COMMISSION REGULATION (EC) No 1149/97

of 25 June 1997

fixing the representative prices and the additional import duties for molasses in the sugar sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the market in sugar⁽¹⁾, as last amended by Regulation (EC) No 1599/96⁽²⁾,

Having regard to Commission Regulation (EC) No 1422/95 of 23 June 1995 laying down detailed rules of application for imports of molasses in the sugar sector and amending Regulation (EEC) No 785/68⁽³⁾, and in particular Articles 1 (2) and 3 (1) thereof,

Whereas Regulation (EC) No 1422/95 stipulates that the cif import price for molasses, hereinafter referred to as the 'representative price', should be set in accordance with Commission Regulation (EEC) No 785/68⁽⁴⁾; whereas that price should be fixed for the standard quality defined in Article 1 of the above Regulation;

Whereas the representative price for molasses is calculated at the frontier crossing point into the Community, in this case Amsterdam; whereas that price must be based on the most favourable purchasing opportunities on the world market established on the basis of the quotations or prices on that market adjusted for any deviations from the standard quality; whereas the standard quality for molasses is defined in Regulation (EEC) No 785/68;

Whereas, when the most favourable purchasing opportunities on the world market are being established, account must be taken of all available information on offers on the world market, on the prices recorded on important third-country markets and on sales concluded in international trade of which the Commission is aware, either directly or through the Member States; whereas, under Article 7 of Regulation (EEC) No 785/68, the Commission may for this purpose take an average of several prices as a basis, provided that this average is representative of actual market trends;

Whereas the information must be disregarded if the goods concerned are not of sound and fair marketable quality or if the price quoted in the offer relates only to a small

quantity that is not representative of the market; whereas offer prices which can be regarded as not representative of actual market trends must also be disregarded;

Whereas, if information on molasses of the standard quality is to be comparable, prices must, depending on the quality of the molasses offered, be increased or reduced in the light of the results achieved by applying Article 6 of Regulation (EEC) No 785/68;

Whereas a representative price may be left unchanged by way of exception for a limited period if the offer price which served as a basis for the previous calculation of the representative price is not available to the Commission and if the offer prices which are available and which appear not to be sufficiently representative of actual market trends would entail sudden and considerable changes in the representative price;

Whereas where there is a difference between the trigger price for the product in question and the representative price, additional import duties should be fixed under the conditions set out in Article 3 of Regulation (EC) No 1422/95; whereas should the import duties be suspended pursuant to Article 5 of Regulation (EC) No 1422/95, specific amounts for these duties should be fixed;

Whereas application of these provisions will have the effect of fixing the representative prices and the additional import duties for the products in question as set out in the Annex to this Regulation;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The representative prices and the additional duties applying to imports of the products referred to in Article 1 of Regulation (EC) No 1422/95 are fixed in the Annex hereto.

Article 2

This Regulation shall enter into force on 26 June 1997.

COMMISSION REGULATION (EC) No 1150/97

of 25 June 1997

fixing the export refunds on white sugar and raw sugar exported in its unaltered state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1785/81 of 1 June 1981 on the common organization of the markets in the sugar sector⁽¹⁾, as last amended by Regulation (EC) No 1599/96⁽²⁾, and in particular point (a) of the first subparagraph of Article 19 (4) thereof,

Whereas Article 19 of Regulation (EEC) No 1785/81 provides that the difference between quotations or prices on the world market for the products listed in Article 1 (1) (a) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Regulation (EEC) No 1785/81 provides that when refunds on white and raw sugar, undenatured and exported in its unaltered state, are being fixed account must be taken of the situation on the Community and world markets in sugar and in particular of the price and cost factors set out in Article 17a of that Regulation; whereas the same Article provides that the economic aspect of the proposed exports should also be taken into account;

Whereas the refund on raw sugar must be fixed in respect of the standard quality; whereas the latter is defined in Article 1 of Council Regulation (EEC) No 431/68 of 9 April 1968 determining the standard quality for raw sugar and fixing the Community frontier crossing point for calculating cif prices for sugar⁽³⁾, as amended by Regulation (EC) No 3290/94⁽⁴⁾; whereas, furthermore, this refund should be fixed in accordance with Article 17a (4) of Regulation (EEC) No 1785/81; whereas candy sugar is defined in Commission Regulation (EC) No 2135/95 of 7 September 1995 laying down detailed rules of application for the grant of export refunds in the sugar sector⁽⁵⁾; whereas the refund thus calculated for sugar containing added flavouring or colouring matter must apply to their sucrose content and, accordingly, be fixed per 1 % of the said content;

Whereas the world market situation or the specific requirements of certain markets may make it necessary to vary the refund for sugar according to destination;

Whereas, in special cases, the amount of the refund may be fixed by other legal instruments;

Whereas the representative market rates defined in Article 1 of Council Regulation (EEC) No 3813/92⁽⁶⁾, as last amended by Regulation (EC) No 150/95⁽⁷⁾, are used to convert amounts expressed in third country currencies and are used as the basis for determining the agricultural conversion rates of the Member States' currencies; whereas detailed rules on the application and determination of these conversions were set by Commission Regulation (EEC) No 1068/93⁽⁸⁾, as last amended by Regulation (EC) No 1482/96⁽⁹⁾;

Whereas the refund must be fixed every two weeks; whereas it may be altered in the intervening period;

Whereas it follows from applying the rules set out above to the present situation on the market in sugar and in particular to quotations or prices for sugar within the Community and on the world market that the refund should be as set out in the Annex hereto;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 (1) (a) of Regulation (EEC) No 1785/81, undenatured and exported in the natural state, are hereby fixed to the amounts shown in the Annex hereto.

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector ⁽¹⁾, as last amended by Regulation (EC) No 1599/96 ⁽²⁾, and in particular the second subparagraph of Article 17 (5) (b) thereof,

Whereas Commission Regulation (EC) No 1464/96 of 25 July 1996 on a standing invitation to tender to determine levies and/or refunds on exports of white sugar ⁽³⁾, requires partial invitations to tender to be issued for the export of this sugar;

Whereas, pursuant to Article 9 (1) of Regulation (EC) No 1464/96 a maximum export refund shall be fixed, as the case may be, account being taken in particular of the state and foreseeable development of the Community and world markets in sugar, for the partial invitation to tender in question;

COMMISSION REGULATION (EC) No 1154/97
of 25 June 1997

**increasing the volume of the tariff quota for imports of bananas provided for in
Article 18 of Council Regulation (EEC) No 404/93 for 1997**

(Text with EEA relevance)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 404/93 of 13 February 1993 on the common organization of the market in bananas ⁽¹⁾, as last amended by Regulation (EC) No 3290/94 ⁽²⁾, and in particular Articles 18 (1) and 30 thereof,

Whereas Article 18 (1) of Regulation (EEC) No 404/93 provides that, where Community demand is determined on the basis of the supply balance referred to in Article 16 increases, the volume of the quota is to be increased in consequence;

Whereas, in Decision 97/402/EC ⁽³⁾, the Commission establishes the forecast balance for production and consumption in the Community and for imports and exports; whereas that balance indicates an increase in Community demand in particular as a result of the accession to the Community of Austria, Finland and Sweden;

Whereas on 4 April 1995 the Commission forwarded to the Council a proposal adapting the volume of the tariff quota for the import of bananas following the accession of the new Member States ⁽⁴⁾; whereas, in spite of the Commission's efforts, the Council has so far not adopted any decision on that proposal; whereas, in order to satisfy consumption demand and to prevent serious disturbance on the Community market, the Commission is obliged to increase the volume of the tariff quota on the basis of the forecast balance;

Whereas the Court of Justice, in its ruling dated 26 November 1996 in case C 68/95, rightly stated that 'Article 30 of Regulation (EEC) No 404/93 authorizes and, depending on the circumstances, requires the Commission to lay down rules catering for cases of hardship arising from the fact that importers of third-country bananas or non-traditional ACP bananas meet difficulties threatening their existence when an exceptionally low

quota has been allocated to them on the basis of the reference years to be taken into consideration under Article 19 (2) of that regulation, where those difficulties are inherent in the transition from the national arrangements existing before the entry into force of the regulation to the common organization of the market and are not caused by a lack of care on the part of the traders concerned';

Whereas, as a result of that ruling, a number of operators submitted to the Commission applications for additional allocations claiming cases of hardship; whereas, in order to accede during 1997 to those applications which appear justified in the light of the principles handed down by the Court of Justice, a special reserve should be created within the tariff quota;

Whereas the Management Committee has not delivered an opinion within the time limit set by its Chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The tariff quota for imports of third-country and non-traditional ACP bananas provided for in Articles 18 and 19 of Regulation (EEC) No 404/93 shall be 2 553 000 tonnes for 1997.

Within that tariff quota, a maximum quantity of 10 000 tonnes shall be reserved to allow the adoption of special measures pursuant to Article 30 of that Regulation with a view to settling cases of hardship encountered by certain operators, following the entry into force of the common organization of the market in bananas. That quantity shall not be taken into account for the allocation of import licences to operators in categories A, B and C pursuant to Article 19 (1) and (2) of that Regulation.

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 404/93 of 13 February 1993 on the common organization of the market in bananas ⁽¹⁾, as last amended by Regulation (EC) No 3290/94 ⁽²⁾, and in particular Article 20 thereof,

Whereas, pursuant to Article 6 of Commission Regulation (EEC) No 1442/93 of 10 June 1993 laying down detailed rules for the application of the arrangements for importing bananas into the Community ⁽³⁾, as last amended by Regulation (EC) No 1409/96 ⁽⁴⁾, the Commission, depending on the annual tariff quota and the total reference quantities of operators determined pursuant to Articles 3 and following of that Regulation, is to fix, where appropriate, a single reduction coefficient for each category of operators to be applied to operators' reference quantities to determine the quantity to be allocated to each for the year in question;

Whereas, pending the adaptation of the volume of the tariff quota as a result of the accession of Austria, Finland and Sweden and the results of additional verifications concerning certain information communicated by Member States, Commission Regulation (EC) No 2035/96 ⁽⁵⁾, for the purposes of implementing Article 6 of Regulation (EEC) No 1442/93, provisionally fixes the reduction coefficients to be applied to the reference quantity of each operator in categories A and B, on the basis of a tariff quota volume of 2 200 000 tonnes for 1997;

Whereas the volume of the tariff quota was subsequently fixed at 2 553 000 tonnes for 1997 by Commission Regulation (EC) No 1154/97 ⁽⁶⁾; whereas, however, the special quantity of 10 000 tonnes reserved for cases of extreme

hardship must not be taken into account for the calculation of the reduction coefficients in question;

Whereas, on that basis and taking account of the additional verifications carried out since the adoption of Regulation (EC) No 2035/96, the new coefficients for 1997 should be determined; whereas, for the sake of clarity, Regulation (EC) No 2035/96 should be repealed;

Whereas the provisions of this Regulation must enter into force immediately, given the time limits laid down in Regulation (EEC) No 1442/93;

Whereas the Management Committee for Bananas has failed to deliver an opinion within the time limit laid down by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The quantity to be allocated to each operator in categories A and B in respect of the period from 1 January to 31 December 1997 within the tariff quota provided for in Articles 18 and 19 of Regulation (EEC) No 404/93 shall be calculated by applying to the operator's reference quantity, determined in accordance with Article 5 of Regulation (EEC) No 1442/93, the following single reduction coefficients:

- for each category A operator: 0,732550
- for each category B operator: 0,540459

Article 2

Regulation (EC) No 2035/96 is hereby repealed.

**fixing the reduction coefficients for the determination of the quantity of
bananas to be allocated to each operator in category C from the tariff quota for
1997**

(Text with EEA relevance)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 404/93 of 13 February 1993 on the common organization of the market in bananas ⁽¹⁾, as last amended by Regulation (EC) No 3290/94 ⁽²⁾,

Having regard to Commission Regulation (EEC) No 1442/93 of 10 June 1993 laying down detailed rules for the application of the arrangements for importing bananas into the Community ⁽³⁾, as last amended by Regulation (EC) No 1409/96 ⁽⁴⁾, and in particular Article 4 (4) thereof,

Whereas, pending the adaptation of the volume of the tariff quota as a result of the accession of Austria, Finland and Sweden, Commission Regulation (EC) No 2052/96 ⁽⁵⁾, for the purposes of implementing Article 4 (4) of Regulation (EEC) No 1442/93, provisionally fixes the reduction coefficient to be applied to the annual allocation requested by each operator in category C on the basis of a tariff quota volume of 2 200 000 tonnes for 1997;

Whereas the volume of the tariff quota was subsequently fixed at 2 553 000 tonnes for 1997 by Commission Regulation (EC) No 1154/97 ⁽⁶⁾; whereas, however, the special quantity of 10 000 tonnes reserved for cases of extreme hardship must not be taken into account for the calculation of the reduction coefficient in question;

Whereas, on that basis, the new coefficient for 1997 should be determined; whereas, for the sake of clarity, Regulation (EC) No 2052/96 should be repealed;

Whereas the provisions of this Regulation must enter into force immediately, given the time limits laid down in Regulation (EEC) No 1442/93,

HAS ADOPTED THIS REGULATION:

Article 1

The quantity to be allocated to each operator in category C in respect of 1997 within the tariff quota provided for in Articles 18 and 19 of Regulation (EEC) No 404/93 shall be calculated by applying to the quantity applied for by each operator in accordance with Article 4 (4) of Regulation (EEC) No 1442/93, a reduction coefficient of 0,000381.

Article 2

Regulation (EC) No 2052/96 is hereby repealed.

Article 3

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Whereas, pursuant to Article 12 (3) of Regulation (EC) No 3072/95, the cif import prices are calculated on the basis of the representative prices for the product in question on the world market or on the Community import market for the product;

Whereas Regulation (EC) No 1503/96 lays down detailed rules for the application of Regulation (EC) No 3072/95 as regards import duties in the rice sector;

Whereas the import duties are applicable until new duties are fixed and enter into force; whereas they also remain in force in cases where no quotation is available from the source referred to in Article 5 of Regulation (EC) No 1503/96 during the two weeks preceding the next periodical fixing;

Whereas, in order to allow the import duty system to function normally, the market rates recorded during a reference period should be used for calculating the duties;

Whereas application of Regulation (EC) No 1503/96 results in import duties being fixed as set out in the Annexes to this Regulation,

HAS ADOPTED THIS REGULATION:

Article 1

The import duties in the rice sector referred to in Article 11 (1) and (2) of Regulation (EC) No 3072/95 shall be those fixed in Annex I to this Regulation on the basis of the information given in Annex II.

Article 2

This Regulation shall enter into force on 26 June 1997.
