are not being exported at present, there is no need to fix a refund for these products;

Whereas Article 4 of Regulation (EEC) No 2768/75 provides that the world market situation or the specific requirements of certain markets may make it necessary to vary the refund on the products listed in Article 1 (1) of Regulation (EEC) No 2759/75 according to destination;

Whereas Commission Regulation (EEC) No 617/86 of 28 February 1986 laying down specific rules on export refunds in the pigmeat sector following the accession of Portugal and amending Regulation (EEC) No 150/86⁽⁴⁾ established the principle that no Community refund should be granted on pigmeat products originating in Portugal;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

1. The list of products on which the export refund specified in Article 15 of Regulation (EEC) No 2759/75 is granted and the amount of the refund shall be as set out in the Annex hereto.
2. The refund referred to in paragraph 1 shall not be granted on exports of products to Portugal.
3. The refund referred to in paragraph 1 shall not be granted on exports of products that originated in Portugal.

Article 2

This Regulation shall enter into force on 17 December 1987.

COUNCIL DECISION

of 10 December 1987

recognizing certain parts of the territory of the Community as being either officially swine fever free or swine fever free

(87/589/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 64/432/EEC of 26 June 1964 on animal health problems affecting intra-Community trade in bovine animals and swine ⁽¹⁾, as last amended by Directive 87/489/EEC ⁽²⁾, and in particular Article 4b (1) (c) thereof,

Having regard to Council Directive 72/461/EEC of 12 December 1972 on health problems affecting intra-Community trade in fresh meat ⁽³⁾, as last amended by Directive 87/489/EEC, and particular Article 13 a (2) thereof,

Having regard to the proposal from the Commission,

Whereas, in certain other parts of the Netherlands, swine fever has not been detected for more than one year; whereas, consequently, these parts of the territory fulfil the requirements for being recognized as swine fever free for the purpose of intra-Community trade of fresh meat,

HAS ADOPTED THIS DECISION:
