COMMISSION REGULATION (EC) No 1096/2002

of 24 June 2002

opening import quotas in respect of special preferential raw cane sugar from the ACP States and India for supply to refineries in the period 1 July 2002 to 28 February 2003

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1260/2001 of 19 June 2001 on the common organisation of the markets in the sugar sector ⁽¹⁾, as amended by Commission Regulation (EC) No 680/2002 ⁽²⁾, and in particular Article 23(2) and Article 39(6) thereof,

Whereas:

- (1) Article 39 of Regulation (EC) No 1260/2001 lays down that, during the 2001/02 to 2005/06 marketing years and in order to ensure adequate supplies to Community refineries, a special reduced duty is to be levied on imports of raw cane sugar originating in States with which the Community has concluded supply arrangements on preferential terms. At present such agreements have been concluded by Council Decision 2001/870/EC ⁽³⁾ with the ACP States party to Protocol No 3 on ACP sugar ⁽⁴⁾ attached to Annex V to the ACP-EC Partnership Agreement, and with the Republic of India.
- (2) The quantities of special preferential sugar to be imported are calculated in accordance with the said Article 39 on the basis of a Community forecast supply balance. The balance indicates the need to import raw sugar and to open for the 2002/03 marketing year tariff quotas at the special reduced rate of duty as provided for in the above agreements so that the Community refineries' supply needs can be met for part of the year. In view of the forecasts for raw cane sugar production which are now available for the 2002/03 marketing year and as a result of the presumed maximum refining needs fixed by Member State and the shortfall resulting from the forecast supply balance, provision should be made to authorise imports for each refining Member State for the period 1 July 2002 to 28 February 2003.
- (3) The agreements concluded by Decision 2001/870/EC lay down that the refiners in question must pay a minimum purchase price equal to the guaranteed price for raw sugar, minus the adjustment aid fixed for the marketing year in question. This minimum price must therefore be fixed by taking account of the factors applying in the 2002/03 marketing year.

- (4) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The following quotas are opened for the period 1 July 2002 to 28 February 2003 pursuant to Decision 2001/870/EC in respect of imports of raw cane sugar for refining falling within CN code 1701 11 10:

- (a) a tariff quota of 173 200 tonnes expressed as white sugar originating in the ACP States covered by that Decision, bearing the serial number 09.4097, and
- (b) a tariff quota of 10 000 tonnes expressed as white sugar originating in India, bearing the serial number 09.4097.

Article 2

1. The special reduced duty per 100 kg of standard-quality raw sugar applying to imports of the quantities referred to in Article 1 shall be EUR 0.

2. The minimum purchase price to be paid by Community refiners for the period referred to in Article 1 shall be EUR 49,68 per 100 kg of standard-quality raw sugar.

Article 3

The following quantities expressed as white sugar may be imported by the Member States under the quotas referred to in Article 1 and on the terms laid down in Article 2(1):

- (a) France 3 000 tonnes;
- (b) Finland 35 000 tonnes;
- (c) mainland Portugal 125 000 tonnes;
- (d) United Kingdom 20 200 tonnes.

Article 4

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities*.

It shall apply from 1 July 2002.

ANNEX I

TERMS AND CONDITIONS FOR SLOVAKIA'S PARTICIPATION IN THE FISCALIS PROGRAMME

1. As stated in Article 7 of Decision No 888/98/EC of the European Parliament and of the Council of 30 March 1998 establishing a programme of Community action to ameliorate the indirect taxation systems of the internal market (Fiscalis programme) ⁽¹⁾, Slovakia's participation in the Fiscalis programme (hereinafter referred to as the 'programme') shall take place in accordance with the conditions laid down in the Europe Agreement, the Additional Protocol and in so far as Community law on indirect taxation so permits. Accordingly, Slovakia's participation in the programme's activities shall take place under the following conditions:
 - activities envisaged by Article 4 (communication and information - exchange systems, manuals and guides) will be allowed in so far as Community indirect taxation provisions make it possible,
 - activities envisaged by Article 5(1) (exchanges of officials) and (2) (seminars) as well as those envisaged by Article 6 (common training initiative) will be allowed under the conditions laid down in these Articles,
 - activities envisaged by Article 5(3) (multilateral controls) will not be allowed, as the Community legal framework for cooperation in this domain, pursuant to Directive 77/799/EEC ⁽²⁾ and Regulation (EEC) No 218/92 ⁽³⁾, is applicable only to countries which are Member States of the European Union.
2. The terms and conditions for the submission, assessment and selection of applications for seminars and exchanges related to officials of Slovakia shall be the same as those applicable to officials of the 15 national administrations of the Member States of the European Union.
3. Annex II establishes the financial contribution to the general budget of the European Union that Slovakia will have to pay at the beginning of every financial year to cover the costs resulting from its participation in the programme, from 2001 to 2002. The Association Committee is entitled to adapt this contribution whenever necessary in accordance with the principles laid down in Article 108(2) of the Europe Agreement between the European Communities and their Member States, of the one part, and Slovakia, of the other part.
4. Representatives of Slovakia will participate, as observers and for the points which concern them, in the Standing Committee on Administrative Cooperation in the Field of Indirect Taxation provided for in Article 11(1) of Decision No 888/98/EC. This Committee shall meet without the presence of representatives of Slovakia for the rest of the points, as well as at the time of voting.
5. The Member States of the European Union and Slovakia will make every effort, within the framework of the existing provisions, to facilitate the free movement and residence of all persons eligible under the programme moving between Slovakia and the EU Member States for the purpose of participating in activities covered by the Decision.
6. Without prejudice to the responsibilities of the Commission of the European Communities and the Court of Auditors of the European Communities in relation to the monitoring and evaluation of the programme pursuant to Decision No 888/98/EC, the participation of Slovakia in the programme will be continuously monitored on a partnership basis involving Slovakia and the Commission. Slovakia will submit the necessary reports to the Commission and take part in other specific activities set out by the Community in that context.
7. The language to be used as regards the application process, contracts, reports to be submitted and other administrative arrangements for the programme, will be one of the official languages of the European Community.
8. The Community and Slovakia may terminate activities under this Decision at any time upon 12 months' notice in writing. Activities in progress at the time of termination shall continue until their completion under the conditions laid down in this Decision.

ANNEX II

SLOVAKIA'S FINANCIAL CONTRIBUTION TO THE FISCALIS PROGRAMME

1. Slovakia's financial contribution will be added to the amount available each year in the general budget of the European Union for commitment appropriations to meet the Commission's financial obligations stemming from work to be carried out for the implementation, management and operation of the Fiscalis programme (hereinafter referred to as the 'programme').
2. The financial contribution has been calculated considering an average daily allowance of EUR 146 and an average travel allowance of EUR 695 representing costs incurred for participating in seminars and exchanges. It is estimated for the calculation of the financial contribution that Slovakia will participate in 15 seminars and 20 exchanges, as an average number of activities per year. The financial contribution may be adjusted at the beginning of each year to take into account the actual number of activities in which Slovakia plans to participate during that year. The adjustment will take place by means of the required call for funds that Slovakia will receive from the Commission, as referred to under point 6.
3. Slovakia's contribution will be EUR 94 984 for every single year of participation, unless determined otherwise within the conditions under point 2. From this sum, an amount of EUR 6 214 will cover supplementary costs of an administrative nature related to the management of the programme by the Commission stemming from Slovakia's participation.
4. Slovakia will pay the annual supplementary costs of an administrative nature referred to under point 3 from its national budget.
5. Slovakia will pay 50 % of the annual remaining cost of its participation from its national budget for the year 2001, 60 % for the year 2002.

Subject to PHARE separate programming procedures, the remaining 50 % will be paid from Slovakia's annual PHARE allocations — subject to the availability of the relevant budgetary appropriations for the year 2001; 40 % for the year 2002. The requested PHARE funds will be transferred to Slovakia by means of a separate Financing Memorandum. Together with the part coming from Slovakia's State budget, these funds will constitute Slovakia's national contribution, out of which it will make payments in response to annual calls for funds from the Commission.

6. The Financial Regulation of 21 December 1977 applicable to the general budget of the European Union ⁽¹⁾ will apply, in particular to the management of Slovakia's contribution.

Upon entry into force of this Decision, the Commission will send to Slovakia one or more call for funds corresponding to its contribution to the costs of the activities for the current year. The contribution will be expressed in euro and paid into a euro bank account of the Commission.

Slovakia will pay its contribution according to the call for funds:

- for the part financed from its national budget, at the latest three months after the call for funds is sent out,
- for the part financed from PHARE, at the latest within a period of 30 days after the corresponding PHARE funds have been sent to the country.

Any delay in the payment of the contribution shall give rise to the payment of interest by Slovakia on the outstanding amount from the due date. The interest rate corresponds to the rate applied by the European Central Bank, on the due date, for its operations in euro, increased by 1,5 percentage points.

7. The daily subsistence allowances are applicable to all participants in the programme and are determined on a country per country basis by the Commission. Slovakia will receive a first budget advance from the Commission at the beginning of every year. A second advance may be paid at the middle of the year depending on the actual participation of Slovakia in the programme activities and on the expected participation for the rest of the year. The Slovak department concerned will use these advances to pay for the travel tickets and daily subsistence allowances for Slovak participants.
8. Travel costs and subsistence costs incurred by representatives and experts of Slovakia for the purposes of taking part as observers in the work of the Committee referred to in point 4 of Annex I shall be reimbursed by the Commission on the same basis as for the Member States of the European Union.
