COUNCIL REGULATION (EEC) No 3921/90

of 20 December 1990

opening and providing for the administration of autonomous Community tariff quotas for certain fishery products (1991)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof,

Having regard to the proposal from the Commission,

Whereas Community supplies of certain species of fish or fish fillets currently depend on imports from third countries; whereas it is in the Community's interest to suspend partially the customs duties for the products in question, within Community tariff quotas of an appropriate volume; whereas, in order not to jeopardize the development prospects of this production in the Community and to ensure an adequate supply to satisfy user industries, it is advisable to open these quotas for the period from 1 April to 31 December 1991 applying customs duties varied accordingly to sensitivity of the different products on the Community market;

Whereas it is necessary, in particular, to ensure for all Community importers equal and uninterrupted access to the said quotas and to ensure the uninterrupted application of the rates laid down for the quotas to all imports of the products concerned into all Member States until the quotas

have been used up; whereas the necessary measures should be taken to ensure efficient Community management of the tariff quotas, while allowing Member States to draw on the quota volumes the necessary quantities which correspond to importations actually made; whereas this type of management requires close cooperation between the Member States and the Commission;

Whereas, since the Kingdom of Belgium, the Kingdom of the Netherlands and the Grand Duchy of Luxembourg are united within, and jointly represented by, the Benelux Economic Union, any operation relating to the administration of the tariff quotas may be carried out by any of its members,

HAS ADOPTED THIS REGULATION:

Article 1

(b) The quota shall apply to products intended to undergo any operation unless they are intended to undergo exclusively one or more of the following operations:

- sampling, sorting,
- labelling,
- packing,
- chilling,
- freezing,

Article 2

The tariff quotas referred to in Article 1 shall be managed by the Commission, which may take all appropriate administrative measures in order to ensure effective administration thereof.

Article 3

If an importer presents in a Member State an entry for release for free circulation, including a request for preferential

benefit for a product covered by this Regulation and if this entry for release is accepted by the customs authorities, the Member States concerned shall inform the Commission and draw an amount corresponding to its requirements from the corresponding quota amount.

The drawing requests, with indication of the date of acceptance of the said entries, must be transmitted to the Commission without delay.

The drawings are granted by the Commission by reference to the date of acceptance of the entries for release for free circulation by the customs authorities of the Member States concerned to the extent that the available balance so permits.

If a Member State does not use the quantities drawn, it shall return them as soon as possible to the corresponding quota amount.

If the quantities requested are greater than the available balance of the quota amount, allocation shall be made on a *pro rata* basis with respect to the requests. Member States

COUNCIL REGULATION (EEC) No 3923/90

of 21 December 1990

opening and providing for the administration of a Community preferential ceiling for certain petroleum products refined in Turkey and establishing Community surveillance for imports thereof (1991)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas Article 7 of the Supplementary Protocol to the Association Agreement between the European Economic Community and Turkey consequent on the accession of new Member States to the Community ⁽¹⁾, which was signed in Ankara on 30 June 1973 and entered into force on 1 March 1986 ⁽²⁾, provides for the total suspension of customs duties applicable to certain petroleum products refined in Turkey falling within Chapter 27 of the Common Customs Tariff within the limits of an annual Community tariff quota of 340 000 tonnes; whereas, for the products concerned, a provisional adjustment should be made to those tariff preferences, consisting essentially of substituting for the Community tariff quota a Community ceiling amounting, after successive increases, to 740 250 tonnes, above which the customs duties applicable to third countries may be re-established;

Whereas the Council adopted Regulation (EEC) No 1059/88 laying down the arrangements applicable to Greece's trade with Turkey ⁽³⁾; whereas, the Council also adopted Regulation (EEC) No 2573/87 laying down the arrangements for trade between Spain and Portugal, on the one hand, and Algeria, Egypt, Jordan, Lebanon, Tunisia and Turkey, on the other ⁽⁴⁾; whereas the tariff quota in question applies therefore to the current Community;

Whereas the application of ceilings requires the Community to be regularly informed of the trend of imports of the relevant products originating in Turkey; whereas imports

should, therefore, be made subject to a system of surveillance;

Whereas this objective may be achieved by means of an administrative procedure based on offsetting imports of the products in question against the ceiling at Community level as and when these products are entered with the customs authorities for free circulation; whereas this administrative procedure must make provision for the possible re-establishment of customs tariff duties as soon as the ceiling is reached at Community level;

Whereas this administrative procedure requires close and particularly swift cooperation between the Member States and the Commission; whereas the latter must, in particular, be able to follow the progress of quantities charged against the ceiling and keep the Member States informed; whereas this cooperation has to be particularly close since the Commission must be able to take the appropriate measures to re-establish customs tariff duties if the ceiling is reached,

HAS ADOPTED THIS REGULATION:

Article 1

1. From 1 January to 31 December 1991 the duties applicable to imports into the Community of the petroleum products refined in Turkey and indicated in paragraph 2 shall be suspended in full within the limits of a Community ceiling of 740 250 tonnes.

Within the limits of this ceiling, the Kingdom of Spain and the Portuguese Republic shall apply the duties calculated in accordance with Regulation (EEC) No 2573/87.

2. The petroleum products to which paragraph 1 applies shall be the following:

COUNCIL REGULATION (EEC) No 3924/90

of 21 December 1990

suspending wholly or in part the Common Customs Tariff duties on certain agricultural products originating in Turkey (1991)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

HAS ADOPTED THIS REGULATION:

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to Council Regulation (EEC) No 3033/80 of 11 November 1980 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products ⁽¹⁾, and in particular Article 12 thereof,

Having regard to the proposal from the Commission,

Whereas under Annex 6 to the Additional Protocol laying down the conditions, procedures and timetables for implementing the transitional phase referred to in Article 4 of the Agreement establishing an Association between the European Economic Community and Turkey ⁽²⁾ and under Article 9 of the Supplementary Protocol to the Association Agreement between the European Economic Community and Turkey consequent on the accession of new Member States to the Community ⁽³⁾, which was signed in Ankara on 30 June 1973 and entered into force on 1 March 1986 ⁽⁴⁾, the Community must wholly or in part suspend the Common Customs Tariff duties applicable to certain products; whereas it also appears necessary, on a provisional basis, to adjust or supplement some of the advantages provided for in the abovementioned Annex 6; whereas the Community should, therefore, with regard to the products originating in Turkey contained in the list annexed to this Regulation, suspend until 31 December 1991 either the fixed component of the charge applicable to the goods falling within the scope of Regulation (EEC) No 3033/80 or the customs duty applicable to the other products, at the levels indicated for each of them;

Whereas the Council adopted Regulation (EEC) No 1059/88 of 28 March 1988 laying down the arrangements applicable to Greece's trade with Turkey ⁽⁵⁾; whereas the Council also adopted Regulation (EEC) No 2573/87 of 11 August 1987 laying down the arrangements for trade between Spain and Portugal, on the one hand, and Algeria, Egypt, Jordan, Lebanon, Tunisia and Turkey, on the other ⁽⁶⁾;

Whereas this Regulation applies therefore to the Community as currently constituted.

Article 1

Where this Regulation is applicable in Spain and in Portugal, these Member States shall apply duties calculated in accordance with the relevant provisions set out in Regulation (EEC) No 2573/87.

2. For the purposes of application of this Regulation, 'originating products' shall mean those products which fulfil the conditions laid down in Association Council Decision No 4/72 attached to Regulation (EEC) No 428/73 ⁽⁷⁾, as amended by Decision No 1/75 attached to Regulation (EEC) No 1431/75 ⁽⁸⁾.

The methods of administrative cooperation for ensuring that the products listed in the Annexes benefit from the total or partial suspension shall be those laid down in Association Council Decision No 5/72 attached to Regulation (EEC) No 428/73, as last amended by Decision No 1/83, attached to Regulation (EEC) No 993/83 ⁽⁹⁾.

Article 2

When imports of products qualifying for the arrangements provided for in Article 1 come into the Community in quantities or at prices which cause or threaten to cause serious injury to the Community producers of similar products or directly competitive products, the Common Customs Tariff duties may be partially or wholly re-established for the products in question. These measures may also be taken in the event of serious injury or the threat of serious injury limited to a single region of the Community.

Article 3

COUNCIL REGULATION (EEC) No 3925/90

of 21 December 1990

totally or partially suspending the duties applicable to certain products falling within Chapters 1 to 24 of the combined nomenclature and originating in Malta (1991)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to Council Regulation (EEC) No 3033/80 of 11 November 1980 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products⁽¹⁾, and in particular Article 12 thereof,

Having regard to the proposal from the Commission,

Whereas, pursuant to Annex I to the Agreement establishing an Association between the European Economic Community and Malta⁽²⁾, the Community must partially suspend the Common Customs Tariff duties applicable to certain products; whereas it would also be appropriate provisionally to adjust or supplement certain of the tariff benefits provided for in the said Annex; whereas, in respect of products listed in the Annex to this Regulation and originating in Malta, the Community should accordingly suspend the fixed component of the charge applicable to goods covered by Regulation (EEC) No 3033/80 and the customs duty applicable to other goods at the levels indicated for each product from 1 January to 31 December 1991;

Whereas in the context of the said tariff suspensions, the Kingdom of Spain and the Portuguese Republic will apply customs duties calculated in accordance with the said Protocol to the Agreement establishing an Association between the European Economic Community and Malta consequent on the accession of the Kingdom of Spain and the Portuguese Republic to the Community⁽³⁾,

HAS ADOPTED THIS REGULATION:

Article 1

1. From 1 January to 31 December 1991 products listed in the Annex and originating in Malta shall be imported into the Community at the rates of duty indicated in the Annex for each product.

⁽¹⁾ OJ No L 323, 29. 11. 1980, p. 1.

⁽²⁾ OJ No L 61, 14. 3. 1971, p. 3.

⁽³⁾ OJ No L 81, 23. 3. 1989, p. 11.

Within the context of these tariff suspensions the Kingdom of Spain and the Portuguese Republic shall apply customs duties calculated in accordance with the relevant provisions of the Protocol to the Association Agreement between the European Economic Community and Malta consequent on the accession of Spain and Portugal.

2. For the purposes of applying this Regulation, the rules of origin shall be those in force at the time for the implementation of the Agreement establishing an Association between the European Economic Community and Malta.

Article 2

Where products benefiting from the arrangements, provided for in Article 1 are imported into the Community in such quantities or at such prices that they cause or threaten to cause material injury to Community producers of like or directly competing products, the duties applicable may be partially or totally reimposed on the products concerned. Such measures may be taken also in the event of material injury or threat of material injury limited to one region of the Community.

Article 3

1. In order to implement Article 2 the Commission may adopt a Regulation reimposing customs duties for a given period.

2. Where a Member State asks the Commission to adopt such a Regulation, the Commission shall reach its decision within a maximum of 10 working days from the day on which it receives the request and shall inform the Member States of the action taken.

3. Any Member State may refer the measure taken by the Commission to the Council within 10 working days of notification. The fact that the matter is referred to the Council shall not cause the measure to be suspended. The Council shall meet immediately. It may, acting on a qualified majority, amend or rescind the measure in question.

Article 4

This Regulation shall enter into force on the 1 January 1991.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COUNCIL

DECISION OF THE REPRESENTATIVES OF THE GOVERNMENTS OF THE
MEMBER STATES, MEETING WITHIN THE COUNCIL

of 21 December 1990

establishing ceilings and Community supervision for imports of certain goods falling within the
ECSC Treaty originating in Yugoslavia (1991)

(90/682/ECSC)

THE REPRESENTATIVES OF THE GOVERNMENTS OF THE
MEMBER STATES OF THE EUROPEAN COAL AND STEEL
COMMUNITY, MEETING WITHIN THE COUNCIL,

In agreement with the Commission,

HAVE DECIDED AS FOLLOWS:

Article 1

1. From 1 January to 31 December 1991 imports into the Community of certain products originating in Yugoslavia and indicated in Article 3 of the Agreement between the Member States of the European Coal and Steel Community, of the one part, and the Socialist Federal Republic of Yugoslavia, of the other part ⁽¹⁾, shall be subject to annual ceilings and to Community supervision in the Community.

The description of the goods referred to in the preceding subparagraph, their CN codes and the levels of the indicative ceilings are given in the Annex hereto.

2. Pursuant to Article 12 ⁽²⁾ of the Agreement, the contracting parties will begin negotiations towards concluding an additional Protocol to the Agreement determining the future regime of their commerce. Pending the conclusion of the Protocol in question, the Community, by Decision 88/652/ECSC ⁽²⁾, has extended the system provided for by Article 3 of the Agreement.

3. Within the limits of these tariff ceilings, the Kingdom of Spain and the Portuguese Republic shall apply customs

duties calculated according to Decision 87/603/ECSC of the Representatives of the Governments of the Member States, meeting within the Council, and of the Commission of 21 December 1987 laying down the arrangements for Spain's and Portugal's trade with Yugoslavia in products falling under the ECSC Treaty and amending Decisions 86/69/ECSC and 87/456/ECSC ⁽³⁾.

4. Amounts shall be set off against the ceilings as and when the goods are entered with customs authorities for free circulation and accompanied by a movement certificate conforming to the rules contained in Protocol 3 to the Cooperation Agreement between the European Economic Community and the Socialist Federal Republic of Yugoslavia ⁽⁴⁾.

Goods shall be set off against the ceilings only if the movement certificate has been submitted before the date on which customs duties are re-established.

The reaching of a ceiling shall be determined at Community level on the basis of imports set off against it in the manner defined in the preceding subparagraphs.

The Member States shall periodically inform the Commission of imports effected in accordance with the rules fixed in this paragraph; such information shall be supplied under the conditions laid down in paragraph 6.

5. As soon as the ceilings are reached at Community level, Member States may at any time, at the request of any one of them or of the Commission, and in respect of the whole of the Community, re-establish the levying of the customs duties applicable to third countries.

⁽²⁾ OJ No L 367, 31. 12. 1988, p. 78.

⁽³⁾ OJ No L 389, 31. 12. 1987, p. 61.

⁽⁴⁾ OJ No L 41, 14. 2. 1983, p. 2.

Within the framework of the foregoing provisions, the Commission shall coordinate the procedures for re-establishing the customs duties applicable to third countries, in particular by notifying the date common to the whole of the Community and directly applicable in each Member State. The notification shall be published in the *Official Journal of the European Communities*.

6. Member States shall forward to the Commission, not later than the 15th day of each month, statements of the amounts set off during the preceding month. They shall, if the Commission so requests, make up such statements for periods of 10 days and forward them within five clear days of expiry of the preceding 10-day period.

Article 2

Member States and the Commission shall cooperate closely to ensure that this Decision is complied with.
