COMMISSION REGULATION (EEC) No 112/91

of 17 January 1991

fixing the minimum levies on the importation of olive oil and levies on the importation of other olive oil sector products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 3577/90⁽²⁾, and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1514/76 of 24 June 1976 on imports of olive oil originating in Algeria⁽³⁾, as last amended by Regulation (EEC) No 4014/88⁽⁴⁾, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1521/76 of 24 June 1976 on imports of olive oil originating in Morocco⁽⁵⁾, as last amended by Regulation (EEC) No 4015/88⁽⁶⁾, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1508/76 of 24 June 1976 on imports of olive oil originating in Tunisia⁽⁷⁾, as last amended by Regulation (EEC) No 413/86⁽⁸⁾, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1180/77 of 17 May 1977 on imports into the Community of certain agricultural products originating in Turkey⁽⁹⁾, as last amended by Regulation (EEC) No 4016/88⁽¹⁰⁾, and in particular Article 10 (2) thereof,

Having regard to Council Regulation (EEC) No 1620/77 of 18 July 1977 laying down detailed rules for the importation of olive oil from Lebanon⁽¹¹⁾;

Whereas by Regulation (EEC) No 3131/78⁽¹²⁾, as amended by the Act of Accession of Greece, the Commission decided to use the tendering procedure to fix levies on olive oil;

Whereas Article 3 of Council Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender⁽¹³⁾ specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on

the world market and the Community market and of the levy rates indicated by tenderers;

Whereas, with regard to Turkey and the Maghreb countries, the provisions of this Regulation should be without prejudice to the additional amount to be determined in accordance with the agreements between the Community and these third countries;

Whereas, in the collection of the levy, account should be taken of the provisions in the Agreements between the Community and certain third countries; whereas in particular the levy applicable for those countries must be fixed, taking as a basis for calculation the levy to be collected on imports from the other third countries;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 14 and 15 January 1991 leads to the minimum levies being fixed as indicated in Annex I to this Regulation;

Whereas the import levy on olives falling within CN codes 0709 90 39 and 0711 20 90 and on products falling within CN codes 1522 00 31, 1522 00 39 and 2306 90 19 must be calculated from the minimum levy applicable on the olive oil contained in these products; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The minimum levies on olive oil imports are fixed in Annex I.

Article 2

The levies applicable on imports of other olive oil sector products are fixed in Annex II.

COMMISSION REGULATION (EEC) No 115/91

of 17 January 1991

fixing the export refunds on cereals and on wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as last amended by Regulation (EEC) No 3577/90 ⁽²⁾, and in particular the fourth subparagraph of Article 16 ⁽²⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products in the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds ⁽³⁾, provides that when refunds are being fixed, account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand, and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas Article 3 of Regulation (EEC) No 2746/75 defines the specific criteria to be taken into account when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as wheat and rye flour, groats and meal are concerned, in Article 4 of Regulation (EEC) No 2746/75; whereas furthermore, when the refund on these products is being calculated, account must be taken of the quantities of cereals required for their manufacture; whereas these quantities were fixed in Commission Regulation No 162/67/EEC ⁽⁴⁾, as amended by Regulation (EEC) No 1607/71 ⁽⁵⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to

vary the refund for certain products according to destination;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 % a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 ⁽⁶⁾, as last amended by Regulation (EEC) No 2205/90 ⁽⁷⁾,
- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas it follows from applying the detailed rules set out above to the present situation on the market in cereals, and in particular to quotations or prices for these products within the Community and on the world market, that the refunds should be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (a), (b) and (c) of Regulation (EEC) No 2727/75, exported in the natural state, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 18 January 1991.

vakia's economy through, *inter alia*, improved access to the Community's markets;

Whereas it was agreed that the said Agreed Minute will be applied provisionally as from 15 November 1990 pending the completion of the procedures necessary for its conclusion, provided that there is a reciprocal provisional application on the part of the contracting party,

(Only the Spanish, Danish, German, French, Italian and Dutch texts are authentic)

(91/21/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 77/93/EEC of 21 December 1976 on protective measures against the introduction into the Member States of organisms harmful to plants or plant products⁽¹⁾, as last amended by Directive 90/506/EEC⁽²⁾, and in particular Article 14 (3), second indent thereof,

Having regard to requests made by the Federal Republic of Germany, the French Republic and the Kingdom of Spain,

Whereas, pursuant to the provisions of Directive 77/93/EEC, oak wood with bark attached, originating in North American countries, may, in principle, not be introduced into the Community because of the risk of introducing *Ceratocystis fagacearum*, the cause of oak wilt;

Whereas, however Article 14 (3) of the said Directive permits derogations from that rule, provided that it is established that there is no risk of spreading harmful organisms;

Whereas Commission Decision 85/634/EEC⁽³⁾, as last amended by Commission Decision 90/548/EEC⁽⁴⁾, permits derogations for oak wood originating in Canada and the United States of America, subject to certain special technical conditions;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Plant Health,

COMMISSION DECISION

of 18 December 1990

amending Directive 80/862/EEC authorizing the Member States to provide for derogations from certain provisions of Council Directive 77/93/EEC, in respect of potato breeding material

(91/22/EEC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 77/93/EEC of 21 December 1976 on protective measures against the introduction into the Member States of organisms harmful to plants or plant products⁽¹⁾, as last amended by Commission Directive 90/506/EEC⁽²⁾, and in particular Article 14 (3) thereof,

Having regard to the requests made by the Member States,

Whereas under the provisions of Directive 77/93/EEC, potato material intended for planting, other than tubers, may in principle not be introduced into any Member State and potato tubers intended for planting may in principle only be introduced into the Member States where they belong to officially accepted varieties or to advance selections;

Whereas, however, Article 14 (3) of the abovementioned Directive permits derogations from that rule, where it is established that there is no risk of spreading harmful organisms;

Whereas in the Member States there is a need to import potato material, including tubers, for work on varietal selection, or for gene conservation or official scientific research purposes;

Whereas the Commission has established that on the basis of the information available at present, there is, under such circumstances, no risk of spreading harmful organism provided that certain special technical conditions are satisfied;

Whereas by Decision 80/862/EEC⁽³⁾, as last amended by Decision 86/119/EEC⁽⁴⁾, the Commission has already granted such a derogation to the Member States for a period which expires on 31 December 1990;

Whereas there has since then been no information giving cause for the derogation to be restricted to the abovementioned period;

whereas there is, however, new information necessitating a modification of the list of harmful organisms to be tested for; whereas the minimum period for post-entry quarantine testing should be specified and account should be taken of the possibility that potato material imported from outside the continent of Europe may contain new isolates of common potato viruses;

Whereas the Member States should therefore be authorized to provide for derogations in respect of potato breeding material for a further period under amended special technical conditions;

Whereas the authorization will be extended unless new information gives cause for its revision;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Plant Health,

HAS ADOPTED THIS DECISION:

Article 1

Decision 80/862/EEC is hereby amended as follows:

1. In Article 1 (2) (d) the first and second sub-indents of the third indent are replaced by the following:

- by visual examination upon arrival and at regular intervals during the full length of at least one vegetative cycle, having regard to the type of material and its stage of development during the testing programme, for symptoms caused by any harmful organisms;
 - by testing, in accordance with appropriate methods to be submitted to the committee referred to in Article 16 of Directive 77/93/EEC:
- (i) in the case of all potato material, at least for:
- (a) Andean potato latent virus,
