Whereas in the collection of the levy, account should be taken of the provisions in the Agreements between the Community and certain third countries; whereas in particular the levy applicable for those countries must be fixed taking as a basis for calculation the levy to be collected on imports from the other third countries;

Whereas, with regard to Turkey and the Maghreb countries, the provisions of this Regulation should be without prejudice to the additional amount to be determined in accordance with the agreements between the Community and these third countries;

COMMISSION REGULATION (EEC) No 2988/88

of 27 September 1988

on the sale by the procedure laid down in Regulation (EEC) No 2539/84 of beef held by certain intervention agencies and intended for export, amending Regulation (EEC) No 569/88 and repealing Regulation (EEC) No 2293/88

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal ⁽¹⁾, as last amended by Regulation (EEC) No 2248/88 ⁽²⁾, and in particular Article 7 (3) thereof,

Whereas Commission Regulation (EEC) No 2539/84 of 5 September 1984 laying down detailed rules for certain sales of frozen beef held by the intervention agencies ⁽³⁾, as amended by Regulation (EEC) No 1809/87 ⁽⁴⁾, has provided for the possibility of applying a two-stage procedure when selling beef from intervention stocks;

Whereas certain intervention agencies hold substantial stocks of boned intervention meat; whereas an extension of the period of storage for the meat bought in should be avoided on account of the ensuing high costs; whereas outlets exist in certain third countries for the products in question and it is appropriate therefore to offer this meat for sale in accordance with Commission Regulations (EEC) No 2539/84 and (EEC) No 2824/85 ⁽⁵⁾ with certain derogating provisions applying in order to cover cases where the beef is stored in another Member State;

Whereas it is necessary to lay down a time limit for export of the said meat; whereas this time limit should be fixed by taking into account Article 5 (b) of Commission Regulation (EEC) No 2377/80 of 4 September 1980 on special detailed rules for the application of the system of import and export licences in the beef and veal sector ⁽⁶⁾, as last amended by Regulation (EEC) No 3988/87 ⁽⁷⁾;

Whereas in order to ensure that beef sold is exported the lodging of security, as specified in Article 5 (2) (a) of Regulation (EEC) No 2539/84, should be required;

Whereas it is appropriate to specify that, in view of the prices which have been fixed in the context of this sale in order to permit the disposal of certain cuts, exports of such cuts should not be eligible for the refunds periodically fixed in the beef and veal sector; whereas, for the same reason, the additional code 7034 referred to in Part 3 of the Appendix to Annex I to Commission Regulation (EEC) No 1852/88 of 1 July 1988 fixing the monetary compensatory amounts applicable in the agricultural sector and certain coefficients and rates required for their application ⁽⁸⁾, as last amended by Regulation (EEC) No 2926/88 ⁽⁹⁾;

Whereas Article 2 (1) of Commission Regulation (EEC) No 3155/85 of 11 November 1985 providing for the advance fixing of monetary compensatory amounts ⁽¹⁰⁾, as amended by Regulation (EEC) No 1866/88 ⁽¹¹⁾, stipulates that monetary compensatory amounts may be fixed in advance only if the export refund is fixed in advance; whereas the absence of refunds for the meat in question means that this requirement cannot be met; whereas for the sake of impartiality it should in this instance be suspended so that advance fixing of the monetary compensatory amounts can be permitted;

Whereas products held by intervention agencies and intended for export are subject to the provisions of Commission Regulation (EEC) No 569/88 ⁽¹²⁾, as last amended by Regulation (EEC) No 2415/88 ⁽¹³⁾; whereas, however, the Annex to the said Regulation setting out the entries to be made should be expanded;

Whereas Commission Regulation (EEC) No 2293/88 ⁽¹⁴⁾ should be repealed;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

COMMISSION REGULATION (EEC) No 2990/88**of 29 September 1988****fixing the quantities of frozen beef intended for processing which may be imported on special conditions for the fourth quarter of 1988**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal ⁽¹⁾, as last amended by Regulation (EEC) No 2248/88 ⁽²⁾, and in particular Article 14 (4) (a) and (c) thereof,

Whereas the Council, under a special import system applicable to frozen beef and veal intended for processing, has drawn up, for the period 1 January to 31 December 1988 an estimate of 12 000 tonnes divided into two quantities of 8 500 tonnes and 3 500 tonnes each, according to the type of product to be obtained;

Whereas, pursuant to Article 14 (4) (a) of Regulation (EEC) No 805/68, it is necessary to determine the quantities to be imported per quarter as well as the rate of reduction of the import levy for meat referred to in Article 14 (1) (b) of that Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

For the fourth quarter of 1988 the maximum quantities referred to in Article 14 (4) (a) of Regulation (EEC) No 805/68 shall be as follows:

- in respect of the meat referred to in Article 14 (1) (a) of Regulation (EEC) No 805/68, 2 125 tonnes of meat, expressed in bone-in meat,
- in respect of the meat referred to in Article 14 (1) (b) of the said Regulation, 875 tonnes of meat, expressed in bone-in meat.

Article 2

The levy on import of the meat referred to in the second indent of Article 1 shall be equal to the levy applicable on the day of import less 55 %.

*Article 3*This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 2991/88

of 29 September 1988

fixing the quantity of young male bovine animals which may be imported on special terms in the fourth quarter of 1988

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal ⁽¹⁾, as last amended by Regulation (EEC) No 2248/88 ⁽²⁾, and in particular Articles 13 (4), 15 (2) and 25 thereof,

Whereas the Council has established an estimate of 164 000 head under the new import arrangements for young male bovine animals for fattening, for the period 1 January to 31 December 1988; whereas, pursuant to Article 13 (4) (a) of Regulation (EEC) No 805/68, the quantity which may be imported each quarter and the rate of reduction of the import levy on these animals must be determined;

Whereas detailed rules for the practical application of the special arrangements were laid down in Commission Regulation (EEC) No 612/77 ⁽³⁾, as last amended by Regulation (EEC) No 1121/87 ⁽⁴⁾, and in Commission Regulation (EEC) No 2377/80 ⁽⁵⁾, as last amended by Regulation (EEC) No 3988/87 ⁽⁶⁾;

Whereas for the fourth quarter of 1988 the quantities which can be imported in Italy and Greece are 35 020 and 5 200 head respectively;

Whereas the supply requirements in young bovine animals for fattening justify, for the fourth quarter of 1988, a higher rate of reduction of the levy for animals weighing from 220 to 300 kilograms per head, originating in and coming from Yugoslavia;

Whereas the partial reduction of the levy is intended to help improve cattle-rearing and beef- and veal-production structures in Italy and in Greece; whereas appropriate measures must therefore be taken to ensure that producers can, as far as possible, benefit directly from the arrangements without traditional trade being excluded; whereas this objective can be achieved by giving agricultural producers and their organizations priority when

issuing the licences conferring entitlement to benefit from the arrangements;

Whereas, according to Article 9 (1) of Regulation (EEC) No 2377/80, the applicant shall undertake either to carry out himself or to have carried out under his responsibility, the task of fattening; whereas, in the case of agricultural producers or their professional organization, it appears that the opportunity given to the applicant not to carry out himself the task of fattening could give rise to abuses in certain cases; whereas it seems appropriate consequently to abolish that opportunity for the quarter in question;

Whereas, in the case of import licence applications made by agricultural producers or their professional organizations, or the traditional trade, it is necessary, in order to permit a more equitable distribution of the quantities available, to limit the maximum quantity which each application may cover;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:

Article 1

1. For the period 1 October to 31 December 1988, the maximum quantity referred to in Article 13 (4) (a) of Regulation (EEC) No 805/68 shall be 40 220 head of young male bovine animals for fattening, of a live weight of 300 kilograms or less, of which 35 020 head must be imported into and fattened in Italy and 5 200 head must be imported into and fattened in Greece.

COMMISSION REGULATION (EEC) No 3001/88

of 29 September 1988

fixing the export refunds on cereals and on wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European
Economic Community,

Having regard to the Act of Accession of Spain and
Portugal,

Having regard to Council Regulation (EEC) No 2727/75
of 29 October 1975 on the common organization of the
market in cereals ⁽¹⁾, as last amended by Regulation (EEC)
No 2221/88 ⁽²⁾, and in particular the fourth subparagraph
of Article 16 ⁽²⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75
provides that the difference between quotations or prices
on the world market for the products listed in Article 1 of
that Regulation and prices for those products in the
Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No
2746/75 of 29 October 1975 laying down general rules for
granting export refunds on cereals and criteria for fixing
the amount of such refunds ⁽³⁾, provides that when
refunds are being fixed, account must be taken of the
existing situation and the future trend with regard to
prices and availabilities of cereals on the Community
market on the one hand, and prices for cereals and cereal
products on the world market on the other; whereas the
same Article provides that it is also important to ensure
equilibrium and the natural development of prices and
trade on cereal markets and, furthermore, to take into
account the economic aspect of the proposed exports and
the need to avoid disturbances on the Community
market;

Whereas Article 3 of Regulation (EEC) No 2746/75
defines the specific criteria to be taken into account when
the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as wheat
and rye flour, groats and meal are concerned, in Article 4
of Regulation (EEC) No 2746/75; whereas furthermore,
when the refund on these products is being calculated,

account must be taken of the quantities of cereals
required for their manufacture; whereas these quantities
were fixed in Commission Regulation No 162/67/EEC ⁽⁴⁾,
as amended by Regulation (EEC) No 1607/71 ⁽⁵⁾;

Whereas the world market situation or the specific
requirements of certain markets may make it necessary to
vary the refund for certain products according to destina-
tion;

Whereas the refund must be fixed once a month;
whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally,
refunds should be calculated on the following basis:

- in the case of currencies which are maintained in rela-
tion to each other at any given moment within a band
of 2,25 % a rate of exchange based on their central
rate, multiplied by the corrective factor provided for in
the last paragraph of Article 3 (1) of Council Regula-
tion (EEC) No 1676/85 ⁽⁶⁾, as last amended by Regula-
tion (EEC) No 1636/87 ⁽⁷⁾;
- for other currencies; an exchange rate based on the
arithmetic mean of the spot market rates of each of
these currencies recorded over a given period in rela-
tion to the Community currencies referred to in the
previous indent and the aforesaid coefficient;

Whereas it follows from applying the detailed rules set
out above to the present situation on the market in
cereals, and in particular to quotations or prices for these
products within the Community and on the world
market, that the refunds should be as set out in the
Annex hereto;

Whereas, pursuant to Article 275 of the Act of Accession
of Spain and Portugal, refunds may be granted in the case
of exports to Portugal; whereas, in the light of the situa-
tion and the level of prices no refund should be fixed in
the case of exports to Portugal;

Whereas the measures provided for in this Regulation are
in accordance with the opinion of the Management
Committee for Cereals,

COMMISSION REGULATION (EEC) No 3002/88

of 29 September 1988

fixing the corrective amount applicable to the refund on cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as last amended by Regulation (EEC) No 2221/88 ⁽²⁾,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds ⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, a corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice ⁽⁴⁾, as last amended by Regulation (EEC) No 1906/87 ⁽⁵⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (c) of Regulation (EEC) No 2727/75;

Whereas Commission Regulation (EEC) No 1281/75 ⁽⁶⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed, account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and possibilities and conditions for the sale of cereals and cereal products on the world market on the other; whereas the same Regulation provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and,

furthermore, to take into account the economic aspect of exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 2727/75 account should be taken of the specific criteria laid down in Article 2 (2) of Regulation (EEC) No 1281/75;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure;

Whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 ⁽⁷⁾, as last amended by Regulation (EEC) No 1636/87 ⁽⁸⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the preceding indent and the aforesaid coefficient;

Whereas it follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 16 (4) of Regulation (EEC) No 2727/75 which is applicable to export refunds fixed in advance in respect of cereals shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 3003/88
of 29 September 1988
fixing the export refunds on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽¹⁾, as last amended by Regulation (EEC) No 2229/88⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 17 of Regulation (EEC) No 1418/76 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances of the Community market;

Whereas to Commission Regulation (EEC) No 1361/76⁽⁴⁾ lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum;

Whereas Article 3 of Regulation (EEC) No 1431/76 defines the specific criteria to be taken into account when

the export refund on rice and broken rice is being calculated;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas a separate refund should be fixed for packaged long grain rice to accommodate current demand for the product on certain markets;

Whereas the refund must be fixed at least once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85⁽⁵⁾, as last amended by Regulation (EEC) No 1636/87⁽⁶⁾;
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded for a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid coefficient;

Whereas it follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market, that the refund should be fixed as set out in the Annex hereto;

Whereas, pursuant to Article 275 of the Act of Accession of Spain and Portugal, refunds may be granted in the case of exports to Portugal; whereas, in the light of the situation and the level of prices no refund should be fixed in the case of exports to Portugal;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,
