THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to the Act of Accession of Austria, Finland and Sweden,

Having regard to Commission Regulation (EC) No 1924/95 of 3 August 1995 laying down transitional measures for the application of the tariff quota arrangements for imports of bananas as a result of the accession of Austria, Finland and Sweden⁽¹⁾, and in particular Article 3 (3) thereof,

Whereas Commission Regulation (EEC) No 1442/93⁽²⁾, as last amended by Regulation (EC) No 1164/95⁽³⁾, lays down detailed rules for the application of the arrangements for importing bananas into the Community introduced by Council Regulation (EEC) No 404/93 of 13 February 1993 on the common organization of the market in bananas⁽⁴⁾, as last amended by Regulation (EC) No 3290/94⁽⁵⁾;

1924/95 should be applied to ensure compliance with the additional tariff quota available for Austria, Finland and Sweden for the fourth quarter of 1995, and a single reduction coefficient should be fixed to be applied to the reference quantity of the abovementioned operators to determine the quantity to be allocated to each of these operators for this period;

Whereas, in order to meet the deadlines, this measure should enter into force on the day of its publication,

HAS ADOPTED THIS REGULATION:

Article 1

COMMISSION REGULATION (EC) No 2009/95

of 18 August 1995

laying down detailed rules for the free supply of agricultural products held in intervention stocks to Georgia, Armenia, Azerbaijan, Kyrgyzstan and Tajikistan pursuant to Council Regulation (EC) No 1975/95

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1975/95 of 4 August 1995 on actions for the free supply of agricultural products to the people of Georgia, Armenia, Azerbaijan, Kyrgyzstan and Tajikistan⁽¹⁾, and in particular Article 4 thereof,

Having regard to Council Regulation (EEC) No 3813/92 of 28 December 1992 on the unit of account and the conversion rates to be applied for the purposes of the common agricultural policy⁽²⁾, as last amended by Regulation (EC) No 150/95⁽³⁾ and in particular Article 6 (2) thereof,

Whereas Regulation (EC) No 1975/95 provides for measures relating to the free supply of agricultural products to Armenia, Azerbaijan, Georgia, Kyrgyzstan and Tajikistan; whereas, with a view to implementing those measures, the conditions applicable, and in particular the common detailed rules of participation in tenders for the execution of the supplies and the obligations to be met by successful tenderers should be laid down;

Whereas free supplies are foreseen in the form of agricultural products from intervention stocks without further processing and of products not available from intervention stocks but belonging to the same group of products; whereas, therefore, specific detailed rules should be laid down for supplies of processed products; whereas provisions should be made in particular for such supplies to be paid for in raw materials from intervention stocks;

Whereas, in the light of experience and the manifest difficulties previously encountered with the execution of operations of the same type, it is appropriate to provide that the award of the supply should not be determined systematically and uniquely on the basis of the lowest monetary offer, but may also take into consideration other fundamental elements proposed for the execution of the supply, presenting guarantees in particular for the proper conservation and hygienic condition of the products and for the conditions of their transport to the destination laid down; whereas, for this purpose the offers must include

all information necessary to evaluate the execution of the supply on the proposed terms;

Whereas provisions must also be made for a system of controls and securities to ensure that the supply operation is properly conducted; whereas, in order to take account of particular difficulties, it is appropriate to provide for the possibility to allow a certain tolerance in the case of losses;

Whereas, products held by intervention agencies and intended for export are subject to the provisions of Commission Regulation (EEC) No 3002/92⁽⁴⁾, as last amended by Regulation (EEC) No 1938/93⁽⁵⁾; whereas, furthermore, proof that the products concerned have been taken over by the authorities of Georgia, Armenia, Azerbaijan, Kyrgyzstan and Tajikistan is to be provided by way of a special certificate;

Whereas, in the case of tendering procedures which relate to the determination of the costs of packaging and/or transport of products made available from public intervention stocks, it is appropriate to use the closing date for the submission of tenders as the operative event for the agricultural conversion rate;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Joint Management Committees,

HAS ADOPTED THIS REGULATION:

Article 1

This Regulation shall apply to the free supply of agricultural products from intervention stocks or of foodstuffs belonging to the same group of products to Georgia, Armenia, Azerbaijan, Kyrgyzstan and Tajikistan pursuant to Regulation (EC) No 1975/95, without prejudice to any additional provisions adopted for particular supplies.

COMMISSION REGULATION (EC) No 2012/95
of 18 August 1995
fixing the aid for cotton for the 1995/96 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to the Act of Accession of Greece, and in particular paragraphs 3 and 10 of Protocol 4 on cotton annexed thereto, as last amended by Council Regulation (EC) No 1553/95⁽¹⁾,

Having regard to Council Regulation (EC) No 1554/95 of 29 June 1995 laying down the general rules for the system of aid for cotton and repealing Regulation (EEC) No 2169/81⁽²⁾, and in particular Article 5 (1) thereof,

Whereas pursuant to Article 5 of Regulation (EC) No 1554/95, aid must be granted for unginned cotton harvested in the Community when the world market price for unginned cotton is below the guide price;

Whereas the aid is equal to the difference between these two prices;

Whereas the guide price of unginned cotton for the 1995/96 marketing year is laid down in paragraph 8 of the abovementioned Protocol 4;

Whereas the third sentence of Article 7 (1) of Commission Regulation (EEC) No 1201/89 of 3 May 1989 laying down rules implementing the system of aid for cotton⁽³⁾, as last amended by Regulation (EEC) No 2046/93⁽⁴⁾, provides that an application for aid may be lodged from 1 June 1995 for the 1995/96 marketing year; whereas the aid for that marketing year should therefore be fixed;

Whereas, pursuant to Article 2 (3) and (4) of Council Regulation (EEC) No 1964/87 of 2 July 1987 adjusted the system of aid for cotton introduced by Protocol 4 and annexed to the Act of Accession of Greece⁽⁵⁾, as last amended by Regulation (EC) No 1553/95, the aid for cotton for the 1995/96 marketing year is adjusted by the reduction fixed to take account of the expected overrun of the maximum guaranteed quantity and the national guaranteed quantities fixed in that Article and also taking

account of budget funding available following the application of that reduction; whereas, in these circumstances, the abovementioned amount of aid has provisionally been calculated on the basis of a provisional overall reduction of ECU 18,284 per 100 kilograms for Greece and without reduction for Spain;

Whereas Regulation (EC) No 1554/95 provides for amendments to the methods of determining the world market price of unginned cotton which will apply to the 1995/96 marketing year; whereas, pending the adoption by the Commission of detailed rules of application for the implementation of that new method, the method referred to in Article 4 of Council Regulation (EEC) No 2169/81⁽⁶⁾, as last amended by Regulation (EC) No 1554/95, should be used, following the procedures referred to in Commission Regulation (EC) No 1234/95⁽⁷⁾, as last amended by Regulation (EC) No 1583/95⁽⁸⁾; whereas, when the abovementioned detailed rules of application have been adopted the amount of aid will have to be replaced by an amount calculated in accordance with the new rules,

HAS ADOPTED THIS REGULATION:

Article 1

1. The aid for unginned cotton referred to in Article 5 of Regulation (EC) No 1554/95 shall be fixed for the 1995/96 marketing year at:

- ECU 75,570 per 100 kilograms for Spain,
- ECU 57,286 per 100 kilograms for Greece.

2. However, the amount of the aid will be replaced with effect from 19 August 1995 to take account of the consequences of the stabilizer system as well as any adaptations to the aid arrangements.

Article 2

This Regulation shall enter into force on 19 August 1995.

COMMISSION REGULATION (EC) No 2013/95
of 18 August 1995
fixing the agricultural conversion rates

THE COMMISSION OF THE EUROPEAN COMMUNITIES,
Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 3813/92 of 28 December 1992 on the unit of account and the conversion rates to be applied for the purposes of the common agricultural policy⁽¹⁾, as last amended by Regulation (EC) No 150/95⁽²⁾, and in particular Article 3 (1) thereof,

Whereas the agricultural conversion rates were fixed by Commission Regulation (EC) No 1766/95⁽³⁾;

Whereas Article 4 of Regulation (EEC) No 3813/92 provides that, subject to confirmation periods being triggered, the agricultural conversion rate for a currency is to be adjusted where the monetary gap between it and the representative market rate exceeds certain levels;

Whereas the representative market rates are determined on the basis of basic reference periods or, where applicable, confirmation periods, established in accordance with Article 2 of Commission Regulation (EEC) No 1068/93 of 30 April 1993 on detailed rules for determining and applying the agricultural conversion rates⁽⁴⁾, as last amended by Regulation (EC) No 1053/95⁽⁵⁾; whereas paragraph 2 of that Article provides that, in cases where the absolute value of the difference between the monetary gaps in two Member States, calculated from the average of the ecu rates for three consecutive quotation days, exceeds six points, the representative market rates are to be adjusted on the basis of the three quotation days in question;

Whereas, as a consequence of the exchange rates recorded from 11 to 20 August 1995, it is necessary to fix a new agricultural conversion rate for the Italian lira;

Whereas Article 15 (2) of Regulation (EEC) No 1068/93 provides that an agricultural conversion rate fixed in

advance is to be adjusted if the gap between that rate and the agricultural conversion rate in force at the time of the operative event applicable for the amount concerned exceeds four points; whereas, in that event, the agricultural conversion rate fixed in advance is brought more closely into line with the rate in force, up to the level of a gap of four points with that rate; whereas the rate which replaces the agricultural conversion rate fixed in advance should be specified,

HAS ADOPTED THIS REGULATION:

Article 1

The agricultural conversion rates are fixed in Annex I hereto.

Article 2

In the case referred to in Article 15 (3) of Regulation (EEC) No 1068/93, the agricultural conversion rate fixed in advance shall be replaced by the ecu rate for the currency concerned, shown in Annex II:

- Table A, where the latter rate is higher than the rate fixed in advance,
- Table B, where the latter rate is lower than the rate fixed in advance.

Article 3

Regulation (EC) No 1766/95 is hereby repealed.

Article 4

This Regulation shall enter into force on 21 August 1995.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 18 August 1995.
