COMMISSION REGULATION (EEC) No 477/91

of 28 February 1991

fixing the minimum levies on the importation of olive oil and levies on the importation of other olive oil sector products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 3577/90⁽²⁾, and in particular Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1514/76 of 24 June 1976 on imports of olive oil originating in Algeria⁽³⁾, as last amended by Regulation (EEC) No 4014/88⁽⁴⁾, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1521/76 of 24 June 1976 on imports of olive oil originating in Morocco⁽⁵⁾, as last amended by Regulation (EEC) No 4015/88⁽⁶⁾, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1508/76 of 24 June 1976 on imports of olive oil originating in Tunisia⁽⁷⁾, as last amended by Regulation (EEC) No 413/86⁽⁸⁾, and in particular Article 5 thereof,

Having regard to Council Regulation (EEC) No 1180/77 of 17 May 1977 on imports into the Community of certain agricultural products originating in Turkey⁽⁹⁾, as last amended by Regulation (EEC) No 4016/88⁽¹⁰⁾, and in particular Article 10 (2) thereof,

Having regard to Council Regulation (EEC) No 1620/77 of 18 July 1977 laying down detailed rules for the importation of olive oil from Lebanon⁽¹¹⁾;

Whereas by Regulation (EEC) No 3131/78⁽¹²⁾, as amended by the Act of Accession of Greece, the Commission decided to use the tendering procedure to fix levies on olive oil;

Whereas Article 3 of Council Regulation (EEC) No 2751/78 of 23 November 1978 laying down general rules for fixing the import levy on olive oil by tender⁽¹³⁾ specifies that the minimum levy rate shall be fixed for each of the products concerned on the basis of the situation on

the world market and the Community market and of the levy rates indicated by tenderers;

Whereas, with regard to Turkey and the Maghreb countries, the provisions of this Regulation should be without prejudice to the additional amount to be determined in accordance with the agreements between the Community and these third countries;

Whereas, in the collection of the levy, account should be taken of the provisions in the Agreements between the Community and certain third countries; whereas in particular the levy applicable for those countries must be fixed, taking as a basis for calculation the levy to be collected on imports from the other third countries;

Whereas application of the rules recalled above to the levy rates indicated by tenderers on 25 and 26 February 1991 leads to the minimum levies being fixed as indicated in Annex I to this Regulation;

Whereas the import levy on olives falling within 29 codes 0709 90 39 and 0711 20 90 and on products falling within CN codes 1522 00 31, 1522 00 39 and 2306 90 19 must be calculated from the minimum levy applicable on the olive oil contained in these products; whereas, however, the levy charged for olive oil may not be less than an amount equal to 8 % of the value of the imported product, such amount to be fixed at a standard rate; whereas application of these provisions leads to the levies being fixed as indicated in Annex II to this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The minimum levies on olive oil imports are fixed in Annex I.

Article 2

The levies applicable on imports of other olive oil sector products are fixed in Annex II.

Article 3

COMMISSION REGULATION (EEC) No 480/91

of 28 February 1991

fixing the export refunds on products processed from cereals and rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 3577/90⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽³⁾, as last amended by Regulation (EEC) No 1806/89⁽⁴⁾, and in particular the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 and Article 17 of Regulation (EEC) No 1418/76 provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75⁽⁵⁾, and Article 2 of Council Regulation (EEC) No 1431/76⁽⁶⁾ laying down general rules for granting export refunds on cereals and rice respectively and criteria for fixing the amount of such refunds, provide that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice, broken rice and cereal products on the world market on the other; whereas the same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, furthermore, to take into account the

economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Article 6 of Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁷⁾, as last amended by Regulation (EEC) No 1906/87⁽⁸⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas, on the basis of the criteria laid down in Regulation (EEC) No 2744/75, particular account should be taken of the prices and quantities of basic products used to calculate the variable component of the levy;

Whereas it follows from applying these detailed rules to the present situation on the market in products processed from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas when the refund is being calculated account should be taken of the quantities of raw materials used to determine the variable component of the levy; whereas the quantities of raw materials used for certain processed products may vary according to the end use of the product; whereas, depending on the manufacturing process used, products other than the main product are obtained, the quantity and value of which may vary with the nature and quality of the main products being manufactured; whereas cumulation of the refunds on the various products manufactured by a single process from the same basic product may make it possible, in certain cases, to export to third countries at prices which are lower than world market prices; whereas the refund on certain products should therefore be limited to an amount which, while allowing access to the world market, will ensure that the aims of the common organization of the markets are respected;

Whereas the refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of the individual product concerned, this content being a particularly good indicator of the quantity of basic product actually incorporated in the processed product;

⁽²⁾ OJ No L 353, 17. 12. 1990, p. 23.

⁽⁷⁾ OJ No L 281, 1. 11. 1975, p. 65.

⁽⁸⁾ OJ No L 182, 3. 7. 1987, p. 49.

Whereas there is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products; whereas, for certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 ⁽¹⁾, as last amended by Regulation (EEC) No 2205/90 ⁽²⁾,
- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over

a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (d) of Regulation (EEC) No 2727/75 and in Article 1 (1) (c) of Regulation (EEC) No 1418/79 and subject to Regulation (EEC) No 2744/75 are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 1 March 1991.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 481/91

of 28 February 1991

fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 3577/90⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the cereal markets;

Whereas it follows from applying these detailed rules to the present situation on the market in cereal-based compound feedingstuffs that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas Article 7 (1) of Council Regulation (EEC) No 2743/75 of 29 October 1975 on the system to be applied to cereal-based compound feedingstuffs⁽⁴⁾, as last amended by Regulation (EEC) No 944/87⁽⁵⁾, provides that, when export refunds on cereal-based compound

feedingstuffs are being fixed, only certain products used in the manufacture of compound feedingstuffs for which a refund may be fixed should be taken into account;

Whereas Commission Regulation (EEC) No 1913/69 of 29 September 1969 on the granting and the advance fixing of the export refund on cereal-based compound feedingstuffs⁽⁶⁾, as last amended by Regulation (EEC) No 1349/87⁽⁷⁾, provides that calculation of the export refund must be based on the averages of the refunds granted and the levies calculated on the most commonly used basic cereals, adjusted on the basis of the threshold price in force during the current month; whereas that calculation must also take account of the cereal products content; whereas, therefore, in the interest of simplification, compound feedingstuffs should be placed in categories and the refund for each category should be fixed on the basis of the quantity of cereal products content for the category concerned; whereas, furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to avoid disturbances on the Community market and the economic aspect of the export;

Whereas, however, in fixing the rate of refund it would seem advisable to base it at this time on the difference in the cost of raw inputs widely used in compound feedingstuffs as between the Community and world markets, allowing more accurate account to be taken of the commercial conditions under which such products are exported;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for compound feedingstuffs according to composition and destination; whereas, for purposes of varying the refund, the destination zones laid down in Annex II to Commission Regulation (EEC) No 1124/77 of 27 May 1977 redefining the destination zones for export refunds or levies and for certain export licences for cereals and rice⁽⁸⁾, as last amended by Regulation (EEC) No 3049/89⁽⁹⁾, should be used;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 ⁽¹⁾, as last amended by Regulation (EEC) No 2205/90 ⁽²⁾,
- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

COMMISSION REGULATION (EEC) No 482/91

of 28 February 1991

fixing the export refunds on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽¹⁾, as last amended by Regulation (EEC) No 1806/89⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 17 of Regulation (EEC) No 1418/76 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 1431/76 of 21 June 1976 laying down general rules for granting export refunds on rice and criteria for fixing the amount of such refunds⁽³⁾, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances of the Community market;

Whereas Commission Regulation (EEC) No 1361/76⁽⁴⁾ lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum;

Whereas Article 3 of Regulation (EEC) No 1431/76 defines the specific criteria to be taken into account when the export refund on rice and broken rice is being calculated;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas a separate refund should be fixed for packaged long grain rice to accommodate current demand for the product on certain markets;

Whereas the refund must be fixed at least once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85⁽⁵⁾, as last amended by Regulation (EEC) No 2205/90⁽⁶⁾;
- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas it follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market, that the refund should be fixed as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 of Regulation (EEC) No 1418/76 with the exception of those listed in paragraph 1 (c) of that Article, exported in the natural state, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 March 1991.

COMMISSION REGULATION (EEC) No 483/91

of 28 February 1991

fixing the corrective amount applicable to the refund on rice and broken rice

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice⁽¹⁾, as last amended by Regulation (EEC) No 1806/89⁽²⁾, and in particular the second subparagraph of Article 17 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas the first subparagraph of Article 17 (4) of Regulation (EEC) No 1418/76 provides that the export refund applicable to rice and broken rice on the day on which application for an export licence is made, adjusted for the threshold price which will be in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the licence;

Whereas Commission Regulation No 474/67/EEC⁽³⁾, as amended by Regulation (EEC) No 1397/68⁽⁴⁾, lays down detailed rules for the advance fixing of the export refund on rice and broken rice;

Whereas that Regulation provides that the refund applicable on the day on which application for an export licence is made must, when it is fixed in advance, be reduced by an amount no greater than the difference between the cif forward delivery price and the cif price, where the former exceeds the latter by more than ECU 0,30 per tonne; whereas on the other hand, the refund must be increased by an amount no greater than the difference between the cif price and the cif forward delivery price, where the former exceeds the latter by more than ECU 0,30 per tonne;

Whereas the cif price is that determined in accordance with Article 16 of Regulation (EEC) No 1418/76; whereas the cif forward delivery price is that determined in accordance

with Article 3 (2) of Council Regulation (EEC) No 1428/76⁽⁵⁾, based in respect of each month for which the export licence is valid, on the cif price calculated on the basis of offers for shipment during the month of exportation;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85⁽⁶⁾, as last amended by Regulation (EEC) No 2205/90⁽⁷⁾,

— for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas it follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 17 (4) of Regulation (EEC) No 1418/76 which is applicable to the export refunds fixed in advance in respect of rice and broken rice shall be as set out in the Annex hereto.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

COMMISSION REGULATION (EEC) No 486/91

of 28 February 1991

fixing the corrective amount applicable to the refund on cereals

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as last amended by Regulation (EEC) No 3577/90 ⁽²⁾,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds ⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, a corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice ⁽⁴⁾, as last amended by Regulation (EEC) No 1906/87 ⁽⁵⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (c) of Regulation (EEC) No 2727/75;

Whereas Commission Regulation (EEC) No 1281/75 ⁽⁶⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed, account must be taken of the exist-

ing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and possibilities and conditions for the sale of cereals and cereal products on the world market on the other; whereas the same Regulation provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of exports and the need to avoid disturbances on the Community market;

Whereas for the products listed in Article 1 (c) of Regulation (EEC) No 2727/75 account should be taken of the specific criteria laid down in Article 2 (2) of Regulation (EEC) No 1281/75;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure; whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 ⁽⁷⁾, as last amended by Regulation (EEC) No 2205/90 ⁽⁸⁾,
- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas it follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto;

COMMISSION REGULATION (EEC) No 487/91

of 28 February 1991

fixing the corrective amount applicable to the refund on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Council Regulation (EEC) No 3577/90⁽²⁾,

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (4) of Regulation (EEC) No 2727/75 provides that the export refund applicable to cereals on the day on which application for an export licence is made, adjusted for the threshold price in force during the month of exportation, must be applied on request to exports to be effected during the period of validity of the export licence; whereas, in this case, a corrective amount must be applied to the refund;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice⁽⁴⁾, as last amended by Regulation (EEC) No 1906/87⁽⁵⁾, made possible the fixing of a corrective amount for certain products listed in Article 1 (d) of Regulation (EEC) No 2727/75;

Whereas Commission Regulation (EEC) No 1281/75⁽⁶⁾ laid down detailed rules for the advance fixing of export refunds for cereals and certain products processed from cereals;

Whereas, pursuant to that Regulation, when the corrective amount is being fixed in respect of malt, account must be taken of the existing situation and the future trend with regard to the possibilities and conditions for the sale of the cereals concerned and of malt on the world market; whereas the same Regulation also provides that account must be taken of the quantity of cereals needed for

making malt, the economic aspect of exports and the need to avoid disturbances on the Community market;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the corrective amount according to destination;

Whereas the corrective amount must be fixed at the same time as the refund and according to the same procedure; whereas it may be altered in the period between fixings;

Whereas, if the system of corrective amounts is to operate normally, corrective amounts should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85⁽⁷⁾, as last amended by Regulation (EEC) No 2205/90⁽⁸⁾,
- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas it follows from applying the provisions set out above that the corrective amount must be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The corrective amount referred to in Article 16 (4) of Regulation (EEC) No 2727/75 which is applicable to export refunds fixed in advance in respect of malt shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 488/91**of 28 February 1991****fixing the export refunds on syrups and certain other sugar products exported in the natural state**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as last amended by Regulation (EEC) No 305/91⁽²⁾, and in particular Article 19 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 19 of Regulation (EEC) No 1785/81 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (d) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Article 8 of Council Regulation (EEC) No 766/68 of 18 June 1968 laying down general rules for granting export refunds on sugar⁽³⁾, as last amended by Regulation (EEC) No 1489/76⁽⁴⁾, provides that the export refund on 100 kilograms of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 is equal to the basic amount multiplied by the sucrose content, including, where appropriate, other sugars expressed as sucrose; whereas the sucrose content of the product in question is determined in accordance with Article 13 of Commission Regulation (EEC) No 394/70 of 2 March 1970 on detailed rules for granting export refunds on sugar⁽⁵⁾, as last amended by Regulation (EEC) No 1714/88⁽⁶⁾;

Whereas Article 7 of Regulation (EEC) No 766/68 provides that the basic amount of the refund on sorbose exported in the natural state must be equal to the basic amount of the refund less one-hundredth of the production refund applicable, pursuant to Council Regulation

(EEC) No 1400/78 of 20 June 1978 laying down general rules for the production refund on sugar used in the chemical industry⁽⁷⁾, to the products listed in the Annex to the last mentioned Regulation;

Whereas the basic amount of the refund on the other products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 exported in the natural state must be equal to one-hundredth of an amount which takes account, on the one hand, of the difference between the intervention price for white sugar for the Community areas without deficit for the month for which the basic amount is fixed and quotations or prices for white sugar on the world market and, on the other, of the need to establish a balance between the use of Community basic products in the manufacture of processed goods for export to third countries and the use of third country products brought in under inward processing arrangements;

Whereas the application of the basic amount may be limited to some of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81;

Whereas Article 19 of Regulation (EEC) No 1785/81 makes provision for setting refunds for export in the natural state of products referred to in Article 1 (1) (f) and (g) of that Regulation; whereas the refund must be fixed per 100 kilograms of dry matter, taking account of the export refund for products falling within CN code 1702 30 91 and for products referred to in Article 1 (1) (d) of Regulation (EEC) No 1785/81 and of the economic aspects of the intended exports; whereas the refund is to be granted only for products complying with the conditions in Article 3 of Commission Regulation (EEC) No 1469/77 of 30 June 1977 laying down rules for applying the levy and the refund in respect of isoglucose and amending Regulation (EEC) No 192/75⁽⁸⁾, as amended by Regulation (EEC) No 1714/88;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

⁽¹⁾ OJ No L 177, 1. 7. 1981, p. 4.

⁽²⁾ OJ No L 37, 9. 2. 1991, p. 1.

⁽³⁾ OJ No L 143, 25. 6. 1968, p. 6.

⁽⁴⁾ OJ No L 167, 26. 6. 1976, p. 13.

⁽⁶⁾ OJ No L 152, 18. 6. 1988, p. 23.

⁽⁷⁾ OJ No L 170, 27. 6. 1978, p. 9.

⁽⁸⁾ OJ No L 162, 1. 7. 1977, p. 9.

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last subparagraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 ⁽¹⁾, as last amended by Regulation (EEC) No 2205/90 ⁽²⁾,
- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent ;

Whereas the refunds referred to above must be fixed every month ; whereas they may be altered in the intervening period ;

Whereas application of these quotas results in fixing refunds for the products in question at the levels given in the Annex to this Regulation ;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION :

Article 1

The export refunds on the products listed in Article 1 (1) (d), (f) and (g) of Regulation (EEC) No 1785/81, exported in the natural state, shall be set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 489/91

of 28 February 1991

fixing the import levies on syrups and certain other products in the sugar sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as last amended by Regulation (EEC) No 305/91⁽²⁾, and in particular Article 16 (8) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 (1) of Regulation (EEC) No 1785/81 provides for charging a levy on imports of the products listed in Article 1 (1) of that Regulation;

Whereas the levy on the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81 must be calculated, where appropriate, at a standard rate on the basis of the sucrose content (including other sugars expressed as sucrose) of the product concerned and of the levy on white sugar; whereas, however, the levies on maple sugar and maple syrup are limited to the amount resulting from application of the rate of duty bound within GATT;

Whereas Article 7 of Commission Regulation (EEC) No 837/68 of 28 June 1968 on detailed rules for the application of levies on sugar⁽³⁾, as last amended by Regulation (EEC) No 1428/78⁽⁴⁾, provides that the basic amount of the levy for 100 kilograms of product must be fixed per percentage point of sucrose content;

Whereas the basic amount of the levy must be equal to one-hundredth of the average of the levies applicable to 100 kilograms of white sugar during the first 20 days of the month preceding the month for which the basic amount of the levy is fixed; whereas, however, the levy applicable to white sugar on the day of the fixing of the basic amount must be substituted for the average of the levies, where that levy differs by at least ECU 0,73 from that average;

Whereas the basic amount must be fixed each month; whereas it must, however, be altered during the period

between the day on which it is fixed and the first day of the month following the month for which the basic amount is applicable, if the levy on white sugar differs by at least ECU 0,73 from the average referred to above or from the levy on white sugar used to fix the basic amount; whereas, in this case, the basic amount must be equal to one-hundredth of the levy on white sugar used to calculate the alteration;

Whereas the basic amount thus fixed must be adjusted on the basis of variations in the threshold price for white sugar occurring between the month in which the basic amount is fixed and the period of application; whereas this adjustment, equal to one-hundredth of the difference between these two threshold prices, must be deducted from or added to the basic amount in the circumstances provided for in Article 7 (6) of Regulation (EEC) No 837/68;

Whereas the levy on the products referred to in Article 1 (1) (f) and (g) of Regulation (EEC) No 1785/81 comprises, under Article 16 (6) of that Regulation, a variable element and a fixed element, with the latter, per 100 kilograms of dry matter, being equal to one-tenth of the fixed element established pursuant to point B of Article 14 (1) of Council Regulation (EEC) No 2727/75⁽⁵⁾, as last amended by Regulation (EEC) No 3577/90, for the fixing of the import levy on the products falling within CN codes 1702 30 91, 1702 30 99, 1702 40 90 and 1702 90 50, and the variable element, per 100 kilograms of dry matter, being equal to 100 times the basic import levy applicable as from the first of each month in the case of the products listed in Article 1 (1) (d) of Regulation (EEC) No 1785/81; whereas the levy must be fixed each month;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last subparagraph of Article 3 (1) of Council Regulation (EEC) No 1676/85⁽⁶⁾, as last amended by Regulation (EEC) No 2205/90⁽⁷⁾,

⁽¹⁾ OJ No L 177, 1. 7. 1981, p. 4.

⁽²⁾ OJ No L 37, 9. 2. 1991, p. 1.

⁽³⁾ OJ No L 151, 30. 6. 1968, p. 42.

⁽⁶⁾ OJ No L 164, 24. 6. 1985, p. 1.

⁽⁷⁾ OJ No L 201, 31. 7. 1990, p. 9.

— for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas it follows from the application of these provisions that the import levies on the products concerned should be as indicated in the Annex to this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The import levies on the products listed in Article 1 (1) (d), (f) and (g) of Regulation (EEC) No 1785/81 shall be as indicated in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 March 1991.

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector ⁽¹⁾, as last amended by Regulation (EEC) No 305/91 ⁽²⁾, and in particular Article 16 (8) thereof,

Whereas, in accordance with Article 303 of the Act of Accession, a reduced levy is applied during the period of seven years following accession on imports into Portugal of certain quantities of raw sugar originating in certain third countries;

Whereas Commission Regulation (EEC) No 599/86 ⁽³⁾, as last amended by Regulation (EEC) No 238/91 ⁽⁴⁾, fixes the reduced levy applicable on imports into Portugal of certain quantities of raw sugar intended for Portuguese refineries;

Whereas the levy should, in the light of the application of the detailed rules and arrangements specified in Regulation (EEC) No 599/86 to the data available to the Commission, be fixed as shown in Article 1 of this Regulation;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last subparagraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 ⁽⁵⁾, as last amended by Regulation (EEC) No 2205/90 ⁽⁶⁾,

COMMISSION REGULATION (EEC) No 492/91
of 28 February 1991
fixing the export refunds on olive oil

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 3577/90⁽²⁾,

Having regard to Council Regulation (EEC) No 1650/86 of 26 May 1986 on export refunds and levies on olive oil⁽³⁾, and in particular the first sentence of Article 3 (1) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 20 of Regulation No 136/66/EEC provides that, where prices within the Community are higher than world market prices, the difference between these prices may be covered by a refund when olive oil is exported to third countries;

Whereas the detailed rules for fixing and granting export refunds on olive oil are contained in Regulation (EEC) No 1650/86 and Commission Regulation (EEC) No 616/72⁽⁴⁾, as last amended by Regulation (EEC) No 2962/77⁽⁵⁾;

Whereas the first indent of Article 2 of Regulation (EEC) No 1650/86 provides that the refund must be the same for the whole Community;

Whereas, in accordance with Article 4 of Regulation (EEC) No 1650/86, the refund for olive oil must be fixed in the light of the existing situation and outlook in relation to olive oil prices and availability on the Community market and olive oil prices on the world market;

Whereas, however, where the world market situation is such that the most favourable olive oil prices cannot be determined, account may be taken of the price of the main competing vegetable oils on the world market and the difference recorded between that price and the price of olive oil during a representative period;

Whereas the amount of the refund may not exceed the difference between the price of olive oil in the Community and that on the world market, adjusted, where appropriate, to take account of export costs for the products on the world market;

Whereas, in accordance with Article 5 of Regulation (EEC) No 1650/86, it may be decided that the refund shall be fixed by tender;

Whereas the tendering procedure should cover the amount of the refund and may be limited to certain countries of destination, quantities, qualities and presentations;

Whereas the second indent of Article 2 of Regulation (EEC) No 1650/86 provides that the refund on olive oil may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 3 (1) of Regulation (EEC) No 1650/86 provides that the refund must be fixed at least once every month; whereas it may, if necessary, be altered in the intervening period;

Whereas it follows from applying these detailed rules to the present situation on the market in olive oil and in particular to olive oil prices within the Community and on the markets of third countries that the refund should be as set out in the Annex hereto;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85⁽⁶⁾, as last amended by Regulation (EEC) No 2205/90⁽⁷⁾,
- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas the Management Committee for Oils and Fats has not delivered an opinion within the time limit set by its Chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (2) (c) of Regulation No 136/66/EEC shall be as set out in the Annex hereto.

Whereas Commission Regulation (EEC) No 3192/90 ⁽⁴⁾, issued a standing invitation to tender with a view to determining the export refunds on olive oil;

Whereas Article 6 of Regulation (EEC) No 3192/90 provides that maximum amounts are to be fixed for the export refunds in the light in particular of the current situation and foreseeable developments on the Community and world olive-oil markets and on the basis of the tenders received; whereas contracts are awarded to any tenderer who submits a tender at the level of the maximum refund or at a lower level;

COMMISSION REGULATION (EEC) No 494/91
of 28 February 1991
fixing the export refunds on oil seeds

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats⁽¹⁾, as last amended by Regulation (EEC) No 3577/90⁽²⁾,

Having regard to Council Regulation No 142/67/EEC of 21 June 1967 on export refunds on colza, rape and sunflower seeds⁽³⁾, as last amended by the Act of Accession of Greece, and in particular the second sentence of Article 2 (3) thereof,

Having regard to Council Regulation (EEC) No 1678/85 of 11 June 1985 fixing the conversion rates to be applied in agriculture⁽⁴⁾, as last amended by Regulation (EEC) No 354/91⁽⁵⁾,

Having regard to Council Regulation (EEC) No 1569/72 of 20 July 1972 laying down special measures for colza, rape and sunflower seed⁽⁶⁾, as last amended by Regulation (EEC) No 2206/90⁽⁷⁾, and in particular Article 2 (3) thereof,

Having regard to Commission Regulation (EEC) No 2041/75 of 25 July 1975 on special detailed rules for the application of the system of import and export licences and advance fixing certificates for oils and fats⁽⁸⁾, as last amended by Regulation (EEC) No 2662/87⁽⁹⁾, and in particular Article 13 thereof,

Having regard to the opinion of the Monetary Committee,

Whereas, the target price and the monthly increases in the target price for colza, rape and sunflower seed for the

1990/91 marketing year were fixed by Regulations (EEC) No 1317/90⁽¹⁰⁾ and (EEC) No 1318/90⁽¹¹⁾;

Whereas the prices fixed by the Council are to be reduced in accordance with Article 2 of Commission Regulation (EEC) No 784/90 of 29 March 1990 fixing the reducing coefficient for agricultural prices in the 1990/91 marketing year as a result of the monetary realignment of 5 January 1990 and amending the prices and amounts fixed in ecus for that marketing year⁽¹²⁾;

Whereas Article 28 of Regulation No 136/66/EEC provides that a refund may be granted on exports to third countries of oil seeds harvested within the Community; whereas the amount of this refund may not exceed the difference between prices within the Community and prices on the world market where the former are higher than the latter; whereas Article 21 of Regulation No 136/66/EEC provides that, at present, Article 28 of that Regulation applies only to colza, rape and sunflower seeds;

Whereas the refund for colza and rape seeds produced in Spain or Portugal is adjusted in accordance with Council Regulation (EEC) No 478/86⁽¹³⁾;

Whereas Article 3 of Regulation No 142/67/EEC provides that when the refund is being calculated account must be taken of prices ruling on the various Community markets which are representative from the point of view of processing and exportation; the most favourable quotations recorded on the various markets of importing third countries and costs incurred in placing the goods on the world market; whereas, when the amount of the refund is being fixed, account must also be taken of the level of market prices within the Community for the oil seeds referred to in Article 21 of Regulation No 136/66/EEC and the future trend of these prices; whereas, furthermore, account should be taken of the economic aspect of the proposed exports and the situation in the Community regarding the supply of and demand for these seeds;

Whereas the abatement of the subsidy for colza and rape seed which arises from the system of maximum guaranteed quantities for the 1990/91 marketing year has been fixed by Commission Regulation (EEC) No 2509/90⁽¹⁴⁾;

⁽¹⁾ OJ No 172, 30. 9. 1966, p. 3025/66.

⁽²⁾ OJ No L 353, 17. 12. 1990, p. 23.

⁽³⁾ OJ No 125, 26. 6. 1967, p. 2461/67.

⁽⁴⁾ OJ No L 164, 24. 6. 1985, p. 11.

⁽⁵⁾ OJ No L 44, 18. 2. 1991, p. 48.

⁽⁶⁾ OJ No L 167, 25. 7. 1972, p. 9.

⁽⁷⁾ OJ No L 201, 31. 7. 1990, p. 11.

⁽⁸⁾ OJ No L 213, 11. 8. 1975, p. 1.

⁽⁹⁾ OJ No L 252, 3. 9. 1987, p. 6.

⁽¹⁰⁾ OJ No L 132, 23. 5. 1990, p. 9.

⁽¹¹⁾ OJ No L 132, 23. 5. 1990, p. 11.

⁽¹²⁾ OJ No L 83, 30. 3. 1990, p. 102.

⁽¹³⁾ OJ No L 53, 1. 3. 1986, p. 55.

⁽¹⁴⁾ OJ No L 237, 1. 9. 1990, p. 7.

Whereas Article 1 of Commission Regulation (EEC) No 651/71 of 29 March 1971 on certain detailed rules for the application of export refunds on oil seeds⁽¹⁾, as last amended by Regulation (EEC) No 1815/84⁽²⁾, provides that the amount of the refund must be calculated on the basis of the weight of exported seeds; whereas this weight must be adjusted to take account of any differences between the percentages of moisture and impurities found to exist and those used to define the standard quality for which the target price is fixed; whereas, when this adjustment is being made, the weight of the exported seeds must be increased by the amount of the difference between the actual moisture and impurities content and that used to define the standard quality if the former is lower than the latter; whereas, if the opposite applies, the weight of the exported seeds must be reduced by the same amount;

Whereas the standard quality referred to above was defined in Article 2 of Council Regulation (EEC) No 1102/84⁽³⁾;

Whereas Article 2 of Regulation No 142/67/EEC provides that the refund may be varied according to destination where the world market situation or the specific requirements of certain markets make this necessary;

Whereas Article 4 of Regulation (EEC) No 651/71 provides for the publication of the amount of the final refund obtained from the conversion into each of the national currencies of the amount of the refund in ecus plus or minus the differential amount; whereas Article 1 of Commission Regulation (EEC) No 1813/84⁽⁴⁾, as last amended by Regulation (EEC) No 1539/90⁽⁵⁾, defined the elements which determine the differential amounts; whereas these elements are equal to the incidence on the target price reduced by 7,5 % or the refund of the coefficient derived from the percentage referred to in Article 2 (1) of Regulation (EEC) No 1569/72; whereas, according to these provisions, this percentage represents:

- (a) for those Member States whose currencies are maintained as between themselves within a spread at any given moment of 2,25 %, the difference between:
 - the conversion rate used under the common agricultural policy, and
 - the conversion rate resulting from the central rate of the correcting factor referred to in Article 6 (1) of Regulation (EEC) No 1677/85⁽⁶⁾ as last amended by Regulation (EEC) No 2205/90⁽⁷⁾.
- (b) In the case of Member States other than those referred to in (a), the difference between:
 - the agricultural conversion rate, and
 - the average rate of the ecu as published in the C Series of the *Official Journal of the European*

Communities during a period to be determined, multiplied by the factor referred to in the second indent of (a).

Whereas pursuant to Article 2 (2) of Regulation (EEC) No 1569/72 forward differential amounts are to be determined where the forward exchange rate for one or more currencies differs from the spot rate by at least a given percentage; whereas this percentage has been fixed at 0,5 by Regulation (EEC) No 1813/84;

Whereas Regulation (EEC) No 1813/84 specifies the spot and forward exchange rates and the period to be used for calculating the differential amounts; whereas in cases where, for one or more months, quotations of forward exchange rates are not available, the rates adopted for the previous months or the following months, as the case may be, must be used;

Whereas it follows from applying these provisions to the current situation of the oil seeds market and to the rates or prices of these products that, pursuant to Article 4 of Regulation (EEC) No 651/71, the amount of the refund in ecus and the amount of the final refund in each of the national currencies must, in the case of colza and rape seed, be fixed in accordance with the Annex to this Regulation; whereas it is not necessary to fix a refund for sunflower seed;

Whereas Article 13 of Regulation (EEC) No 2041/75 makes provision for the period of validity of certificates fixing refunds in advance to be reduced if the market situation warrants; whereas in the interests of sound market management a reduction should be made;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

1. In the case of colza and rape seed, the amounts of the refund referred to in Article 4 (1) of Regulation (EEC) No 651/71 shall be as set out in the Annex hereto.
2. There shall be no refund on sunflower seed.
3. Certificates fixing the export refund in advance shall be valid from their date of issue until the end of the following month.

COMMISSION REGULATION (EEC) No 496/91

of 28 February 1991

fixing the amount of aid for peas, field beans and sweet lupins

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 1431/82 of 18 May 1982 laying down special measures for peas, field beans and sweet lupins ⁽¹⁾, as last amended by Regulation (EEC) No 3577/90 ⁽²⁾, and in particular Article 3 (6) (a) thereof,

Having regard to Commission Regulation (EEC) No 3540/85 of 5 December 1985 laying down detailed rules for the application of the special measures for peas, field beans and sweet lupins ⁽³⁾, as last amended by Regulation (EEC) No 2249/90 ⁽⁴⁾, and in particular Article 26a (7) thereof,

Whereas, as provided for in Article 3 (1) of Regulation (EEC) No 1431/82, aid is granted for peas, field beans and sweet lupins harvested in the Community and used in the manufacture of feedingstuffs where the world market price of soya cake is lower than the activating price; whereas this aid is equal to a proportion of the difference between these prices; whereas this proportion of the price difference was fixed in Article 3a of Council Regulation (EEC) No 2036/82 ⁽⁵⁾, as last amended by Regulation (EEC) No 2206/90 ⁽⁶⁾;

Whereas, in accordance with Article 3 (2) of Regulation (EEC) No 1431/82, aid is granted for peas and field beans harvested in the Community where the world market price for these products is lower than the guide price; whereas this aid is equal to the difference between the two prices;

Whereas the threshold price activating the aid for peas, field beans and sweet lupins for the 1990/91 marketing year was fixed by Council Regulation (EEC) No 1189/90 ⁽⁷⁾; whereas, as provided for in Article 2a of

Regulation (EEC) No 1431/82, the activating price for the aid for peas, field beans and sweet lupins is increased monthly as from the beginning of the third month of the marketing year; whereas the amount of the monthly increases in the threshold price was fixed by Council Regulation (EEC) No 1191/90 ⁽⁸⁾;

Whereas the abatement of the subsidy which arises, where appropriate, from the system of maximum guaranteed quantities for the 1990/91 year, has been fixed by Commission Regulation (EEC) No 2510/90 ⁽⁹⁾;

Whereas the threshold price activating the aid and the minimum price fixed by the Council are to be reduced in accordance with Commission Regulation (EEC) No 1755/90 of 27 June 1990 establishing the activating threshold price for aid, the guide price and the minimum price for peas, field beans and sweet lupins fixed in ecus by the Council and reduced as a result of the monetary realignment of 5 January 1990 ⁽¹⁰⁾;

Whereas, pursuant to Article 4 of Regulation (EEC) No 1431/82, the world market price for soya cake must be determined on the basis of the most favourable purchase possibilities, excepting offers and quotations which cannot be considered representative of the real market trend; whereas account must be taken both of all offers on the world market and of the prices quoted on exchanges that are important for international trade;

Whereas, pursuant to Article 1 of Commission Regulation (EEC) No 2049/82 ⁽¹¹⁾, as last amended by Regulation (EEC) No 1238/87 ⁽¹²⁾, the price must be determined per 100 kilograms of bulk soya cake of the standard quality defined in Article 1 (2) of Council Regulation (EEC) No 1464/86 ⁽¹³⁾ delivered to Rotterdam; whereas the necessary adjustments, notably those referred to in Article 2 of Regulation (EEC) No 2049/82, must be made for offers and quotations not of the type referred to above;

Whereas, if the aid system is to operate normally, refunds should be calculated on the following basis:

⁽¹⁾ OJ No L 162, 12. 6. 1982, p. 28.

⁽²⁾ OJ No L 353, 17. 12. 1990, p. 23.

- in the case of currencies which are maintained in relation to each other at any moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the correcting factor provided for in Article 6 (1) of Council Regulation (EEC) No 1677/85⁽¹⁾, as last amended by Regulation (EEC) No 2205/90⁽²⁾,
- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas pursuant to Articles 121 (2) and 307 (2) of the Act of Accession the amount of the aid for products harvested and processed in either of these Member States should be reduced by the customs duty charged on importation of products from third countries;

Whereas the world market price for peas and field beans and the amount of aid referred to in Article 3 (2) of Regulation (EEC) No 1431/82 were fixed by Commission Regulation (EEC) No 1834/90⁽³⁾; whereas in terms of Article 2a of Regulation (EEC) No 1431/82 the guide price is increased monthly as from the beginning of the third month of the marketing year;

Whereas, pursuant to Article 26a of Regulation (EEC) No 3540/85, the gross aid expressed in ecus that results from Article 3 of Regulation (EEC) No 1431/82 shall be weighted by the differential amount referred to in Article 12a of Regulation (EEC) No 2036/82 and then converted into the final aid in the currency of the Member State in which the products are harvested using the agricultural conversion rate of that Member State,

HAS ADOPTED THIS REGULATION:

Having regard to Council Regulation (EEC) No 2169/81 of 27 July 1981 laying down the general rules for the system of aid for cotton ⁽²⁾, as last amended by Regulation (EEC) No 791/89 ⁽³⁾, and in particular Article 5 (1) thereof,

COMMISSION REGULATION (EEC) No 498/91

of 28 February 1991

fixing the rate of the aid for dried fodder

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 1117/78 of 22 May 1978 on the common organization of the market in dried fodder⁽¹⁾, as last amended by Regulation (EEC) No 2275/89⁽²⁾, and in particular Article 5 (3) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas, under Article 5 (1) of Regulation (EEC) No 1117/78, when the guide price is higher than the average world market price, aid is granted for dried fodder as described under Article 1 (b) and (c) of that Regulation and obtained from fodder plants harvested in the Community; whereas that aid takes account of a percentage of the difference between these two prices;

Whereas this percentage and the guide price were fixed by Council Regulation (EEC) No 1192/90⁽³⁾ for the marketing year 1990/1991;

Whereas the prices fixed by the Council are to be reduced in accordance with Commission Regulation (EEC) No 1758/90 of 27 June 1990 establishing the guide price fixed in ecus by the Council in the dried fodder sector and reduced as a result of the monetary realignment of 5 January 1990⁽⁴⁾;

Whereas, owing to the lack of a guide price for dried fodder, of an intervention price for barley and of the percentages referred to in Article 5 of Regulation (EEC) No 1117/78 for the 1991/92 marketing year the rate of aid in advance for this marketing year has only been able to be calculated provisionally on the basis of the Commission's price proposals to the Council; whereas this amount should, therefore, only be applied provisionally and should be confirmed or replaced once the target price for dried fodder, the intervention price for barley and the

percentages referred to in Article 5 of Regulation (EEC) No 1117/78 for the 1991/92 marketing year are known;

Whereas the average world market price is determined for a bulk pelleted product, delivered to Rotterdam, of the standard quality for which the guide price has been fixed;

Whereas, under Council Regulation (EEC) No 1417/78 of 19 June 1978 on the aid system for dried fodder⁽⁵⁾, as last amended by Regulation (EEC) No 1110/89⁽⁶⁾, the average world market price for the products described in the first and third indents of Article 1 (b) of Regulation (EEC) No 1117/78 is to be determined on the basis of the most favourable actual purchase possibilities excepting those which cannot be considered representative of the real market trend; whereas offers and quotations recorded during the first 25 days of the month in question for quantities that can be delivered during the following calendar month are to be used; whereas the average world market price thus determined is used to fix the aid rate applicable on the following month;

Whereas the necessary adjustments must be made in the case of offers and quotations not of the type referred to above; whereas these adjustments were defined in Article 3 of Commission Regulation (EEC) No 1528/78 of 30 June 1978 laying down detailed rules for the application of the system of aid for dried fodder⁽⁷⁾, as last amended by Regulation (EEC) No 1757/90⁽⁸⁾;

Whereas, in accordance with Article 3 of Regulation (EEC) No 1417/78, when no offer or quotation can be used to determine the average world market price, that price is determined on the basis of the sum of the value of competing products; whereas those products are defined in Article 3 (3) of Regulation (EEC) No 1528/78;

Whereas, pursuant to Article 11 of Regulation (EEC) No 1417/78, when forward prices differ from that applying in the month when the application is lodged, the aid rate is adjusted by a correcting amount calculated from the trend of forward prices;

Whereas, where the average world market price is determined in accordance with Article 3 of Regulation (EEC) No 1417/78, the corrective amount must be equal to the difference between the average world market price and the average forward world market price determined by applying the criteria laid down in Article 3 (3) of Regulation (EEC) No 1528/78 and valid for delivery during a month other than that in which the aid is introduced,

adjusted by the percentage fixed under Article 5 (2) of Regulation (EEC) No 1117/78 ; whereas where the average forward world market price for one or more months cannot be determined by applying the criteria laid down in Article 3 (3) of Regulation (EEC) No 1528/78, the corrective amount must be fixed for the month or months in question at a level such that the aid is equal to zero ;

Whereas, if the aid system is to operate normally, refunds should be calculated on the following basis ;

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a conversion rate based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 ⁽¹⁾, as last amended by Regulation (EEC) No 2205/90 ⁽²⁾,
- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent ;

Whereas the rate of the additional aid must be fixed once per month so as to ensure application of the aid from the first day of the month following the date of its fixing ;

Whereas, pursuant to Articles 120 (2) and 306 (2) of the Act of Accession, the additional aid applicable in these two Member States is to be adjusted by an amount equal to the amount of customs duties on imports of these

products from third countries ; whereas, in addition, in Spain the amount is to be adjusted by the difference, multiplied by the percentage referred to in Article 5 (2) of Regulation (EEC) No 1117/78, between the guide price applied in Spain and the common guide price ;

Whereas, as the result of the applications of all these provisions to the offers and quotations which the Commission has recorded, the rate of the additional aid for dried fodder must be fixed as indicated in the table annexed to this Regulation,

HAS ADOPTED THIS REGULATION :

Article 1

1. The rate of the aid referred to in Article 5 (3) of Regulation (EEC) No 1117/78 is fixed in the Annex to this Regulation.
2. However, the rate of aid fixed in advance for the 1991/92 marketing year shall be confirmed or replaced with effect from 1 March 1991 to take account of the guide price for dried fodder, the intervention price for barley and the percentages referred to in Article 5 of Regulation (EEC) No 1117/78 for the 1991/92 marketing year.

Article 2

This Regulation shall enter into force on 1 March 1991.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 500/91

of 28 February 1991

fixing the rates of the refunds applicable to certain products from the sugar sector exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EEC) No 305/91⁽²⁾, and in particular Article 19 (4) (a) and (7) thereof,

Whereas Article 19 (1) and (2) of Regulation (EEC) No 1785/81 provides that, for the products listed in Article 1 (1) (a), (c), (d), (f) and (g) of that Regulation, an export refund may be granted when these goods are exported in the form of goods listed in Annex I to that same Regulation; whereas Council Regulation (EEC) No 3035/80 of 11 November 1980 laying down general rules for granting export refunds for certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds⁽³⁾, as last amended by Regulation (EEC) No 3381/90⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex I to Regulation (EEC) No 1785/81;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 3035/80, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month; and whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products on the Community market and the prices ruling on the world market;
- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;
- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 3035/80 provides that, when the rate of the refund is being fixed, account should be taken, where appropriate, of refunds, aids or other measures having equivalent effect, applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question, to the basic products listed in Annex A to that Regulation or to assimilated products;

Whereas Council Regulation (EEC) No 1010/86 of 26 March 1986 laying down general rules for production refunds on certain products of the chemical industry⁽⁵⁾, as last amended by Regulation (EEC) 1771/90⁽⁶⁾, provides for the granting of production refunds of white sugar, raw sugar, certain sucrose syrups falling within CN codes ex 1702 60 90 and ex 1702 90 90 having a certain purity, and unprocessed isoglucose falling within CN codes 1702 30 10, 1702 40 10, 1702 60 10 and 1702 90 30, which are used in the manufacture of the chemical products listed in the Annex thereto; whereas this production refunds' scheme has been established in particular to bring the conditions under which Community processors operate progressively into line with those of processors employing sugar at world market prices; whereas, therefore, in the absence of proof that the basic product has not benefited from the production refund, the amount of the export refund must be reduced by the amount of the production refund applicable to the basic product on the day of acceptance of the export declaration; whereas this system is the only one which discards the risk of fraud;

Whereas Council Regulation (EEC) No 565/80 of 4 March 1980 on the advance payment of export refunds in respect of agricultural products⁽⁷⁾, as amended by Regulation (EEC) No 2026/83⁽⁸⁾, and Commission Regulation (EEC) No 3665/87 of 27 November 1987 laying down common detailed rules for the application of the system of export refunds on agricultural products⁽⁹⁾, as last amended by Regulation (EEC) No 1615/90⁽¹⁰⁾, lay down rules on the advance payment of export refunds that must be adhered to when these are adjusted;

⁽¹⁰⁾ OJ No L 152, 16. 6. 1990, p. 33.

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION :

Article 1

1. Without prejudice to paragraphs 2 and 3, the rates of the refunds applicable to the basic products appearing in Annex A to Regulation (EEC) No 3035/80 and listed in Article 1 (1) and (2) of Regulation (EEC) No 1785/81, exported in the form of goods listed in Annex I to Regulation (EEC) No 1785/81, are fixed as shown in the Annex hereto.

2. For the chemical products listed in the Annex to Regulation (EEC) No 1010/86, the refunds given in the Annex to this Regulation shall be applied on presentation, at the acceptance of the export declaration and the request for obtaining the export refund, of proof that the basic products used in the manufacture of the chemical products to be exported have not benefited from the production refund provided for in that Regulation, and that such refund will not be applied for.

The proof referred to in the first subparagraph is provided by the presentation by the exporter of a declaration from the processor of the basic product in question attesting that the latter product has not benefited from a production refund as provided for in Regulation (EEC) No 1010/86, and that no application for such refund will be made.

3. When the proof referred to in paragraph 2 is not provided, the export refund :

- (a) applicable on the date of export of the goods, when the rate is not fixed in advance ; or
- (b) of which the rate is fixed in advance,

will be reduced by the amount of the production refund applicable under Regulation (EEC) No 1010/86 to the basic product in question on the day of acceptance of the export declaration for the goods, or on the day specified in Article 3 (2) of Commission Regulation (EEC) No 798/80 ⁽¹⁾, if the goods have been placed under the export refund advance payment arrangements.

Article 2

This Regulation shall enter into force on 1 March 1991.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 501/91

of 28 February 1991

fixing the rates of the refunds applicable to certain milk products exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products ⁽¹⁾, as last amended by Regulation (EEC) No 3641/90 ⁽²⁾, and in particular Article 17 (4) thereof,

Whereas Article 17 (1) of Regulation (EEC) No 804/68 provides that the difference between prices in international trade for the products listed in Article 1 (a), (b), (c) and (e) of that Regulation and prices within the Community may be covered by an export refund; whereas Council Regulation (EEC) No 3035/80 of 11 November 1980 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and criteria for fixing the amount of such refunds ⁽³⁾, as last amended by Regulation (EEC) No 3381/90 ⁽⁴⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in the Annex to Regulation (EEC) No 804/68;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 3035/80, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

- (a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world markets;
- (b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;
- (c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward-processing arrangements;

Whereas Article 4 (3) of Regulation (EEC) No 3035/80 provides that, when the rate of the refund is being fixed, account should be taken, where necessary, of production refunds, aids or other measures having equivalent effect applicable in all Member States in accordance with the Regulation on the common organization of the market in the product in question to the basic products listed in Annex A to that Regulation or to assimilated products;

Whereas Article 11 (1) of Regulation (EEC) No 804/68 provides for the payment of aid for Community-produced skimmed milk processed into casein if such milk and the casein manufactured from it fulfil certain conditions set out in Article 1 of Council Regulation (EEC) No 987/68 of 15 July 1968 laying down general rules for granting aid for skimmed milk processed into casein or caseinates ⁽⁵⁾, as last amended by Regulation (EEC) No 1435/90 ⁽⁶⁾;

Whereas Commission Regulation (EEC) No 570/88 of 16 February 1988 on the sale of butter at reduced prices and the granting of aid for butter and concentrated butter for use in the manufacture of pastry products, ice-cream and other foodstuffs ⁽⁷⁾, as last amended by Regulation (EEC) No 1048/89 ⁽⁸⁾, lay down that butter at reduced prices should be made available to industries which manufacture certain goods;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EEC) No 502/91
of 28 February 1991
fixing the export refunds on milk and milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

fixing regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products ⁽¹⁾, as last amended by Regulation (EEC) No 3641/90 ⁽²⁾, and in particular Article 17 (4) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 17 of Regulation (EEC) No 804/68 provides that the difference between prices in international trade for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 876/68 of 28 June 1968 laying down general rules for granting export refunds on milk and milk products and criteria for fixing the amount of such refunds ⁽³⁾, as last amended by Regulation (EEC) No 1344/86 ⁽⁴⁾, provides that when the refunds on the products listed in Article 1 of Regulation (EEC) No 804/68, exported in the natural state, are being fixed account must be taken of:

- the existing situation and the future trend with regard to prices and availabilities of milk and milk products on the Community market and prices for milk and milk products in international trade,
- marketing costs and the most favourable transport charges from Community markets to ports or other points of export in the Community, as well as costs incurred in placing the goods on the market of the country of destination,
- the aims of the common organization of the market in milk and milk products which are to ensure equilibrium and the natural development of prices and trade on this market,
- the need to avoid disturbances on the Community market, and

— the economic aspect of the proposed exports;

Whereas Article 3(1) of Regulation (EEC) No 876/68 provides that when prices within the Community are being determined account should be taken of the ruling prices which are most favourable for exportation, and that when prices in international trade are being determined particular account should be taken of:

- (a) prices ruling on third country markets;
- (b) the most favourable prices in third countries of destination for third country imports;
- (c) producer prices recorded in exporting third countries, account being taken, where appropriate, of subsidies granted by those countries; and
- (d) free-at-Community-frontier offer prices;

Whereas Article 4 of Regulation (EEC) No 876/68 provides that the world market situation or the specific requirements of certain markets may make it necessary to vary the refund on the products listed in Article 1 of Regulation (EEC) No 804/68 according to destination;

Whereas Article 5(1) of Regulation (EEC) No 876/68 provides that the list of products on which export refunds are granted and the amount of such refunds should be fixed at least once every four weeks; whereas the amount of the refund may, however, remain at the same level for more than four weeks;

Whereas, in accordance with Article 2 of Commission Regulation (EEC) No 1098/68 of 27 July 1968 on detailed rules for the application of export refunds on milk and milk products ⁽⁵⁾, as last amended by Regulation (EEC) No 2767/90 ⁽⁶⁾, the refund granted for milk products containing added sugar is equal to the sum of the two components, one of which is intended to take account of the quantity of milk products and the other is intended to take account of the quantity of added sucrose; whereas, however, the latter component is applied only if the added sucrose was produced from sugar beet or cane harvested in the Community;

⁽¹⁾ OJ No L 148, 28. 6. 1968, p. 13.

⁽²⁾ OJ No L 362, 27. 12. 1990, p. 5.

⁽³⁾ OJ No L 155, 3. 7. 1968, p. 1.

⁽⁴⁾ OJ No L 119, 8. 5. 1986, p. 36.

⁽⁵⁾ OJ No L 184, 29. 7. 1968, p. 10.

⁽⁶⁾ OJ No L 267, 29. 9. 1990, p. 14.

Whereas, for products falling within CN codes ex 0402 99 11, ex 0402 99 19, ex 0404 90 51, ex 0404 90 53, ex 0404 90 91 and ex 0404 90 93, with a fat content by weight not exceeding 9,5 % and a non-fatty milk content in the dry matter equal to or greater than 15 % by weight, the former abovementioned component is fixed for 100 kilograms of the whole product; whereas, for the other products containing added sugar falling within codes 0402 and 0404, that component is calculated by multiplying the basic amount by the milk products content of the product concerned; whereas that basic amount is equal to the refund to be fixed for one kilogram of milk products contained in the whole product;

Whereas the second component is calculated by multiplying the sucrose content of the product by the basic amount of the refund valid on the day of exportation for the products listed in Article 1 (1) (d) of Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as last amended by Regulation (EEC) No 305/91⁽²⁾;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85⁽³⁾, as last amended by Regulation (EEC) No 2205/90⁽⁴⁾,
- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas the level of refund for cheeses is calculated for products intended for direct consumption; whereas the cheese rinds and cheese wastes are not products intended for this purpose; whereas, to avoid any confusion in interpretation, it should be specified that there will be no

refund for cheeses of a free-at-frontier value less than ECU 140 per 100 kilograms;

Whereas Commission Regulation (EEC) No 896/84⁽⁵⁾, as last amended by Regulation (EEC) No 222/88⁽⁶⁾, laid down additional provisions concerning the granting of refunds on the change from one milk year to another; whereas those provisions provide for the possibility of varying refunds according to the date of manufacture of the products;

Whereas on 12 December 1990 the International Dairy Products Council, acting within the framework of the General Agreement on Tariffs and Trade, granted a derogation from the provisions of Article 3 of the Protocol regarding milk fat in order to permit future sales of butter to the Soviet Union at prices below the minimum price;

Whereas for the calculation of the refund for processed cheese provision must be made where casein or caseinates are added for that quantity not to be taken into account;

Whereas it follows from applying the rules set out above to the present situation on the market in milk and in particular to quotations or prices for milk products within the Community and on the world market that the refund should be as set out in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

1. The export refunds referred to in Article 17 of Regulation (EEC) No 804/68 on products exported in the natural state shall be as set out in the Annex.
2. There shall be no refunds for exports to Zone E for products falling within CN codes 0401, 0402, 0403, 0404, 0405 and 2309.

Article 2

This Regulation shall enter into force on 1 March 1991.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 503/91

of 28 February 1991

fixing for the 1990/91 marketing year the average world market price and the indicative yield for linseed

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 569/76 of 15 March 1976 laying down special measures for linseed⁽¹⁾, as amended by Regulation (EEC) No 4003/87⁽²⁾, and in particular Article 2 (4) thereof,

Whereas an average world market price for linseed must be determined each year according to the criteria laid down in Council Regulation (EEC) No 1774/76 of 20 July 1976 on special measures for linseed⁽³⁾;

Whereas Article 4 of Commission Regulation (EEC) No 1799/76 of 22 July 1976 laying down detailed rules for the application of special measures in respect of linseed⁽⁴⁾, as last amended by Regulation (EEC) No 1224/90⁽⁵⁾, provides that this average price is to be the arithmetic mean of the world market prices as referred to in that Article and recorded each week over a representative period;

Whereas the most representative period for the marketing of Community linseed may be taken to be that from 3 September 1990 to 25 January 1991; whereas this is therefore the period to be taken into account;

Whereas the application of all these provisions produces the average world market price for linseed specified below;

Whereas Article 2 (2) of Regulation (EEC) No 569/76 provides that the subsidy is to be granted for a production figure obtained by applying an indicative yield to the areas sown and harvested; whereas that yield must be

determined by applying the criteria laid down in Regulation (EEC) No 569/76 and (EEC) No 1774/76;

Whereas, in accordance with Article 17 (1) of Regulation (EEC) No 1799/76, the producer Member States have supplied the Commission with the results of the sampling, carried out pursuant to Article 2a (2) of that Regulation, regarding the yields per hectare of seed harvested from each of the types of flax referred to in Articles 7a and 10a of the said Regulation in the homogeneous production areas; whereas, on the basis of those results, the indicative yield for linseed should be that specified below;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1990/91 marketing year, the average world market price for linseed shall be ECU 15,110 per 100 kilograms.

Article 2

For the 1990/91 marketing year, the indicative yields for linseed and the relevant production zones shall be as specified in the Annex.

Article 3

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation No 136/66/EEC of 22 September 1966 on the establishment of a common organization of the market in oils and fats ⁽¹⁾, as last amended by Regulation (EEC) No 3577/90 ⁽²⁾,Having regard to Council Regulation (EEC) No 591/79 of 26 March 1979 laying down general rules relating to the production refund for olive oil used in the manufacture of certain preserved foods ⁽³⁾, as last amended by Regulation (EEC) No 2903/89 ⁽⁴⁾, and in particular Articles 3 and 5 thereof,

COMMISSION REGULATION (EEC) No 506/91

of 28 February 1991

fixing the export refunds on cereals and on wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals⁽¹⁾, as last amended by Regulation (EEC) No 3577/90⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products in the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds⁽³⁾ provides that when refunds are being fixed, account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand, and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances on the Community market;

Whereas Article 3 of Regulation (EEC) No 2746/75 defines the specific criteria to be taken into account when the refund on cereals is being calculated;

Whereas these specific criteria are defined, as far as wheat and rye flour, groats and meal are concerned, in Article 4 of Regulation (EEC) No 2746/75; whereas furthermore, when the refund on these products is being calculated, account must be taken of the quantities of cereals required for their manufacture; whereas these quantities were fixed in Commission Regulation No 162/67/EEC⁽⁴⁾, as amended by Regulation (EEC) No 1607/71⁽⁵⁾;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas export possibilities exist for a quantity of 75 000 tonnes of soft wheat flour to certain destinations; whereas the procedure laid down in Article 9 (4) of Regulation (EEC) No 891/89⁽⁶⁾, as last amended by Regulation (EEC) No 3633/90⁽⁷⁾, should be used; whereas account should be taken of this when the refunds are fixed;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 % a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85⁽⁸⁾, as last amended by Regulation (EEC) No 2205/90⁽⁹⁾;
- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas it follows from applying the detailed rules set out above to the present situation on the market in cereals, and in particular to quotations or prices for these products within the Community and on the world market, that the refunds should be as set out in the Annex hereto;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (a), (b) and (c) of Regulation (EEC) No 2727/75, exported in the natural state, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 March 1991.

COMMISSION REGULATION (EEC) No 507/91

of 28 February 1991

for the 1990/91 wine year the percentages of table wine production to be delivered for compulsory distillation as provided for in Article 39 of Council Regulation (EEC) No 822/87

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 822/87 of 16 March 1987 on the common organization of the market in wine ⁽¹⁾, as last amended by Regulation (EEC) No 3577/90 ⁽²⁾, and in particular Article 39 ⁽⁹⁾, ⁽¹⁰⁾ and ⁽¹¹⁾ thereof,

Whereas Commission Regulation (EEC) No 441/88 ⁽³⁾, as last amended by Regulation (EEC) No 467/90 ⁽⁴⁾, lays down detailed rules for the application of compulsory distillation as provided for in Article 39 of Regulation (EEC) No 822/87;

Whereas Commission Regulation (EEC) No 3747/90 ⁽⁵⁾ opens for the 1990/91 wine year compulsory distillation as provided for in Article 39 of Regulation (EEC) No 822/87 and fixes the total quantity to be distilled in the Community and the quantities to be distilled in the various regions;

Whereas production in the various regions should be allocated among the various yield classes;

Whereas Article 39 ⁽⁴⁾ of Regulation (EEC) No 822/87 provides that, in the case of producers who are required to distil, the quantity to be distilled must equal a percentage to be fixed of their table wine production, such percentage being obtained from a graduated scale based on yield per hectare; whereas the percentages of the production of each such producer which must be delivered for distillation should therefore be fixed; whereas, while being based on objective criteria, those percentages must be adapted to the situation of each region and must take account of the exemptions from compulsory distillation provided for in Article 8 ⁽¹⁾ or Council Regulation (EEC) No 1442/88 of 24 May 1988 on the granting, for the 1988/89 to 1995/96 wine years, of permanent abandonment premiums in respect of winegrowing areas ⁽⁶⁾; as

amended by Regulation (EEC) No 1327/90 ⁽⁷⁾; whereas the scale used must allow a quantity of table wine corresponding to the obligation provided for in Article 1 ⁽³⁾ of Regulation (EEC) No 3747/90 to be deducted from a region's quantity; whereas that obligation applied only in the case of producers who are required to submit a production declaration and who market the products concerned; whereas the yield classes should accordingly set out only the quantities covered by the production declarations, on which the scale is based;

Whereas, in accordance with the provisions on the fixing of the scale provided for in the fourth subparagraph of Article 39 ⁽⁴⁾ of Regulation (EEC) No 822/87, reference must be made to the average yield of each production region in which the scales are drawn up;

Whereas the structure and size of vineyards in the various regions lead not only to different production costs but also to different production costs but also to different incomes for producers; whereas account must therefore be taken of that situation; whereas, moreover, increases in yield per hectare affect in different ways the quality of the wine produced in the regions which are subject to compulsory distillation; whereas, in region 3, any exceeding of the average yield in general impairs the quality of the product; whereas, in those circumstances and in order to channel wine-growing towards higher quality production, the major quantity covered by the obligation to distil should relate to production obtained with a yield exceeding the average for region 3 and production obtained with a yield lower than that average should be exempted from the obligation; whereas weather conditions in region 4 on the other hand are such that the yield per hectare does not have such a direct effect on the quality of production; whereas in that region a low yield may even result in a quantity of wine that is not suitable for direct consumption; whereas it is therefore possible in that region to make provision for a scale which is graduated but applies to the entire production; whereas yields in region 6 are on average below those of other regions; whereas the yield has relatively little impact on the product's quality in that region; whereas provision may be made in that region for a scale which would exclude only what is produced on the basis of the lowest yields, in other words yields which would tend to result in an obligation to deliver for distillation only very small quantities which would qualify for exemption under Regulation (EEC) No 441/88;

⁽⁷⁾ OJ No L 132, 23. 5. 1990, p. 23.

Whereas the scale to be established must be incremental, thus penalizing the highest yields, and ensure that, the quantitative limits laid down in Regulation (EEC) No 3747/90 for the various production regions should not be exceeded;

Whereas, in view of the derogation provided for in Article 39 (10) of Regulation (EEC) No 822/87, it must be specified that the quantity for preventive distillation is to be deducted from the quantity for compulsory distillation in Greece;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS REGULATION:

Article 1

1. Pursuant to Article 5 (1) of Regulation (EEC) No 441/88, production from the 1990/91 harvest shall be broken down into the following yield classes:

(a) Region 3:

— of more than 110, but not more than 140:	690 814 hectolitres,
— of more than 140, but not more than 200:	204 549 hectolitres,
— exceeding 200:	113 766 hectolitres;

(b) Region 4:

Production obtained with a yield, expressed in hectolitres per hectare:

2. The average yield in production region 3 shall be 71,5 hectolitres per hectare; in region 4 it shall be 75 hectolitres per hectare; in region 6 it shall be 30,01 hectolitres per hectare.

Article 2

The quantity that each producer shall be required to deliver for distillation shall be determined by multiplying the quantity referred to in Article 6 of Regulation (EEC) No 441/88 by the percentage shown in the table in the Annex which corresponds to the yield determined in accordance with Article 7 of the said Regulation. The yield shall, where appropriate, be rounded down to the nearest unit (hectolitres per hectare).

Article 3

In the case of region 5 as referred to in Article 4 (2) of Regulation (EEC) No 441/88, the quantity for preventive distillation in that region pursuant to Commission Regulation (EEC) No 2273/90⁽¹⁾ shall be deducted from the quantity referred to in Article 1 (3) of Regulation (EEC) No 3747/90.

Article 4

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

⁽¹⁾ OJ No L 204, 2. 8. 1990, p. 49.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EEC) No 510/91

of 28 February 1991

fixing the export refunds on malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as last amended by Regulation (EEC) No 3577/90 ⁽²⁾, and in particular the fourth subparagraph of Article 16 (2) thereof,

Having regard to the opinion of the Monetary Committee,

Whereas Article 16 of Regulation (EEC) No 2727/75 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund;

Whereas Article 2 of Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds ⁽³⁾ provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals on the Community market on the one hand and prices for cereals and cereal products on the world market on the other; whereas the same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on cereal markets and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market;

Whereas Council Regulation (EEC) No 2744/75 of 29 October 1975 on the import and export system for products processed from cereals and from rice ⁽⁴⁾, as last amended by Regulation (EEC) No 1906/87 ⁽⁵⁾, defines the specific criteria to be taken into account when the refund on these products is being calculated;

Whereas it follows from applying these detailed rules to the present situation on the market in products processed

from cereals and rice that the export refund should be fixed at an amount which will cover the difference between Community prices and world market prices;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 ⁽⁶⁾, as last amended by Regulation (EEC) No 2205/90 ⁽⁷⁾,
- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on malt listed in Article 1 (d) of Regulation (EEC) No 2727/75 subject to Regulation (EEC) No 2744/75 shall be as set out in the Annex hereto.

COMMISSION REGULATION (EEC) No 511/91

of 28 February 1991

fixing the import levies on white sugar and raw sugar

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as last amended by Regulation (EEC) No 305/91⁽²⁾, and in particular Article 16 (8) thereof,

Whereas the import levies on white sugar and raw sugar were fixed by Commission Regulation (EEC) No 3608/90⁽³⁾, as last amended by Regulation (EEC) No 466/91⁽⁴⁾;

Whereas it follows from applying the detailed rules contained in Commission Regulation (EEC) No 3608/90 to the information known to the Commission that the levies at present in force should be altered to the amounts set out in the Annex hereto;

Whereas, if the levy system is to operate normally, levies should be calculated on the following basis:

- in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in

the last subparagraph of Article 3 (1) of Council Regulation (EEC) No 1676/85⁽⁵⁾, as last amended by Regulation (EEC) No 2205/90⁽⁶⁾,

- for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas these exchange rates being those recorded on 27 February 1991,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EEC) No 512/91

of 28 February 1991

fixing the rates of the refunds applicable to certain cereal and rice products
exported in the form of goods not covered by Annex II to the Treaty

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals ⁽¹⁾, as last amended by Regulation (EEC) No 3577/90 ⁽²⁾, and in particular the first sentence of the fourth subparagraph of Article 16 (2) thereof,

Having regard to Council Regulation (EEC) No 1418/76 of 21 June 1976 on the common organization of the market in rice ⁽³⁾, as last amended by Regulation (EEC) No 1806/89 ⁽⁴⁾, and in particular the first sentence of the fourth subparagraph of Article 17 (2) thereof,

Whereas Article 16 (1) of Regulation (EEC) No 2727/75 and Article 17 (1) of Regulation (EEC) No 1418/76 provides that the difference between quotations of prices on the world market for the products listed in Article 1 of each of those Regulations and the prices within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 3035/80 of 11 November 1980 laying down general rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex II to the Treaty, and the criteria for fixing the amount of such refunds ⁽⁵⁾, as last amended by Regulation (EEC) No 3381/90 ⁽⁶⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex B to Regulation (EEC) No 2727/75 or in Annex B to Regulation (EEC) No 1418/76 as appropriate;

Whereas, in accordance with the first subparagraph of Article 4 (1) of Regulation (EEC) No 3035/80, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month;

Whereas, in accordance with paragraph 2 of that Article, that rate must be determined with particular reference to:

(a) the average costs incurred by processing industries in obtaining supplies of the basic products in question on the Community market and the prices ruling on the world markets;

(b) the level of the refunds on exports of processed agricultural products covered by Annex II to the Treaty which are manufactured under similar conditions;

(c) the need to ensure equality of competition for the industries which use Community products and those which use third-country products under inward processing arrangements;

Whereas in the absence of evidence that no production refund was granted pursuant to Council Regulation (EEC) No 1009/86 of 25 March 1986 establishing general rules applying to production refunds in the cereals and rice sector ⁽⁷⁾, as last amended by Regulation (EEC) No 3655/90 ⁽⁸⁾, the export refund should be reduced by the amount of the production refund applicable on the day of acceptance of the export declaration; whereas this system is the only one which avoids the risk of fraud;

Whereas Council Regulation (EEC) No 565/80 of 4 March 1980 on the advance payment of export refunds in respect of agricultural products ⁽⁹⁾, as amended by Regulation (EEC) No 2026/83 ⁽¹⁰⁾, and Commission Regulation (EEC) No 3665/87 of 27 November 1987 laying down common detailed rules for the application of the system of export refunds on agricultural products ⁽¹¹⁾, as last amended by Regulation (EEC) No 1615/90 ⁽¹²⁾, lay down rules on the advance payment of export refunds that must be adhered to when these are adjusted;

Whereas, now that a settlement has been reached between the European Economic Community and the United States of America on Community exports of pasta products to the United States and has been approved by Council Decision 87/482/EEC ⁽¹³⁾, it is necessary to differentiate the refund on goods falling within CN codes 1902 11 00 and 1902 19 according to their destination;

Whereas, in order to ensure equitable treatment between maize products exported in the form of pellets, rolled or flaked grains falling within CN code 1904 10 and other maize products, it is necessary to differentiate the refunds on those goods,

HAS ADOPTED THIS REGULATION :

Article 1

1. Without prejudice to paragraphs 2 and 3 the rates of the refunds applicable to the basic products appearing in Annex A to Regulation (EEC) No 3035/80 and listed either in Article 1 of Regulation (EEC) No 2727/75 or in Article 1 (1) of Regulation (EEC) No 1418/76, exported in the form of goods listed in Annex B to Regulation (EEC) No 2727/75 or in Annex B to Regulation (EEC) No 1418/76 respectively, are hereby fixed as shown in the Annex to this Regulation.

2. For the products listed in the Annex to Regulation (EEC) No 1009/86, the refunds given in the Annex to this Regulation shall be applied on presentation, at the acceptance of the export declaration and the request for obtaining the export refund, of proof that the basic products used in the manufacture of the products to be exported have not benefited from the production refund provided

for in that Regulation, and that such refund will not be applied for.

The proof referred to in the first subparagraph is provided by the presentation by the exporter of a declaration from the processor of the basic product in question attesting that the latter product has not benefited from a production refund as provided for in Regulation (EEC) No 1009/86, and that no application for such refund will be made.

3. When the proof referred to in paragraph 2 is not provided, the export refund :

(a) applicable on the date of acceptance of the export declaration for the goods, or on the day specified in Article 26 (2) of Regulation (EEC) No 3665/87, where the rate is not fixed in advance ;

(b) of which the rate is fixed in advance, will be reduced by the amount of the production refund applicable pursuant to Regulation (EEC) No 1009/86 to the basic product in question on the day of acceptance of the export declaration for the goods, or on the day specified in Article 26 (2) of Regulation (EEC) No 3665/87, if the goods have been placed under the export refund advance payment arrangements.

Article 2

This Regulation shall enter into force on 1 March 1991.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
