COUNCIL REGULATION (EC) No 1086/2003**of 18 June 2003**

adopting autonomous and transitional measures concerning the importation of certain processed agricultural products originating in Slovenia and the exportation of certain processed agricultural products to Slovenia

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community and in particular Article 133 thereof,

Having regard to the proposal from the Commission,

Whereas:

(1) Protocol 3 to the Europe Agreement between the European Communities and Slovenia, approved by Decision 1999/144/EC, ECSC, Euratom of the Council and of the Commission of 21 December 1998 on the conclusion of the Europe Agreement establishing an association between the European Communities and their Member States, acting within the framework of the European Union, of the one part, and the Republic of Slovenia, of the other part ⁽¹⁾, provides for tariff concessions for processed agricultural products originating in Slovenia. Protocol 3 was amended by Decision No 5/2001 of the EU-Slovenia Association Council ⁽²⁾.

(2) A trade agreement has recently been concluded which amends Decision No 5/2001. The agreement aims to improve economic convergence in preparation for accession of Slovenia to the European Union and is scheduled to enter into force not later than 1 July 2003. On the Community side that agreement lays down concessions in the form of completed liberalisation of trade for certain processed agricultural products and duty free quotas for others. For imports outside of those quotas the provisions laid down in Protocol 3 continue to apply.

(3) The procedure for adopting a decision to amend Decision No 5/2001 will not be completed in time for it to enter into force on 1 July 2003. It is therefore necessary to provide for the application of the tariff concessions made to Slovenia on an autonomous basis as from 1 July 2003.

(4) For the imports of certain processed agricultural products no customs duties should be applied and for others duty free quotas should be opened.

(5) Commission Regulation (EC) No 2057/2001 of 19 October 2001 on the opening of tariff quotas applicable to Community imports of certain processed agricultural products originating in Slovenia ⁽³⁾ should continue to apply for certain goods covered by Protocol 3 but not listed in this Regulation.

(6) On processed agricultural products covered by Protocol 3 but not listed in this Regulation or for which the quotas opened by this Regulation are exhausted the provisions laid down in Protocol 3 should continue to apply.

(7) Processed agricultural products not covered by Annex I to the Treaty which are exported to Slovenia should not be eligible for export refunds under Commission Regulation (EC) No 1520/2000 of 13 July 2000 laying down common detailed rules for the application of the system of granting export refunds on certain agricultural products exported in the form of goods not covered by Annex I to the Treaty, and the criteria for fixing the amount of such refunds ⁽⁴⁾.

(8) Commission Regulation (EEC) No 2454/93 of 2 July 1993 laying down provisions for the implementation of Council Regulation (EEC) No 2913/92 establishing the Community Customs Code ⁽⁵⁾ provides for a system for managing tariff quotas. The tariff quotas opened by this Regulation should be managed by the Community authorities and the Member States in accordance with that system.

- (9) The measures necessary to implement this Regulation should be adopted in accordance with Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission ⁽¹⁾,

Article 5

Regulation (EC) No 2057/2001 shall continue to apply for the tariff quota opened under Order No 09.1758 for products with CN code 2001 90 96.

The Commission may suspend the measures provided for in Articles 1, 2 and 3 in case of non-application of the reciprocal preferences agreed by Slovenia, in accordance with the procedure referred to in Article 8(2).

Article 2

1. Imports into the Community of processed agricultural products originating in Slovenia listed in Annex II shall be exempted from customs duties and charges having equivalent effect, at the levels and within the limits of the annual Community tariff quotas set out in that Annex.

Article 8

1. The Commission shall be assisted by the Committee referred to in Article 16 of Council Regulation (EC) No 3448/93 of 6 December 1993 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products ⁽²⁾, hereinafter referred to as 'the Committee'.

The period laid down in Article 4(3) of Decision 1999/468/EC shall be set at one month.

3. The Committee shall adopt its Rules of Procedure.

Article 4

For processed agricultural products which are not covered by Annex I and Annex II or for which the quotas referred to in Annex II are exhausted, the provisions laid down in Protocol 3 shall continue to apply.

Article 9

This Regulation shall enter into force on the third day following that of its publication in the *Official Journal of the European Union*.

It shall apply as from 1 July 2003.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 18 June 2003.

COUNCIL REGULATION (EC) No 1087/2003**of 18 June 2003****adopting autonomous and transitional measures concerning the importation of certain processed agricultural products originating in Latvia and the exportation of certain processed agricultural products to Latvia**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community and in particular Article 133 thereof,

Having regard to the proposal from the Commission,

Whereas:

(1) Protocol 2 to the Europe Agreement between the European Communities and Latvia, approved by Decision 98/98/EC, ECSC, Euratom of the Council and the Commission of 19 December 1997 on the conclusion of the Europe Agreement establishing an association between the European Communities and their Member States, of the one part, and the Republic of Latvia of the other part ⁽¹⁾, provides for tariff concessions for processed agricultural products originating in Latvia. Protocol 2 was amended by the Protocol adjusting trade aspects of the Europe Agreement with Latvia, hereinafter referred to as the 'Adjusting Protocol', approved by Council Decision 1999/790/EC ⁽²⁾, and by Decision No 7/2001 of the EU-Latvia Association Council ⁽³⁾.

(2) A trade agreement has recently been concluded which amends the Adjusting Protocol. The Agreement aims to improve economic convergence in preparation for the accession of Latvia to the European Union and is scheduled to enter into force not later than 1 July 2003. On the Community side that agreement lays down concessions in the form of complete liberalisation of trade for certain processed agricultural products.

(3) The procedure for adopting a decision to amend the Adjusting Protocol will not be completed in time for it to enter into force on 1 July 2003. It is therefore necessary to provide for the application of the tariff concessions made to Latvia on an autonomous basis from 1 July 2003.

(4) On processed agricultural products covered by Protocol 2 but not listed in this Regulation the provisions laid down in Protocol 2 should continue to apply.

(5) For the importation of certain processed agricultural products no customs duties should be applied.

(6) Processed agricultural products not covered by Annex I to the Treaty should not be eligible for export refunds under Commission Regulation (EC) No 1520/2000 of 13 July 2000 laying down common detailed rules for the application of the system of granting export refunds on certain agricultural products exported in the form of goods not covered by Annex I to the Treaty, and the criteria for fixing the amount of such refunds ⁽⁴⁾.

(7) The measures necessary to implement this Regulation should be adopted in accordance with Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission ⁽⁵⁾,

HAS ADOPTED THIS REGULATION:

Article 1

From 1 July 2003 no customs duties shall be applied on imports of processed agricultural products originating in Latvia listed in the Annex.

Article 2

Processed agricultural products not listed in Annex I to the Treaty which are exported to Latvia shall not be eligible for export refunds under Regulation (EC) No 1520/2000.

⁽⁵⁾ OJ L 184, 17.7.1999, p. 23.

Article 3

For processed agricultural products which are not covered by Annex I, the provisions laid down in Protocol 2 shall apply.

Article 4

The Commission may suspend the measures provided for in Articles 1 and 2 in case of non-application of the reciprocal preferences agreed by Latvia in accordance with the procedure referred to in Article 5(2).

Article 5

1. The Commission shall be assisted by the Committee referred to in Article 16 of Council Regulation (EC) No

3448/93 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products ⁽¹⁾, hereinafter referred to as 'the Committee'.

2. Where reference is made to this paragraph, Articles 4 and 7 of Decision 1999/468/EC shall apply.

COUNCIL REGULATION (EC) No 1089/2003**of 18 June 2003****adopting autonomous and transitional measures concerning the importation of certain processed agricultural products originating in the Slovak Republic and the exportation of certain processed agricultural products to the Slovak Republic**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community and in particular Article 133 thereof,

Having regard to the proposal from the Commission,

Whereas:

- (1) Protocol 3 to the Europe Agreement between the European Communities and the Slovak Republic, approved by Decision 94/909/EC, ECSC, Euratom of the Council and the Commission of 19 December 1994 concerning the conclusion of a Europe Agreement establishing an association between the European Communities and their Member States, of the one part, and the Slovak Republic, of the other part ⁽¹⁾, provides for tariff concessions for processed agricultural products originating in the Slovak Republic. Protocol 3 was amended by the Protocol for the adaptation of trade aspects of the Europe Agreement with the Slovak Republic ⁽²⁾, hereinafter referred to as the 'Adaptation Protocol', which was approved by Council Decision 98/638/EC ⁽³⁾.
- (2) A trade agreement has been concluded, which amends Protocol 3. The agreement aims to improve economic convergence in preparation for the accession of the Slovak Republic to the European Union and is scheduled to enter into force no later than 1 June 2003. On the Community side that agreement lays down concessions in the form of complete liberalisation of trade for certain processed agricultural products and duty-free quotas for others. For imports outside of those quotas the provisions laid down in Protocol 3 continue to apply.
- (3) The procedure for adopting a decision to amend the Adaptation Protocol will not be completed in time for its entry into force on 1 July 2003. It is therefore necessary to provide for the application of the tariff concessions made to the Slovak Republic on an autonomous basis as from 1 July 2003.
- (4) For the importation of certain agricultural products no customs duties should be applied and for others duty-free quotas should be opened.
- (5) Commission Regulation (EC) No 2359/2002 of 27 December 2002 on the opening of tariff quotas for the year 2003 for imports into the European Community of certain products originating in the Czech Republic, Romania and Slovakia ⁽⁴⁾ should continue to apply for certain goods covered by Protocol 3 but not listed in this Regulation.
- (6) On processed agricultural products covered by Protocol 3 but not listed in this Regulation or for which the quotas opened by this Regulation are exhausted, the trade provision laid down in Protocol 3 should continue to apply.
- (7) Processed agricultural products not covered by Annex I to the Treaty should not be eligible for export refunds under Commission Regulation (EC) No 1520/2000 of 13 July 2000 laying down common detailed rules for the application of the system of granting export refunds on certain agricultural products exported in the form of goods not covered by Annex I to the Treaty, and the criteria for fixing the amount of such refunds ⁽⁵⁾.
- (8) Commission Regulation (EEC) No 2454/93 of 2 July 1993 laying down provisions for the implementation of Council Regulation (EEC) No 2913/92 establishing the Community Customs Code ⁽⁶⁾ provides for a system for managing tariff quotas. The tariff quotas opened by this Regulation should be managed by the Community authorities and the Member States in accordance with that system.

COUNCIL REGULATION (EC) No 1090/2003**of 18 June 2003****adopting autonomous and transitional measures concerning the importation of certain processed agricultural products originating in the Czech Republic and the exportation of certain processed agricultural products to the Czech Republic**

THE COUNCIL OF THE EUROPEAN UNION,

concessions made to the Czech Republic on an autonomous basis as from 1 July 2003.

Having regard to the Treaty establishing the European Community and in particular Article 133 thereof,

- (4) For the imports of certain processed agricultural products no customs duties should be applied and for others duty-free quotas should be opened.

Having regard to the proposal from the Commission,

Whereas:

- (1) Protocol 3 to the Europe Agreement between the European Communities and the Czech Republic, approved by Decision 94/910/EC, ECSC, Euratom of the Council and the Commission of 19 December 1994 concerning the conclusion of a Europe Agreement establishing an association between the European Communities and their Member States, of the one part, and the Czech Republic on the other part ⁽¹⁾, provides for tariff concessions for processed agricultural products originating in the Czech Republic. Protocol 3 was amended by the Protocol for the adaptation of trade aspects of the Europe Agreement with the Czech Republic ⁽²⁾, hereinafter referred to as the 'Adaptation Protocol', which was approved by Council Decision 98/707/EC ⁽³⁾.

- (5) Commission Regulation (EC) No 2359/2002 of 27 December 2002 opening tariff quotas for the year 2003 for imports into the European Community of certain products originating in the Czech Republic, Romania and Slovakia ⁽⁴⁾ should continue to apply for certain goods covered by Protocol 3 but not listed in this Regulation.

- (2) A trade agreement has recently been concluded which amends Protocol 3. It aims to improve economic convergence in preparation for accession of the Czech Republic to the European Union and is scheduled to enter into force not later than 1 July 2003. On the Community side that agreement lays down tariff concessions in the form of a complete liberalisation of trade for certain processed agricultural products and duty free quotas for others. For imports outside of those quotas the provisions laid down in Protocol 3 continue to apply.

- (6) On processed agricultural products covered by Protocol 3 but not listed in this Regulation or for which the quotas opened by this Regulation are exhausted the trade provision laid down by Protocol 3 should continue to apply.

- (3) The procedure for adopting a decision to amend the Adaptation Protocol will not be completed in time for it to enter into force on 1 July 2003. It is therefore necessary to provide for the application of the tariff

- (7) Processed agricultural products not covered by Annex I to the Treaty should not be eligible for export refunds under Commission Regulation (EC) No 1520/2000 of 13 July 2000 laying down common detailed rules for the application of the system of granting export refunds on certain agricultural products exported in the form of goods not covered by Annex I to the Treaty, and the criteria for fixing the amount of such refunds ⁽⁵⁾.

- (8) Commission Regulation (EEC) No 2454/93 of 2 July 1993 laying down provisions for the implementation of Council Regulation (EEC) No 2913/92 establishing the Community Customs Code ⁽⁶⁾ provides for a system for managing tariff quotas. The tariff quotas opened by this regulation should be managed by the Community authorities and the Member States in accordance with this system.

⁽⁵⁾ OJ L 177, 15.7.2000, p. 1. Regulation as last amended by Regulation (EC) No 740/2003 (OJ L 106, 29.4.2003, p. 12).
