amending Decision 87/257/EEC on the list of establishments in the United States of America approved for the purpose of importing fresh meat into the Community

(Text with EEA relevance)

(97/572/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 72/462/EEC of 12 December 1972 on health and veterinary inspection problems upon importation of bovine, ovine and caprine animals and swine, fresh meat or meat products from third countries⁽¹⁾, as last amended by Directive 96/91/EC⁽²⁾, and in particular Articles 4 (1) and 18 (1) thereof,

Whereas a list of establishments in the United States of America, approved for the purpose of importing fresh meat into the Community, was drawn up initially by Commission Decision 87/257/EEC⁽³⁾ as last amended by Decision C(96) 3126⁽⁴⁾; whereas that list may be amended at any time in the light of the results of Community inspections carried out in the United States of America;

Whereas negotiations are under way to conclude an agreement with the United States on health measures to protect health and animal health in the context of trade in livestock and products of animal origin;

Whereas this situation, progress already achieved, and the need to avoid distortion of trade justify the postponement of the deadline established for the landing of certain fresh meat, from 31 July 1997 to 31 January 1998; whereas the fixing of this date is without prejudice either to the date

of conclusion or to the content of the abovementioned agreement;

Whereas the list of establishments must be amended accordingly;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,

HAS ADOPTED THIS DECISION:

Article 1

The Annex to Decision 87/257/EEC is hereby replaced by the Annex hereto.

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

HAS ADOPTED THIS DECISION:

Having regard to the Treaty establishing the European Community,

Having regard to Council Decision 95/527/EEC of 8 December 1995 on a Community financial contribution towards certain expenditure incurred by the Member States implementing the monitoring and control systems applicable to the common fisheries policy⁽¹⁾, and in particular Article 6 thereof,

Whereas Commission Decision 97/297/EC⁽²⁾ relates to the eligibility of expenditure to be incurred by certain Member States in 1997 for the purpose of introducing monitoring and control systems applicable to the common fisheries policy;

Whereas that information affects the amount of expenditure eligible for a contribution within the meaning of Decision 95/527/EC;

Whereas Decision 95/297/EC should consequently be amended to take into account the relevant amount;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Management Committee for Fisheries and Aquaculture,

COMMISSION DECISION

of 22 July 1997

modifying Decision 97/4/EC concerning provisional lists of third country establishments from which the Member States authorize imports of fresh poultrymeat

(Text with EEA relevance)

(97/574/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Decision 95/408/EC of 22 June 1995 on the conditions for drawing up, for an interim period, provisional lists of third country establishments from which Member States are authorized to import certain products of animal origin, fishery products or live bivalve molluscs⁽¹⁾, as last amended by Decision 97/34/EC⁽²⁾, and in particular Article 2 (1) thereof,

Whereas Commission Decision 94/85/EC⁽³⁾ as last amended by Decision 96/2/EC⁽⁴⁾, draws up a list of third countries from which the Member States authorize imports of fresh poultrymeat;

Whereas, in the case of many countries on that list, the health and veterinary certification requirements for importation of fresh poultrymeat have been laid down in Commission Decision 94/984/EC⁽⁵⁾, as amended by Decision 96/456/EC⁽⁶⁾;

Whereas Commission Decision 97/4/EC⁽⁷⁾ drew up a provisional list of third country establishments from which the Member States authorize imports of fresh poultrymeat;

Whereas a number of inspections were carried out pursuant to Article 14 of Council Directive 71/118/EEC⁽⁸⁾ of 15 February 1971 on health problems affecting the production and placing on the market of fresh poultrymeat, as last amended and up-dated by Council Directive 92/116/EEC⁽⁹⁾; whereas these inspections have revealed that the establishments working in the US mode of production do not meet all requirements of the appropriate Community legislation;

Whereas in the light of the results of these inspections the United States' authorities have carried out a re-examination of the list of establishments provided; whereas it is appropriate for the Commission to conduct a further series of inspections of these establishments; whereas this list should be valid for a period of six months to allow these inspections to be carried out;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,

HAS ADOPTED THIS DECISION:

Article 1

The Annex of Decision 97/4/EC in respect of the United States of America (pages 26 to 28 inclusive) is replaced by the Annex to the present Decision.

Article 2

The list of establishments contained in this Annex shall cease to be applicable after 30 September 1997.

Article 3

This Decision is addressed to the Member States.

COMMISSION DECISION

of 23 July 1997

adjusting the weightings applicable from 1 August, 1 September, 1 October, 1 November and 1 December 1996 to the remuneration of officials of the European Communities serving in third countries

(97/575/ECSC, EC, Euratom)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing a Single Council and a Single Commission of the European Communities,

Having regard to the Staff Regulations of officials of the European Communities and the conditions of employment of other servants of the Communities laid down by Regulation (EEC, Euratom, ECSC) No 259/68⁽¹⁾, as last amended by Regulation (Euratom, ECSC, EC) No 2485/96⁽²⁾, and in particular the second paragraph of Article 13 of Annex X thereto,

Whereas, pursuant to the first paragraph of Article 13 of Annex X to the Staff Regulations, Council Regulation (ECSC, EC, Euratom) No 542/97⁽³⁾ laid down the weightings to be applied from 1 July 1996 to the remuneration of officials serving in third countries, payable in the currency of their country of employment;

Whereas the Commission has made a number of adjustments to these weightings⁽⁴⁾ in recent months, pursuant to the second paragraph of Article 13 of Annex X to the Staff Regulations;

Whereas, pursuant to the second paragraph of Article 13 of Annex X to the Staff Regulations, some of these weightings should be adjusted with effect from 1 August, 1 September, 1 October, 1 November and 1 December 1996 given that the statistics available to the Commission

show that in certain third countries the variation in the cost of living measured on the basis of the weighting and the corresponding exchange rate has exceeded 5 % since weightings were last laid down or adjusted,

DECIDES:

Sole Article

With effect from 1 August, 1 September, 1 October, 1 November and 1 December 1996 the weightings applicable to the remuneration of officials serving in third countries payable in the currency of their country of employment are adjusted as shown in the Annex.

The exchange rates for the calculation of such remuneration shall be those used for implementation of the general budget of the European Communities for the month preceding the date referred to in the first paragraph.
