THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Whereas, in the collection of the levy, account should be taken of the provisions in the Agreements between the Community and certain third countries; whereas in particular the levy applicable for those countries must be fixed, taking as a basis for calculation the levy to be collected on imports from the other third countries;

COMMISSION REGULATION (EC) No 63/94

of 13 January 1994

fixing the export refunds on milk and milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 804/68 of 27 June 1968 on the common organization of the market in milk and milk products⁽¹⁾, as last amended by Regulation (EEC) No 2071/92⁽²⁾, and in particular Article 17 (4) thereof,

Whereas Article 17 of Regulation (EEC) No 804/68 provides that the difference between prices in international trade for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 876/68 of 28 June 1968 laying down general rules for granting export refunds on milk and milk products and criteria for fixing the amount of such refunds⁽³⁾, as last amended by Regulation (EEC) No 1344/86⁽⁴⁾, provides that when the refunds on the products listed in Article 1 of Regulation (EEC) No 804/68, exported in the natural state, are being fixed account must be taken of:

- the existing situation and the future trend with regard to prices and availabilities of milk and milk products on the Community market and prices for milk and milk products in international trade,
- marketing costs and the most favourable transport charges from Community markets to ports or other points of export in the Community, as well as costs incurred in placing the goods on the market of the country of destination,
- the aims of the common organization of the market in milk and milk products which are to ensure equilibrium and the natural development of prices and trade on this market,
- the need to avoid disturbances on the Community market, and
- the economic aspect of the proposed exports;

Whereas Article 3(1) of Regulation (EEC) No 876/68 provides that when prices within the Community are being determined account should be taken of the ruling

prices which are most favourable for exportation, and that when prices in international trade are being determined particular account should be taken of:

- (a) prices ruling on third country markets;
- (b) the most favourable prices in third countries of destination for third country imports;
- (c) producer prices recorded in exporting third countries, account being taken, where appropriate, of subsidies granted by those countries; and
- (d) free-at-Community-frontier offer prices;

Whereas Article 4 of Regulation (EEC) No 876/68 provides that the world market situation or the specific requirements of certain markets may make it necessary to vary the refund on the products listed in Article 1 of Regulation (EEC) No 804/68 according to destination;

Whereas Article 5(1) of Regulation (EEC) No 876/68 provides that the list of products on which export refunds are granted and the amount of such refunds should be fixed at least once every four weeks; whereas the amount of the refund may, however, remain at the same level for more than four weeks;

Whereas, in accordance with Article 2 of Commission Regulation (EEC) No 1098/68 of 27 July 1968 on detailed rules for the application of export refunds on milk and milk products⁽⁵⁾, as last amended by Regulation (EEC) No 2767/90⁽⁶⁾, the refund granted for milk products containing added sugar is equal to the sum of the two components, one of which is intended to take account of the quantity of milk products and the other is intended to take account of the quantity of added sucrose; whereas, however, the latter component is applied only if the added sucrose was produced from sugar beet or cane harvested in the Community; whereas, for products falling within CN codes ex 0402 99 11, ex 0402 99 19, ex 0404 90 51, ex 0404 90 53, ex 0404 90 91 and ex 0404 90 93, with a fat content by weight not exceeding 9,5 % and a non-fatty milk content in the dry matter equal to or greater than 15 % by weight, the former abovementioned component is fixed for 100 kilograms of the whole product; whereas, for the other products containing added sugar falling within CN codes 0402 and 0404, that component is calculated by multiplying the basic amount by the milk products content of the product concerned; whereas that basic amount is equal to the refund to be fixed for one kilogram of milk products contained in the whole product;

⁽¹⁾ OJ No L 148, 28. 6. 1968, p. 13.

⁽²⁾ OJ No L 215, 30. 7. 1992, p. 64.

⁽³⁾ OJ No L 155, 3. 7. 1968, p. 1.

⁽⁴⁾ OJ No L 119, 8. 5. 1986, p. 36.

⁽⁵⁾ OJ No L 184, 29. 7. 1968, p. 10.

⁽⁶⁾ OJ No L 267, 29. 9. 1990, p. 14.

Whereas the second component is calculated by multiplying the sucrose content of the product by the basic amount of the refund valid on the day of exportation for the products listed in Article 1 (1) (d) of Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as last amended by Regulation (EEC) No 1548/93⁽²⁾;

Whereas the representative market rates defined in Article 1 of Council Regulation (EEC) No 3813/92⁽³⁾, as amended by Regulation (EC) No 3528/93⁽⁴⁾, are used to convert amounts expressed in third country currencies and are used as the basis for determining the agricultural conversion rates of the Member States' currencies; whereas detailed rules on the application and determination of these conversions were set by Commission Regulation (EEC) No 1068/93⁽⁵⁾;

Whereas the level of refund for cheeses is calculated for products intended for direct consumption; whereas the cheese rinds and cheese wastes are not products intended for this purpose; whereas, to avoid any confusion in interpretation, it should be specified that there will be no refund for cheeses of a free-at-frontier value less than ECU 150 per 100 kilograms;

Whereas Commission Regulation (EEC) No 896/84⁽⁶⁾, as last amended by Regulation (EEC) No 222/88⁽⁷⁾, laid down additional provisions concerning the granting of refunds on the change from one milk year to another; whereas those provisions provide for the possibility of varying refunds according to the date of manufacture of the products;

Whereas for the calculation of the refund for processed cheese provision must be made where casein or caseinates are added for that quantity not to be taken into account;

Whereas it follows from applying the rules set out above to the present situation on the market in milk and in

particular to quotations or prices for milk products within the Community and on the world market that the refund should be as set out in the Annex to this Regulation;

Whereas Council Regulation (EEC) No 990/93⁽⁸⁾ prohibits trade between the European Community and the Federal Republic of Yugoslavia (Serbia and Montenegro); whereas this prohibition does not apply in certain situations as comprehensively listed in Articles 2, 4, 5 and 7 thereof; whereas account should be taken of this fact when fixing the refunds;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

1. The export refunds referred to in Article 17 of Regulation (EEC) No 804/68 on products exported in the natural state shall be as set out in the Annex.
2. There shall be no refunds for exports to Zone E for products falling within CN codes 0401, 0402, 0403, 0404, 0405 and 2309.

Article 2

This Regulation shall enter into force on 14 January 1994.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EC) No 64/94

of 13 January 1994

fixing the export refunds on cereals and on wheat or rye flour, groats and meal

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992 on the common organization of the market in cereals⁽¹⁾, as amended by Regulation (EEC) No 2193/93⁽²⁾, and in particular the third subparagraph of Article 13 (2) thereof,

Whereas Article 13 of Regulation (EEC) No 1766/92 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products in the Community may be covered by an export refund;

Whereas the refunds must be fixed taking into account the factors referred to in Article 2 of Commission Regulation (EEC) No 1533/93⁽³⁾, laying down detailed rules on the granting of export refunds on cereals and the measures to be taken in the event of disturbance on the market for cereals;

Whereas, as far as wheat and rye flour, groats and meal are concerned, when the refund on these products is being calculated, account must be taken of the quantities of cereals required for their manufacture; whereas these quantities were fixed in Regulation (EEC) No 1533/93;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination;

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas the representative market rates defined in Article 1 of Council Regulation (EEC) No 3813/92⁽⁴⁾, as

amended by Regulation (EC) No 3528/93⁽⁵⁾, are used to convert amounts expressed in third country currencies and are used as the basis for determining the agricultural conversion rates of the Member States' currencies; whereas detailed rules on the application and determination of these conversions were set by Commission Regulation (EEC) No 1068/93⁽⁶⁾;

Whereas it follows from applying the detailed rules set out above to the present situation on the market in cereals, and in particular to quotations or prices for these products within the Community and on the world market, that the refunds should be as set out in the Annex hereto;

Whereas Council Regulation (EEC) No 990/93⁽⁷⁾ prohibits trade between the European Community and the Federal Republic of Yugoslavia (Serbia and Montenegro); whereas this prohibition does not apply in certain situations as comprehensively listed in Articles 2, 4, 5 and 7 thereof; whereas account should be taken of this fact when fixing the refunds;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (a), (b) and (c) of Regulation (EEC) No 1766/92, excluding malt, exported in the natural state, shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 14 January 1994.

COUNCIL

COUNCIL DECISION

of 20 December 1993

relating to the objectives and detailed rules for restructuring the Community fisheries sector over the period 1 January 1994 to 31 December 1996 with a view to achieving a lasting balance between the resources and their exploitation

(94/15/EC)

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 43 thereof,

Having regard to the proposal from the Commission ⁽¹⁾,

Having regard to the opinion of the European Parliament ⁽²⁾,

Whereas Council Regulation (EEC) No 3760/92 of 20 December 1992 establishing a Community system for fisheries and aquaculture ⁽³⁾, and in particular Article 11 thereof, lays down provisions aiming to ensure that the Community fisheries sector is restructured so as to take account of the available and accessible resources, taking into account the characteristics of each fishery as well as the possible economic and social consequences; whereas it is therefore appropriate that the aims and procedures to restructure the Community fleet are established by fishery or group of fisheries;

Whereas, on the basis of a disquieting official report on the state of the resources accessible to Community vessels, the Council agreed that it was necessary to ensure a limitation of the fishing effort of the various segments of the Community fleets by a concerted programme of action, fairly balanced between the various Member States but also differentiated according to the fisheries;

Whereas on the basis of this official report the Council defined objectives for the multiannual guidance programmes for the fishing fleet over the period 1993 to 1996, which served as a basis for the development of these programmes and which consequently reflect the objectives and procedures to restructure the fishing fleet over the period 1993 to 1996;

Whereas the provisions adopted pursuant to the Commission Decisions of 21 December 1992 ⁽⁴⁾ concerning the multiannual guidance programmes for the fishing fleets do not prejudice any provisions which may be implemented under technical measures aiming to reduce the fishing mortality due to fleets using static gears,

HAS ADOPTED THIS DECISION:

Article 1

1. By 31 December 1996 at the latest, and taking into account the objectives fixed in the transitional guidance programmes for 31 December 1991 ⁽⁵⁾, the fishing effort of the fleet of each Community Member State must have decreased by:

- 20 % for trawlers bottom trawling for demersal stocks,
- 15 % for dredgers and beam trawlers targeting benthic stocks,
- 0 % i.e. no increase for the other segments of fleet.

⁽¹⁾ OJ No C 326, 3. 12. 1993, p. 7.

⁽²⁾ Opinion delivered on 17 December 1993 (not yet published in the Official Journal).

⁽³⁾ OJ No L 389, 31. 12. 1992, p. 1.

⁽⁴⁾ OJ No L 401, 31. 12. 1992.

⁽⁵⁾ OJ No L 193, 13. 7. 1992.

2. At least 55 % of the required effort reductions must be purely by capacity reductions.

Article 2

The implementation of the objectives and procedures referred to in Article 1 shall be ensured by the Commission under the multiannual guideline plans for the Member States fishing fleets as approved by the Commission Decisions of 21 December 1992 and possibly amended within the framework of the same procedure.

Article 3

By 31 December 1996 at the latest, the Council shall fix the objectives and procedures provided for, on an annual

or multiannual basis, in Article 11 of Regulation (EEC) No 3760/92.

Article 4

The Commission shall submit an annual report to the Council on the progress of the multiannual guidance programmes for the fishing fleet.

Article 5

This Decision is addressed to the Member States.

Done at Brussels, 20 December 1993.

The President

A. BOURGEOIS
