COUNCIL REGULATION (EC) No 2072/98**of 28 September 1998****amending Regulation (EC) No 3072/95 on the common organisation of the market in rice with regard to the scheme for compensatory payment**

THE COUNCIL OF THE EUROPEAN UNION,

Whereas, in the context of providing support for producers of rice, Article 6 of Regulation (EC) No 3072/95 ⁽³⁾ lays down a national base area for each producer Member State with the exception of France, for which two base areas are laid down; whereas the Hellenic Republic has requested that for that country also there should be two base areas, although without differential compensatory payments, so that, without prejudice to the objectives of the scheme, areas may still be devoted to rice-growing in regions where there is no genuine possibility of alternative crops and that request should be accepted;

Whereas Regulation (EC) No 3072/95 should be amended accordingly,

In order to pursue a better orientation of production, the amounts of the compensatory payment may be varied by applying price increases or reductions depending on the variety.

The compensatory payments shall be made between 16 October and 31 December following the start of the marketing year in question.

4. A national base area for each producer Member State is hereby established. However, for France and Greece two base areas are established. The base areas shall be as follows:

COMMISSION REGULATION (EC) No 2074/98**of 29 September 1998****adjusting the standard amount provided for in Council Regulation (EEC) No 1010/86 and setting the production refund on white sugar used in the chemical industry**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1010/86 of 25 March 1986 laying down general rules for the production refund on certain sugar products used in the chemical industry ⁽¹⁾, as amended by Commission Regulation (EC) No 1148/98 ⁽²⁾, and in particular Article 4a(1a) thereof,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organisation of the markets in the sugar sector ⁽³⁾, as last amended by Regulation (EC) No 1148/98, and in particular Article 9(6) thereof,

Whereas Article 9(3) of Regulation (EEC) No 1785/81 states that it may be decided to grant production refunds on the products indicated in Article 1(1)(a) and (f) of that Regulation and the syrups indicated in Article 1(1)(d) that are in one of the situations indicated in Article 9(2) of the Treaty and are used in the manufacture of certain chemical industry products;

Whereas Regulation (EEC) No 1010/86 lays down general rules on determination of these production refunds and specifies the chemical products the manufacture of which permits a refund on the basic products; whereas Articles 5, 6 and 7 of that Regulation specify respectively how the production refund on each of the basic products raw sugar, sucrose syrups and unprocessed isoglucose is derived from the refund set on white sugar;

Whereas Article 4a of Regulation (EEC) No 1010/86 states that the production refund per 100 kilograms of white sugar is to be fixed on the basis of the world market price for white sugar, increased by a standard amount of ECU 7 per 100 kilograms, and the price of Community sugar; whereas pursuant to Article 1(3) of Council Regulation (EC) No 150/95 of 23 January 1995 amending Regulation (EEC) No 3813/92 on the unit of account and the conversion rates to be applied for the purposes of the

common agricultural policy ⁽⁴⁾ this standard amount was weighted by the coefficient 1,207509 and thus became ECU 8,45 per 100 kilograms of white sugar; whereas Article 4a(1a) of Regulation (EEC) No 1010/86 allows the Commission using the procedure specified in Article 41 of Regulation (EEC) No 1785/81, to reduce this amount as far as ECU 2,42; whereas experience with the production refund provisions since the new sugar sector production arrangements came into force in 1995 shows a need to facilitate as far as possible convergence of the circumstances of the Community chemical industry and those of chemical producers drawing supplies from the world sugar market; whereas the standard amount should therefore be reduced to ECU 6,45 for a two-year trial period;

Whereas Commission Regulation (EEC) No 1729/78 of 24 July 1978 laying down detailed rules of application in respect of the production refund for sugar used in the chemical industry ⁽⁵⁾, as last amended by Regulation (EC) No 1730/97 ⁽⁶⁾, lays down provisions on determination of the production refund; whereas Article 1 thereof stipulates that it is to be set quarterly from 1 July, 1 October, 1 January and 1 April; whereas the production refund should therefore be set for a period as indicated in the said Article 1;

Whereas, as a result of modification of the definitions of white sugar and raw sugar given in Article 1(2)(a) and (b) of Regulation (EEC) No 1785/81, sugars that have been flavoured or had colorants or other substances added no longer fall under these definitions and are therefore to be considered as 'other sugars'; whereas, however, under Article 1 of Regulation (EEC) No 1010/86 they count as basic products for the purposes of the production refund; whereas for determination of the production refund on these products a calculation method should therefore be set using their sucrose content;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

Article 2

THE COMMISSION OF THE EUROPEAN COMMUNITIES,
