**COMMISSION REGULATION (EEC) No 2829/89
of 21 September 1989**

adjusting the agricultural conversion rates for the pigmeat sector in Greece

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Commission Regulation (EEC) No 3578/88 of 17 November 1988 laying down detailed rules for the application of the system for the automatic dismantlement of negative monetary compensatory amounts⁽¹⁾, and in particular Article 7 (1) thereof,

Whereas Article 6a of Council Regulation (EEC) No 1677/85 of 11 June 1985 on monetary compensatory amounts in agriculture⁽²⁾, as last amended by Regulation (EEC) No 1889/87⁽³⁾, lays down that the agricultural

conversion rates of a Member State should be adjusted so as to avoid the creation of new monetary compensatory amounts;

Whereas the movement of the market rate for the Greek drachma during the reference period 13 to 19 September 1989 should, given the adjustment of the agricultural conversion rate determined by Council Regulation (EEC) No 1678/85⁽⁴⁾, as last amended by Regulation (EEC) No 2773/89⁽⁵⁾, entail, in accordance with Article 2 of Commission Regulation (EEC) No 3153/85⁽⁶⁾, as last amended by Regulation (EEC) No 3521/88⁽⁷⁾, an increase in the monetary compensatory amounts applicable in the pigmeat sector in Greece effective from 25 September 1989; whereas in order to prevent this it is necessary to adjust the agricultural conversion rate so as to avoid the creation of these new monetary compensatory amounts,

HAS ADOPTED THIS REGULATION:

Article 1

COMMISSION REGULATION (EEC) No 2830/89

of 21 September 1989

fixing the minimum levies on the importation of olive oil and levies on the importation of other olive oil sector products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Regulation No 136/66/EEC of the Council of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 1225/89⁽²⁾, and in particular Article 16 (2) thereof,Having regard to Council Regulation (EEC) No 1514/76 of 24 June 1976 on imports of olive oil originating in Algeria⁽³⁾, as last amended by Regulation (EEC) No 4014/88⁽⁴⁾, and in particular Article 5 thereof,Having regard to Council Regulation (EEC) No 1521/76 of 24 June 1976 on imports of olive oil originating in Morocco⁽⁵⁾, as last amended by Regulation (EEC) No 4015/88⁽⁶⁾, and in particular Article 5 thereof,Having regard to Council Regulation (EEC) No 1508/76 of 24 June 1976 on imports of olive oil originating in Tunisia⁽⁷⁾, as last amended by Regulation (EEC) No 413/86⁽⁸⁾, and in particular Article 5 thereof,Having regard to Council Regulation (EEC) No 1180/77 of 17 May 1977 on imports into the Community of certain agricultural products originating in Turkey⁽⁹⁾, as last amended by Regulation (EEC) No 4016/88⁽¹⁰⁾, and in particular Article 10 (2) thereof,Having regard to Council Regulation (EEC) No 1620/77 of 18 July 1977 laying down detailed rules for the importation of olive oil from Lebanon⁽¹¹⁾;Whereas by Regulation (EEC) No 3131/78⁽¹²⁾, as amended by the Act of Accession of Greece, the Commission decided to use the tendering procedure to fix levies on olive oil;

Whereas Article 3 of Council Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender⁽¹³⁾ specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on the world market and the Community market and of the levy rates indicated by tenderers;

Whereas in the collection of the levy, account should be taken of the provisions in the Agreements between the Community and certain third countries; whereas in particular the levy applicable for those countries must be fixed, taking as a basis for calculation the levy to be collected on imports from the other third countries;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 18 and 19 September 1989 leads to the minimum levies being fixed as indicated in Annex I to this Regulation;

Whereas the import levy on olives falling within CN codes 0709 90 39 and 0711 20 90 and on products falling within CN codes 1522 00 31, 1522 00 39 and 2306 90 19 must be calculated from the minimum levy applicable on the olive oil contained in these products; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

The levies applicable on imports of other olive oil sector products are fixed in Annex II.

Whereas if, for a given product, the free-at-frontier offer price (hereinafter called the 'offer price') falls below the sluice-gate price, the levy applicable to that product must be increased by an additional amount equal to the difference between the sluice-gate price and the offer price determined in accordance with Article 1 of Regulation No 163/67/EEC of the Commission of 26 June 1967 on fixing the additional amount for imports of poultry-farming products from third countries⁽³⁾, as last amended by Regulation (EEC) No 1527/73⁽⁴⁾;

Whereas the regular review of the information serving as a basis for the determination of average offer prices for the products listed in Article 1 (1) (a) of Regulation (EEC) No 2771/75 indicates that additional amounts corresponding to the figures shown in the Annex hereto should be fixed for the imports specified in that Annex;

COMMISSION REGULATION (EEC) No 2832/89
of 21 September 1989
fixing additional amounts for poultrymeat products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,
Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Regulation (EEC) No 2777/75 of the Council of 29 October 1975 on the common organization of the market in poultrymeat⁽¹⁾, as last amended by the Regulation (EEC) No 1235/89⁽²⁾, and in particular Article 8 (4) thereof,

Whereas if, for a given product, the free-at-frontier offer price (hereinafter called the 'offer price') falls below the sluice-gate price, the levy applicable to that product must be increased by an additional amount equal to the difference between the sluice-gate price and the offer price determined in accordance with Article 1 of Regulation No 163/67/EEC of the Commission of 26 June 1967 on fixing the additional amount for imports of poultry-farming products from third countries⁽³⁾, as last amended by Regulation (EEC) No 1527/73⁽⁴⁾;

Whereas the offer price must be determined for all imports from all third countries; whereas, if exports from one or more third countries are effected at abnormally low prices, lower than prices ruling for other third coun-

tries, a second offer price must be determined for exports from these other countries;

Whereas the regular review of the information serving as a basis for the determination of average offer prices for poultrymeat products other than slaughtered poultry and halves or quarters indicates that additional amounts corresponding to the figures shown in the Annex hereto should be fixed for the imports specified in that Annex;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

Article 1

COMMISSION REGULATION (EEC) No 2837/89

of 21 September 1989

fixing the export refunds on cereals and on wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Regulation (EEC) No 2727/75 of the Council of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 1834/89⁽²⁾, and in particular the fourth subparagraph of Article 16 (2),

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products in the Community may be covered by an export refund;

Whereas Article 2 of Regulation (EEC) No 2746/75 of the Council of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed, account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand, and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas Article 3 of Regulation (EEC) No 2746/75 defines the specific criteria to be taken into account when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as wheat and rye flour, groats and meal are concerned, in Article 4 of Regulation (EEC) No 2746/75; whereas furthermore, when the refund on these products is being calculated,

account must be taken of the quantities of cereals required for their manufacture; whereas these quantities were fixed in Regulation No 162/67/EEC of the Commission⁽⁴⁾, as amended by Regulation (EEC) No 1607/71⁽⁵⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 % a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85⁽⁶⁾, as last amended by Regulation (EEC) No 1636/87⁽⁷⁾,
- for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent and the aforesaid coefficient;

Whereas it follows from applying the detailed rules set out above to the present situation on the market in cereals, and in particular to quotations or prices for these products within the Community and on the world market, that the refunds should be as set out in the Annex hereto;

Whereas, pursuant to Article 275 of the Act of Accession, refunds may be granted in the case of exports to Portugal; whereas, in the light of the situation and the level of prices no refund should be fixed in the case of exports to Portugal;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

Article 1

The export refunds on the products listed in Article 1 (a), (b) and (c) of Regulation (EEC) No 2727/75, exported in the natural state, shall be as set out in the Annex hereto.

COUNCIL

COUNCIL DECISION

of 18 September 1989

authorizing extension or tacit renewal of certain trade agreements concluded
between Member States and third countries

(89/525/EEC)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to Council Decision 69/494/EEC of 16 December 1969 on the progressive standardization of agreements concerning commercial relations between Member States and third countries and on the negotiation of Community agreements⁽¹⁾, and in particular Article 3 thereof,

Having regard to the proposal from the Commission,

Whereas extension or tacit renewal beyond the end of the transitional period was last authorized in the case of the Agreements and Protocols listed in the Annex by Decision 88/637/EEC⁽²⁾;

Whereas the Member States concerned have, with a view to avoiding any disruption of their commercial relations with the third countries concerned based on Agreement, requested authorization to extend or renew the abovementioned Agreements;

Whereas, however, most of the areas covered by these national Agreements are henceforth the subject of Community Agreements; whereas, in this situation, there should be authorization for the maintenance of national Agreements only for those areas not covered by

Community Agreements; whereas, in addition, such authorization should not, therefore, adversely affect the obligation incumbent upon the Member States to avoid and, where appropriate, to eliminate any incompatibility between such Agreements and the provisions of Community law;

Whereas the provisions of the Agreements to be either prolonged or renewed should not furthermore, during the period under consideration, constitute an obstacle to the implementation of the common commercial policy;

Whereas the Member States concerned have declared that the extension or tacit renewal of these Agreements would neither constitute an obstacle to the opening of Community negotiations with the third countries concerned and the transfer of the commercial substance of those Agreements to Community Agreements nor, during the period under consideration, hinder the adoption of the measures necessary to complete the standardization of the import arrangements of the Member States;

Whereas, at the conclusion of the consultations provided for in Article 2 of Decision 69/494/EEC, it was established, as the aforesaid declarations by the Member States concerned confirm, that the provisions of the Agreements to be extended or renewed would not, during the period under consideration, constitute an obstacle to the implementation of the common commercial policy;

Whereas, in these circumstances, the Agreements concerned may be either extended or tacitly renewed for a limited period,

⁽¹⁾ OJ No L 326, 29. 12. 1969, p. 39.

⁽²⁾ OJ No L 355, 23. 12. 1988, p. 61.

HAS ADOPTED THIS DECISION :

Article 2

This Decision is addressed to the Member States.

Article 1

The Trade Agreements and Protocols between Member States and third countries, as listed in the Annex hereto, may be extended or tacitly renewed up to the dates indicated for each of them for those areas not covered by Agreements between the Community and the third countries concerned and in so far as their provisions are not contrary to existing common policies.

COMMISSION

COMMISSION OPINION

of 14 September 1989

to the Government of France concerning a draft decree on the activities of freight forwarders

(Only the French text is authentic)

(89/527/EEC)

In accordance with Article 1 of Council Decision of 21 March 1962 instituting a procedure for prior examination and consultation in respect of certain laws, regulations and administrative provisions concerning transport proposed in Member States⁽¹⁾, as amended by Decision 73/402/EEC⁽²⁾, the French Government has sent to the Commission for its opinion a draft decree concerning the activities of freight forwarders.

By virtue of Article 2 (1) of the Council Decision, the Commission hereby gives the following opinion:

1. The Commission notes with interest the draft decree which the French Government has forwarded to it. This decree is intended to apply Article 8-I of law No 82-1153 of 30 December 1982 on inland transport, the draft of which was the subject of a Commission opinion of 15 December 1982⁽³⁾.
2. The Commission notes that the measures envisaged in this draft have as their aim:
 - to simplify, facilitate and liberalize the conditions for exercising the activities of freight forwarder whilst reinforcing the conditions for professional competence and management, and
 - to extend the scope of the legislation previously in force, which applied to transport auxiliaries organizing or arranging road or rail and road transport, to inland waterway, air and sea transport.
3. Moreover the draft decree would transpose into French law Council Directive 82/470/EEC of 29 June 1982 on measures to facilitate the effective exercise of freedom

of establishment and freedom to provide services in respect of activities of self-employed persons in certain services incidental to transport and travel agencies (ISIC group 718) and in storage and warehousing (ISIC group 720)⁽⁴⁾.

In this context the Commission would like to draw the attention of the French Government to the obligation imposed on each Member State to inform the other Member States of the authorities and other competent bodies which it has designated to deliver the documents referred to in Articles 4 and 7 of Directive 82/470/EEC.

With regard to Article 9 of the draft decree, the Commission wishes to bring to the attention of the French Government the fact that Article 7 (3) of Directive 82/470/EEC, which is an indispensable complement to Article 6, has not been transposed.

The Commission has no observations on the other measures envisaged in the draft decree which has been submitted to it as regards compatibility with the abovementioned Directive.

4. The Commission is sending the other Member States a copy of this opinion.

Done at Brussels, 14 September 1989.
