COMMISSION REGULATION (EC) No 88/2007**of 12 December 2006****laying down special detailed rules for the application of the system of export refunds on cereals
exported in the form of pasta products falling within CN codes 1902 11 00 and 1902 19****(Codified version)**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

for such differentiation, with effect from 1 October 1987, in the case of exports of the said goods to the United States of America.

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 3448/93 of 6 December 1993 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products ⁽¹⁾, and in particular Articles 8(3) and 20 thereof,

Whereas:

(1) Commission Regulation (EEC) No 2723/87 of 10 September 1987 laying down special detailed rules for the application of the system of export refunds on cereals exported in the form of pasta products falling within subheadings 1902 11 00 and 1902 19 of the combined nomenclature ⁽²⁾ has been substantially amended several times ⁽³⁾. In the interests of clarity and rationality the said Regulation should be codified.

(2) Article 19(2) of Commission Regulation (EC) No 1043/2005 of 30 June 2005 implementing Council Regulation (EC) No 3448/93 as regards the system of granting export refunds on certain agricultural products exported in the form of goods not covered by Annex I to the Treaty, and the criteria for fixing the amount of such refunds ⁽⁴⁾ provides that the refund on goods falling within CN codes 1902 11 00 and 1902 19 may be differentiated according to their destination.

(3) The Settlement in the form of an Exchange of Letters between the European Economic Community and the United States of America on Community exports of pasta products to the United States of America approved by Council Decision 87/482/EEC ⁽⁵⁾ provided

(4) Article 18 of Commission Regulation (EC) No 800/1999 of 15 April 1999 laying down common detailed rules for the application of the system of export refunds on agricultural products ⁽⁶⁾ provides that the part of the refund paid once the product has left the customs territory of the Community is to be calculated on the basis of the lowest rate of refund. That provision may impede exports of pasta products falling within CN codes 1902 11 00 and 1902 19 to destinations other than the United States of America. Therefore, an exception should be made to that rule.

(5) Consequently, it is important to lay down detailed rules for applying the refund system which prevent the administrative control formalities from being unduly burdensome. For this purpose exceptions should be made to some of the detailed rules laid down in Regulation (EC) No 800/1999.

(6) Following the decisions taken under the common commercial policy, provision should be made so that pasta products falling within CN codes 1902 11 00 and 1902 19 and exported to the United States are accompanied either by a certificate stating that they are being exported following an inward processing operation or by a certificate stating that they qualify for a rate of refund applicable, in the case of exports to the United States of America, to the basic cereal products used in their manufacture. The said pasta products may have been manufactured from basic cereal products some of which have been subject to inward processing arrangements and some of which have been in one of the situations referred to in Article 23(2) of the Treaty. Accordingly, provision should be made so that any one quantity of pasta products exported to the United States of America may be accompanied by only one of the said certificates.

(7) If the system is to be properly managed, the competent authorities in the Member States must communicate the necessary statistics to the Commission.

- (8) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee on horizontal questions concerning trade in processed agricultural products not listed in Annex I to the Treaty,

HAS ADOPTED THIS REGULATION:

Article 1

1. Where goods falling within CN codes 1902 11 00 and 1902 19 are exported to a destination other than the United States of America, the special refund fixed for the export of cereals in the form of goods falling within CN codes 1902 11 00 and 1902 19 to the United States of America shall not be taken into consideration for determining the lowest rate of refund within the meaning of the first subparagraph of Article 18(2) of Regulation (EC) No 800/1999.

2. Where cereal products covered by one of the situations referred to in Article 23(2) of the Treaty are used for the manufacture of goods falling within CN codes 1902 11 00 and 1902 19 and incorporating certain quantities of cereals subject to inward processing arrangements, the export of the said goods to the United States of America shall not confer entitlement to the export refund for the said product.

Article 2

1. For the export to the United States of America of goods falling within CN codes 1902 11 00 and 1902 19 the competent authority of the Member State in which the export declaration is accepted by customs shall, at the request of the parties concerned, issue a 'Certificate for the export of pasta to the USA', hereinafter referred to as the 'certificate P 2'.

2. The competent authority shall indicate in the appropriate part of box 10 of the original and copies of the certificate P 2 whether or not the goods qualify for a refund. The customs office referred to in Article 3(2) shall check that the document is duly completed and shall affix its stamp in box 10 of the original and copies of the certificate P 2.

3. In the case referred to in Article 1(2), the certificate P 2 must not be stamped by the customs office referred to in Article 3(2).

4. The certificate P 2 and copy No 1 thereof shall be delivered by the customs office to the interested party. Copy No 2 of the certificate shall be kept by the customs office.

Article 5

In the event of export to the United States of America, the paying agency shall pay the refund where the general conditions laid down in Community rules are met and where, in addition, the document referred to in Article 4(1), duly completed, and the original of the certificate P 2, stamped by the customs office referred to in Article 3(2), are presented.

Article 6

The competent authorities of the Member States shall communicate to the Commission, by the end of each month at the latest, the statistics relating to the quantities of pasta products, by CN codes, specifying the quantities which qualify for an export refund and the quantities which do not qualify for an export refund, in respect of which certificates have been stamped in the course of the previous month by the customs offices where the export declarations were accepted, at the following address:
