COMMISSION REGULATION (EC) No 1368/2004**of 29 July 2004****fixing the rates of the refunds applicable to certain milk products exported in the form of goods not covered by Annex I to the Treaty**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1255/1999 of 15 May 1999 on the common organisation of the market in milk and milk products⁽¹⁾, and in particular Article 31(3) thereof,

Whereas:

(1) Article 31(1) of Regulation (EC) No 1255/1999 provides that the difference between prices in international trade for the products listed in Article 1(a), (b), (c), (d), (e), and (g) of that Regulation and prices within the Community may be covered by an export refund. Commission Regulation (EC) No 1520/2000 of 13 July 2000 laying down common implementing rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex I to the Treaty, and criteria for fixing the amount of such refunds⁽²⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex II to Regulation (EC) No 1255/1999.

(2) In accordance with the first subparagraph of Article 4(1) of Regulation (EC) No 1520/2000, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month.

(3) However in the case of certain milk products exported in the form of goods not covered by Annex I to the Treaty, there is a danger that, if high refund rates are fixed in advance, the commitments entered into in relation to those refunds may be jeopardised. In order to avert that danger, it is therefore necessary to take appropriate precautionary measures, but without precluding the conclusion of long-term contracts. The fixing of specific refund rates for the advance fixing of refunds in respect of those products should enable those two objectives to be met.

(4) Article 4(3) of Regulation (EC) No 1520/2000 provides that, when the rate of the refund is being fixed, account should be taken, where necessary, of production refunds, aids or other measures having equivalent effect applicable

in all Member States in accordance with the Regulation on the common organisation of the market in the product in question to the basic products listed in Annex A to Regulation (EC) No 1520/2000 or to assimilated products.

(5) Article 12(1) of Regulation (EC) No 1255/1999 provides for the payment of aid for Community-produced skimmed milk processed into casein if such milk and the casein manufactured from it fulfil certain conditions.

(6) Commission Regulation (EC) No 2571/97 of 15 December 1997 on the sale of butter at reduced prices and the granting of aid for cream, butter and concentrated butter for use in the manufacture of pastry products, ice cream and other foodstuffs⁽³⁾, lays down that butter and cream at reduced prices should be made available to industries which manufacture certain goods.

(7) It is necessary to ensure continuity of strict management taking account of expenditure forecasts and funds available in the budget.

(8) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Milk and Milk Products,

HAS ADOPTED THIS REGULATION:

Article 1

The rates of the refunds applicable to the basic products appearing in Annex A to Regulation (EC) No 1520/2000 and listed in Article 1 of Regulation (EC) No 1255/1999, and exported in the form of goods listed in Annex II to Regulation (EC) No 1255/1999 shall, in respect of the products listed in the Annex to this Regulation, be fixed in accordance with that Annex.

Article 2

This Regulation shall enter into force on 30 July 2004.

COMMISSION REGULATION (EC) No 1369/2004**of 29 July 2004****fixing the rates of the refunds applicable to certain cereal and rice products exported in the form of goods not covered by Annex I to the Treaty**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1784/2003 of 29 September 2003 on the common organisation of the market in cereals⁽¹⁾, and in particular Article 13(3) thereof,

Having regard to Council Regulation (EC) No 3072/95 of 22 December 1995 on the common organisation of the market in rice⁽²⁾, and in particular Article 13(3) thereof,

Whereas:

- (1) Article 13(1) of Regulation (EC) No 1784/2003 and Article 13(1) of Regulation (EC) No 3072/95 provide that the difference between quotations of prices on the world market for the products listed in Article 1 of each of those Regulations and the prices within the Community may be covered by an export refund.
- (2) Commission Regulation (EC) No 1520/2000 of 13 July 2000 laying down common implementing rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex I to the Treaty, and the criteria for fixing the amount of such refunds⁽³⁾, specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex III to Regulation (EC) No 1784/2003 or in Annex B to Regulation (EC) No 3072/95 as appropriate.
- (3) In accordance with the first subparagraph of Article 4(1) of Regulation (EC) No 1520/2000, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month.
- (4) The commitments entered into with regard to refunds which may be granted for the export of agricultural products contained in goods not covered by Annex I to the Treaty may be jeopardised by the fixing in advance of high refund rates. It is therefore necessary to take precautionary measures in such situations without, however, preventing the conclusion of long-term contracts. The fixing of a specific refund rate for the advance fixing of refunds is a measure which enables these various objectives to be met.

(5) Taking into account the settlement between the European Community and the United States of America on Community exports of pasta products to the United States, approved by Council Decision 87/482/EEC⁽⁴⁾, it is necessary to differentiate the refund on goods falling within CN codes 1902 11 00 and 1902 19 according to their destination.

(6) Pursuant to Article 4(3) and (5) of Regulation (EC) No 1520/2000, a reduced rate of export refund has to be fixed, taking account of the amount of the production refund applicable, pursuant to Council Regulation (EEC) No 1722/93⁽⁵⁾, for the basic product in question, used during the assumed period of manufacture of the goods.

(7) Spirituous beverages are considered less sensitive to the price of the cereals used in their manufacture. However, Protocol 19 to the Act of Accession of the United Kingdom, Ireland and Denmark provides that the necessary measures must be decided to facilitate the use of Community cereals in the manufacture of spirituous beverages obtained from cereals. Accordingly, it is necessary to adapt the refund rate applying to cereals exported in the form of spirituous beverages.

(8) It is necessary to ensure continuity of strict management taking account of expenditure forecasts and funds available in the budget.

(9) The Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The rates of the refunds applicable to the basic products listed in Annex A to Regulation (EC) No 1520/2000 and listed either in Article 1 of Regulation (EC) No 1784/2003 or in Article 1(1) of Regulation (EC) No 3072/95, exported in the form of goods listed in Annex III to Regulation (EC) No 1784/2003 or in Annex B to Regulation (EC) No 3072/95 respectively, are fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EC) No 1370/2004**of 29 July 2004****fixing the rates of refunds applicable to certain products from the sugar sector exported in the form of goods not covered by Annex I to the Treaty**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1260/2001 of 19 June 2001 on the common organisation of the market in sugar⁽¹⁾, and in particular Article 27(5)(a) and (15),

Whereas:

- (1) Article 27(1) and (2) of Regulation (EEC) No 1260/2001 provides that the differences between the prices in international trade for the products listed in Article 1(1)(a), (c), (d), (f), (g) and (h) of that Regulation and prices within the Community may be covered by an export refund where these products are exported in the form of goods listed in Annex V to that Regulation. Commission Regulation (EC) No 1520/2000 of 13 July 2000 laying down common implementing rules for granting export refunds on certain agricultural products exported in the form of goods not covered by Annex I to the Treaty and the criteria for fixing the amount of such refunds⁽²⁾ specifies the products for which a rate of refund should be fixed, to be applied where these products are exported in the form of goods listed in Annex I to Regulation (EC) No 1260/2001.
- (2) In accordance with Article 4(1) of Regulation (EC) No 1520/2000, the rate of the refund per 100 kilograms for each of the basic products in question must be fixed for each month.
- (3) Article 27(3) of Regulation (EC) No 1260/2001 and Article 11 of the Agreement on Agriculture concluded under the Uruguay Round lay down that the export

refund for a product contained in a good may not exceed the refund applicable to that product when exported without further processing.

- (4) The refunds fixed under this Regulation may be fixed in advance as the market situation over the next few months cannot be established at the moment.
- (5) The commitments entered into with regard to refunds which may be granted for the export of agricultural products contained in goods not covered by Annex I to the Treaty may be jeopardised by the fixing in advance of high refund rates. It is therefore necessary to take precautionary measures in such situations without, however, preventing the conclusion of long-term contracts. The fixing of a specific refund rate for the advance fixing of refunds is a measure which enables these various objectives to be met.
- (6) It is necessary to ensure continuity of strict management taking account of expenditure forecasts and funds available in the budget.
- (7) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EC) No 1374/2004**of 29 July 2004****fixing the export refunds on white sugar and raw sugar exported in its unaltered state**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1260/2001 of 19 June 2001 on the common organisation of the markets in the sugar sector⁽¹⁾, and in particular the second subparagraph of Article 27(5) thereof,

Whereas:

- (1) Article 27 of Regulation (EC) No 1260/2001 provides that the difference between quotations or prices on the world market for the products listed in Article 1(1)(a) of that Regulation and prices for those products within the Community may be covered by an export refund.
- (2) Regulation (EC) No 1260/2001 provides that when refunds on white and raw sugar, undenatured and exported in its unaltered state, are being fixed account must be taken of the situation on the Community and world markets in sugar and in particular of the price and cost factors set out in Article 28 of that Regulation. The same Article provides that the economic aspect of the proposed exports should also be taken into account.
- (3) The refund on raw sugar must be fixed in respect of the standard quality. The latter is defined in Annex I, point II, to Regulation (EC) No 1260/2001. Furthermore, this refund should be fixed in accordance with Article 28(4) of that Regulation. Candy sugar is defined in Commission Regulation (EC) No 2135/95 of 7 September 1995 laying down detailed rules of application for the grant of export refunds in the sugar sector⁽²⁾. The refund thus calculated for sugar containing added flavouring or colouring matter must apply to their sucrose content and, accordingly, be fixed per 1 % of the said content.
- (4) In special cases, the amount of the refund may be fixed by other legal instruments.

- (5) The refund must be fixed every two weeks. It may be altered in the intervening period.
- (6) The first subparagraph of Article 27(5) of Regulation (EC) No 1260/2001 provides that refunds on the products referred to in Article 1 of that Regulation may vary according to destination, where the world market situation or the specific requirements of certain markets make this necessary.
- (7) The significant and rapid increase in preferential imports of sugar from the western Balkan countries since the start of 2001 and in exports of sugar to those countries from the Community seems to be highly artificial.
- (8) To prevent any abuse through the re-import into the Community of sugar products in receipt of an export refund, no refund should be set for all the countries of the western Balkans for the products covered by this Regulation.
- (9) In view of the above and of the present situation on the market in sugar, and in particular of the quotations or prices for sugar within the Community and on the world market, refunds should be set at the appropriate amounts.
- (10) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1(1)(a) of Regulation (EC) No 1260/2001, undenatured and exported in the natural state, are hereby fixed to the amounts shown in the Annex hereto.

Article 2

This Regulation shall enter into force on 30 July 2004.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION REGULATION (EC) No 1375/2004**of 29 July 2004****fixing the export refunds on syrups and certain other sugar products exported in the natural state**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1260/2001 of 19 June 2001 on the common organisation of the markets in the sugar sector⁽¹⁾, and in particular the second subparagraph of Article 27(5) thereof,

Whereas:

- (1) Article 27 of Regulation (EC) No 1260/2001 provides that the difference between quotations or prices on the world market for the products listed in Article 1(1)(d) of that Regulation and prices for those products within the Community may be covered by an export refund.
- (2) Article 3 of Commission Regulation (EC) No 2135/95 of 7 September 1995 laying down detailed rules of application for the grant of export refunds in the sugar sector⁽²⁾, provides that the export refund on 100 kilograms of the products listed in Article 1(1)(d) of Regulation (EC) No 1260/2001 is equal to the basic amount multiplied by the sucrose content, including, where appropriate, other sugars expressed as sucrose; the sucrose content of the product in question is determined in accordance with Article 3 of Commission Regulation (EC) No 2135/95.
- (3) Article 30(3) of Regulation (EC) No 1260/2001 provides that the basic amount of the refund on sorbose exported in the natural state must be equal to the basic amount of the refund less one hundredth of the production refund applicable, pursuant to Commission Regulation (EC) No 1265/2001 of 27 June 2001 laying down detailed rules for the application of Council Regulation (EC) No 1260/2001 as regards granting the production refund on certain sugar products used in the chemical industry⁽³⁾, to the products listed in the Annex to the last mentioned Regulation.
- (4) According to the terms of Article 30(1) of Regulation (EC) No 1260/2001, the basic amount of the refund on the other products listed in Article 1(1)(d) of the said Regulation exported in the natural state must be equal to one-hundredth of an amount which takes account, on the one hand, of the difference between

the intervention price for white sugar for the Community areas without deficit for the month for which the basic amount is fixed and quotations or prices for white sugar on the world market and, on the other, of the need to establish a balance between the use of Community basic products in the manufacture of processed goods for export to third countries and the use of third country products brought in under inward-processing arrangements.

- (5) According to the terms of Article 30(4) of Regulation (EC) No 1260/2001, the application of the basic amount may be limited to some of the products listed in Article 1(1)(d) of the said Regulation.
- (6) Article 27 of Regulation (EC) No 1260/2001 makes provision for setting refunds for export in the natural state of products referred to in Article 1(1)(f) and (g) and (h) of that Regulation; the refund must be fixed per 100 kilograms of dry matter, taking account of the export refund for products falling within CN code 1702 30 91 and for products referred to in Article 1(1)(d) of Regulation (EC) No 1260/2001 and of the economic aspects of the intended exports; in the case of the products referred to in the said Article 1(1)(f) and (g), the refund is to be granted only for products complying with the conditions in Article 5 of Regulation (EC) No 2135/95; for the products referred to in Article 1(1)(h), the refund shall be granted only for products complying with the conditions in Article 6 of Regulation (EC) No 2135/95.
- (7) The abovementioned refunds must be fixed every month; they may be altered in the intervening period.
- (8) The first subparagraph of Article 27(5) of Regulation (EC) No 1260/2001 provides that refunds on the products referred to in Article 1 of that Regulation may vary according to destination, where the world market situation or the specific requirements of certain markets make this necessary.
- (9) The significant and rapid increase in preferential imports of sugar from the western Balkan countries since the start of 2001 and in exports of sugar to those countries from the Community seems to be highly artificial in nature.

⁽¹⁾ OJ L 178, 30.6.2001, p. 1. Regulation as amended by Commission Regulation (EC) No 39/2004 (OJ L 6, 10.1.2004, p. 6).

⁽³⁾ OJ L 178, 30.6.2001, p. 63.

- (10) In order to prevent any abuses associated with the reimportation into the Community of sugar sector products that have qualified for export refunds, refunds for the products covered by this Regulation should not be fixed for all the countries of the western Balkans.
- (11) In view of the above, refunds for the products in question should be fixed at the appropriate amounts.
- (12) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

COMMISSION REGULATION (EC) No 1377/2004**of 29 July 2004****fixing the export refunds on products processed from cereals and rice**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1784/2003 of 29 September 2003 on the common organisation of the market in cereals⁽¹⁾, and in particular Article 13(3) thereof,

Having regard to Council Regulation (EC) No 3072/95 of 22 December 1995 on the common organisation of the market in rice⁽²⁾, and in particular Article 13(3) thereof,

Whereas:

(1) Article 13 of Regulation (EC) No 1784/2003 and Article 13 of Regulation (EC) No 3072/95 provide that the difference between quotations or prices on the world market for the products listed in Article 1 of those Regulations and prices for those products within the Community may be covered by an export refund.

(2) Article 13 of Regulation (EC) No 3072/95 provides that when refunds are being fixed account must be taken of the existing situation and the future trend with regard to prices and availabilities of cereals, rice and broken rice on the Community market on the one hand and prices for cereals, rice, broken rice and cereal products on the world market on the other. The same Articles provide that it is also important to ensure equilibrium and the natural development of prices and trade on the markets in cereals and rice and, furthermore, to take into account the economic aspect of the proposed exports, and the need to avoid disturbances on the Community market.

(3) Article 4 of Commission Regulation (EC) No 1518/95⁽³⁾ on the import and export system for products processed from cereals and from rice defines the specific criteria to be taken into account when the refund on these products is being calculated.

(4) The refund to be granted in respect of certain processed products should be graduated on the basis of the ash, crude fibre, tegument, protein, fat and starch content of

the individual product concerned, this content being a particularly good indicator of the quantity of basic product actually incorporated in the processed product.

(5) There is no need at present to fix an export refund for manioc, other tropical roots and tubers or flours obtained therefrom, given the economic aspect of potential exports and in particular the nature and origin of these products. For certain products processed from cereals, the insignificance of Community participation in world trade makes it unnecessary to fix an export refund at the present time.

(6) The world market situation or the specific requirements of certain markets may make it necessary to vary the refund for certain products according to destination.

(7) The refund must be fixed once a month. It may be altered in the intervening period.

(8) Certain processed maize products may undergo a heat treatment following which a refund might be granted that does not correspond to the quality of the product; whereas it should therefore be specified that on these products, containing pregelatinised starch, no export refund is to be granted.

(9) The Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

Article 1

The export refunds on the products listed in Article 1(1)(d) of Regulation (EC) No 1784/2003 and in Article 1(1)(c) of Regulation (EC) No 3072/95 and subject to Regulation (EC) No 1518/95 are hereby fixed as shown in the Annex to this Regulation.

COMMISSION REGULATION (EC) No 1378/2004
of 29 July 2004
fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1784/2003 of 29 september 2003 on the common organisation of the market in cereals⁽¹⁾, and in particular Article 13(3) thereof,

Whereas:

- (1) Article 13 of Regulation (EC) No 1784/2003 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund.
- (2) Commission Regulation (EC) No 1517/95 of 29 June 1995 laying down detailed rules for the application of Regulation (EC) No 1784/2003 as regards the arrangements for the export and import of compound feedingstuffs based on cereals and amending Regulation (EC) No 1162/95 laying down special detailed rules for the application of the system of import and export licences for cereals and rice⁽²⁾ in Article 2 lays down general rules for fixing the amount of such refunds.
- (3) That calculation must also take account of the cereal products content. In the interest of simplification, the refund should be paid in respect of two categories of 'cereal products', namely for maize, the most commonly used cereal in exported compound feeds

and maize products, and for 'other cereals', these being eligible cereal products excluding maize and maize products. A refund should be granted in respect of the quantity of cereal products present in the compound feedingstuff.

- (4) Furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to avoid disturbances on the Community market and the economic aspect of the export.
- (5) The current situation on the cereals market and, in particular, the supply prospects mean that the export refunds should be abolished.
- (6) The Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

COMMISSION REGULATION (EC) No 1383/2004
of 29 July 2004
fixing the export refunds on milk and milk products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1255/1999 of 17 May 1999 on the common organisation of the market in milk and milk products⁽¹⁾, and in particular Article 31(3) thereof,

Whereas:

(1) Article 31 of Regulation (EC) No 1255/1999 provides that the difference between prices in international trade for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund within the limits resulting from agreements concluded in accordance with Article 300 of the Treaty.

(2) Regulation (EC) No 1255/1999 provides that when the refunds on the products listed in Article 1 of the above-mentioned Regulation, exported in the natural state, are being fixed, account must be taken of:

— the existing situation and the future trend with regard to prices and availabilities of milk and milk products on the Community market and prices for milk and milk products in international trade,

— marketing costs and the most favourable transport charges from Community markets to ports or other points of export in the Community, as well as costs incurred in placing the goods on the market of the country of destination,

— the aims of the common organisation of the market in milk and milk products which are to ensure equilibrium and the natural development of prices and trade on this market,

— the limits resulting from agreements concluded in accordance with Article 300 of the Treaty, and

— the need to avoid disturbances on the Community market, and

— the economic aspect of the proposed exports.

(3) Article 31(5) of Regulation (EC) No 1255/1999 provides that when prices within the Community are being determined account should be taken of the ruling

prices which are most favourable for exportation, and that when prices in international trade are being determined particular account should be taken of:

(a) prices ruling on third-country markets;

(b) the most favourable prices in third countries of destination for third-country imports;

(c) producer prices recorded in exporting third countries, account being taken, where appropriate, of subsidies granted by those countries; and

(d) free-at-Community-frontier offer prices.

(4) Article 31(3) of Regulation (EC) No 1255/1999 provides that the world market situation or the specific requirements of certain markets may make it necessary to vary the refund on the products listed in Article 1 of the abovementioned Regulation according to destination.

(5) Article 31(3) of Regulation (EC) No 1255/1999 provides that the list of products on which export refunds are granted and the amount of such refunds should be fixed at least once every four weeks; the amount of the refund may, however, remain at the same level for more than four weeks.

(6) In accordance with Article 16 of Commission Regulation (EC) No 174/1999 of 26 January 1999 on specific detailed rules for the application of Council Regulation (EC) No 804/68 as regards export licences and export refunds on milk and milk products⁽²⁾, the refund granted for milk products containing added sugar is equal to the sum of the two components; one is intended to take account of the quantity of milk products and is calculated by multiplying the basic amount by the milk products content in the product concerned; the other is intended to take account of the quantity of added sucrose and is calculated by multiplying the sucrose content of the entire product by the basic amount of the refund valid on the day of exportation for the products listed in Article 1(1)(d) of Council Regulation (EC) No 1260/2001 of 19 June 2001 on the common organisation of the markets in the sugar sector⁽³⁾, however, this second component is applied only if the added sucrose has been produced using sugar beet or cane harvested in the Community.

- (7) Commission Regulation (EEC) No 896/84⁽¹⁾ laid down additional provisions concerning the granting of refunds on the change from one milk year to another; those provisions provide for the possibility of varying refunds according to the date of manufacture of the products.
- (8) For the calculation of the refund for processed cheese provision must be made where casein or caseinates are added for that quantity not to be taken into account.
- (9) It follows from applying the rules set out above to the present situation on the market in milk and in particular to quotations or prices for milk products within the Community and on the world market that the refund should be as set out in the Annex to this Regulation.
