COMMISSION REGULATION (EC) No 1839/2000**of 30 August 2000****fixing the representative prices and the additional import duties for molasses in the sugar sector**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 2038/1999 of 13 September 1999 on the common organisation of the market in sugar ⁽¹⁾, as amended by Commission Regulation 1527/2000 ⁽²⁾,

Having regard to Commission Regulation (EC) No 1422/95 of 23 June 1995 laying down detailed rules of application for imports of molasses in the sugar sector and amending Regulation (EEC) No 785/68 ⁽³⁾, and in particular Articles 1(2) and 3(1) thereof,

Whereas:

- (1) Regulation (EC) No 1422/95 stipulates that the cif import price for molasses, hereinafter referred to as the 'representative price', should be set in accordance with Commission Regulation (EEC) No 785/68 ⁽⁴⁾. That price should be fixed for the standard quality defined in Article 1 of the above Regulation.
- (2) The representative price for molasses is calculated at the frontier crossing point into the Community, in this case Amsterdam; that price must be based on the most favourable purchasing opportunities on the world market established on the basis of the quotations or prices on that market adjusted for any deviations from the standard quality. The standard quality for molasses is defined in Regulation (EEC) No 785/68.
- (3) When the most favourable purchasing opportunities on the world market are being established, account must be taken of all available information on offers on the world market, on the prices recorded on important third-country markets and on sales concluded in international trade of which the Commission is aware, either directly or through the Member States. Under Article 7 of Regulation (EEC) No 785/68, the Commission may for this purpose take an average of several prices as a basis, provided that this average is representative of actual market trends.
- (4) The information must be disregarded if the goods concerned are not of sound and fair marketable quality or if the price quoted in the offer relates only to a small

quantity that is not representative of the market. Offer prices which can be regarded as not representative of actual market trends must also be disregarded.

- (5) If information on molasses of the standard quality is to be comparable, prices must, depending on the quality of the molasses offered, be increased or reduced in the light of the results achieved by applying Article 6 of Regulation (EEC) No 785/68.
- (6) A representative price may be left unchanged by way of exception for a limited period if the offer price which served as a basis for the previous calculation of the representative price is not available to the Commission and if the offer prices which are available and which appear not to be sufficiently representative of actual market trends would entail sudden and considerable changes in the representative price.
- (7) Where there is a difference between the trigger price for the product in question and the representative price, additional import duties should be fixed under the conditions set out in Article 3 of Regulation (EC) No 1422/95. Should the import duties be suspended pursuant to Article 5 of Regulation (EC) No 1422/95, specific amounts for these duties should be fixed.
- (8) Application of these provisions will have the effect of fixing the representative prices and the additional import duties for the products in question as set out in the Annex to this Regulation.
- (9) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The representative prices and the additional duties applying to imports of the products referred to in Article 1 of Regulation (EC) No 1422/95 are fixed in the Annex hereto.

COMMISSION REGULATION (EC) No 1840/2000
of 30 August 2000
fixing the export refunds on white sugar and raw sugar exported in its unaltered state

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 2038/1999 of 13 September 1999 on the common organisation of the markets in the sugar sector ⁽¹⁾, as amended by Commission Regulation (EC) No 1527/2000 ⁽²⁾, and in particular point (a) of the second subparagraph of Article 18(5) thereof,

Whereas:

- (1) Article 18 of Regulation (EC) No 2038/1999 provides that the difference between quotations or prices on the world market for the products listed in Article 1(1)(a) of that Regulation and prices for those products within the Community may be covered by an export refund.
- (2) Regulation (EC) No 2038/1999 provides that when refunds on white and raw sugar, undenatured and exported in its unaltered state, are being fixed account must be taken of the situation on the Community and world markets in sugar and in particular of the price and cost factors set out in Article 19 of that Regulation; whereas the same Article provides that the economic aspect of the proposed exports should also be taken into account.
- (3) The refund on raw sugar must be fixed in respect of the standard quality; the latter is defined in Article 1 of Council Regulation (EC) No 431/68 of 9 April 1968 determining the standard quality for raw sugar and fixing the Community frontier crossing point for calculating cif prices for sugar ⁽³⁾, as amended by Regulation (EC) No 3290/94 ⁽⁴⁾; furthermore, this refund should be fixed in accordance with Article 19(4) of Regulation (EC) No 2038/1999; candy sugar is defined in Commission Regulation (EC) No 2135/95 of 7 September 1995

laying down detailed rules of application for the grant of export refunds in the sugar sector ⁽⁵⁾; the refund thus calculated for sugar containing added flavouring or colouring matter must apply to their sucrose content and, accordingly, be fixed per 1 % of the said content.

- (4) The world market situation or the specific requirements of certain markets may make it necessary to vary the refund for sugar according to destination.
- (5) In special cases, the amount of the refund may be fixed by other legal instruments.
- (6) The refund must be fixed every two weeks; whereas it may be altered in the intervening period.
- (7) It follows from applying the rules set out above to the present situation on the market in sugar and in particular to quotations or prices for sugar within the Community and on the world market that the refund should be as set out in the Annex hereto.
- (8) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1(1)(a) of Regulation (EC) No 2038/1999, undenatured and exported in the natural state, are hereby fixed to the amounts shown in the Annex hereto.

Article 2

This Regulation shall enter into force on 31 August 2000.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EC) No 1851/2000**of 30 August 2000****fixing the export refunds on rice and broken rice and suspending the issue of export licences**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 3072/95 of 22 December 1995 on the common organisation of the market in rice ⁽¹⁾, as last amended by Regulation (EC) No 1667/2000 ⁽²⁾, and in particular the second subparagraph of Article 13(3) and (15) thereof,

Whereas:

- (1) Article 13 of Regulation (EC) No 3072/95 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund.
- (2) Article 13(4) of Regulation (EC) No 3072/95, provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of rice and broken rice on the Community market on the one hand and prices for rice and broken rice on the world market on the other. The same Article provides that it is also important to ensure equilibrium and the natural development of prices and trade on the rice market and, furthermore, to take into account the economic aspect of the proposed exports and the need to avoid disturbances of the Community market with limits resulting from agreements concluded in accordance with Article 300 of the Treaty.
- (3) Commission Regulation (EEC) No 1361/76 ⁽³⁾ lays down the maximum percentage of broken rice allowed in rice for which an export refund is fixed and specifies the percentage by which that refund is to be reduced where the proportion of broken rice in the rice exported exceeds that maximum.
- (4) Export possibilities exist for a quantity of 11 300 tonnes of rice to certain destinations. The procedure laid down in Article 7(4) of Commission Regulation (EC) No 1162/95 ⁽⁴⁾, as last amended by Regulation (EC) No 1432/1999 ⁽⁵⁾ should be used. Account should be taken of this when the refunds are fixed.
- (5) Article 13(5) of Regulation (EC) No 3072/95 defines the specific criteria to be taken into account when the export refund on rice and broken rice is being calculated.
- (6) The world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination.
- (7) A separate refund should be fixed for packaged long grain rice to accommodate current demand for the product on certain markets.
- (8) The refund must be fixed at least once a month; whereas it may be altered in the intervening period.
- (9) It follows from applying these rules and criteria to the present situation on the market in rice and in particular to quotations or prices for rice and broken rice within the Community and on the world market, that the refund should be fixed as set out in the Annex hereto.
- (10) For the purposes of administering the volume restrictions resulting from Community commitments in the context of the WTO, the issue of export licences with advance fixing of the refund should be restricted.
- (11) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1 of Regulation (EC) No 3072/95 with the exception of those listed in paragraph 1(c) of that Article, exported in the natural state, shall be as set out in the Annex hereto.

Article 2

With the exception of the quantity of 11 300 tonnes provided for in the Annex, the issue of export licences with advance fixing of the refund is suspended.
