9. The Host State shall, in accordance with such laws and regulations as it may adopt, permit entry of, and grant exemption from, all customs duties, indirect and direct taxes, excise duties, and related charges other than charges for storage, cartage and similar services, on articles for the personal use of EUTM Somalia personnel.

3. Within its means and capabilities, the Host State shall assist in the preparation, establishment, and execution of, and support for, the mission. The Host State's assistance and support of the mission shall be provided under the same conditions as the assistance and support given to the Host State's armed forces.

4. The law applicable to contracts concluded by EUTM Somalia in the Host State shall be determined by the contract.

6. The Host State shall facilitate the implementation of contracts concluded by EUTM Somalia with commercial entities for the purposes of the mission.

Article 11

Change to facilities

1. EUTM Somalia shall be authorised to construct, alter or otherwise modify facilities as requested for its operational requirements.

2. No compensation shall be requested from EUTM Somalia by the Host State for those constructions, alterations or modifications.

3. Prior to the withdrawal of EUTM Somalia, where appropriate, the EU Mission Commander will enter into negotiations on an arrangement in application of Article 18 with a view to seeking reasonable residual value for fixed and/or moveable facilities provided or improved with EUTM Somalia funds that will remain after withdrawal of EUTM Somalia. If EUTM Somalia is taken over by a successor mission, the Host State shall make the facilities available to this successor mission free of charge.

Article 12

Article 14

Communications

1. EUTM Somalia may install and operate radio sending and receiving stations, as well as satellite systems. It shall cooperate with the Host State's competent authorities with a view to avoiding conflicts in the use of appropriate frequencies. The Host State shall grant access to the frequency spectrum free of charge.

2. EUTM Somalia shall enjoy the right to unrestricted communication by radio (including satellite, mobile and hand-held radio), telephone, telegraph, facsimile and other means, as well as the right to install the equipment necessary for the maintenance of such communications within and between EUTM Somalia facilities, including the laying of cables and land lines for the purpose of the mission.

3. Within its own facilities EUTM Somalia may make the arrangements necessary for the conveyance of mail addressed to and from EUTM Somalia and/or EUTM Somalia personnel.

5. The arbitration tribunal shall be composed of three arbitrators, one arbitrator being appointed by the Host State, one arbitrator being appointed by EUTM Somalia and the third one being appointed jointly by the Host State and EUTM Somalia. Where one of the Parties does not appoint an arbitrator within two months or where no agreement can be found between the Host State and EUTM Somalia on the appointment of the third arbitrator, the arbitrator in question shall be appointed by the President of the Court of Justice of the European Union.

6. An administrative arrangement shall be concluded between EUTM Somalia and the administrative authorities of the Host State in order to determine the terms of reference of the claims commission and the arbitration tribunal, the procedure applicable within those bodies and the conditions under which claims are to be lodged.
