COMMISSION

COMMISSION DECISION

of 8 June 2007

setting up an expert group on demographic issues

(2007/397/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community, and in particular Article 140 thereof,

Whereas:

(1) Article 140 of the Treaty establishing the European Community provides that the Commission shall encourage cooperation between the Member States and facilitate the coordination of their action in all social policy fields.

(2) In accordance with the Commission Communication of 12 October 2006 entitled 'The demographic future of Europe, from challenge to opportunity', the Commission has decided to enlist the assistance of a group of government experts.

(3) The group must contribute to the development of policies for adapting to demographic change.

(4) Care will be taken to ensure complementarity and an absence of overlap with the activities of other groups and committees dealing with demographic issues, including the Employment Committee, the Social Protection Committee, the Economic Policy Committee, the Economic and Financial Committee, the Advisory Committee on Equal Opportunities for Women and Men and the High-Level Group on Gender Mainstreaming. The Commission will inform these bodies of the activities of the expert group on demographic issues.

(5) The group must be composed of government representatives of the Member States and of independent experts.

(6) The expert group on demographic issues should therefore be set up and its terms of reference and structures defined,

HAS DECIDED AS FOLLOWS:

Article 1

An 'expert group on demographic issues' (hereinafter referred to as 'the group') shall be set up under the auspices of the Commission for a period of five years (renewable).

Article 2

Task

The group's task shall be to advise the Commission on the monitoring of demographic change and on the implementation of the policy guidelines set out in the Commission Communication of 12 October 2006 on the demographic future of Europe (COM(2006) 571).

More specifically, the group shall:

— assist the Commission in drawing conclusions from the research results, in identifying relevant data for the demography reports and in fostering exchanges of good practice for which the Demographic Forum will provide a platform. It shall take into account the results of the numerous actions and research projects undertaken by the European institutions on these subjects,

- enable the Member States to give their opinions on the broad responses required to meet the demographic challenge and on the specific initiatives resulting from the Communication of 12 October 2006 on the demographic future of Europe and its aftermath, in particular in the fields that are not already well covered by the existing committees and advisory groups,
- assist the Commission in preparing the future demography reports and in assessing the EU's state of preparation for demographic change (assessment to be included in the annual progress report on the implementation of the Lisbon Strategy),
- provide the opportunity for exchanges of experience and good practice in the field of family policy, and support efforts to improve the quality of life of persons with care responsibilities,
- solicit oral and written contributions from the social partners and civil society organisations.

The group's Chair may indicate to the Commission when it would be advisable to consult the group on a specific question.

Article 3

Composition — Appointment

1. The group shall be composed of government experts and independent experts. Each Member State shall nominate a government expert to represent it. The Commission shall appoint independent experts in a personal capacity, from among specialists with competence in the areas referred to in Article 2, to advise it independently of any outside influence.
2. The following provisions shall apply:
 - the members shall remain in office until they are replaced, or until the expiry of their term of office,
 - members who are no longer able to make an effective contribution to the work of the group, who resign or who breach the requirements set out in the first or second indent of this Article or in Article 287 of the Treaty establishing the European Community may be replaced for the remainder of their term of office,
 - the names of the members appointed in a personal capacity shall be published on the Internet site of the Directorate-General for Employment, Social Affairs and Equal Opportu-

nities and in the *Official Journal of the European Union*, series C. The names of members shall be collected, processed and published in accordance with the provisions of Regulation (EC) No 45/2001 of the European Parliament and of the Council ⁽¹⁾ on the protection of individuals with regard to the processing of personal data.

Article 4

1. The Commission shall appoint the group's Chair.
2. The Commission's representative may invite experts or observers with specific competence on a subject on the agenda to participate in the work of the group or one of its subgroups if this is deemed necessary or useful.
3. Information obtained by participating in the deliberations or work of the group shall not be divulged if, in the opinion of the Commission, that information relates to confidential matters.
4. The group shall normally meet on Commission premises in accordance with the procedures and schedule established by the Commission. It may be called on to meet in other locations, in particular on a proposal from a Member State wishing to host the group in connection with an event of particular interest for the group. The Commission shall provide secretarial services. Other Commission officials with an interest in the proceedings may attend the meetings.
5. The group shall adopt its rules of procedure on the basis of the standard rules of procedure adopted by the Commission.
6. The Commission services may publish on the Internet, in the original language of the document concerned, any summary, conclusion, or partial conclusion or working document of the group.

COMMISSION DECISION

of 11 June 2007

amending Decision 93/52/EEC as regards the declaration that Romania is officially free of brucellosis (*B. melitensis*) and Decision 2003/467/EC as regards the declaration that Slovenia is officially free of bovine brucellosis

(notified under document number C(2007) 2400)

(Text with EEA relevance)

(2007/399/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 64/432/EEC of 26 June 1964 on animal health problems affecting intra-Community trade in bovine animals and swine ⁽¹⁾, and in particular Annex A (II) (7) thereto,

Having regard to Council Directive 91/68/EEC of 28 January 1991 on animal health conditions governing intra-Community trade in ovine and caprine animals ⁽²⁾, and in particular Section II of Chapter 1 of Annex A thereto,

Whereas:

(1) Commission Decision 93/52/EEC of 21 December 1992 recording the compliance by certain Member States or regions with the requirements relating to brucellosis (*B. melitensis*) and according them the status of a Member State or region officially free of the disease ⁽³⁾ lists the Member States and regions thereof which are recognised as officially free of brucellosis (*B. melitensis*) in accordance with Directive 91/68/EEC.

(2) Following a veterinary inspection mission carried out in July 2001, Romania was found to comply with the conditions provided for in Section II(1)(b) of Chapter 1 of Annex A to Directive 91/68/EEC. Therefore it was listed in Commission Decision 97/232/EC of 3 March 1997 drawing up lists of third countries from which the Member States authorise imports of sheep and goats ⁽⁴⁾ as a third country recognised as officially free of brucellosis (*B. melitensis*).

(3) In addition, since that recognition Romania has undertaken to comply with the conditions provided for in Section II(2) of Chapter 1 of Annex A to Directive 91/68/EEC in order to maintain the officially free status granted.

(4) Romania, as regards the whole territory, has now submitted to the Commission documentation re-confirming compliance with the conditions provided for in Section II(1)(b) of Chapter A of Annex A to Directive 91/68/EEC and demonstrating continuous conformity with the conditions of Section II(2) of Chapter 1 of Annex A to Directive 91/68/EEC as regards the maintenance of the officially free status granted.

(5) Romania should therefore be recognised as officially free of brucellosis (*B. melitensis*) as regards ovine or caprine holdings.

(6) Directive 64/432/EEC provides that Member States or parts or regions thereof may be declared officially free of tuberculosis, brucellosis and enzootic bovine leukosis as regards bovine herds subject to compliance with certain conditions set out in that Directive.

(7) The lists of regions of Member States declared free of bovine tuberculosis, bovine brucellosis and enzootic bovine leukosis are set out in Commission Decision 2003/467/EC of 23 June 2003 establishing the official tuberculosis, brucellosis and enzootic-bovine-leukosis-free status of certain Member States and regions of Member States as regards bovine herds ⁽⁵⁾.

(8) Slovenia has submitted to the Commission documentation demonstrating compliance with the appropriate conditions provided for in Directive 64/432/EEC as regards the whole territory in order that that Member State may be declared an officially brucellosis-free Member State.

⁽¹⁾ OJ L 121, 29.7.1964, p. 1977/64. Directive as last amended by Directive 2006/104/EC (OJ L 363, 20.12.2006, p. 352).

⁽²⁾ OJ L 46, 19.2.1991, p. 19. Directive as last amended by Directive 2006/104/EC.

⁽³⁾ OJ L 13, 21.1.1993, p. 14. Decision as last amended by Decision 2006/169/EC (OJ L 57, 28.2.2006, p. 35).

⁽⁴⁾ OJ L 93, 8.4.1997, p. 43. Decision repealed by Decision 2004/212/EC (OJ L 73, 11.3.2004, p. 11).

⁽⁵⁾ OJ L 156, 25.6.2003, p. 74. Decision as last amended by Decision 2007/174/EC (OJ L 80, 21.3.2007, p. 11).

- (9) Following evaluation of the documentation submitted by Slovenia, the whole territory of that Member State should therefore be declared officially brucellosis-free Member State as regards bovine animals.

Article 2

In Annex II to Decision 2003/467/EC, Chapter 1 is replaced by the text in Annex II to this Decision.

- (10) Decisions 93/52/EEC and 2003/467/EC should therefore be amended accordingly.

Article 3

This Decision shall apply from the third day following its publication in the *Official Journal of the European Union*.

THE COUNCIL OF THE EUROPEAN UNION,

HAS ADOPTED THIS COMMON POSITION:

Having regard to the Treaty on European Union, and in particular Article 15 thereof,

Article 1

The measures imposed by Article 3 of Common Position 2004/137/CFSP shall no longer apply.

Whereas:

Article 2

This Common Position shall be reviewed in accordance with any relevant resolutions of the UN Security Council in the future.

Article 3

This Common Position shall take effect on the date of its adoption. It shall apply from 27 April 2007.

Article 4

This Common Position shall be published in the *Official Journal of the European Union*.

(1) On 10 February 2004, the Council adopted Common Position 2004/137/CFSP⁽¹⁾ concerning the restrictive measures imposed against Liberia in order to implement UN Security Council Resolution (UNSCR) 1521 (2003). These measures concern, inter alia, a prohibition on imports of all rough diamonds from Liberia to the Community. That prohibition was last extended for a further period of six months from 23 December 2006.

(2) On 27 April 2007, the UN Security Council adopted UNSCR 1753 (2007) terminating the measures on diamonds imposed by paragraph 6 of UNSCR 1521 (2003).

(3) The corresponding measures imposed by Common Position 2004/137/CFSP should therefore be terminated.

(4) Action by the Community is needed in order to implement this Common Position,

Done at Luxembourg, 11 June 2007.

For the Council

The President

H. SEEHOFER

⁽¹⁾ OJ L 40, 12.2.2004, p. 35. Common Position last modified and renewed by Common Position 2007/93/CFSP (OJ L 41, 13.2.2007, p. 17).

NOTICE TO READERS

In view of the situation which has arisen following enlargement, some editions of the Official Journal of 27, 29 and 30 December 2006 have been published, in a simplified manner, in the official languages of that date.

It has been decided to republish, as corrigenda and in the Official Journal's traditional presentation, Acts which appear in those Official Journals.

It is for this reason that Official Journals which contain only those corrigenda have been published in the pre-enlargement language versions. The translations of Acts in the languages of the new Member States will be published in a special edition of the *Official Journal of the European Union* comprising texts of the institutions and the European Central Bank adopted prior to 1 January 2007.

Given below is a list of the Official Journals published on 27, 29 and 30 December 2006 and their corresponding corrigenda.
