COUNCIL REGULATION (EEC) No 545/92

of 3 February 1992

concerning the arrangements applicable to the import into the Community of products originating in the Republics of Croatia and Slovenia and the Yugoslav Republics of Bosnia-Herzegovina, Macedonia and Montenegro

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas, by Council Regulation (EEC) No 3300/91 ⁽¹⁾ the Council suspended the trade concessions provided for by the Cooperation Agreement between the European Economic Community and the Socialist Federal Republic of Yugoslavia;

Whereas the Community and its Member States, meeting within the framework of European political cooperation, have decided by common accord to apply selective positive measures in favour of those Parties which contribute to progress towards peace;

Whereas, by Council Regulation (EEC) 3567/91 ⁽²⁾ the Council granted the Republics of Croatia and Slovenia and the Yugoslav Republics of Bosnia-Herzegovina and Macedonia the benefit of trade provisions which are equivalent in essence to those of the Cooperation Agreement suspended by the Community;

Whereas these measures should be maintained for 1992, amplified in respect of certain industrial products subject to tariff ceilings and extended to cover certain agricultural products;

Whereas, taking into account the declaration adopted on 10 January by the Community and its Member States in the framework of the political cooperation with regard to the Yugoslav Republic of Montenegro, these measures should be extended to that Republic,

COUNCIL REGULATION (EEC) No 546/92

of 3 February 1992

establishing ceilings and Community surveillance for imports of certain products originating in the Republics of Croatia and Slovenia and the Yugoslav Republics of Bosnia-Herzegovina, Macedonia and Montenegro (1992)

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas Council Regulation (EEC) No 545/92 of 3 February 1992 concerning the arrangements applicable to the import into the Community of products originating in the Republics of Croatia and Slovenia and the Yugoslav Republics of Bosnia-Herzegovina, Macedonia and Montenegro ⁽¹⁾ provides for exemption from customs duty and charges having an equivalent effect for almost all products falling within Chapters 25 to 97 of the combined nomenclature and originating in those Republics; whereas Article 3 of that Regulation stipulates that the products listed in Annexes I to IV hereto should be subject to annual import ceilings, the exceeding of which may result in reintroduction of the customs duties applicable to third countries; whereas, under these circumstances, the Commission must be kept regularly informed of the trend of imports of the said products and whereas it is therefore necessary for imports of those products to be subject to surveillance; whereas the said tariff ceilings should therefore be opened for 1992;

Whereas Council Regulation (EEC) No 4150/87 amending Regulation (EEC) No 449/86 and (EEC) No 2573/87 ⁽²⁾ provides that the Kingdom of Spain and the Portuguese Republic are to apply duties progressively reducing the gap between the basic duties and the preferential duties in accordance with a given timetable;

Whereas Community surveillance may be achieved by means of an administrative procedure based on charging imports of the products in question against the ceilings at Community level as and when those products are entered with the customs authorities for free circulation; whereas this administrative procedure must make provision for the possibility of reintroducing customs duties as soon as the ceilings are reached at Community level;

Whereas this administrative procedure requires close and particularly rapid cooperation between the Member States and the Commission and the latter must in particular be able to follow the progress of quantities charged against the ceilings and keep the Member States informed; whereas this cooperation has to be particularly close since the

Commission must be able to take appropriate measures to reintroduce customs duties if one of the ceilings is reached,

HAS ADOPTED THIS REGULATION:

Article 1

1. From 1 January to 31 December 1992, imports into the Community of certain products originating in the Republics of Croatia and Slovenia and the Yugoslav Republics of Bosnia-Herzegovina, Macedonia and Montenegro and listed in Annexes C I, C II, C III and C IV to Regulation (EEC) No 545/92 shall be subject to ceilings and Community surveillance.

The description of the products referred to in the first subparagraph, their combined nomenclature codes and the corresponding ceilings or sub-ceilings are set out in the said Annexes. In Annex C II, the ceilings are indicated in columns 4 (b).

Within the limits of these tariff measures, the Kingdom of Spain and the Portuguese Republic shall apply duties calculated in accordance with Regulation (EEC) No 4150/87.

2. The ceilings laid down for certain products listed in Annex C II which have been the subject of an outward processing operation in accordance with the Community rules on economic outward processing are indicated in column 4 (a).

3. Quantities shall be charged against the ceilings or sub-ceilings as and when the products are entered with customs authorities for free circulation accompanied by a movement certificate in accordance with the rules contained in Commission Regulation (EEC) No 343/92 on the definition of the concept of originating products and methods of administrative cooperation applicable to the import into the Community of products originating in the Republics of Croatia and Slovenia and the Yugoslav Republics of Bosnia-Herzegovina, Macedonia and Montenegro ⁽³⁾.

4. With regard to the ceilings established for categories 5, 6, 7, 8, 15 and 16 of column 4 (a) of Annex C II, reimported goods which have been the subject of an outward processing

⁽¹⁾ See page 1 of this Official Journal.

operation in accordance with the Community rules on economic outward processing may be charged against the respective ceilings only if the movement certificate issued by the competent authorities of the Republics in question contains a reference to the prior authorization provided for by the Community rules on economic outward processing.

Goods may be charged against a ceiling or sub-ceiling only if the movement certificate is presented before the date on which customs duties are reintroduced.

The extent to which the ceilings and sub-ceilings are used up shall be determined at Community level on the basis of the imports charged against them in the manner defined in the first, second and third subparagraphs.

Member States shall periodically inform the Commission of imports charged in accordance with the above procedure; such information shall be supplied in the manner laid down in paragraph 5.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 3 February 1992.

4. As soon as the ceilings or sub-ceilings have been reached, the Commission may adopt a regulation reintroducing, until the end of the calendar year, the customs duties actually applied in respect of third countries.

5. Member States shall send the Commission not later than the fifteenth day of each month statements of the quantities charged during the preceding month. If the Commission so requests, they shall provide such statements for a period of 10 days and forward them within five clear days of the end of each 10-day period.

Article 2

The Member States and the Commission shall cooperate closely to ensure that this Regulation is complied with.

Article 3

This Regulation shall enter into force on the day following that of its publication in the *Official Journal of the European Communities*.

It shall apply from 1 January 1992.

COUNCIL REGULATION (EEC) No 547/92

of 3 February 1992

opening and providing for the administration of Community tariff quotas for certain products originating in the Republics of Croatia and Slovenia and the Yugoslav Republics of Bosnia-Herzegovina, Macedonia and Montenegro

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas Council Regulation (EEC) No 545/92 of 3 February 1992 concerning the arrangements applicable to the import of products originating in the Republics of Croatia and Slovenia and the Yugoslav Republics of Bosnia-Herzegovina, Macedonia and Montenegro ⁽¹⁾ provides for the opening of Community tariff quotas for imports into the Community of:

- 300 tonnes of garlic falling within CN code ex 0703 20 00, for the period 1 February to 31 May,
- 1 200 tonnes of sweet peppers falling within CN code 0709 60 10,
- 1 300 tonnes of frozen peas falling with CN code 0710 21 00,
- 3 000 tonnes of sweet cherries, clear-fleshed of a diameter not exceeding 18,9 millimetres, stoned, intended for the manufacture of chocolate products falling within CN code ex 2008 60 39,
- 545 000 hectolitres of certain wine of fresh grapes falling within Chapter 22 of the combined nomenclature,
- 5 420 hectolitres of plum spirit marketed under the name of 'Sljivovica', falling within CN code ex 2208 90 33, and
- 1 500 tonnes of tobacco of the 'Prilep' type, falling within CN code ex 2401 10 60 or ex 2401 20 60, as defined in an agreement in the form of an exchange of letters of 11 July 1980,

originating in the republics to which this Regulation refers;

Whereas, within the limits of these tariff quotas, customs duties will be brought down to the level stipulated in Article 4 of Regulation (EEC) No 545/92;

Whereas, within the limits of these tariff quotas, the Kingdom of Spain and the Portuguese Republic shall apply

⁽¹⁾ See page 1 of this Official Journal.

duties calculated in accordance with the relevant provisions of Council Regulation (EEC) No 4150/87 of 21 December 1987 amending Regulations (EEC) No 449/86 and (EEC) No 2573/87 ⁽²⁾;

Whereas plum spirit and tobacco of the 'Prilep' type must be accompanied by a certificate of authenticity;

Whereas importation into the Community of the wines in question is subject to compliance with the free-at-frontier reference price; whereas the said wines qualify for these tariff quotas only if Article 54 of Council Regulation (EEC) No 822/87 of 16 March 1987 on the common organization of the market in wine ⁽³⁾, as last amended by Regulation (EEC) No 388/90 ⁽⁴⁾, is adhered to;

Whereas all Community importers should be ensured equal and continuous access to the said quotas and the duty rates laid down for the quotas should be applied consistently to all imports of the products in question into all Member States until the quotas are exhausted; whereas the necessary measures should be taken to provide for effective Community management of the quotas, so that the Member States may draw against the quotas such quantities as they may need, corresponding to actual imports; whereas this method of administration requires close cooperation between the Member States and the Commission;

Whereas, since the Kingdom of Belgium, the Kingdom of the Netherlands and the Grand Duchy of Luxembourg are united within, and jointly represented by, the Benelux Economic Union, any operation concerning the administration of these quotas may be carried out by any one of its members,

HAS ADOPTED THIS REGULATION:

COUNCIL REGULATION (EEC) No 548/92

of 3 February 1992

complementing Regulation (EEC) No 3587/91 extending into 1992 the application of Regulation (EEC) No 3833/90 applying generalized tariff preferences for 1991 in respect of certain agricultural products originating in developing countries with the view of re-establishing the benefit of these preferences in respect of the Republics of Croatia and Slovenia and the Yugoslavia Republics of Bosnia-Herzegovina, Macedonia and Montenegro

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

HAS ADOPTED THIS REGULATION:

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas the Council, by Regulation (EEC) No 3302/91 ⁽¹⁾, has withdrawn Yugoslavia from the list of beneficiaries of generalized preferences;

Whereas the Community and its Member States, within the framework of political cooperation, have with one accord decided to apply selective positive measures in favour of parties which contribute to progress towards peace;

Whereas it is therefore appropriate to re-establish in respect to those parties the benefit of generalized preferences applying to agricultural products as these are not covered by the autonomous regime which has replaced the provisions of the Cooperation Agreement,

Article 1

Article 2 to Regulation (EEC) No 3587/91 ⁽²⁾ is complemented by the following text:

‘Annex III to Regulation (EEC) No 3833/90 is complemented by a new part entitled as follows:

COUNCIL

DECISION OF THE REPRESENTATIVES OF THE GOVERNMENTS OF THE
MEMBER STATES, MEETING WITHIN THE COUNCIL

of 3 February 1992

concerning the arrangements applicable to the import into the Community of products covered
by the ECSC Treaty and originating in the Republics of Croatia and Slovenia and the Yugoslav
Republics of Bosnia-Herzegovina, Macedonia and Montenegro

(92/150/ECSC)

THE REPRESENTATIVES OF THE GOVERNMENTS OF THE
MEMBER STATES, MEETING WITHIN THE COUNCIL,

In agreement with the Commission,

Having regard to the Treaty establishing the European Coal
and Steel Community,

Whereas, by Decision 91/588/ECSC⁽¹⁾ of the
Representatives of the Member States meeting within the
Council, the Community suspended the trade concessions
provided for by the Agreement between the Member States
of the ECSC and the Socialist Federal Republic of
Yugoslavia;

Whereas the Community and its Member States, meeting
within the framework of European political cooperation,
have decided by common accord to apply selective positive
measures in favour of those parties which contribute to
progress towards peace;

Whereas, by Council Regulation (EEC) No 3567/91⁽²⁾ the
Council granted the Republics of Croatia and Slovenia and
the Yugoslav Republics of Bosnia-Herzegovina and
Macedonia the benefit of trade provisions which are
equivalent in essence to those of the Cooperation Agreement
suspended by the Community in respect of Community
products;

Whereas selective positive measures in favour of the
Republics of Croatia and Slovenia and the Yugoslav

Republics of Bosnia-Herzegovina and Macedonia should
also apply in respect of ECSC products;

Whereas, taking into account the Declaration adopted on
10 January by the Community and its Member States in the
framework of the political cooperation with regard to the
Yugoslav Republic of Montenegro, these measures should be
extended to that Republic,

HAVE DECIDED AS FOLLOWS:

Article 1

1. Subject to the special provisions laid down in
paragraphs 2 and 4, products originating in the Republics of
Croatia and Slovenia and the Yugoslav Republics of
Bosnia-Herzegovina, Macedonia and Montenegro shall be
admitted for import into the Community without
quantitative restrictions or measures having equivalent effect
and exempt from customs duties and charges having
equivalent effect.

2. The import of goods referred to in the Annex shall be
subject to a system of annual ceilings above which the
customs duties actually applied in respect of third countries
may be reintroduced in accordance with the provisions of
paragraph 3. The ceilings established for 1992 are indicated
for each of them. Such ceilings shall apply as a whole to all the
Republics to which this Regulation refers.

3. As soon as a ceiling set for the import of a product has
been reached, the customs duties actually applicable to third
countries may again be levied on imports of the product in
question until the end of the calendar year.

⁽²⁾ OJ No L 342, 12. 12. 1991, p. 1.

4. The Kingdom of Spain and the Portuguese Republic shall apply, *mutatis mutandis*, customs duties calculated in accordance with Decision 87/603/ECSC of the Representatives of the Governments of the Member States, meeting within the Council, and of the Commission of 21 December 1987 ⁽¹⁾.

Article 2

The provisions determining the rules of origin in the context of the import arrangements applicable to products covered by the EEC Treaty and originating in the Republics of Croatia and Slovenia and the Yugoslav Republics of Bosnia-Herzegovina, Macedonia and Montenegro laid down in Regulation (EEC) No 343/92 ⁽²⁾ shall apply to this Decision.

Article 3

Where the offers made by economic operators in the Republics concerned are likely to cause prejudice to the operation of the common market and where this prejudice may be ascribed to a difference as regards prices in the

conditions of competition, the Community may adopt such safeguard measures as it considers necessary to avoid or put an end to prejudice to the operation of the common market; in particular it may withdraw the tariff concessions.

Article 4

This Decision shall enter into force on the day following its publication in the *Official Journal of the European Communities*.

It shall be applicable from 1 January 1992 to 31 December 1992.

MEMBER STATES, MEETING WITHIN THE COUNCIL

of 3 February 1992

establishing ceilings and Community surveillance for imports of certain products falling within
the ECSC Treaty and originating in the Republics of Croatia and Slovenia and the Yugoslav
Republics of Bosnia-Herzegovina Macedonia and Montenegro (1992)

(92/151/ECSC)

THE REPRESENTATIVES OF THE GOVERNMENTS OF THE
MEMBER STATES OF THE EUROPEAN COAL AND STEEL
COMMUNITY, MEETING WITHIN THE COUNCIL,

In agreement with the Commission,

HAVE DECIDED AS FOLLOWS:

Article 1

1. From 1 January to 31 December 1992 imports into the Community of certain products originating in the Republics of Croatia and Slovenia and the Yugoslav Republics of Bosnia-Herzegovina, Macedonia and Montenegro and referred to in Article 1 of Decision 92/150/ECSC of 3 February 1991 of the Representatives of the Governments of the Member States meeting within the Council concerning the arrangements applicable to the import into the Community of products covered by the ECSC Treaty ⁽¹⁾ shall be admitted into the Community free of quantitative restrictions and measures having equivalent effect and free of customs duty and charges having equivalent effect.

2. Imports of the products listed in the Annex to Decision 92/150/ECSC shall, however, be subject to annual ceilings and Community surveillance.

The description of the goods referred to in the preceding subparagraph, their CN codes and the levels of the ceilings are given in the Annex thereto.

3. Within the limits of these tariff ceilings, the Kingdom of Spain and the Portuguese Republic shall apply customs duties calculated in accordance with Decision 87/603/ECSC of the Representatives of the Governments of the Member States, meeting within the Council and the Commission of 21 December 1987 amending Decisions 86/69/ECSC and 87/456/ECSC ⁽²⁾.

4. Amounts shall be set off against the ceilings as and when the goods are entered with customs authorities for free circulation and accompanied by a movement certificate conforming to the rules contained in Commission Regulation (EEC) No 343/92 on the definition of the concept of originating products and methods of administrative cooperation applicable to imports into the Community of products originating in the Republics of Croatia and Slovenia and the Yugoslav Republics of Bosnia-Herzegovina, Macedonia and Montenegro ⁽³⁾.

Goods shall be set off against the ceilings only if the movement certificate has been submitted before the date on which the levying of customs duties is reintroduced.

The reaching of a ceiling shall be determined at Community level on the basis of imports set off against it in the manner defined in the preceding subparagraphs.

The Member States shall periodically inform the Commission of imports effected in accordance with the rules laid down in this paragraph; such information shall be supplied in the manner laid down in paragraph 6.

5. As soon as the ceilings are reached at Community level, Member States may at any time, at the request of any one of them or of the Commission, and in respect of the whole of the Community, reintroduce the levying of the customs duties applicable to third countries.

Within the framework of the foregoing provisions, the Commission shall coordinate the procedures for reintroducing the customs duties applicable to third countries, in particular by notifying the date common to the whole of the Community and directly applicable in each Member State. The notification shall be published in the *Official Journal of the European Communities*.

6. Member States shall forward to the Commission, not later than the 15th day of each month, statements of the
