**COMMISSION REGULATION (EC) No 2196/2001
of 12 November 2001
on the issue of system B export licences in the fruit and vegetables sector**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Commission Regulation (EC) No 2190/96 of 14 November 1996 on detailed rules for implementing Council Regulation (EC) No 2200/96 as regards export refunds on fruit and vegetables ⁽¹⁾, as last amended by Regulation (EC) No 298/2000 ⁽²⁾, and in particular Article 5(5) thereof,

Whereas:

- (1) Commission Regulation (EC) No 1705/2001 ⁽³⁾ fixes the indicative quantities for system B export licences other than those sought in the context of food aid.
- (2) In the light of the information available to the Commission today, there is a risk that the indicative quantities laid down for the current export period for tomatoes and oranges will shortly be exceeded. This overrun will

prejudice the proper working of the export refund scheme in the fruit and vegetables sector.

- (3) To avoid this situation, applications for system B licences for tomatoes and oranges exported after 12 November 2001 should be rejected until the end of the current export period,

HAS ADOPTED THIS REGULATION:

Article 1

Applications for system B export licences for tomatoes and oranges submitted pursuant to Article 1 of Regulation (EC) No 1705/2001, export declarations for which are accepted after 12 November 2001 and before 16 November 2001, are hereby rejected.

Article 2

This Regulation shall enter into force on 13 November 2001.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

**fixing Community producer and import prices for carnations and roses with a view to the
application of the arrangements governing imports of certain floricultural products originating in
Cyprus, Israel, Jordan, Morocco and the West Bank and the Gaza Strip**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 4088/87 of 21 December 1987 fixing conditions for the application of preferential customs duties on imports of certain flowers originating in Cyprus, Israel, Jordan, Morocco and the West Bank and the Gaza Strip ⁽¹⁾, as last amended by Regulation (EC) No 1300/97 ⁽²⁾, and in particular Article 5(2)(a) thereof,

Whereas:

Pursuant to Article 2(2) and Article 3 of abovementioned Regulation (EEC) No 4088/87, Community import and producer prices are fixed each fortnight for uniflorous (bloom) carnations, multiflorous (spray) carnations, large-flowered roses and small-flowered roses and apply for two-weekly periods. Pursuant to Article 1b of Commission Regulation (EEC) No 700/88 of 17 March 1988 laying down detailed rules for the application of the arrangements for the import into the Community of certain floricultural products originating in Cyprus, Israel, Jordan, Morocco and the West Bank and the

Gaza Strip ⁽³⁾, as last amended by Regulation (EC) No 2062/97 ⁽⁴⁾, those prices are determined for fortnightly periods on the basis of weighted prices provided by the Member States. Those prices should be fixed immediately so the customs duties applicable can be determined. To that end, provision should be made for this Regulation to enter into force immediately,

HAS ADOPTED THIS REGULATION:

Article 1

The Community producer and import prices for uniflorous (bloom) carnations, multiflorous (spray) carnations, large-flowered roses and small-flowered roses as referred to in Article 1b of Regulation (EEC) No 700/88 for a fortnightly period shall be as set out in the Annex.

Article 2

This Regulation shall enter into force on 13 November 2001.

It shall apply from 14 to 27 November 2001.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EC) No 2198/2001
of 12 November 2001
fixing the export refunds on pigmeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organisation of the market in pigmeat⁽¹⁾, as last amended by Regulation (EC) No 1365/2000⁽²⁾, and in particular the second paragraph of Article 13(3) thereof,

Whereas:

(1) Article 13 of Regulation (EEC) No 2759/75 provides that the difference between prices on the world market for the products listed in Article 1(1) of that Regulation and prices for these products within the Community may be covered by an export refund.

(2) It follows from applying these rules and criteria to the present situation on the market in pigmeat that the refund should be fixed as set out below.

(3) In the case of products falling within CN code 0210 19 81, the refund should be limited to an amount which takes account of the qualitative characteristics of each of the products falling within these codes and of the foreseeable trend of production costs on the world market. It is important that the Community should continue to take part in international trade in the case of certain typical Italian products falling within CN code 0210 19 81.

(4) Because of the conditions of competition in certain third countries, which are traditionally importers of products falling within CN codes 1601 00 and 1602, the refund for these products should be fixed so as to take this situation into account. Steps should be taken to ensure

that the refund is granted only for the net weight of the edible substances, to the exclusion of the net weight of the bones possibly contained in the said preparations.

(5) Article 13 of Regulation (EEC) No 2759/75 provides that the world market situation or the specific requirements of certain markets may make it necessary to vary the refund on the products listed in Article 1(1) of Regulation (EEC) No 2759/75 according to destination.

(6) The refunds should be fixed taking account of the amendments to the refund nomenclature established by Commission Regulation (EEC) No 3846/87⁽³⁾, as last amended by Regulation (EC) No 1502/2001⁽⁴⁾.

(7) Refunds should be granted only on products that are allowed to circulate freely within the Community. Therefore, to be eligible for a refund, products should be required to bear the health mark laid down in Council Directive 64/433/EEC⁽⁵⁾, as last amended by Directive 95/23/EC⁽⁶⁾, Council Directive 94/65/EC⁽⁷⁾ and Council Directive 77/99/EEC⁽⁸⁾, as last amended by Directive 97/76/EC⁽⁹⁾.

(8) The Management Committee for Pigmeat has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The list of products on which the export refund specified in Article 13 of Regulation (EEC) No 2759/75 is granted and the amount of the refund shall be as set out in the Annex hereto.

The products concerned must comply with the relevant provisions on health marks laid down in:

- Chapter XI of Annex I to Directive 64/433/EEC,
- Chapter VI of Annex I to Directive 94/65/EC,
- Chapter VI of Annex B to Directive 77/99/EEC.

COMMISSION

COMMISSION DECISION

of 9 November 2001

laying down provisional measures for imports into Portugal of special preferential raw cane sugar for refining during the 2001/02 marketing year*(notified under document number C(2001) 3425)***(Only the Portuguese text is authentic)**

(2001/787/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1260/2001 of 19 June 2001 on the common organisation of the markets in the sugar sector ⁽¹⁾, and in particular Article 39(6) thereof,

Whereas:

- (1) With a view to supplying Community refineries, Article 39(1) of Regulation (EC) No 1260/2001 provides for imports of raw cane sugar at a reduced rate of duty in accordance with the agreements concluded with certain supplier countries and subject to the conditions laid down therein. These sugars are called 'special preferential sugar'.
- (2) The quantities imported under those conditions are intended to cover the Member States' presumed maximum supply needs, as fixed in Article 39(2), that cannot be met by other sources of raw sugar for refining.
- (3) A forecast supply balance for the 2001/02 marketing year indicates such a need that is not covered. This supply shortfall is being felt in the Member States listed in the said Article 39(2) in which sugar refinery activity depends to a great extent on imports of these special preferential sugars. In view of the staggered production of other available sugars and the fixing of contracts relating thereto, an alternative source of supply is not feasible. In the absence of an agreement with the ACP

countries, a break in supply to these Member States is thus inevitable.

- (4) The agreements on imports of special preferential sugar applicable in the 1995/96 to 2000/01 marketing years expired on 30 June 2001. Pending the entry into force of the agreements to cover the period referred to in Article 38(1) of Council Regulation (EC) No 1260/2001 and in order to avoid a break in supply to refineries in certain Community regions, imports of cane sugar should be authorised, in accordance with the Council invitation and after consultation of the supplier countries concerned, under the conditions applying until 30 June 2001 in those Community regions where a supply need has been noted in the forecast supply balance.
- (5) In view of the fact that Commission Decision 2001/656/EC ⁽²⁾ already lays down provisional measures for the first three months of the 2001/02 marketing year, a new measure should be laid down in order to cover Portugal's supply needs for November and December 2001. This measure should only cover sugar of ACP origin for the time being.
- (6) Commission Regulation (EC) No 407/2001 of 28 February 2001 opening a preferential tariff quota in respect of imports of raw cane sugar originating in the ACP States for supply to refineries in the period 1 March to 30 June 2001 ⁽³⁾ should apply for the purposes of fixing the import duty and the minimum purchase price.
- (7) Commission Regulation (EC) No 1916/95 of 2 August 1995 laying down detailed rules for application for the importation under preferential agreements on tariff quotas of raw cane sugar for refining ⁽⁴⁾ should apply to the tariff quota opened by this Decision.
- (8) The measure adopted by this Decision should apply irrespective of any decisions taken subsequently by the Council as regards the agreements covering the period 2001 to 2006 including any adjustments applicable from 1 July 2001.

⁽²⁾ OJ L 231, 29.8.2001, p. 11.

⁽⁴⁾ OJ L 184, 3.8.1995, p. 18.

⁽¹⁾ OJ L 178, 30.6.2001, p. 1.

- (9) The measures provided for in this Decision are in accordance with the opinion of the Management Committee for Sugar,

The relevant provisions of Commission Regulation (EC) No 1916/95 shall apply.

HAS DECIDED AS FOLLOWS:

Article 2

This Decision is addressed to the Republic of Portugal.

Article 1

1. Portugal is hereby authorised to import 38 000 tonnes of raw cane sugar originating in the ACP States listed in Annex VI to Regulation (EC) No 1260/2001 in November and December 2001.

Done at Brussels, 9 November 2001.

This tariff quota shall bear the serial number 09.4097.

2. The import duty and the minimum purchase price applicable under the tariff quota referred to in paragraph 1 shall be those laid down in Regulation (EC) No 407/2001.

COMMISSION DECISION
of 12 November 2001
approving the amended programme of new olive-tree planting in France

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1638/98 of 20 July 1998 amending Regulation No 136/66/EEC on the establishment of a common organisation of the market in oils and fats ⁽¹⁾, and in particular Article 4 thereof,

Having regard to Commission Regulation (EC) No 2366/98 of 30 October 1998 laying down detailed rules for the application of the system of production aid for olive oil for the 1998/1999, 1999/2000 and 2000/01 marketing years ⁽²⁾, as last amended by Regulation (EC) No 648/2001 ⁽³⁾, and in particular Article 4(1) thereof,

Whereas:

- (1) Article 4 of Regulation (EC) No 1638/98 provides that no aid under the common organisation of the market in oils and fats in force from 1 November 2001 may be paid to olive growers in respect of additional olive trees and the relevant areas planted after 1 May 1998 and those not covered by a cultivation declaration at a date to be determined. However, pursuant to the same Article, additional olive trees planted in connection with the conversion of old olive plantations and new plantings on areas covered by programmes approved by the Commission may be taken into account within certain limits to be determined.
- (2) The French national programme of new plantings contains the information specified in Article 4(3) of Regulation (EC) No 2366/98. The French authorities

have amended the programme approved by Commission Decision 2000/272/EC of 24 March 2000 approving the programme of new olive-tree planting in France ⁽⁴⁾. The amendment relates solely to the date of completion of the planting, which is postponed from 31 October 2001 to 31 October 2004.

COMMISSION DECISION

of 12 November 2001

amending for the second time Decision 2001/740/EC concerning certain protection measures with regard to foot-and-mouth disease in the United Kingdom

(notified under document number C(2001) 3634)

(Text with EEA relevance)

(2001/789/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 90/425/EEC of 26 June 1990 concerning veterinary and zootechnical checks applicable in intra-Community trade in certain live animals and products with a view to the completion of the internal market ⁽¹⁾, as last amended by Directive 92/118/EEC ⁽²⁾, and in particular Article 10 thereof,

Having regard to Council Directive 89/662/EEC of 11 December 1989 concerning veterinary checks in intra-Community trade with a view to the completion of the internal market ⁽³⁾, as last amended by Directive 92/118/EEC, and in particular Article 9 thereof,

Whereas:

- (1) Commission Decision 2001/740/EC ⁽⁴⁾, as last amended by Decision 2001/763/EC ⁽⁵⁾, concerns certain protection measures with regard to foot-and-mouth disease in the United Kingdom.
- (2) Certain counties in Great Britain, which are listed in Annex III, have had no outbreak of foot-and-mouth disease during this epidemic, while others have remained free from the disease for more than 3 months. It appears therefore appropriate to enlarge the area from which dispatch of certain meats is authorized, and to include in addition to pig meat also meat from other livestock and from farmed and wild game of species susceptible to foot-and-mouth disease.
- (3) Meat from small ruminants, farmed game and wild game should be allowed from counties that had no outbreak of foot-and-mouth disease during this epidemic, and in addition in the case of meat from wild game, the county of origin should not border directly with a county not included in Annex III.
- (4) Certain livestock holdings situated in areas included in the list in Annex III may wish to restock with animals the origin of which is outside the areas listed in Annex I or Annex II. Such animal transport may pose a potential risk in particular for transport means returning empty

from Great Britain. Therefore provisions are necessary to ensure official control and certification of the cleansing and disinfection of the means of transport.

- (5) The situation shall be reviewed at the meeting of the Standing Veterinary Committee scheduled for 4-5 December 2001 and the measures adapted where necessary.
- (6) The measures provided for in this Decision are in accordance with the opinion of the Standing Veterinary Committee,

HAS ADOPTED THIS DECISION:

Article 1

Decision 2001/740/EC is amended as follows:

1. In the sixth indent of Article 2(2)(d) the word 'slaughter-house' is replaced by the word 'establishment'.
2. Paragraph 1 of Article 13 is replaced by the following:

'1. The United Kingdom shall ensure that no live animals of susceptible species are introduced from other Member States into the parts of its territory listed in Annex I and Annex II.

By derogation to the above provision, the central competent veterinary authorities of the United Kingdom may authorise the introduction of animals of susceptible species into parts of its territory listed in Annex III, under the following conditions:

- (a) such transports of live animals of susceptible species shall be subject to prior authorisation by the competent authorities of the place of dispatch, which must ensure that the transport and port of entry is pre-notified to the central competent veterinary authorities in the United Kingdom at least 3 days in advance;
- (b) vehicles entering the parts of the territory of the United Kingdom listed in Annex I and Annex II shall only do so through designated ports of entry, which shall be communicated in advance by the central competent veterinary authorities of the United Kingdom to the competent authorities of the Member States and the Commission;

⁽⁴⁾ OJ L 277, 20.10.2001, p. 30.

⁽⁵⁾ OJ L 287, 31.10.2001, p. 36.

- (c) when animals of susceptible species are transported by road vehicles outside the parts of the territory of the United Kingdom listed in Annex I and Annex II, each vehicle must contain only a single consignment and that consignment must be taken directly to a single holding of destination situated in the parts of the United Kingdom listed in Annex III, in accordance with the applicable Community and national disease control rules;
- (d) after unloading the animals at the place of destination, and before departing from Great Britain, the empty transport vehicle shall be taken under the terms of the "Great Britain national movement license" to an officially approved facility where arrangements are in place to ensure that the provisions in Article 10(1) are strictly

applied under official supervision, and that the model certificate provided for in Annex IV can be issued.'

3. Annex III is replaced by the Annex I to this Decision.
4. Annex II to this Decision becomes Annex IV.
