Joint Declaration by the Contracting Parties to Decision of the EEA Joint Committee No 158/2007 incorporating Directive 2004/38/EC of the European Parliament and of the Council into the Agreement

The concept of Union Citizenship as introduced by the Treaty of Maastricht (now Articles 17 seq. EC Treaty) has no equivalent in the EEA Agreement. The incorporation of Directive 2004/38/EC into the EEA Agreement shall be without prejudice to the evaluation of the EEA relevance of future EU legislation as well as future case law of the European Court of Justice based on the concept of Union Citizenship. The EEA Agreement does not provide a legal basis for political rights of EEA nationals.

The Contracting Parties agree that immigration policy is not covered by the EEA Agreement. Residence rights for third country nationals fall outside the scope of the Agreement with the exception of rights granted by the Directive to third country nationals who are family members of an EEA national exercising his or her right to free movement under the EEA Agreement as these rights are corollary to the right of free movement of EEA nationals. The EFTA States recognise that it is of importance to EEA nationals making use of their right of free movement of persons, that their family members within the meaning of the Directive and possessing third country nationality also enjoy certain derived rights such as foreseen in Articles 12(2), 13(2) and 18. This is without prejudice to Article 118 of the EEA Agreement and the future development of independent rights of third country nationals which do not fall within the scope of the EEA Agreement.
