COUNCIL REGULATION (EEC) No 3173/89

of 16 October 1989

temporarily suspending the autonomous Common Customs Tariff duties for certain products intended for the construction, maintenance and repair of aircraft

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof,

Having regard to the proposal from the Commission,

Whereas production of the products referred to in this Regulation is at present inadequate or non-existent within the Community and producers are thus unable to meet the needs of user industries in the Community;

Whereas it is in the Community's interest to suspend the autonomous Common Customs Tariff duties for these products completely;

Whereas, taking account of the difficulties involved in accurately assessing the development of the economic situation in the sectors concerned in the near future, these

suspension measures should be taken only temporarily, by fixing their period of validity by reference to the interests of Community production,

HAS ADOPTED THIS REGULATION:

Article 1

From 1 January to 31 December 1990, the autonomous Common Customs Tariff duties for the products listed in the Annex shall be totally suspended, provided that the said products are intended, on conditions to be determined by the competent authorities, for the construction, maintenance and repair of aircraft.

Article 2

This Regulation shall enter into force on 1 January 1990.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 16 October 1989.

For the Council

The President

M. DELEBARRE

ANNEX

List of products in respect of which Common Customs Tariff duties are totally suspended where such products are intended for the construction, maintenance and repair of aircraft of an unladen weight exceeding 2 000 kilograms

Notes for the purpose of the following table:

- (a) Category A comprises aeroplanes of an unladen weight exceeding 15 000 kilograms other than those specified under (b);
- (b) Category B comprises aeroplanes of the following types: BAC 1-11, Airbus, Concorde, Mercure and F 28;
- (c) Category C comprises aeroplanes and helicopters of an unladen weight exceeding 2 000 kilograms but not exceeding 15 000 kilograms.

COUNCIL REGULATION (EEC) No 3174/89

of 16 October 1989

temporarily suspending the autonomous Common Customs Tariff duties on a number of agricultural products

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof,

Having regard to the proposal from the Commission,

Whereas production in the Community of the products specified in this Regulation is currently inadequate or non-existent; whereas producers thus cannot meet the needs of user industries in the Community;

Whereas in certain cases it is in the interest of the Community to suspend the autonomous Common Customs Tariff duties only partially, particularly since the goods in question are produced in the Community, and in the other cases to suspend them totally;

Whereas, in view of the difficulty of assessing accurately short-term trends in the economic situation in the relevant

sectors, suspension measures should be taken only temporarily by fixing their period of validity by reference to the interests of Community production,

HAS ADOPTED THIS REGULATION:

Article 1

The autonomous Common Customs Tariff duties for the products listed in the Annex hereto shall be suspended at the level indicated against each of them.

These suspensions shall be valid

- from 1 January to 31 March 1990 for the products mentioned in Table I,
- from 1 January to 30 June 1990 for the products mentioned in Table II.

Article 2

This Regulation shall enter into force on 1 January 1990.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 16 October 1989.

*For the Council**The President*
