*(Acts whose publication is obligatory)*

**COUNCIL REGULATION (EEC) No 3400/90****of 8 November 1990****temporarily suspending the autonomous Common Customs Tariff duties for certain products intended for the construction, maintenance and repair of aircraft**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof,

Having regard to the proposal from the Commission,

Whereas production of the products referred to in this Regulation is at present inadequate or non-existent within the Community and producers are thus unable to meet the needs of user industries in the Community;

Whereas it is in the Community's interest to suspend the autonomous Common Customs Tariff duties for these products completely;

Whereas, taking account of the difficulties involved in accurately assessing the development of the economic situation in the sectors concerned in the near future, these

suspension measures should be taken only temporarily, by fixing their period of validity by reference to the interests of Community production,

HAS ADOPTED THIS REGULATION:

*Article 1*

From 1 January to 31 December 1991, the autonomous Common Customs Tariff duties for the products listed in the Annex shall be totally suspended, provided that the said products are intended, on conditions to be determined by the competent authorities, for the construction, maintenance and repair of aircraft.

*Article 2*

This Regulation shall enter into force on 1 January 1991.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 8 November 1990.

*For the Council*

*The President*

**COUNCIL REGULATION (EEC) No 3401/90****of 8 November 1990****temporarily suspending the autonomous Common Customs Tariff duty on certain industrial products (in the chemical and allied sectors)**

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof,

Having regard to the proposal from the Commission,

Whereas production of the products referred to in this Regulation is at present inadequate or non-existent within the Community and producers are thus unable to meet the needs of user industries in the Community;

Whereas it is in the Community's interest in certain cases to suspend the autonomous Common Customs Tariff duties only partially, particularly because of the existence of Community production, and in other cases to suspend them completely;

Whereas, taking account of the difficulties involved in accurately assessing the development of the economic situation in the sectors concerned in the near future, these suspension measures should be taken only temporarily, by fixing their period of validity by reference to the interests of Community production,

HAS ADOPTED THIS REGULATION:

*Article 1*

The autonomous Common Customs Tariff duties for the products listed in the tables appearing in the Annexes shall be suspended at the level indicated in respect of each of them.

These suspensions shall apply from 1 January to 30 June 1991.

*Article 2*

This Regulation shall enter into force on 1 January 1991.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 8 November 1990.

*For the Council*

*The President*
