COMMISSION REGULATION (EEC) No 1920/88

of 30 June 1988

adapting the accession compensatory amounts fixed in the sugar sector by Regulation (EEC) No 581/86

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 469/86 of 25 February 1986 laying down general rules for the system of accession compensatory amounts in the sugar sector⁽¹⁾, and in particular Article 7(1) thereof,

Whereas Article 238 of the Act of Accession provides for an alignment of the Portuguese prices on the common prices in stages owing to their level in Portugal; whereas this alignment concerns the intervention price for white sugar applicable in that Member State;

Whereas the Council has not to date adopted the prices for the 1988/89 marketing year, which commences on 1 July 1988; whereas the price factors determined by Commission Regulation (EEC) No 1912/88⁽²⁾ should accordingly be taken into account for the calculation in order to ensure that the import arrangements continue to operate in the sector concerned;

Whereas the alignment on 1 July 1988 of the said prices makes it necessary to adapt the accession compensatory

amounts applicable to trade with Portugal; whereas to this end and for reasons of clarity it is appropriate to provide for a new Annex, showing the adapted compensatory amounts, to Commission Regulation (EEC) No 581/86 of 28 February 1986, laying down detailed rules for the application of the system of accession compensatory amounts and fixing these amounts in the sugar sector⁽³⁾, as last amended by Regulation (EEC) No 1714/88⁽⁴⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 581/86 is replaced by the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply with effect from 1 July 1988.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1921/88

of 30 June 1988

fixing, for the 1988/89 marketing year, the flat-rate amount provided for under the system of minimum stocks in the sugar sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as last amended by Regulation (EEC) No 1107/88⁽²⁾, and in particular Article 12 (3) thereof,

Having regard to Council Regulation (EEC) No 1789/81 of 30 June 1981 laying down general rules concerning the system of minimum stocks in the sugar sector⁽³⁾,

Whereas Articles 3 (b) and 6 (a) of Regulation (EEC) No 1789/81 provide for the reimbursement of the pecuniary advantage included in the intervention price on account of the costs involved in maintaining the minimum stock;

Whereas the Council has not to date adopted the prices for the 1988/89 marketing year, which commences on 1 July 1988; whereas the price factors determined by Commission Regulation (EEC) No 1912/88⁽⁴⁾ should accordingly be taken into account for the calculation in order to ensure that the import arrangements continue to operate in the sector concerned;

Whereas, in order to determine that pecuniary advantage, Commission Regulation (EEC) No 189/77 of 28 January

1977 laying down detailed rules for the application of the system of minimum stocks in the sugar sector⁽⁵⁾, as amended by Regulation (EEC) No 1920/81⁽⁶⁾, provides for a flat-rate amount to be fixed for each marketing year;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1988/89 marketing year, the flat-rate amount referred to in Article 6 of Regulation (EEC) No 189/77 shall be 0,165 ECU per 100 kilograms of sugar expressed as white sugar.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply with effect from 1 July 1988.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1922/88

of 30 June 1988

fixing for the 1988/89 marketing year the amount of the levy in connection with
the offsetting of storage costs for sugar

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to Council Regulation (EEC) No 1785/81
of 30 June 1981 on the common organization of the
markets in the sugar sector ⁽¹⁾, as last amended by Regula-
tion (EEC) No 1107/88 ⁽²⁾, and in particular Article 8 (5)
thereof,

Whereas Article 8 (1) of Regulation (EEC) No 1785/81
provides that the storage costs for sugar and syrups shall
be reimbursed at a flat rate by the Member States;

Whereas Article 6 of Council Regulation (EEC) No
1358/77 ⁽³⁾, as last amended by Regulation (EEC) No
3042/78 ⁽⁴⁾, provides that the amount of the levy for
Community sugar shall be calculated by dividing the total
estimated reimbursement by the estimated quantity of
sugar which will be marketed during the sugar marketing
year in question; whereas the total estimated reimburse-
ment is to be increased or decreased, as the case may be,
by the amounts carried forward from previous marketing
years;

Whereas Article 8 (4) of Regulation (EEC) No 1785/81
provides that the monthly reimbursement amount shall
be fixed by the Council simultaneously with the derived
intervention prices;

Whereas the Council has not to date adopted the prices
for the 1988/89 marketing year, which commences
on 1 July 1988; whereas the price factors determined
by Commission Regulation (EEC) No 1912/88 ⁽⁵⁾ should
accordingly be taken into account for the calculation in
order to ensure that the import arrangements continue to
operate in the sector concerned;

Whereas, pursuant to Article 4 of Regulation (EEC) No
1358/77, the quantity in store to be taken into account for
the reimbursement of any one month's storage costs is
equal to the arithmetic mean of the quantities held in

store in the beginning and at the end of the month in
question; whereas, for the 1988/89 marketing year, the
quantities of Community sugar in store each month may
be estimated by reference to estimated stocks at the
beginning of the marketing year, estimated monthly
production and the quantities likely to be marketed for
domestic consumption or exported during the same
month; whereas total average monthly stocks during the
1988/89 marketing year can be estimated at approxima-
tely 98 million tonnes of sugar expressed as white sugar;
whereas the total reimbursement for Community sugar
can thus be estimated at approximately 479 million ECU
for the 1988/89 marketing year; whereas the balance of
previous sugar marketing years can be estimated at a
surplus amount of 41 million ECU; whereas the detailed
rules for the application of the system of offsetting storage
costs for sugar provide that the levy is to be fixed per 100
kilograms of white sugar; whereas the quantity of
Community sugar which will be marketed during the
1988/89 marketing year for home consumption or for
export may be estimated at approximately 12,5 million
tonnes of sugar expressed as white sugar; whereas the
amount of the levy for Community sugar should therefore
3,50 ECU per 100 kilograms of white sugar;

Whereas the measures provided for in this Regulation are
in accordance with the opinion of the Management
Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1988/89 marketing year, the amount of the levy
referred to under the second subparagraph of Article 8 (2)
of Regulation (EEC) No 1785/81 is hereby fixed at 3,50
ECU per 100 kilograms of white sugar.

Article 2

This Regulation shall enter into force on the day of its
publication in the *Official Journal of the European
Communities*.

It shall apply with effect from 1 July 1988.

COMMISSION REGULATION (EEC) No 1923/88

of 30 June 1988

fixing the accession compensatory amounts applicable to cereals for the 1988/89 marketing year and the coefficients to be used for calculating the amounts applicable to certain processed products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 467/86 of 25 February 1986 laying down general rules for the system of accession compensatory amounts for cereals on account of the accession of Spain⁽¹⁾, and in particular Article 7 thereof,

Whereas, in accordance with Article 72 (1) of the Act of Accession, accession compensatory amounts are to be equal to the difference between the prices fixed for Spain and the intervention prices applicable for the Community as constituted at 31 December 1985, which prices represent the guarantee given to producers; whereas those prices were fixed in the framework of the precautionary measures adopted by the Commission pending a final decision of the Council on prices for the 1988/89 marketing year; whereas, however, following the latest change in the intervention arrangements provided for in Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽²⁾, as last amended by Regulation (EEC) No 1097/88⁽³⁾, buying in is carried out at a level below the intervention price; whereas this level, which now represents the actual guarantee given to producers must, therefore, serve as a basis for calculating the accession compensatory amounts;

Whereas in accordance with Article 111 (3) of the Act of Accession, accession compensatory amounts applicable to processed products are to be derived from those applicable to the products to which they are related, using

coefficients to be determined; whereas those coefficients must be fixed taking account, on the one hand, of the technical factors relating to processing and, on the other hand, of the fact that those compensatory amounts apply to imports, to exports and in trade between the Community as constituted at 31 December 1985 and Spain;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

1. The accession compensatory amounts applicable to the products listed in Article 1 (a) and (b) of Council Regulation (EEC) No 2727/75 for the 1988/89 marketing year are as set out in Annex A to this Regulation.
2. The following are as set out in Annex B hereto:
 - the accession compensatory amounts applicable to the products listed in Article 1 (c) of Regulation (EEC) No 2727/75 for the 1988/89 marketing year,
 - the coefficients referred to in Article 111 (3) of the Act of Accession.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply with effect from 1 July 1988.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Whereas the prices applicable in the cereals sector from 1 July 1988 were fixed in the framework of the precautionary measures adopted by the Commission pending a final decision by the Council as concerns the prices for the 1988/89 marketing year; whereas the accession compensatory amounts fixed by Commission Regulation (EEC) No 577/86 ⁽⁴⁾, as last amended by Regulation (EEC) No 760/88 ⁽⁵⁾, should accordingly be adjusted from 1 July 1988; whereas, however, in accordance with the abovementioned Article 90 (1) and subject to any subsequent decisions of the Council, that adjustment may be carried out for the period 1 July to 31 December 1988 only;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

COMMISSION REGULATION (EEC) No 1925/88

of 30 June 1988

fixing for July 1988 the minimum purchase price for lemons delivered to the industry and the amount of financial compensation payable after their processing

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 1035/77 of 17 May 1977 laying down special measures to promote the marketing of lemon products⁽¹⁾, as last amended by Regulation (EEC) No 1353/86⁽²⁾, and in particular Article 3 thereof,

Whereas, under Article 1 (3) of Regulation (EEC) No 1035/77, the minimum price which processors must pay to producers is derived from the buying-in price for Class II plus 5 % of the basic price and whereas the minimum price is to be fixed before the beginning of each marketing year;

Whereas to date the Council has not fixed the basic and buying-in prices for lemons for the 1988/89 marketing year; whereas, by virtue of the tasks conferred on it by the Treaty, the Commission has had to take the necessary interim protective measures to ensure that the common agricultural policy continues to operate in this sector by fixing in Commission Regulation (EEC) No 1913/88⁽³⁾ the amounts to be used for fixing the basic and buying-in prices for lemons for July 1988; whereas the basic price for July 1988 should therefore be fixed on the basis of the latter amounts, without prejudice to any adjustments to be applied as a result of subsequent price decisions adopted where appropriate by the Council for the same marketing year;

Whereas, under Article 2 of Regulation (EEC) No 1035/77, financial compensation cannot exceed the difference between the minimum purchase price referred to in Article 1 of the said Regulation and the prices obtained for the basic products in producer third countries; whereas, for the purposes of calculating this compensation and with a view to encouraging optimum marketing of lemon products, it would seem advisable to apply the full difference between these prices;

Whereas Articles 119 (2) and 305 (2) of the Act of Accession provide that, from the first move towards alignment, the minimum prices applicable, as the case may be, in Spain and Portugal are to be aligned on the common minimum price in accordance with the mechanism

provided for in Articles 70 and 238 of the said Act and the financial compensation applicable in Spain and Portugal respectively at each move towards alignment is to be that of the Community as constituted at 31 December 1985 less the difference between, on the one hand, the common minimum price and, on the other, the minimum prices applicable, as the case may be, in Spain and Portugal;

Whereas, because of the late publication of the amounts of the minimum price and financial compensation, the interested parties have been unable to conclude contracts for the beginning of the 1988/89 marketing year by the specified time; whereas the date specified in Commission Regulation (EEC) No 1562/85⁽⁴⁾, as last amended by Regulation (EEC) No 1715/86⁽⁵⁾, should therefore be waived;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fruit and Vegetables,

HAS ADOPTED THIS REGULATION:

Article 1

1. The minimum price referred to in Article 1 (3) of Regulation (EEC) No 1035/77 for July 1988 shall be as follows:

(ECU/100 kg net)

Spain	Portugal	Other Member States
13,79	14,15	19,53

2. The minimum price shall be in respect of products ex-producer's packaging station.

Article 2

The amount of the financial compensation referred to in Article 2 of Regulation (EEC) No 1035/77 for July 1988 shall be as follows:

(ECU/100 kg net)

Spain	Portugal	Other Member States

COMMISSION REGULATION (EEC) No 1926/88

of 30 June 1988

fixing until the end of the 1988 marketing year the maximum levels of the withdrawal prices for tomatoes grown under glass

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables⁽¹⁾, as last amended by Regulation (EEC) No 1117/88⁽²⁾, and in particular the last subparagraph of Article 18 (1) thereof,

Whereas, under the last subparagraph of Article 18 (1) of Regulation (EEC) No 1035/72, producers' organizations may be authorized, in view of the characteristics of the market under consideration, to fix, under certain conditions, withdrawal prices above the levels referred to in Article 18 (1) (a) of that Regulation;

Whereas the market in tomatoes grown under glass has different characteristics from those of the market in open-grown tomatoes; whereas tomatoes grown under glass are mainly 'Extra' class and class I products, the prices for which are considerably higher than those for open-grown products;

Whereas for the present marketing year the maximum price levels for tomatoes grown under glass have been fixed until 30 June by Commission Regulation (EEC) No 1694/88⁽³⁾; whereas the information now available allows these levels to be fixed up to the end of the marketing year of this product;

Whereas, in order to provide more effective support for the market in tomatoes grown under glass, producers' organizations or associations of such organizations should be allowed to fix their withdrawal price at a level higher than the Community withdrawal price; whereas, in accordance with the last subparagraph of Article 18 (1), it appears that the maximum level of the withdrawal price

for these products can justifiably be fixed by applying, to the prices fixed for the 1987 marketing year, a variation of the same order as that applied by the Council when fixing the basic prices and buying-in prices for tomatoes;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fruit and Vegetables,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1988 marketing year, producers' organizations or associations of such organizations may fix withdrawal prices, not exceeding the following maxima, in ECU per 100 kilograms net, for tomatoes grown under glass:

— July (1 to 10):	26,06,
(11 to 20):	24,41,
(21 to 31):	22,63,
— August:	22,63,
— September:	22,63,
— October:	22,63,
— November:	22,63.

Article 2

The producers' organizations shall supply the following information to the national authorities, who shall communicate it to the Commission:

- the period during which withdrawal prices are applicable,
- the levels of withdrawal prices proposed and of those applied.

Article 3

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply with effect from 1 July 1988.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 1927/88

of 30 June 1988

amending Regulation (EEC) No 1822/77 as regards collection of the co-responsibility levy in the milk and milk products sector during the 1988/89 milk year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,
Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1079/77 of 17 May 1977 on a co-responsibility levy and on measures for expanding the markets for milk and milk products⁽¹⁾, as last amended by Regulation (EEC) No 1894/87⁽²⁾, and in particular Article 6 thereof,

Whereas the Council has not to date adopted the prices for the 1988/89 marketing year, which commences on 1 July 1988; whereas the price factors determined by Commission Regulation (EEC) No 1915/88⁽³⁾ should accordingly be taken into account for the calculation in order to ensure that the import arrangements continue to operate in the sector concerned;

Whereas the general rate of the co-responsibility levy for the 1988/89 milk year remains fixed at 2 % of the target price for milk, for that milk year and the reduced rate applicable to the first 60 000 kilograms per producer per year in less-favoured areas is therefore, pursuant to Article 1 (3) of Regulation (EEC) No 1079/77, 1,5 % of the target price;

Whereas it is consequently necessary to adjust Articles 2 (1) and 5 (2) of Commission Regulation (EEC) No

1822/77⁽⁴⁾, as last amended by Regulation (EEC) No 2284/87⁽⁵⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 1822/77 is hereby amended as follows:

1. In Article 2 (1), '1987/88' is replaced by '1988/89'.
2. In the first subparagraph of Article 5 (2), '1987/88' is replaced by '1988/89'.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

COMMISSION REGULATION (EEC) No 1928/88

of 30 June 1988

laying down the level of the accession compensatory amounts for milk and milk products applicable for the 1988/89 milk year in trade with Spain

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 466/86 of 25 February 1986 determining the general rules for the system of accession compensatory amounts for milk and milk products on account of the accession of Spain⁽¹⁾, and in particular Article 6 thereof,

Whereas Commission Regulation (EEC) No 1378/86⁽²⁾ fixed the level of the accession compensatory amounts for milk and milk products applicable as from 7 May 1986 in trade with Spain;

Whereas, pursuant to Article 98 (1) of the Act of Accession of Spain and Portugal, the difference between the prices applicable in Spain on 1 March 1986 and the corresponding prices calculated according to the rules provided for in the common organization of the market on the basis of the guaranteed price for milk applicable in Spain throughout the representative period is to be progressively reduced so that it is equal to half the initial difference on the fourth move towards alignment and totally eliminated on the seventh such move; whereas the accession compensatory amounts applicable from the start of the 1988/89 milk year should be determined;

Whereas the Council has not to date adopted the prices for the 1988/89 marketing year which commences on 1

July 1988; whereas the price factors determined by Commission Regulation (EEC) No 1915/88⁽³⁾ should accordingly be taken into account for the calculation in order to ensure that the import arrangements continue to operate;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

The accession compensatory amounts applicable during the 1988/89 milk year in trade between the Community as constituted at 31 December 1985 and Spain, and in trade between Spain and third countries for the milk and milk products listed in the Annex hereto shall be as shown in this Annex.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply with effect from 1 July 1988.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
