CHAPTER 30 — SURPLUS AVAILABLE FROM THE PRECEDING FINANCIAL YEAR

Article Item	Remarks
3 0 0	Financial Regulation of 21 December 1977 applicable to the general budget of the European Communities (OJ No L 356, 31. 12. 1977, p. 1), as last amended by Regulation (ECSC, EC, Euratom) No 1923/94 (OJ No L 198, 30. 7. 1994, p. 4). Council Regulation (EEC, Euratom) No 1552/89 of 29 May 1989 implementing Decision 88/376/EEC, Euratom on the system of the Communities' own resources (OJ No L 155, 7. 6. 1989, p. 1), as amended by Regulation (Euratom, EC) No 3464/93 (OJ No L 317, 18. 12. 1993, p. 1). Article 32 of the Financial Regulation states that the balance from each financial year, whether surplus or deficit, is entered as revenue expenditure in the budget of the subsequent financial year. The relevant estimates of such revenue or expenditure are entered in the budget during the budget procedure and, where appropriate, in a letter of amendment submitted pursuant to Article 14 of the Financial Regulation. They are drawn up in accordance with the principles set out in Article 15 of Regulation (EEC, Euratom) No 1552/89. After the closure of the accounts for each financial year, any discrepancy with the estimates is entered in the budget for the following financial year through a supplementary and/or amending budget. A deficit is entered in Chapter B0-3 0 of the statement of expenditure of Section III 'Commission'. The surplus resulting from the 1993 financial year is ECU 971 143 202.
3 0 2	<i>New article</i> A balance of ECU 1 500 000 000 is forecast for the financial year 1994. This amount is only an estimate. The final amount of the balance for the financial year 1994, resulting from the implementation of the Commission budget, can only be determined in a supplementary and amending budget submitted during the financial year 1995.

B7-5 0 7 0	This appropriation is intended to cover a programme of positive measures regarding South Africa, as originally proposed by the European Parliament and agreed at the ministerial meeting on political cooperation of 10 September 1985 and confirmed on various occasions by the European Council. These measures involve covering the costs of : — assistance and development programmes via non-violent organizations, notably the churches, the Kagiso Trust and the trade unions, — programmes to assist training and education for the non-white community, including teacher training and study awards, — humanitarian support programmes for the victims of apartheid, — programmes to create jobs for the black population, — investment for the socio-economic development of the sub-urban and poorer areas of the country and to improve the prospects of closer regional economic relations, — assistance on their return, including resettlement and reintegration, of persons coming back from exile to South Africa, — intensification of contacts with the non-white community in the political, trade union, business, cultural, scientific and sporting sectors, etc., with a view to reconciliation. ECU 10 000 000 is intended to support the electoral process in South Africa by supplying the technical assistance which may be requested by the independent electoral committee for the election campaign; it should also help to fund the supply of equipment to recognized, non-violent political parties taking part at national level in the elections.
