REGULATIONS

COMMISSION DELEGATED REGULATION (EU) 2016/232

of 15 December 2015

supplementing Regulation (EU) No 1308/2013 of the European Parliament and of the Council with regard to certain aspects of producer cooperation

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1308/2013 of the European Parliament and of the Council of 17 December 2013 establishing a common organisation of the markets in agricultural products and repealing Council Regulations (EEC) No 922/72, (EEC) No 234/79, (EC) No 1037/2001 and (EC) No 1234/2007 ⁽¹⁾, and in particular Articles 173(1) and 223(2) thereof,

Whereas:

- (1) Regulation (EU) No 1308/2013 has repealed and replaced Council Regulation (EC) No 1234/2007 ⁽²⁾ and lays down specific rules on producer organisations, associations of producer organisations and interbranch organisations. Regulation (EU) No 1308/2013 empowers the Commission to adopt delegated and implementing acts in that respect. In order to ensure the effectiveness of the action of such organisations and associations in the new legal framework, certain rules have to be adopted.
- (2) Specific rules on certain aspects of producer cooperation already exist for the fruit and vegetables sector, the milk and milk products sector and the olive-oil and table-olives sector. In order to ensure continuity, the specific rules for these sectors should continue to apply. For those aspects of producer cooperation which are not covered by those specific rules, this Delegated Regulation should apply.
- (3) Article 155 of Regulation (EU) No 1308/2013 provides that Member States may allow recognised producer organisations or recognised associations of producer organisations to outsource any of their activities other than production in those sectors for which outsourcing is allowed by the Commission. At present, outsourcing is provided for in the fruit and vegetables sector and the olive-oil and table-olives sector. Taking into account the economic aspects involved and the benefits that the outsourcing of certain activities can provide to producer organisations and associations of producer organisations and to their members, such outsourcing should be available to all sectors.
- (4) Rules on the recognition of transnational producer organisations, transnational associations of producer organisations and transnational interbranch organisations should be laid down as well as rules clarifying the responsibility of the Member States involved. While respecting the freedom of establishment, the recognition of transnational producer organisations and transnational associations of producer organisations should be the responsibility of the Member State in which such organisations and associations have a significant number of members or a significant volume or value of marketable production. For transnational interbranch organisations it should be for the Member State where their headquarters are established to decide on their recognition.

⁽¹⁾ OJ L 347, 20.12.2013, p. 671.⁽²⁾ Council Regulation (EC) No 1234/2007 of 22 October 2007 establishing a common organisation of agricultural markets and on specific provisions for certain agricultural products (Single CMO Regulation) (OJ L 299, 16.11.2007, p. 1).

- (5) Rules should be laid down relating to the establishment of administrative assistance to be given in the case of transnational cooperation. Such assistance should in particular include the transfer of information that would allow the competent Member State to assess whether a transnational producer organisation, association of producer organisations or interbranch organisation complies with the terms of recognition. Such information is also necessary to allow the competent Member State to take action in case of non-compliance. At the same time, such assistance will permit the competent Member States to transfer information upon request to the Member States where members of such organisations or associations are located.
- (6) In order to ensure the proper functioning of measures under the common agricultural policy and for the purpose of monitoring, analysing and managing the market in agricultural products and ensuring a harmonised and simplified approach, the information required when notifying the decisions to allow outsourcing and to grant, refuse or withdraw the recognition of a producer organisation, association of producer organisations or interbranch organisation should be specified.
- (7) Commission Regulations (EC) No 223/2008 ⁽¹⁾ and (EC) No 709/2008 ⁽²⁾ provide for rules on producer organisations, associations of producer organisations and interbranch organisations. Certain provisions of those Regulations are obsolete or have never been applied. Therefore, in order to guarantee the consistency with the new legislation on the common organisation of agricultural markets, those Regulations should be repealed,

HAS ADOPTED THIS REGULATION:

COMMISSION IMPLEMENTING DECISION (EU) 2016/237

of 17 February 2016

amending the Annex to Implementing Decision (EU) 2015/2460 concerning certain protective measures in relation to highly pathogenic avian influenza of subtype H5 in France

(notified under document C(2016) 826)

(Only the French text is authentic)

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Directive 89/662/EEC of 11 December 1989 concerning veterinary checks in intra-Community trade with a view to the completion of the internal market ⁽¹⁾, and in particular Article 9(4) thereof,

Having regard to Council Directive 90/425/EEC of 26 June 1990 concerning veterinary and zootechnical checks applicable in intra-Community trade in certain live animals and products with a view to the completion of the internal market ⁽²⁾, and in particular Article 10(4) thereof,

Whereas:

- (1) Commission Implementing Decision (EU) 2015/2460 ⁽³⁾ was adopted following the spread of highly pathogenic avian influenza (HPAI) in France and the establishment by the competent authority of that Member State of a large further restricted zone around the protection and surveillance zones. That further restricted zone comprises several departments or parts thereof in the south-west of France.
- (2) Implementing Decision (EU) 2015/2460 also provides, inter alia, that the areas established by France as the further restricted zone, in accordance with Article 16(4) of Council Directive 2005/94/EC ⁽⁴⁾, are to include at least the areas listed as the further restricted zone in the Annex to that Implementing Decision.
- (3) Implementing Decision (EU) 2015/2460 was amended by Commission Implementing Decision (EU) 2016/42 ⁽⁵⁾, in order to enlarge the further restricted zone established by France taking into account further HPAI outbreaks in that Member State.
- (4) Since the date of adoption of Implementing Decision (EU) 2016/42, there have been more HPAI outbreaks in France and accordingly that Member State has implemented a vigorous disease control strategy for HPAI, including a substantial extension of the areas established as the further restricted zone, where veterinary restrictions apply to movements of poultry and certain poultry products.
- (5) The Commission has examined the control measures taken by France and it is satisfied that the borders of the further restricted zone, now established by the competent authority of that Member State, in accordance with Article 16(4) of Directive 2005/94/EC, are at a sufficient distance to the actual holdings where the HPAI outbreaks have been confirmed.

⁽¹⁾ OJ L 395, 30.12.1989, p. 13.

⁽²⁾ OJ L 224, 18.8.1990, p. 29.

⁽⁴⁾ Council Directive 2005/94/EC of 20 December 2005 on Community measures for the control of avian influenza and repealing Directive 92/40/EEC (OJ L 10, 14.1.2006, p. 16).

⁽⁵⁾ Commission Implementing Decision (EU) 2016/42 of 15 January 2016 amending the Annex to Implementing Decision (EU) 2015/2460 concerning certain protective measures in relation to highly pathogenic avian influenza of subtype H5 in France (OJ L 11, 16.1.2016, p. 10).

- (6) In order to prevent any unnecessary disturbance to trade within the Union and to avoid unjustified barriers to trade being imposed by third countries, it is necessary to rapidly describe the extended further restricted zone established by France at Union level.
- (7) Implementing Decision (EU) 2015/2460 should therefore be amended accordingly.
- (8) The measures provided for in this Decision are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,

HAS ADOPTED THIS DECISION:

The Annex to Implementing Decision (EU) 2015/2460 is replaced by the text set out in the Annex to this Decision.
