REGULATIONS

COMMISSION REGULATION (EC) No 762/2009**of 20 August 2009****establishing the standard import values for determining the entry price of certain fruit and vegetables**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 1234/2007 of 22 October 2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation) ⁽¹⁾,

Having regard to Commission Regulation (EC) No 1580/2007 of 21 December 2007 laying down implementing rules for Council Regulations (EC) No 2200/96, (EC) No 2201/96 and (EC) No 1182/2007 in the fruit and vegetable sector ⁽²⁾, and in particular Article 138(1) thereof,

Whereas:

Regulation (EC) No 1580/2007 lays down, pursuant to the outcome of the Uruguay Round multilateral trade negotiations, the criteria whereby the Commission fixes the standard values for imports from third countries, in respect of the products and periods stipulated in Annex XV, Part A thereto,

HAS ADOPTED THIS REGULATION:

Article 1

The standard import values referred to in Article 138 of Regulation (EC) No 1580/2007 are fixed in the Annex hereto.

Article 2

This Regulation shall enter into force on 21 August 2009.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 20 August 2009.

For the Commission

Jean-Luc DEMARTY

DECISIONS

COMMISSION

COMMISSION DECISION

of 20 August 2009

amending Decision 2005/779/EC as regards the inclusion of the region of Abruzzo in the list of Italian regions free of swine vesicular disease

(notified under document C(2009) 6388)

(Text with EEA relevance)

(2009/620/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 90/425/EEC of 26 June 1990 concerning veterinary and zootechnical checks applicable in intra-Community trade in certain live animals and products with a view to the completion of the internal market ⁽¹⁾, and in particular the third sentence of Article 10(4) thereof,

Whereas:

(1) Commission Decision 2005/779/EC of 8 November 2005 concerning animal health protection measures against swine vesicular disease in Italy ⁽²⁾ was adopted in response to the presence of that disease in Italy. That Decision lays down animal health rules as regards swine vesicular disease for regions of that Member State that are recognised as free from swine vesicular disease and those not recognised as free from that disease. Those regions are listed in the Annexes to Decision 2005/779/EC.

(2) A programme for the eradication and monitoring of swine vesicular disease has been implemented in Italy for several years, with a view to achieving disease-free status in all regions of Italy.

(3) Italy has submitted information to the Commission as regards the swine vesicular disease-free status of the region of Abruzzo, demonstrating that the disease has been eradicated from that region.

(4) Following the examination of that information and given the favourable results of the implementation of the yearly eradication and monitoring programmes in Italy, it is appropriate that the region of Abruzzo be recognised as free from swine vesicular disease.

(5) Decision 2005/779/EC should therefore be amended accordingly.

(6) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on the Food Chain and Animal Health,

HAS ADOPTED THIS DECISION:

Article 1

Decision 2005/779/EC is amended as follows:

1. in Annex I, the following entry is inserted before the entry for Basilicata:

‘— Abruzzo’;

⁽¹⁾ OJ L 224, 18.8.1990, p. 29.

⁽²⁾ OJ L 293, 9.11.2005, p. 28.

2. in Annex II, the entry for Abruzzo is deleted.

Article 2

This Decision is addressed to the Member States.

Done at Brussels, 20 August 2009.

Androulla VASSILIOU
Member of the Commission

COMMISSION DECISION
of 20 August 2009
amending Decision 2008/185/EC as regards the inclusion of Northern Ireland in the list of regions
where an approved national control programme for Aujeszky's disease is in place

(notified under document C(2009) 6394)

(Text with EEA relevance)

(2009/621/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Directive 64/432/EEC of 26 June 1964 on animal health problems affecting intra-Community trade in bovine animals and swine⁽¹⁾, and in particular Article 9(2) thereof,

Whereas:

- (1) Directive 64/432/EEC lays down rules applicable to intra-Community trade in bovine animals and swine. Article 9 of that Directive provides criteria for approving compulsory national control programmes for certain contagious diseases, including Aujeszky's disease.
- (2) Commission Decision 2008/185/EC of 21 February 2008 on additional guarantees in intra-Community trade of pigs relating to Aujeszky's disease and criteria to provide information on this disease⁽²⁾ lays down the additional guarantees for movements of pigs between Member States. Those guarantees are linked to the classification of Member States according to their disease status.
- (3) Annex II to Decision 2008/185/EC lists Member States or regions thereof where approved control programmes for Aujeszky's disease are in place.
- (4) United Kingdom has submitted supporting documentation to the Commission as regards the Aujeszky's disease status in Northern Ireland. A national control programme for Aujeszky's disease has been implemented for several years.

(5) The Commission has examined the documentation submitted by the Member State and has found that the national control programme in Northern Ireland complies with the criteria laid down in Article 9(1) of Directive 64/432/EEC. Accordingly, Northern Ireland should be included in the list set out in Annex II to Decision 2008/185/EC.

(6) Decision 2008/185/EC should therefore be amended accordingly.

(7) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on the Food Chain and Animal Health,

HAS ADOPTED THIS DECISION:

Article 1

Annex II to Decision 2008/185/EC is replaced by the text in the Annex to this Decision.

Article 2

This Decision is addressed to the Member States.

Done at Brussels, 20 August 2009.

from 33 to 64 pages: EUR 12
over 64 pages: Priced individually.

Subscriptions to the *Official Journal of the European Union*, which is published in the official languages of the European Union, are available for 22 language versions. The Official Journal comprises two series, L (Legislation) and C (Information and Notices).

A separate subscription must be taken out for each language version.

In accordance with Council Regulation (EC) No 920/2005, published in Official Journal L 156 of 18 June 2005, the institutions of the European Union are temporarily not bound by the obligation to draft all acts in Irish and publish them in that language. Irish editions of the Official Journal are therefore sold separately.

Subscriptions to the Supplement to the Official Journal (S Series — tendering procedures for public contracts) cover all 23 official language versions on a single multilingual CD-ROM.

On request, subscribers to the *Official Journal of the European Union* can receive the various Annexes to the Official Journal. Subscribers are informed of the publication of Annexes by notices inserted in the *Official Journal of the European Union*.
