**COUNCIL REGULATION (EC) No 1895/1999
of 27 August 1999
amending Regulation (EC) No 772/1999 imposing definitive anti-dumping and countervailing duties
on imports of farmed Atlantic salmon originating in Norway**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 384/96 of 22 December 1995 on protection against dumped imports from countries not members of the European Community ⁽¹⁾, and in particular Articles 8(9) and 9 thereof,

Having regard to Council Regulation (EC) No 2026/97 of 6 October 1997 on protection against subsidised imports from countries not members of the European Community ⁽²⁾, and in particular Articles 13(9) and 15 thereof,

Having regard to the proposal submitted by the Commission after consulting the Advisory Committee,

Whereas:

- (3) For the third quarter of 1998, one Norwegian company did not present a report within the prescribed time limit, another Norwegian exporter appeared to have sold the product concerned to the Community market at a price which was below the price envisaged in its undertaking. Two other exporters appeared to have made misleading declarations as to the identity of the exporter and the identity and nature of the sales reported.
- (4) The Commission therefore had reason to believe that these four companies had breached the terms of their undertakings and consequently, by Regulation (EC) No 929/1999 ⁽³⁾, (hereinafter referred to as the 'provisional duty Regulation'), imposed provisional anti-dumping and countervailing duties on imports of farmed Atlantic Salmon falling within CN codes ex 0302 12 00, ex 0304 10 13, ex 0303 22 00 and ex 0304 20 13 originating in Norway and exported by the four companies listed in Annex II to that Regulation. By the same Regulation, the Commission deleted the companies concerned from the Annex to Decision 97/634/EC, which listed the companies from which undertaking were accepted.

A. PROVISIONAL DUTIES

- (1) Within the framework of the anti-dumping and anti-subsidy investigations initiated by two separate notices published in the *Official Journal of the European Communities* ⁽³⁾, the Commission accepted, by Decision 97/634/EC ⁽⁴⁾, undertaking offered by the Kingdom of Norway and by 190 Norwegian exporters.
- (2) The text of the undertakings provides that failure to submit a quarterly report of all sales transactions to the first unrelated customer in the Community within a prescribed time limit except in the case of *force majeure* would be construed as a violation of the undertaking, as would non-compliance with the obligation to sell the product concerned on the Community market at or above the minimum prices foreseen in the undertaking.

B. SUBSEQUENT PROCEDURE

- (5) All four Norwegian companies subject to the provisional duties received disclosure in writing concerning the essential facts and considerations on the basis of which these provisional duties were imposed. They were also given an opportunity to submit comments and request a hearing.
- (6) Within the time limit set in the provisional duty Regulation, all the Norwegian companies concerned submitted comments in writing and one request a hearing, which was granted. Following these submissions, the Commission sought and examined all information it deemed necessary for the purpose of a definitive determination on the apparent violations.

⁽⁵⁾ OJ L 115, 4.5.1999, p. 13.

- (7) In this regard the Commission's investigation established that one of the companies against which provisional measures had been imposed had not violated its undertaking and that it should be reinstated on the list of companies benefiting from an exemption to the anti-dumping and countervailing measures. The exporter was informed of the essential facts and considerations on the basis of which it was intended to reinstate the Commission's acceptance of its undertaking.

As concerns the other three companies subject to provisional measures, they were informed the essential facts and considerations on the basis of which it was intended to confirm the withdrawal of the Commission's acceptance of their undertaking and to recommend the imposition of definitive anti-dumping and countervailing duties and the definitive collection of the amounts secured by way of provisional duties. They were also granted a period within which make representations subsequent to this disclosure.

- (8) The Commission's findings in this respect are set out more fully in Regulation (EC) No 1826/1999 ⁽¹⁾.
- (9) None of the comments submitted, however, have changed the conclusion that definitive anti-dumping and countervailing duties should be imposed on imports of farmed Atlantic salmon originating in Norway and exported by the three companies listed in Annex I to this Regulation.

C. DEFINITIVE DUTIES

- (10) The investigations which led to the undertakings were concluded by a final determination as to dumping and injury by Regulation (EC) No 1890/97 ⁽²⁾, and a final determination as to subsidisation and injury by Regulation (EC) No 1891/97 ⁽³⁾. While both these Regulations were repealed by Regulation (EC) No 772/1999 ⁽⁴⁾, the facts and considerations established therein remain valid (recital 19 of Regulation (EC) No 772/1999 refers).
- (11) In accordance with Article 8(9) of Regulation (EC) No 384/96 and Article 13(9) of Regulation (EC) No 2067/97 respectively, the rate of the anti-dumping duty and the countervailing duty must be established on the basis of the facts established within the context of the investigation which led to the undertaking. In this regard, and in view of recital 107 of Regulation (EC) No 1890/97 and recital 149 of Regulation (EC) No 1891/97, it is considered appropriate that the definitive anti-dumping and countervailing duty rates be set at the

level, and in the form imposed by Regulation (EC) No 772/1999.

D. DEFINITIVE COLLECTION OF PROVISIONAL DUTIES

- (12) A breach of undertaking has been definitively established in relation to the three exporters which have violated their undertakings. It is therefore considered necessary that, in relation to these exporters, the amounts secured by way of provisional anti-dumping and countervailing duties be definitively collected at the level of the definitive duties.

E. AMENDMENT OF THE ANNEX TO REGULATION (EC) No 772/1999

- (13) By Regulation (EC) No 1826/1999, the Commission accepted undertakings from four new exporters, F. Uhrenholt Seafood Norway AS, Mesan Seafood AS, Polaris Seafood AS and Scanfish AS. Pursuant to Article 2 of Regulation (EC) No 772/1999, the Commission also extended the exemption from the anti-dumping and countervailing duties to these companies by adding their names to the Annex to that Regulation.
- (14) The Norwegian exporters already on the list of companies from which undertakings are accepted, informed the Commission that their names had changed from Herøy Filetfabrikk AS to Atlantis Filetfabrikk AS and from SL Fjordgruppen AS to Fjord Seafood Leines AS and requested that these changes be reflected in the list of companies benefiting from the exemption payment of anti-dumping and countervailing duties. The Commission has verified that there were no changes in the corporate structures which would call for a more detailed examination of the appropriateness of these companies maintaining their undertakings.
- (15) Accordingly, in view of all the above, the Annex to Regulation (EC) No 772/1999 exempting parties listed therein from the duty, should be amended so as the exemption, from the companies listed in Annex I hereto. The Annex should also be updated to take account of the exemption extended by Regulation (EC) No 1826/1999 to F. Uhrenholt Seafood Norway AS, Mesan Seafood AS, Polaris Seafood and Scanfish AS, and of the changes of name of Herøy Filetfabrikk to Atlantis Filetfabrikk AS and of SL Fjordgruppen AS to Fjord Seafood Leines AS,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EC) No 1897/1999
of 2 September 1999
on a special intervention measure for cereals in Finland and Sweden

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992 on the common organisation of the market in cereals ⁽¹⁾, as last amended by Commission Regulation (EC) No 1253/1999 ⁽²⁾, and in particular Article 6 thereof,

- (1) Whereas oats are one of the products covered by the common organisation of the market in cereals; whereas it is not, however, included among the basic cereals referred to in Article 4 of Regulation (EEC) No 1766/92 for which provision is made for intervention buying in;
- (2) Whereas oats is a major traditional crop in Finland and Sweden which is well suited to the weather conditions obtaining in those countries; whereas production far exceeds requirements in those countries with the result that they are required to dispose of surpluses by exporting them to third countries; whereas membership of the Community has not altered the previously existing situation;
- (3) Whereas any reduction in the quantity of oats grown in Finland and Sweden would be beneficial to other cereals qualifying for the intervention arrangements, especially barley; whereas production of barley is in surplus both in the two Nordic countries and across the whole of the Community; whereas a switch from oats to barley would only worsen the situation and create further surpluses; whereas it is necessary therefore to ensure that exports of oats to third countries can continue;
- (4) Whereas refunds may be granted in respect of oats pursuant to Article 13 of Regulation (EEC) No 1766/92; whereas the geographical situation of Finland and Sweden places them in a less favourable position from the point of view of exporting than other Member States; whereas the fixing of refunds on the basis of Article 13 favours primarily those other Member States; whereas it is anticipated therefore that the production of oats in the two Nordic countries will give way increasingly to that of barley; whereas, consequently, in coming years, substantial quantities of barley must be expected to enter intervention storage in Finland and Sweden pursuant to Article 4 of Regulation (EEC) No 1766/92, the only possibility of disposal being export to third countries; whereas exports from intervention storage are

more costly to the Community budget than direct exports;

- (5) Whereas these additional costs can be avoided under a special intervention measure within the meaning of Article 6 of that Regulation; whereas this intervention measure may be taken in the form of a measure intended to relieve the market in oats in Finland and Sweden; whereas the grant of a refund by a tendering procedure which would apply only to oats produced and exported from those two countries would be the most appropriate measure in the circumstances; whereas this approach was followed in the 1998/99 marketing year pursuant to Commission Regulation (EC) No 2007/98 ⁽³⁾, as last amended by Regulation (EC) No 567/1999 ⁽⁴⁾;
- (6) Whereas the nature and objectives of the said measure make it appropriate to apply to it, *mutatis mutandis*, Article 13 of Regulation (EEC) No 1766/92 and the Regulations adopted for its implementation, in particular Commission Regulation (EC) No 1501/95 of 29 June 1995 laying down certain detailed rules for the application of Council Regulation (EEC) No 1766/92 on the granting of export refunds on cereals and the measures to be taken in the event of disturbance on the market for cereals ⁽⁵⁾, as last amended by Regulation (EC) No 2513/98 ⁽⁶⁾;
- (7) Whereas Regulation (EC) No 1501/95 requires tenderers to apply for an export licence among their other undertakings; whereas compliance with this obligation may be ensured by requiring tenderers to lodge a security of EUR 12 per tonne when they submit their tenders;
- (8) Whereas the cereals in question should actually be exported from the Member States for which a special intervention measure was implemented; whereas it is necessary therefore to limit the use of export licences to exports from the Member State in which application for the licence was made and to oats produced in Finland and Sweden;
- (9) Whereas, in order to ensure equal treatment for all concerned, it is necessary to make provision that the licences issued have an identical period of validity;
- (10) Whereas, in order to ensure the smooth operation of the export tendering procedure, it is necessary to prescribe a minimum quantity and a time limit and form for the submission of tenders to the competent agencies;
- (11) Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

1. A special intervention measure in the form of an export refund shall be implemented in respect of 300 000 tonnes of oats produced in Finland and Sweden and intended for export from Finland and Sweden to all third countries.

Article 13 of Regulation (EEC) No 1766/92 and the provisions adopted for the application of that Article shall apply, *mutatis mutandis*, to the said refund.

Notwithstanding Article 4(4) of Regulation (EC) No 1501/95, the time limit for the submission of tenders for the first partial invitation to tender shall be 9 September 1999.

4. Tenders must be submitted to the Finnish and Swedish intervention agencies named in the notice of invitation.

5. The tendering procedure shall take place in accordance with this Regulation and Regulation (EC) No 1501/95.

COMMISSION REGULATION (EC) No 1900/1999**of 2 September 1999****fixing the rates of the refunds applicable to certain cereal and rice-products exported in the form of goods not covered by Annex I to the Treaty**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992 on the common organization of the market in cereals ⁽¹⁾, as last amended by Commission Regulation (EC) No 1253/1999 ⁽²⁾, and in particular Article 13(3) thereof,

Having regard to Council Regulation (EC) No 3072/95 of 22 December 1995 on the common organization of the market in rice ⁽³⁾, as amended by Regulation (EC) No 2072/98 ⁽⁴⁾, and in particular Article 13(3) thereof,

(1) Whereas Article 13(1) of Regulation (EEC) No 1766/92 and Article 13(1) of Regulation (EC) No 3072/95 provide that the difference between quotations of prices on the world market for the products listed in Article 1 of each of those Regulations and the prices within the Community may be covered by an export refund;

(2) Whereas Commission Regulation (EC) No 1222/94 of 30 May 1994 laying down common implementing rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex I to the Treaty, and the criteria for fixing the amount of such refunds ⁽⁵⁾, as last amended by Regulation (EC) No 1702/1999 ⁽⁶⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex B to Regulation (EEC) No 1766/92 or in Annex B to Regulation (EC) No 3072/95 as appropriate;

(3) Whereas, in accordance with the first subparagraph of Article 4(1) of Regulation (EC) No 1222/94, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month;

(4) Whereas the commitments entered into with regard to refunds which may be granted for the export of agricultural products contained in goods not covered by Annex I to the Treaty may be jeopardized by the fixing in advance of high refund rates; whereas it is therefore necessary to take precautionary measures in such situa-

tions without, however, preventing the conclusion of long-term contracts; whereas the fixing of a specific refund rate for the advance fixing of refunds is a measure which enables these various objectives to be met;

(5) Whereas, now that a settlement has been reached between the European Community and the United States of America on Community exports of pasta products to the United States and has been approved by Council Decision 87/482/EEC ⁽⁷⁾, it is necessary to differentiate the refund on goods falling within CN codes 1902 11 00 and 1902 19 according to their destination;

(6) Whereas Article 4(5)(b) of Regulation (EC) No 1222/94 provides that, in the absence of the proof referred to in Article 4(5)(a) of that Regulation, a reduced rate of export refund has to be fixed, taking account of the amount of the production refund applicable, pursuant to Commission Regulation (EEC) No 1722/93 ⁽⁸⁾, as last amended by Regulation (EC) No 87/1999 ⁽⁹⁾, for the basic product in question, used during the assumed period of manufacture of the goods;

(7) Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The rates of the refunds applicable to the basic products appearing in Annex A to Regulation (EC) No 1222/94 and listed either in Article 1 of Regulation (EEC) No 1766/92 or in Article 1(1) of Regulation (EC) No 3072/95, exported in the form of goods listed in Annex B to Regulation (EEC) No 1766/92 or in Annex B to amended Regulation (EC) No 3072/95 respectively, are hereby fixed as shown in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on 3 September 1999.
