COMMISSION REGULATION (EC) No 1368/2005
of 19 August 2005
determining the world market price for unginned cotton

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Protocol 4 on cotton, annexed to the Act of Accession of Greece, as last amended by Council Regulation (EC) No 1050/2001 ⁽¹⁾,

Having regard to Council Regulation (EC) No 1051/2001 of 22 May 2001 on production aid for cotton ⁽²⁾, and in particular Article 4 thereof,

Whereas:

- (1) In accordance with Article 4 of Regulation (EC) No 1051/2001, a world market price for unginned cotton is to be determined periodically from the price for ginned cotton recorded on the world market and by reference to the historical relationship between the price recorded for ginned cotton and that calculated for unginned cotton. That historical relationship has been established in Article 2(2) of Commission Regulation (EC) No 1591/2001 of 2 August 2001 laying down detailed rules for applying the cotton aid scheme ⁽³⁾. Where the world market price cannot be determined in this way, it is to be based on the most recent price determined.
- (2) In accordance with Article 5 of Regulation (EC) No 1051/2001, the world market price for unginned

cotton is to be determined in respect of a product of specific characteristics and by reference to the most favourable offers and quotations on the world market among those considered representative of the real market trend. To that end, an average is to be calculated of offers and quotations recorded on one or more European exchanges for a product delivered cif to a port in the Community and coming from the various supplier countries considered the most representative in terms of international trade. However, there is provision for adjusting the criteria for determining the world market price for ginned cotton to reflect differences justified by the quality of the product delivered and the offers and quotations concerned. Those adjustments are specified in Article 3(2) of Regulation (EC) No 1591/2001.

- (3) The application of the above criteria gives the world market price for unginned cotton determined hereinafter,

HAS ADOPTED THIS REGULATION:

Article 1

The world price for unginned cotton as referred to in Article 4 of Regulation (EC) No 1051/2001 is hereby determined as equalling 19,616 EUR/100 kg.

Article 2

This Regulation shall enter into force on 20 August 2005.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

COMMISSION

COMMISSION DECISION

of 18 August 2005

amending Annex II to Council Decision 79/542/EEC as regards imports of fresh meat from Argentina and Russia

(notified under document number C(2005) 3147)

(Text with EEA relevance)

(2005/620/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 2002/99/EC of 16 December 2002 laying down the animal health rules governing the production, processing, distribution and introduction of products of animal origin for human consumption ⁽¹⁾, and in particular Article 8(1) and (4) thereof,

Whereas:

(1) Part 1 of Annex II to Council Decision 79/542/EEC of 21 December 1979 drawing up a list of third countries or parts of third countries, and laying down animal and public health and veterinary certification conditions, for importation into the Community of certain live animals and their fresh meat ⁽²⁾ sets out a list of third countries and parts of third countries from which Member States are authorised to import certain live animals and their fresh meat.

(2) The territory of AR-4 in Argentina is free from foot-and-mouth disease without vaccination. That is correctly reflected under the specific conditions listed in Part 1 of Annex II to Decision 79/542/EEC under which the use of veterinary certificates BOV, OVI, RUW and RUF

is authorised for that territory. However, the list of third countries and parts thereof in Part 1 of Annex II to that Decision as shown in the row relevant to the territory of AR-4 is not consistent with that. Therefore RUW and RUF should be inserted in that row for clarity and consistency.

(3) The date of application relevant to the geographic and timing restrictions concerning the territory of AR-8 has been incorrectly stated and may lead to confusion. For the sake of clarity the date of application in the specific conditions table for the unauthorised period should be corrected to 17 March 2005.

(4) The Murmansk region of Russia is authorised for importation to the Community meat of farmed non-domestic animals other than suidae and solipeds. Russia has asked the Commission to include the Yamalo-Nenets autonomous area in the list of third countries or parts thereof from which the fresh meat of farmed reindeer may be imported into the Community.

(5) Following that request a mission was carried out in the Yamalo-Nenets autonomous area by the Food and Veterinary Office (FVO) from 22 to 26 November 2004. The conclusion of that mission is that the animal health situation in the area is satisfactory and that the competent veterinary authority provides appropriate guarantees as regards compliance with Community legislation, in particular the items mentioned in Article 8 paragraph 1 of Directive 2002/99/EC. Furthermore, Russia provided an action plan addressing all the recommendations of the mission report in a satisfactory way.

⁽¹⁾ OJ L 18, 23.1.2003, p. 11.

- (6) It is therefore appropriate to list the Yamalo-Nenets autonomous area as being authorised to import into the Community the fresh meat of farmed non-domestic animals other than suidae and solipeds.

Article 2

This Decision shall enter into force on the 30th day following its publication in the *Official Journal of the European Union*.

- (7) Part 1 of Annex II to Decision 79/542/EEC should be amended accordingly.

It shall apply immediately.

- (8) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on the Food Chain and Animal Health,

Article 3

This Decision is addressed to the Member States.

HAS ADOPTED THIS DECISION:
