COMMISSION DECISION

of 22 February 2006

laying down specific conditions for imports of fishery products from the United States of America

(notified under document number C(2006) 495)

(Text with EEA relevance)

(2006/199/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 91/493/EEC of 22 July 1991 laying down the health conditions for the production and the placing on the market of fishery products ⁽¹⁾, and in particular Article 11(1) thereof,

Having regard to Council Decision 98/258/EC of 16 March 1998 on the conclusion of the Agreement between the European Community and the United States of America on sanitary measures to protect public and animal health in trade in live animals and animal products ⁽²⁾, and in particular Article 3 thereof,

Whereas:

(1) Council Directive 91/493/EEC provides that specific conditions shall be established for the imports of fishery products from each third country. These specific import conditions shall include: the procedure for obtaining a health certificate which must accompany consignments of fish when exported to the European Community, the placing of a mark identifying the fishery products and indicating the origin and the number of the establishment, and a list of approved establishments, factory vessels, or cold stores, and a list of registered freezer vessels.

(2) Annex V to the Agreement between the European Community and the United States of America (USA) on sanitary measures to protect public and animal health in trade in live animals and animal products (the Agreement) established, *inter alia*, the sanitary measures for fish and fishery products and certain other animal products traded with the United States for which equivalence has been determined.

(3) Annex II to the Agreement established that the regulatory authorities for the control of the public health conditions for fish and fishery products in the USA are the Food and Drug Administration (FDA) and the National Marine Fisheries Service — National Oceanic & Atmospheric Administration (NMFS-NOAA). Within the scope of the agreement, the FDA and the NMFS-NOAA are responsible, in particular, for effectively verifying and controlling the implementation of the sanitary rules in force in the USA related to production and processing of fishery products, and for providing information and additional guarantees on the fishery products exported to the EC territory.

(4) An inspection has been carried out on behalf of the Commission in the USA to verify the conditions under which fishery products are produced, stored and dispatched to the Community.

(5) Following the results of the inspection visit, FDA and NMFS-NOAA have provided guarantees with regard to their responsibilities described above and the implementation of the specific conditions laid down by the present Decision.

(6) These guarantees concern also the controls that apply to brokers (exporters other than processors).

(7) It is therefore appropriate to lay down detailed provisions concerning fishery products imported into the Community from the USA in accordance with Directive 91/493/EEC.

(8) It is appropriate for this Decision to be applied 45 days after its publication providing for the necessary transitional period.

(9) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on the Food Chain and Animal Health,

⁽¹⁾ OJ L 268, 24.9.1991, p. 15. Directive as last amended by Regulation (EC) No 806/2003 (OJ L 122, 16.5.2003, p. 1).

EXCHANGE OF LETTERS

concerning the extension of the Agreement in the form of an Exchange of Letters between the European Union and the Government of Indonesia on the tasks, status, privileges and immunities of the European Union Monitoring Mission in Aceh (Indonesia) (Aceh Monitoring Mission — AMM) and its personnel

A. Letter from the Government of the Republic of Indonesia

Jakarta, 13 February 2006

Dear Excellency,

On behalf of the Government of the Republic of Indonesia, I would like to express my appreciation to the European Union for its participation in the Aceh Monitoring Mission (AMM) and for its remarkable works that have been carried out since its deployment in the Province of Nanggroe Aceh Darussalam (NAD).

At this juncture, I have the honour to refer to the letter and its Annexes of the Indonesian Foreign Minister *ad interim* dated 14 September 2005 and your letter and its Annexes dated 3 October 2005 regarding the tasks, status, privileges and immunities of the Aceh Monitoring Mission (AMM).

In that regard, I have the honour to convey to you the decision of the Government of the Republic of Indonesia to invite the European Union to extend its presence in the Province of Nanggroe Aceh Darussalam (NAD) for a period of 3 (three) months from 16 March 2006 until 15 June 2006, or shorter depending on the date of the local election.

The status, privileges and immunities of the AMM will be identical to those stipulated in our exchange of letters respectively dated 14 September 2005 and 3 October 2005 constituting a legally binding instrument between the Government of the Republic of Indonesia and the European Union.

The works of the AMM during this period will include the tasks of AMM as stipulated in Article 5.2 of the Memorandum of Understanding Between the Government of the Republic of Indonesia and the Free Aceh Movement 15 August 2005, except tasks (a) and (b) that have been completed.

Against this backdrop, I foresee that the number of AMM personnel would amount to around 80 (eighty) personnel.

If the foregoing proposal is acceptable to the European Union, I have further the honour to propose that this letter as well as your affirmative letter in reply together constitute a legally binding instrument between the Government of the Republic of Indonesia and the European Union. This instrument shall enter into force on 16 March 2006 and be terminated on 15 June 2006. For the Government of the Republic of Indonesia this legal framework is based on Indonesian Law No 2 of 1982 dated 25 January 1982 concerning the Ratification of Convention on Special Mission, 1969.

I believe that the constructive cooperation that has been established, with a view to providing a peaceful, comprehensive and sustainable solution to the challenges facing Aceh, within the framework of the Unitary State of the Republic of Indonesia, can be further sustained and strengthened.

I look forward to your positive consideration.

Yours sincerely,

Dr. N. Hassan WIRAJUDA

B. Letter from the European Union

Brussels, 28 February 2006

Dear Excellency,

I have the honour to refer to your letter of 13 February 2006 in which you convey to us the decision of the Government of the Republic of Indonesia to invite the European Union to extend its presence in the Province of Nanggroe Aceh Darussalam (NAD) for a period of three months from 16 March 2006 until 15 June 2006, or shorter depending on the date of the local elections.

I am pleased to confirm to you that the European Union has agreed to respond positively to this invitation.

I confirm that, in accordance with the terms of our exchange of letters respectively dated 14 September and 3 October 2005 constituting a legally binding instrument between the Government of the Republic of Indonesia and the European Union, this instrument will be extended by 3 (three) months until 15 June 2006.

The works of the AMM during this period will include the tasks of AMM as stipulated in Article 5.2 of the Memorandum of Understanding Between the Government of Indonesia and the Free Aceh Movement 15 August 2005, except tasks (a) and (b) that have been completed.

I have further the honour to confirm that your letter and this letter in reply constitute a legally binding instrument between the Government of the Republic of Indonesia and the European Union. This instrument shall enter into force on 16 March 2006 and be terminated on 15 June 2006.

May I once more take this opportunity to record the EU's appreciation of the progress made in the Aceh peace process and to reaffirm the European Union's continued commitment to supporting the development of a peaceful, comprehensive and sustainable solution to the challenges facing Aceh.

Please accept, Sir, the assurance of my highest consideration.

Yours sincerely,

Javier SOLANA
