COMMISSION REGULATION (EC) No 2062/97

of 21 October 1997

amending Regulation (EEC) No 700/88 laying down detailed rules for the application of the arrangements for the import into the Community of certain flowers originating in Cyprus, Israel, Jordan, Morocco and the West Bank and Gaza Strip

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 4088/87 of 21 December 1987 fixing conditions for the application of preferential customs duties on imports of certain flowers originating in Cyprus, Israel, Jordan, Morocco and the West Bank and Gaza Strip ⁽¹⁾, as last amended by Regulation (EC) No 1300/97 ⁽²⁾, and in particular Article 5 (1) thereof;

Whereas, pursuant to the Agreements in the form of an Exchange of Letters between the Community and Israel ⁽³⁾ and between the Community and Morocco ⁽⁴⁾ on imports into the Community of fresh cut flowers and flower buds of a kind suitable for bouquets and ornamental purposes the Community and these countries have agreed to adjust the procedures for determination of Community producer prices and prices of imports; whereas the rules of application set in Commission Regulation (EEC) No 700/88 ⁽⁵⁾, as last amended by Regulation (EC) No 1239/97 ⁽⁶⁾, should therefore be adjusted;

Whereas the main changes are to use weighted instead of arithmetical averages to determine producer and import prices and to determine these every 15 days so that appropriate customs duties can be applied in the two weeks following the date of determination;

Whereas time limits for notification of data by the Member States should be set and the action to be taken when data is incomplete or unavailable specified;

Whereas this Regulation should enter into force on the day following the expiry of Commission Regulation (EC) No 989/97 of 30 May 1997 fixing Community producer prices for carnations and roses for the application of the import arrangements for certain floricultural products originating in Cyprus, Israel, Jordan and Morocco ⁽⁷⁾;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Live Plants,

HAS ADOPTED THIS REGULATION:

Article 1

Regulation (EEC) No 700/88 is hereby amended as follows:

1. Article 1 is replaced by the following:

COMMISSION

COMMISSION DECISION

of 13 October 1997

recognizing that the production of certain quality wines produced in specified regions in Italy, by reason of their qualitative characteristics, is far from able to satisfy demand

(Only the Italian text is authentic)

(97/686/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 822/87 of 16 March 1987 on the common organization of the market in wine ⁽¹⁾, as last amended by Regulation (EC) No 1417/97 ⁽²⁾, and in particular Article 6(4) thereof,

Whereas, in accordance with Article 6(1) of Regulation (EEC) No 822/87, all new planting of vines is prohibited until 31 August 1998; whereas, however, there is provision for Member States to grant authorization for new vine planting for the 1996/97 and 1997/98 wine years for areas intended for the production of:

- quality wines produced in specified regions (quality wines psr), and
- table wines designated as one of the following: 'Landwein', 'vin de pays', 'indicazione geografica tipica', 'vino de la tierra', 'vinho regional', 'regional wine', etc.,

for which the Commission has recognized that production, by reason of their qualitative characteristics, is far from able to satisfy demand;

Whereas requests for the application of that provision with regard to certain quality wines psr and table wines followed by 'igt' ('indicazione geografica tipica') were submitted by the Italian Government on 17 July 1997;

Whereas examination of these requests has shown that the quality wines psr and table wines 'igt' in question meet the conditions required under the measure; whereas the limit of 2 442 ha laid down in Regulation (EEC) No 822/87 has not been exceeded;

Whereas the measures provided for in this Decision are in accordance with the opinion of the Management Committee for Wine,

HAS ADOPTED THIS DECISION:

Article 1

The quality wines psr set out in the Annex hereto meet the conditions laid down in the second subparagraph of Article 6(1) of Regulation (EEC) No 822/87 subject to compliance, for all the quality wines psr of the same region, with the increase in area set out in the same Annex.

Article 2

This Decision is addressed to the Italian Republic.

Done at Brussels, 13 October 1997.
