⁽¹⁾ OJ L 203, 11.7.2014, p. 1.

ANNEX

The entries concerning the persons listed below are replaced by the following entries:

1. **ELHASSAN**, Gaffar Mohammed

Alias: Gaffar Mohmed Elhassan

Designation: Major-General and Commander of the Western Military Region for the Sudanese Armed Forces (SAF)

National identification no: Ex-serviceman's identification card 4302

Date of birth: 24 June 1952

Address: El Waha, Omdurman, Sudan

Date of UN designation: 25 April 2006

Other information: Retired from the Sudanese Army. INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/un/5282254>

Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

The Panel of Experts report that Major-General Gaffar Mohammed Elhassan stated to them that he had direct operational command (primarily tactical command) of all elements of the SAF in Darfur while he was in command of the Western Military Region. Elhassan held this position as Western Military Area Commander from November 2004 (approx.)-early 2006. The Panel's information is that Elhassan was responsible for violations of paragraph 7 of SCR 1591 as by virtue of this position he requested (from Khartoum) and authorised (since 29 March 2005) the transfer of military equipment into Darfur without the prior approval of the 1591 Committee. Elhassan himself admitted to the Panel of Experts that aircraft, aircraft engines and other military equipment had been brought into Darfur from other parts of Sudan between 29 March 2005 and December 2005. For example he informed the Panel that 2 Mi-24 attack helicopters were brought unauthorised into Darfur between 18 and 21 September 2005. There are also reasonable grounds to believe that Elhassan was directly responsible, as Western Military Area Commander, for authorising offensive military flights in the area around Abu Hamra, 23-24 July 2005 and in the Jebel Moon area of Western Darfur, on 19 November 2005. Mi-24 attack helicopters were involved in both operations and reportedly opened fire on both occasions. The Panel of Experts report that Elhassan indicated to the Panel that he himself approved requests for air support and other air operations in his capacity as Western Military Area Commander. (See Panel of Experts report, S/2006/65, paragraphs 266-269.) Through such actions Major-General Gaffar Mohammed Elhassan has breached relevant provisions of SCR 1591 and therefore meets the criteria to be designated by the Committee to be subjected to sanctions.

2. **ALNSIEM**, Musa Hilal Abdalla

Alias: (a) (Sheikh) Musa Hilal; (b) Abd Allah; (c) Abdallah; (d) AlNasim; (e) Al Nasim; (f) AlNaseem; (g) Al Naseem; (h) AlNasseem; (i) Al Nasseem

Designation: (a) Member of the National Assembly of Sudan, (b) In 2008, appointed by the President of Sudan as special adviser to the Ministry of Federal Affairs, (c) Paramount Chief of the Jalul Tribe in North Darfur

Date of birth: (a) 1 January 1964; (b) 1959

Place of birth: Kutum

Address: (a) Kabkabiya, Sudan (b) Kutum, Sudan (resides in Kabkabiya and the city of Kutum, Northern Darfur and has resided in Khartoum)

Passport: Diplomatic Passport D014433, issued on 21 February 2013 (expires 21 February 2015)

Identification: Certificate of Nationality No: A0680623

Date of UN designation: 25 April 2006

Other information: INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/un/5795065>

Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

Report from Human Rights Watch states they have a memo dated 13 February 2004 from a local government office in North Darfur ordering “security units in the locality” to “allow the activities of the mujahedeen and the volunteers under the command of the Sheikh Musa Hilal to proceed in the areas of [North Darfur] and to secure their vital needs”. On 28 September 2005, 400 Arab militia attacked the villages of Aro Sharrow (including its IDP camp), Acho, and Gozmena in West Darfur. We also believe that Musa Hilal was present during the attack on Aro Sharrow IDP camp: his son had been killed during the SLA attack on Shareia, so he was now involved in a personal blood feud. There are reasonable grounds to believe that as the Paramount Chief he had direct responsibility for these actions and is responsible for violations of international humanitarian and human rights law and other atrocities.

3. **SHARIF, Adam Yacub**

Alias: (a) Adam Yacub Shant; (b) Adam Yacoub

Designation: Sudanese Liberation Army (SLA) Commander

Date of birth: approximately 1976

Date of UN designation: 25 April 2006

Other information: Reportedly deceased on 7 June 2012. INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/un/5283783>

Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

SLA soldiers under the command of Adam Yacub Shant violated the ceasefire agreement by attacking a Government of Sudan military contingent that was escorting a convoy of trucks near Abu Hamra, Northern Darfur on July 23, 2005, killing three soldiers. After the attack Government military weapons and ammunition were looted. The Panel of Experts has information establishing that the attack by SLA soldiers took place and was clearly organised; consequently it was well planned. It is therefore reasonable to assume, as the Panel concluded, that Shant, as the confirmed SLA Commander in the area, must have had knowledge of and approved/or ordered the attack. He therefore bears direct responsibility for the attack and meets the criteria for being listed.

4. **MAYU, Jibril Abdulkarim Ibrahim**

Alias: General Gibril Abdul Kareem Barey; “Tek”; Gabril Abdul Kareem Badri

Designation: National Movement for Reform and Development (NMRD) Field Commander

Date of birth: 1 January 1967

Place of Birth: Nile District, El-Fasher, El-Fasher, North Darfur

Nationality: Sudanese by birth

Address: Tine, Sudan (resides in Tine, on the Sudanese side of the border with Chad)

National Identification Number: (a) 192-3238459- 9, (b) Certificate of nationality acquired through birth 302581

Date of UN designation: 25 April 2006

Other information: INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/un/5795071>

Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

Mayu is responsible for the kidnapping of African Union Mission in Sudan (AMIS) personnel in Darfur during October 2005. Mayu openly attempts to thwart the AMIS mission through intimidation; for example he threatened to shoot down African Union (AU) helicopters in the Jebel Moon area in November 2005. Through such actions Mayu has clearly violated SCR 1591 in constituting a threat to stability in Darfur and meets the criteria to be designated by the Committee to be subjected to sanctions.'

ANNEX

The entries concerning the persons listed below are replaced by the following entries:

A. **PERSONS**

1. **Gabriel JOK RIAK (alias: a) Gabriel Jok b) Jok Riak c) Jock Riak)**

Title: Lieutenant General

Designation: Sudan People's Liberation Army's (SPLA) Sector One Commander

Date of Birth: 1966

Place of Birth: Bor, Sudan/South Sudan

Nationality: South Sudan

Address: a) Unity State, South Sudan b) Wau, Western Bahr El Ghazal, South Sudan

Date of UN designation: 1 Jul. 2015

Other information: Has commanded SPLA Sector One, which operates primarily within Unity State, since January 2013. In his position as the SPLA Sector One commander, he has expanded or extended the conflict in South Sudan through breaches of the Cessation of Hostilities Agreement. The SPLA is a South Sudanese military entity that has engaged in actions that have extended the conflict in South Sudan, including breaches of the January 2014 Cessation of Hostilities Agreement and the May 9, 2014 Agreement to Resolve the Crisis in South Sudan, which was a re-commitment to the CoHA and has obstructed the activities of IGAD's Monitoring and Verification Mechanism. INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/un/5879060>

Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

Gabriel Jok Riak was listed on 1 July 2015 pursuant to paragraphs 7(a), 7(f) and 8 of resolution 2206 (2015) for, 'actions or policies that have the purpose or effect of expanding or extending the conflict in South Sudan or obstructing reconciliation or peace talks or processes, including breaches of the Cessation of Hostilities Agreement'; 'the obstruction of the activities of international peacekeeping, diplomatic, or humanitarian missions in South Sudan, including IGAD's Monitoring and Verification Mechanism or of the delivery or distribution of, or access to, humanitarian assistance'; and as a leader 'of any entity, including any South Sudanese government, opposition, militia, or other group, that has, or whose members have, engaged in any of the activities described in paragraphs 6 and 7'.

Gabriel Jok Riak is the commander of the Sudan People's Liberation Army's (SPLA) Sector One, a South Sudanese military entity that has engaged in actions that have extended the conflict in South Sudan, including breaches of the January 2014 Cessation of Hostilities Agreement (CoHA) and the May 9, 2014 Agreement to Resolve the Crisis in South Sudan (May Agreement), which was a re-commitment to the CoHA.

Jok Riak has commanded SPLA Sector One, which operates primarily within Unity State, since January 2013. SPLA Divisions Three, Four, and Five are subordinate to Sector One and its commander, Jok Riak.

Jok Riak and SPLA Sector One and Three forces under his overall command engaged in several actions, as detailed below, that violated the January 2014 CoHA's commitments to cease all military actions aimed at opposing forces, as well as other provocative actions, freeze forces in their current locations, and refrain from activities such as movement of forces or ammunition resupply that could lead to military confrontation.

SPLA forces under Jok Riak's overall command breached the CoHA agreement several times through outright hostilities.

On January 10, 2014, an SPLA force under the overall command of Sector One commander Jok Riak captured Bentiu, which had previously been under Sudan People's Liberation Army in Opposition (SPLM-IO) control since December 20, 2013. SPLA Division Three ambushed and shelled SPLM-IO fighters near Leer soon after the signing of the January 2014 CoHA and in mid-April 2014 captured Mayom and killed more than 300 SPLM-IO troops.

On May 4, 2014, an SPLA force led by Jok Riak again recaptured Bentiu. On state television in Juba, an SPLA spokesman said that the government army commanded by Jok Riak had captured Bentiu at four in the afternoon, adding that Division Three and a special SPLA taskforce were involved. Hours after the May Agreement was announced, SPLA Third and Fourth Division forces engaged and repelled opposition fighters who had earlier attacked SPLA positions near Bentiu and in the northern oil regions of South Sudan.

Also after the signing of the May Agreement, SPLA Division Three troops recaptured Wang Kai, and the division commander, Santino Deng Wol, authorized his forces to kill anyone carrying weapons or hiding in homes, and ordered them to burn any homes containing opposition forces.

In late April and May 2015, SPLA Sector One forces led by Jok Riak conducted a full-scale military offensive against opposition forces in Unity State from Lakes State.

In violation of the terms of the CoHA as detailed above, Jok Riak reportedly sought to have tanks repaired and modified for use against opposition forces in early September 2014. In late October 2014, at least 7 000 SPLA troops and heavy weapons from the Third and Fifth Divisions were redeployed to reinforce Fourth Division troops bearing the brunt of an opposition attack near Bentiu. In November 2014, the SPLA brought new military equipment and weaponry, including armored personnel carriers, helicopters, artillery guns, and ammunition into Sector One's area of responsibility, likely in preparation for fighting against the opposition. In early February 2015, Jok Riak reportedly ordered armored personnel carriers to be sent to Bentiu, possibly to respond to recent ambushes by the opposition.

Subsequent to the April and May 2015 offensive in Unity State, SPLA Sector One denied requests by the Intergovernmental Authority on Development Monitoring and Verification Team (IGAD-MVM) in Bentiu to investigate this violation of the CoHA; thereby denying the IGAD-MVM freedom of movement to carry out its mandate.

Additionally, in April 2014, Jok Riak expanded the conflict in South Sudan by reportedly assisting in arming and mobilizing as many as 1 000 Dinka youths to supplement traditional SPLA forces.

2. **Simon Gatewech DUAL (alias a.k.a.: a) Simon Gatwich Dual b) Simon Getwech Dual c) Simon Gatwec Duel d) Simon Gatweach e) Simon Gatwick f) Simon Gatwech g) Simon Garwich h) General Gaduel i) Dhual**

Title: Major General

Designation: Chief of General Staff, SPLA in Opposition

Date of Birth: 1953

Place of Birth: a) Akobo, Jonglei State, Sudan/South Sudan b) Uror County, Jonglei State, Sudan/South Sudan

Address: Jonglei State, Sudan/South Sudan

Date of UN designation: 1 Jul. 2015

Other information: Is the SPLM-IO Chief of General Staff and was previously the commander of opposition forces in Jonglei State. His forces conducted an early February 2015 attack in Jonglei State, and as of March 2015, he had tried to destroy the peace in Jonglei State through attacks on the civilian population. Photograph available for inclusion in the INTERPOL-UN Security Council Special Notice. INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/un/5879066>

Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

Simon Gatwech Dual was listed on 1 July 2015 pursuant to paragraphs 6, 7(a), 7(d), and 8 of resolution 2206 (2015) as, 'responsible for or complicit in, or having engaged in, directly or indirectly, actions or policies that threaten the peace, security or stability of South Sudan'; 'actions or policies that have the purpose or effect of expanding or extending the conflict in South Sudan or obstructing reconciliation or peace talks or processes, including breaches of the Cessation of Hostilities Agreement'; 'the targeting of civilians, including women and children, through the commission of acts of violence (including killing, maiming, torture, or rape or other sexual violence), abduction, enforced disappearance, forced displacement, or attacks on schools, hospitals, religious sites, or locations where civilians are seeking refuge, or through conduct that would constitute a serious abuse or violation of human rights or a violation of international humanitarian law'; and as a leader 'of any entity, including any South Sudanese government, opposition, militia, or other group, that has, or whose members have, engaged in any of the activities described in paragraphs 6 and 7'.

Simon Gatwech Dual (Gatwech Dual) has engaged in actions or policies that threaten the peace, security or stability of South Sudan and is a leader of the Sudan People's Liberation Movement in Opposition (SPLM-IO), an entity that has engaged in: actions that threaten the peace, security or stability of South Sudan; and targeted civilians, including women and children, through the commission of acts of violence.

Gatwech Dual is the SPLM-IO Chief of General Staff and was previously the commander of opposition forces in Jonglei State.

In 2014 to 2015, Gatwech Dual had a large number of troops under his command and operated somewhat autonomously in leading attacks. Gatwech Dual oversees the deployment of SPLM-IO and likely the deployment of some White Army (a Nuer youth militia) forces as well.

In late April 2014, forces under Gatwech Dual's overall command were gaining territory in Jonglei State as they marched on the state capital of Bor. Gatwech Dual may have used the news of the April 17, 2014 attack on Nuer internally displaced persons at the UN compound in Bor to incite his troops to seek revenge. The IGAD Monitoring and Verification Mechanism in Upper Nile, Unity and Jonglei states also cited forces under Gatwech Dual in its August 14, 2014 summary of ceasefire violations.

Gatwech Dual's forces conducted an early February 2015 attack in Jonglei State. As of March 2015, Gatwech Dual had tried to destroy the peace in Jonglei State through attacks on the civilian population.

In late April 2015, Gatwech Dual was involved in planning and coordinating surprise attacks against South Sudanese government forces in Upper Nile State. The IGAD Monitoring and Verification Mechanism summary report of cessation of hostilities violations from May 12-31, 2015 lists breaches by opposition forces under Gatwech's control, including an attack on government forces in Ayod.

SPLM-IO forces under Gatwech Dual's command targeted women, children and civilians. Gatwech Dual reportedly ordered units under his command to kill Dinka prisoners of war (POWs), women, and children, and officers under his command stated that opposition forces should not make any distinctions between different Dinka tribes and should kill all of them.

3. **James Koang CHUOL (alias: a) James Koang Chol Ranley b) James Koang Chol c) Koang Chuol Ranley d) James Koang Chual**

James Koang Chuol (Koang) was listed on 1 July 2015 pursuant to paragraphs 6, 7(a), 7(d) and 8 of resolution 2206 (2015) as, 'responsible for or complicit in, or having engaged in, directly or indirectly, actions or policies that threaten the peace, security or stability of South Sudan'; 'actions or policies that have the purpose or effect of expanding or extending the conflict in South Sudan or obstructing reconciliation or peace talks or processes, including breaches of the Cessation of Hostilities Agreement'; 'targeting of civilians, including women and children, through the commission of acts of violence (including killing, maiming, torture, or rape or other sexual violence), abduction, enforced disappearance, forced displacement, or attacks on schools, hospitals, religious sites, or locations where civilians are seeking refuge, or through conduct that would constitute a serious abuse or violation of human rights or a violation of international humanitarian law'; and as a leader 'of any entity, including any South Sudanese government, opposition, militia, or other group, that has, or whose members have, engaged in any of the activities described in paragraphs 6 and 7'.

James Koang Chuol (Koang) has threatened the peace, security, or stability of South Sudan in his position as a leader of anti-government forces in Unity State, South Sudan, whose members targeted civilians, including women and children, with killing, sexual violence, and committed attacks on schools, hospitals, religious sites, and locations where civilians were seeking refuge.

Koang defected from his position as the Sudan People's Liberation Army (SPLA) Fourth Division commander in December 2013. Taking orders from Koang, defecting soldiers executed as many as 260 of their on-base counterparts before targeting and killing civilians in the state capital of Bentiu.

Koang was appointed commander of the Sudan People's Liberation Army in Opposition (SPLA-IO) Special Division in December 2014. In his new position, Koang led attacks on government forces in Upper Nile State's Renk and Maban counties in January 2015 that were cited by the Intergovernmental Authority on Development Monitoring and Verification Mechanism as violations of the CoHA.

In February 2014, after Koang was given command of anti-government forces in Unity State, those forces attacked United Nations camps, hospitals, churches, and schools, engaging in widespread rape, torture, and the destruction of property, in an attempt to flush out civilians, soldiers, and policemen allied with the government. On April 14-15, 2014, Koang's forces captured Bentiu after heavy fighting and engaged in attacks against civilians. In separate incidents at a Bentiu mosque, church, and abandoned food compound, forces separated civilians who were taking shelter by their ethnicity and nationality before engaging in targeted killings, leaving at least 200 dead and 400 wounded. In mid-September 2014, Koang reportedly ordered his forces to target Dinka civilians during an attack in Upper Nile State.

Santino Deng Wol (Deng Wol) is a Sudan People's Liberation Army (SPLA) Major General and commander of the SPLA's Third Division, a South Sudanese military entity that has engaged in actions that have extended the conflict in South Sudan, including breaches of the January 2014 Cessation of Hostilities Agreement (CoHA) and the May 9, 2014 Agreement to Resolve the Crisis in South Sudan (May Agreement), which was a re-commitment to the CoHA.

Deng Wol led and directed military actions against opposition forces and conducted confrontational troop movements in violation of the CoHA.

Soon after negotiators from both sides agreed to cease hostilities, DENG WOL prepared his forces to advance on the Unity State town of Leer. They subsequently ambushed and shelled rebel fighters near Leer.

In mid-April 2014, Deng Wol's forces reportedly prepared to recapture Bentiu from anti-government forces. Later that month, Deng Wol's forces captured Mayom following a fierce battle in which they killed over 300 opposition forces. Then, in early May 2014, Deng Wol's forces captured Tor Abyad, killing opposition forces in the process. Shortly thereafter, SPLA forces, including Deng Wol's forces, attacked and recaptured the Unity State town of Wang Kai. Deng Wol authorized his forces to kill anyone carrying weapons or hiding in homes, and ordered them to burn any homes containing opposition supporters.

Deng Wol's SPLA Third Division participated in the April-May 2015 offensive in Unity State, during which the SPLA launched a coordinated offensive to take opposition strongholds in Mayom, Guit, Koch, Mayendit, and Leer counties. Deng Wol's forces killed children, women and old men, burned property, and stole livestock as they advanced through Unity State towards Thorjath oil field during May 2015. In mid-2011, a Taliban commander used an HKHS branch in the Afghanistan-Pakistan border region to fund fighters and operations in Afghanistan. After the Taliban deposited a significant amount of cash monthly with this HKHS branch, Taliban commanders could access the funds from any HKHS branch. Taliban personnel used HKHS in 2010 to transfer money to hawalas in Afghanistan where operational commanders could access the funds. As of late 2009, the manager of the HKHS branch in Lashkar Gah oversaw the movement of Taliban funds through HKHS.

Additional information from the narrative summary of reasons for listing provided by the Sanctions Committee:

Roshan Money Exchange (RMX) stores and transfers funds to support Taliban military operations and the Taliban's role in the Afghan narcotics trade. RMX was one of the primary hawalas (informal money remittance services) used by Taliban officials in Helmand Province as of 2011. In 2011, a senior Taliban member withdrew hundreds of thousands of dollars from an RMX branch in the Afghanistan-Pakistan border region to distribute to Taliban shadow provincial governors. To fund the Taliban's spring offensive in 2011, the Taliban shadow governor of Helmand Province sent hundreds of thousands of dollars to RMX. Also in 2011, a Taliban member received tens of thousands of dollars from RMX to support military operations. An RMX branch in the Afghanistan-Pakistan border region also held tens of thousands of dollars to be collected by a Taliban commander. In 2010, on behalf of the Taliban shadow governor of Helmand Province, a Taliban member used RMX to send thousands of dollars to the Afghanistan-Pakistan border region. The RMX branch in Lashkar Gah, Helmand Province, has been used by the Taliban to transfer funds for local operations. In 2011, a Taliban sub-commander transferred tens of thousands of dollars to a Taliban commander through the RMX branch in Lashkar Gah. The Taliban also sent funds to the RMX branch in Lashkar Gah for distribution to Taliban commanders in 2010. Also in 2010, a Taliban member used RMX to send tens of thousands of dollars to Helmand Province and Herat Province, Afghanistan, on behalf of the Taliban shadow governor of Helmand Province. In 2009, a senior Taliban representative collected hundreds of thousands of dollars from an RMX branch in the Afghanistan-Pakistan border region to finance Taliban military operations in Afghanistan.

The money sent to RMX originated in Iran. In 2008, a Taliban leader used RMX to transfer tens of thousands of dollars from Pakistan to Afghanistan. The Taliban also uses RMX to facilitate its role in the Afghan narcotics trade. As of 2011, Taliban officials, including the shadow governor of Helmand Province, transferred hundreds of thousands of dollars from an RMX branch in the Afghanistan-Pakistan border region to hawalas in Afghanistan for the purchase of narcotics on behalf of Taliban officials. Also in 2011, a Taliban official directed Taliban commanders in Helmand Province to transfer opium proceeds through RMX. One Taliban district chief transferred thousands of dollars from Marjah, Helmand Province, Afghanistan, to an RMX branch in the Afghanistan-Pakistan border region.

INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/une/5282012>

Additional information from the narrative summary of reasons for listing provided by the Sanctions Committee:

The Haqqani Network has its roots in the Afghan conflict of the late 1970s. In the mid-1980s, Jalaluddin Haqqani, the founder of the Haqqani Network, forged a relationship with the leader of Al-Qaida, Usama bin Laden (deceased). Jalaluddin joined the Taliban movement in 1995, but maintained his own power base along the border between Afghanistan and Pakistan. After the fall of the Taliban in 2001, Jalaluddin's son, Sirajuddin Haqqani took control of the network and has since then led the group into the forefront of insurgent activities in Afghanistan.

The Haqqani Network has been responsible for many of the highest-profile attacks in Afghanistan. In January 2008, Haqqani Network operatives stormed the Serena Hotel in Kabul, killing eight people. In January 2010, the Haqqani Network was behind a coordinated attack on key government buildings in Kabul, which killed five people and wounded 70. In June 2011, the network was responsible for the attack on the Intercontinental Hotel in Kabul, which killed 11 Afghan civilians and two Afghan policemen. The Haqqani Network was also responsible for the September 2011 attack against the United States Embassy and the International Security Assistance Force (ISAF) Headquarters in Kabul. Sixteen Afghans were killed in the 19-hour attack, including at least six children. The group was also behind the 15 April 2012 coordinated attacks in Kabul and three other Afghan cities, which lasted 18 hours and left at least 11 Afghan security personnel and four civilians dead.

The Haqqani Network has also been involved in a number of kidnappings, and has cooperated with the Taliban and other militant organizations in Afghanistan.

Additional information from the narrative summary of reasons for listing provided by the Sanctions Committee:

Rahat Ltd. is a hawala network owned by Mohammed Qasim Mir Wali Khudai Rahim, comprising branches across Afghanistan, Pakistan and Iran, that participates in the financing and facilitation of the Taliban insurgency.

In 2011 and 2012, Taliban senior figures regularly used the different branches of Rahat Ltd. to store and transfer funds originating from external donors and narcotics trafficking.

This specifically includes facilitation of substantial funds on behalf of a Taliban Shadow Provincial Governor laundered through Rahat Ltd. In 2011 and 2012, on several occasions, Taliban senior figures oversaw transfers and transactions through Rahat Ltd. of hundreds of thousands of United States dollars in funding from the Gulf region and Iran which were intended to finance insurgent activities of the Taliban.

Taliban senior figures have personally interacted with Rahat Ltd. branch managers, frequented Rahat Ltd. branches and used Rahat Ltd. to receive, store and send funds to support insurgent operations inside Afghanistan. Recently, the Taliban Shadow Provincial Governor for Helmand Province, Afghanistan, Mohammad Naim Barich, also known as Mullah Naim Barich, provided funds through Rahat Ltd. for subordinate commanders to plan and conduct insurgent operations in southern Afghanistan. These operations directly threaten the peace, stability and security of Afghanistan.

Rahat Ltd. provides financial services to Taliban-affiliated narcotics networks in the Afghanistan/Pakistan border region through its branch managers' direct involvement in narcotics trafficking and their close association with senior figures within these narcotics networks.

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 396/2005 of the European Parliament and of the Council of 23 February 2005 on maximum residue levels of pesticides in or on food and feed of plant and animal origin and amending Council Directive 91/414/EEC ⁽¹⁾, and in particular Article 14(1)(a) thereof,

Whereas:

- (1) On 5 July 2013, 18 July 2014 and 11 July 2015, the Codex Alimentarius Commission (CAC) adopted Codex maximum residue limits (CXLs) for sulfoxaflor ⁽²⁾ ⁽³⁾ ⁽⁴⁾.
- (2) Maximum residue levels (MRLs) are set for that substance in Regulation (EC) No 396/2005.
- (3) In accordance with Article 5(3) of Regulation (EC) No 178/2002 of the European Parliament and of the Council ⁽⁵⁾, where international standards exist or their completion is imminent, they are to be taken into consideration in the development or adaptation of food law, except where such standards or relevant parts would be an ineffective or inappropriate means for the fulfilment of the legitimate objectives of food law or where there is a scientific justification, or where they would result in a different level of protection from the one determined as appropriate in the Community. Moreover, in accordance with point (e) of Article 13 of that Regulation, the Union is to promote consistency between international technical standards and food law while ensuring that the high level of protection adopted in the Union is not reduced.
- (4) The Union presented a reservation to the Codex Committee on Pesticides Residues (CCPR) on the CXLs proposed for the following pesticide/product combinations: sulfoxaflor (fruiting vegetables other than cucurbits; leafy vegetables).
- (5) CXLs for sulfoxaflor, which are not listed in recital 4, should therefore be included in Regulation (EC) No 396/2005 as MRLs except where they relate to products which are not set out in Annex I to that Regulation or where they are set at a lower level than the current MRLs. Those CXLs are safe for consumers in the Union ⁽⁶⁾.
- (6) Regulation (EC) No 396/2005 should therefore be amended accordingly.
- (7) The measures provided for in this Regulation are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,

COMMISSION IMPLEMENTING REGULATION (EU) 2017/406**of 8 March 2017****approving the low-risk active substance Mild Pepino Mosaic Virus isolate VX1, in accordance with Regulation (EC) No 1107/2009 of the European Parliament and of the Council concerning the placing of plant protection products on the market, and amending the Annex to Commission Implementing Regulation (EU) No 540/2011****(Text with EEA relevance)**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 1107/2009 of the European Parliament and of the Council of 21 October 2009 concerning the placing of plant protection products on the market and repealing Council Directives 79/117/EEC and 91/414/EEC ⁽¹⁾, and in particular Article 22(1) in conjunction with Article 13(2) thereof,

Whereas:

- (1) In accordance with Article 7(1) of Regulation (EC) No 1107/2009 the Netherlands received on 2 December 2013 an application from Valto BV for the approval of the active substance Mild Pepino Mosaic Virus isolate VX1. In accordance with Article 9(3) of that Regulation, the Netherlands, as rapporteur Member State, notified the applicant, the other Member States, the Commission and the European Food Safety Authority (hereinafter 'the Authority') on 30 June 2014 of the admissibility of the application.
- (2) On 10 November 2015 the rapporteur Member State submitted a draft assessment report to the Commission with a copy to the Authority, assessing whether that active substance can be expected to meet the approval criteria provided for in Article 4 of Regulation (EC) No 1107/2009.
- (3) The Authority complied with Article 12(1) of Regulation (EC) No 1107/2009. In accordance with Article 12(3) of Regulation (EC) No 1107/2009, it requested that the applicant supply additional information to the Member States, the Commission and the Authority. The assessment of the additional information by the rapporteur Member State was submitted to the Authority in the format of an updated draft assessment report on 8 September 2016.
- (4) On 18 November 2016 the Authority communicated to the applicant, the Member States and the Commission its conclusion ⁽²⁾ on whether the active substance Mild Pepino Mosaic Virus isolate VX1 can be expected to meet the approval criteria provided for in Article 4 of Regulation (EC) No 1107/2009. The Authority made its conclusion available to the public.
- (5) On 6 December 2016, the Commission presented to the Standing Committee on Plants, Animals, Food and Feed the review report for Mild Pepino Mosaic Virus isolate VX1 and a draft Regulation providing that Mild Pepino Mosaic Virus isolate VX1 is approved.
- (6) The applicant was given the possibility to submit comments on the review report.
- (7) It has been established with respect to one or more representative uses of at least one plant protection product containing the active substance, and in particular the uses which were examined and detailed in the review report, that the approval criteria provided for in Article 4 of Regulation (EC) No 1107/2009 are satisfied. Those approval criteria are therefore deemed to be satisfied. It is therefore appropriate to approve Mild Pepino Mosaic Virus isolate VX1.
- (8) In accordance with Article 13(2) of Regulation (EC) No 1107/2009 in conjunction with Article 6 thereof and in the light of current scientific and technical knowledge, it is, however, necessary to include certain conditions and restrictions.

- (9) The Commission further considers that Mild Pepino Mosaic Virus isolate VX1 is a low-risk active substance pursuant to Article 22 of Regulation (EC) No 1107/2009. Mild Pepino Mosaic Virus isolate VX1 is not a substance of concern and fulfils the conditions set in point 5 of Annex II to Regulation (EC) No 1107/2009. Mild Pepino Mosaic Virus isolate VX1 is a naturally occurring plant virus strain. A plant virus does not replicate outside the plant cell and the virus does not have a cellular structure and does not produce metabolites. It is not pathogenic to humans or animals. The additional exposure of humans, animals and the environment by the uses approved under Regulation (EC) No 1107/2009 is expected to be negligible compared to natural exposure.
- (10) It is therefore appropriate to approve Mild Pepino Mosaic Virus isolate VX1 as a low-risk substance. In accordance with Article 13(4) of Regulation (EC) No 1107/2009, the Annex to Commission Implementing Regulation (EU) No 540/2011 ⁽¹⁾ should be amended accordingly.
- (11) The measures provided for in this Regulation are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,

HAS ADOPTED THIS REGULATION:

COMMISSION IMPLEMENTING REGULATION (EU) 2017/407**of 8 March 2017****renewing the approval of the active substance iodosulfuron in accordance with Regulation (EC) No 1107/2009 of the European Parliament and of the Council concerning the placing of plant protection products on the market, and amending the Annex to Commission Implementing Regulation (EU) No 540/2011****(Text with EEA relevance)**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 1107/2009 of the European Parliament and of the Council of 21 October 2009 concerning the placing of plant protection products on the market and repealing Council Directives 79/117/EEC and 91/414/EEC ⁽¹⁾, and in particular Article 20(1) thereof,

Whereas:

- (1) The approval of the active substance iodosulfuron, as set out in Part A of the Annex to Commission Implementing Regulation (EU) No 540/2011 ⁽²⁾, expires on 31 October 2017.
- (2) An application for the renewal of the approval of iodosulfuron was submitted in accordance with Article 1 of Commission Implementing Regulation (EU) No 844/2012 ⁽³⁾ within the time period provided for in that Article.
- (3) The applicant submitted the supplementary dossiers required in accordance with Article 6 of Implementing Regulation (EU) No 844/2012. The application was found to be complete by the rapporteur Member State.
- (4) The rapporteur Member State prepared a renewal assessment report in consultation with the co-rapporteur Member State and submitted it to the European Food Safety Authority (hereinafter 'the Authority') and the Commission on 29 April 2015.
- (5) The Authority communicated the renewal assessment report to the applicant and to the Member States for comments and forwarded the comments received to the Commission. The Authority also made the supplementary summary dossier available to the public.
- (6) On 6 April 2016 ⁽⁴⁾, the Authority communicated to the Commission its conclusion on whether iodosulfuron (considered variant iodosulfuron-methyl-sodium) can be expected to meet the approval criteria provided for in Article 4 of Regulation (EC) No 1107/2009. The Commission presented the draft renewal report for iodosulfuron to the Standing Committee on Plants, Animals, Food and Feed on 11 July 2016.
- (7) It has been established with respect to one or more representative uses of at least one plant protection product containing the active substance that the approval criteria provided for in Article 4 of Regulation (EC) No 1107/2009 are satisfied. Those approval criteria are therefore deemed to be satisfied.
- (8) It is therefore appropriate to renew the approval of iodosulfuron.
- (9) The risk assessment for the renewal of the approval of iodosulfuron is based on a limited number of representative uses, which however do not restrict the uses for which plant protection products containing iodosulfuron may be authorised. It is therefore appropriate not to maintain the restriction for uses as a herbicide.

- (12) Commission Implementing Regulation (EU) 2016/950 ⁽¹⁾ extended the approval period of iodosulfuron to 31 October 2017 in order to allow the renewal process to be completed before the expiry of the approval of that substance. However, given that a decision on renewal has been taken ahead of that expiry date, this Regulation shall apply from 1 April 2017.

COMMISSION IMPLEMENTING REGULATION (EU) 2017/408**of 8 March 2017****approving the low-risk active substance Mild Pepino Mosaic Virus isolate VC1, in accordance with Regulation (EC) No 1107/2009 of the European Parliament and of the Council concerning the placing of plant protection products on the market, and amending the Annex to Commission Implementing Regulation (EU) No 540/2011****(Text with EEA relevance)**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 1107/2009 of the European Parliament and of the Council of 21 October 2009 concerning the placing of plant protection products on the market and repealing Council Directives 79/117/EEC and 91/414/EEC ⁽¹⁾, and in particular Article 22(1) in conjunction with Article 13(2) thereof,

Whereas:

- (1) In accordance with Article 7(1) of Regulation (EC) No 1107/2009 the Netherlands received on 2 December 2013 an application from Valto BV for the approval of the active substance Mild Pepino Mosaic Virus isolate VC1. In accordance with Article 9(3) of that Regulation, the Netherlands, as rapporteur Member State, notified the applicant, the other Member States, the Commission and the European Food Safety Authority (hereinafter 'the Authority') on 30 June 2014 of the admissibility of the application.
- (2) On 10 November 2015 the rapporteur Member State submitted a draft assessment report to the Commission with a copy to the Authority, assessing whether that active substance can be expected to meet the approval criteria provided for in Article 4 of Regulation (EC) No 1107/2009.
- (3) The Authority complied with Article 12(1) of Regulation (EC) No 1107/2009. In accordance with Article 12(3) of Regulation (EC) No 1107/2009, it requested that the applicant supply additional information to the Member States, the Commission and the Authority. The assessment of the additional information by the rapporteur Member State was submitted to the Authority in the format of an updated draft assessment report on 8 September 2016.
- (4) On 18 November 2016 the Authority communicated to the applicant, the Member States and the Commission its conclusion ⁽²⁾ on whether the active substance Mild Pepino Mosaic Virus isolate VC1 can be expected to meet the approval criteria provided for in Article 4 of Regulation (EC) No 1107/2009. The Authority made its conclusion available to the public.
- (5) On 6 December 2016, the Commission presented to the Standing Committee on Plants, Animals, Food and Feed the review report for Mild Pepino Mosaic Virus isolate VC1 and a draft Regulation providing that Mild Pepino Mosaic Virus isolate VC1 is approved.
- (6) The applicant was given the possibility to submit comments on the review report.
- (7) It has been established with respect to one or more representative uses of at least one plant protection product containing the active substance, and in particular the uses which were examined and detailed in the review report, that the approval criteria provided for in Article 4 of Regulation (EC) No 1107/2009 are satisfied. Those approval criteria are therefore deemed to be satisfied. It is therefore appropriate to approve Mild Pepino Mosaic Virus isolate VC1.
- (8) In accordance with Article 13(2) of Regulation (EC) No 1107/2009 in conjunction with Article 6 thereof and in the light of current scientific and technical knowledge, it is, however, necessary to include certain conditions and restrictions.

- (9) The Commission further considers that Mild Pepino Mosaic Virus isolate VC1 is a low-risk active substance pursuant to Article 22 of Regulation (EC) No 1107/2009. Mild Pepino Mosaic Virus isolate VC1 is not a substance of concern and fulfils the conditions set in point 5 of Annex II to Regulation (EC) No 1107/2009. Mild Pepino Mosaic Virus isolate VC1 is a naturally occurring plant virus strain. A plant virus does not replicate outside the plant cell and the virus does not have a cellular structure and does not produce metabolites. It is not pathogenic to humans or animals. The additional exposure of humans, animals and the environment by the uses approved under Regulation (EC) No 1107/2009 is expected to be negligible compared to natural exposure.
- (10) It is therefore appropriate to approve Mild Pepino Mosaic Virus isolate VC1 as a low-risk substance. In accordance with Article 13(4) of Regulation (EC) No 1107/2009, the Annex to Commission Implementing Regulation (EU) No 540/2011 ⁽¹⁾ should be amended accordingly.
- (11) The measures provided for in this Regulation are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,

HAS ADOPTED THIS REGULATION:

Article 1

Approval of active substance

The active substance Mild Pepino Mosaic Virus isolate VC1, as specified in Annex I, is approved subject to the conditions laid down in that Annex.

COMMISSION IMPLEMENTING REGULATION (EU) 2017/409**of 8 March 2017****approving the basic substance hydrogen peroxide in accordance with Regulation (EC) No 1107/2009 of the European Parliament and of the Council concerning the placing of plant protection products on the market, and amending the Annex to Commission Implementing Regulation (EU) No 540/2011****(Text with EEA relevance)**

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 1107/2009 of the European Parliament and of the Council of 21 October 2009 concerning the placing of plant protection products on the market and repealing Council Directives 79/117/EEC and 91/414/EEC ⁽¹⁾, and in particular Article 23(5) in conjunction with Article 13(2) thereof,

Whereas:

- (1) In accordance with Article 23(3) of Regulation (EC) No 1107/2009, the Commission received on 9 December 2015 an application from the Institut Technique de l'Agriculture Biologique (ITAB) for the approval of hydrogen peroxide as a basic substance. That application was accompanied by the information required by the second subparagraph of Article 23(3).
- (2) The Commission asked the European Food Safety Authority (hereinafter 'the Authority') for scientific assistance. The Authority presented to the Commission a Technical Report on the substance concerned on 13 September 2016 ⁽²⁾. The Commission presented the review report ⁽³⁾ and a draft of this Regulation to the Standing Committee on Plants, Animals, Food and Feed on 6 December 2016 and finalised them for the meeting of that Committee on 24 January 2017.
- (3) The documentation provided by the applicant shows that hydrogen peroxide is approved for use as an active substance in biocidal products for human hygiene by Commission Implementing Regulation (EU) 2015/1730 ⁽⁴⁾. It is not predominantly used for plant protection purposes but nevertheless is useful in plant protection in a product consisting of the substance and water. Consequently, it is to be considered as a basic substance.
- (4) It has appeared from the examinations made that hydrogen peroxide may be expected to satisfy, in general, the requirements laid down in Article 23 of Regulation (EC) No 1107/2009, in particular with regard to the uses which were examined and detailed in the Commission review report. It is therefore appropriate to approve hydrogen peroxide as a basic substance.
- (5) In accordance with Article 13(2) of Regulation (EC) No 1107/2009 in conjunction with Article 6 thereof and in the light of current scientific and technical knowledge, it is, however, necessary to include certain conditions for the approval which are detailed in Annex I to this Regulation.
- (6) In accordance with Article 13(4) of Regulation (EC) No 1107/2009, the Annex to Commission Implementing Regulation (EU) No 540/2011 ⁽⁵⁾ should be amended accordingly.
- (7) The measures provided for in this Regulation are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,

ANNEX

The entries concerning the persons listed below are replaced by the following entries:

1. **ELHASSAN**, Gaffar Mohammed

Alias: Gaffar Mohmed Elhassan

Designation: Major-General and Commander of the Western Military Region for the Sudanese Armed Forces (SAF)

National identification no: Ex-serviceman's identification card 4302

Date of birth: 24 June 1952

Address: El Waha, Omdurman, Sudan

Date of UN designation: 25 April 2006

Other information: Retired from the Sudanese Army. INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/un/5282254>

Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

The Panel of Experts reports that Major-General Gaffar Mohammed Elhassan stated to them that he had direct operational command (primarily tactical command) of all elements of the SAF in Darfur while he was in command of the Western Military Region. Elhassan held this position as Western Military Area Commander from November 2004 (approx.) — early 2006. The Panel's information is that Elhassan was responsible for violations of paragraph 7 of SCR 1591 as by virtue of this position he requested (from Khartoum) and authorised (since 29 March 2005) the transfer of military equipment into Darfur without the prior approval of the 1591 Committee. Elhassan himself admitted to the Panel of Experts that aircraft, aircraft engines and other military equipment had been brought into Darfur from other parts of Sudan between 29 March 2005 and December 2005. For example he informed the Panel that two Mi-24 attack helicopters were brought unauthorised into Darfur between 18 and 21 September 2005. There are also reasonable grounds to believe that Elhassan was directly responsible, as Western Military Area Commander, for authorising offensive military flights in the area around Abu Hamra, 23-24 July 2005 and in the Jebel Moon area of Western Darfur, on 19 November 2005. Mi-24 attack helicopters were involved in both operations and reportedly opened fire on both occasions. The Panel of Experts report that Elhassan indicated to the Panel that he himself approved requests for air support and other air operations in his capacity as Western Military Area Commander. (See Panel of Experts report, S/2006/65, paragraphs 266-269.) Through such actions Major-General Gaffar Mohammed Elhassan has breached relevant provisions of SCR 1591 and therefore meets the criteria to be designated by the Committee to be subjected to sanctions.

2. **ALNSIEM**, Musa Hilal Abdalla

Alias: (a) (Sheikh) Musa Hilal; (b) Abd Allah; (c) Abdallah; (d) AlNasim; (e) Al Nasim; (f) AlNaseem; (g) Al Naseem; (h) AlNasseem; (i) Al Nasseem

Designation: (a) Member of the National Assembly of Sudan, (b) In 2008, appointed by the President of Sudan as special adviser to the Ministry of Federal Affairs, (c) Paramount Chief of the Jalul Tribe in North Darfur

Date of birth: (a) 1 January 1964; (b) 1959

Place of birth: Kutum

Address: (a) Kabkabiya, Sudan (b) Kutum, Sudan (Resides in Kabkabiya and the city of Kutum, Northern Darfur and has resided in Khartoum)

Passport: Diplomatic Passport D014433, issued on 21 February 2013 (Expires 21 February 2015)

Identification: Certificate of Nationality No: A0680623

Date of UN designation: 25 April 2006

Other information: INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/un/5795065>

Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

Report from Human Rights Watch states they have a memo dated 13 February 2004 from a local government office in North Darfur ordering “security units in the locality” to “allow the activities of the mujahideen and the volunteers under the command of the Sheikh Musa Hilal to proceed in the areas of [North Darfur] and to secure their vital needs”. On 28 September 2005, 400 Arab militia attacked the villages of Aro Sharrow (including its IDP camp), Acho, and Gozmena in West Darfur. We also believe that Musa Hilal was present during the attack on Aro Sharrow IDP camp: his son had been killed during the SLA attack on Shareia, so he was now involved in a personal blood feud. There are reasonable grounds to believe that as the Paramount Chief he had direct responsibility for these actions and is responsible for violations of international humanitarian and human rights law and other atrocities.

3. **SHARIF, Adam Yacub**

Alias: (a) Adam Yacub Shant; (b) Adam Yacoub

Designation: Sudanese Liberation Army (SLA) Commander

Date of birth: approximately 1976

Date of UN designation: 25 April 2006

Other information: Reportedly deceased on 7 June 2012. INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/un/5283783>

Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

SLA soldiers under the command of Adam Yacub Shant violated the ceasefire agreement by attacking a Government of Sudan military contingent that was escorting a convoy of trucks near Abu Hamra, Northern Darfur on 23 July 2005, killing three soldiers. After the attack Government military weapons and ammunition were looted. The Panel of Experts has information establishing that the attack by SLA soldiers took place and was clearly organised; consequently it was well planned. It is therefore reasonable to assume, as the Panel concluded, that Shant, as the confirmed SLA Commander in the area, must have had knowledge of and approved/or ordered the attack. He therefore bears direct responsibility for the attack and meets the criteria for being listed.

4. **MAYU, Jibril Abdulkarim Ibrahim**

Alias: General Gibril Abdul Kareem Barey; “Tek”; Gabril Abdul Kareem Badri

Designation: National Movement for Reform and Development (NMRD) Field Commander

Date of birth: 1 January 1967

Place of Birth: Nile District, El-Fasher, El-Fasher, North Darfur

Nationality: Sudanese by birth

Address: Tine, Sudan (Resides in Tine, on the Sudanese side of the border with Chad)

National Identification Number: (a) 192-3238459- 9, (b) Certificate of nationality acquired through birth 302581

Date of UN designation: 25 April 2006

Other information: INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/un/5795071>

Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

Mayu is responsible for the kidnapping of African Union Mission in Sudan (AMIS) personnel in Darfur during October 2005. Mayu openly attempts to thwart the AMIS mission through intimidation; for example he threatened to shoot down African Union (AU) helicopters in the Jebel Moon area in November 2005. Through such actions Mayu has clearly violated SCR 1591 in constituting a threat to stability in Darfur and meets the criteria to be designated by the Committee to be subjected to sanctions.'

ANNEX

The entries concerning the persons listed below are replaced by the following entries:

A. PERSONS

1. Gabriel JOK RIAK (alias: a) Gabriel Jok b) Jok Riak c) Jock Riak)

Title: Lieutenant General

Designation: Sudan People's Liberation Army's (SPLA) Sector One Commander

Date of Birth: 1966

Place of Birth: Bor, Sudan/South Sudan

Nationality: South Sudan

Address: a) Unity State, South Sudan b) Wau, Western Bahr El Ghazal, South Sudan

Date of UN designation: 1 Jul. 2015

Other information: Has commanded SPLA Sector One, which operates primarily within Unity State, since January 2013. In his position as the SPLA Sector One commander, he has expanded or extended the conflict in South Sudan through breaches of the Cessation of Hostilities Agreement. The SPLA is a South Sudanese military entity that has engaged in actions that have extended the conflict in South Sudan, including breaches of the January 2014 Cessation of Hostilities Agreement and the May 9, 2014 Agreement to Resolve the Crisis in South Sudan, which was a re-commitment to the CoHA and has obstructed the activities of IGAD's Monitoring and Verification Mechanism. INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/un/5879060>

Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

Gabriel Jok Riak was listed on 1 July 2015 pursuant to paragraphs 7(a), 7(f) and 8 of resolution 2206 (2015) for, "actions or policies that have the purpose or effect of expanding or extending the conflict in South Sudan or obstructing reconciliation or peace talks or processes, including breaches of the Cessation of Hostilities Agreement"; "the obstruction of the activities of international peacekeeping, diplomatic, or humanitarian missions in South Sudan, including IGAD's Monitoring and Verification Mechanism or of the delivery or distribution of, or access to, humanitarian assistance"; and as a leader "of any entity, including any South Sudanese government, opposition, militia, or other group, that has, or whose members have, engaged in any of the activities described in paragraphs 6 and 7".

Gabriel Jok Riak is the commander of the Sudan People's Liberation Army's (SPLA) Sector One, a South Sudanese military entity that has engaged in actions that have extended the conflict in South Sudan, including breaches of the January 2014 Cessation of Hostilities Agreement (CoHA) and the May 9, 2014 Agreement to Resolve the Crisis in South Sudan (May Agreement), which was a re-commitment to the CoHA.

Jok Riak has commanded SPLA Sector One, which operates primarily within Unity State, since January 2013. SPLA Divisions Three, Four, and Five are subordinate to Sector One and its commander, Jok Riak.

Jok Riak and SPLA Sector One and Three forces under his overall command engaged in several actions, as detailed below, that violated the January 2014 CoHA's commitments to cease all military actions aimed at opposing forces, as well as other provocative actions, freeze forces in their current locations, and refrain from activities such as movement of forces or ammunition resupply that could lead to military confrontation.

SPLA forces under Jok Riak's overall command breached the CoHA agreement several times through outright hostilities.

On January 10, 2014, an SPLA force under the overall command of Sector One commander Jok Riak captured Bentiu, which had previously been under Sudan People's Liberation Army in Opposition (SPLM-IO) control since December 20, 2013. SPLA Division Three ambushed and shelled SPLM-IO fighters near Leer soon after the signing of the January 2014 CoHA and in mid-April 2014 captured Mayom and killed more than 300 SPLM-IO troops.

On May 4, 2014, an SPLA force led by Jok Riak again recaptured Bentiu. On state television in Juba, an SPLA spokesman said that the government army commanded by Jok Riak had captured Bentiu at four in the afternoon, adding that Division Three and a special SPLA taskforce were involved. Hours after the May Agreement was announced, SPLA Third and Fourth Division forces engaged and repelled opposition fighters who had earlier attacked SPLA positions near Bentiu and in the northern oil regions of South Sudan.

Also after the signing of the May Agreement, SPLA Division Three troops recaptured Wang Kai, and the division commander, Santino Deng Wol, authorized his forces to kill anyone carrying weapons or hiding in homes, and ordered them to burn any homes containing opposition forces.

In late April and May 2015, SPLA Sector One forces led by Jok Riak conducted a full-scale military offensive against opposition forces in Unity State from Lakes State.

In violation of the terms of the CoHA as detailed above, Jok Riak reportedly sought to have tanks repaired and modified for use against opposition forces in early September 2014. In late October 2014, at least 7 000 SPLA troops and heavy weapons from the Third and Fifth Divisions were redeployed to reinforce Fourth Division troops bearing the brunt of an opposition attack near Bentiu. In November 2014, the SPLA brought new military equipment and weaponry, including armored personnel carriers, helicopters, artillery guns, and ammunition into Sector One's area of responsibility, likely in preparation for fighting against the opposition. In early February 2015, Jok Riak reportedly ordered armored personnel carriers to be sent to Bentiu, possibly to respond to recent ambushes by the opposition.

Subsequent to the April and May 2015 offensive in Unity State, SPLA Sector One denied requests by the Intergovernmental Authority on Development Monitoring and Verification Team (IGAD-MVM) in Bentiu to investigate this violation of the CoHA; thereby denying the IGAD-MVM freedom of movement to carry out its mandate.

Additionally, in April 2014, Jok Riak expanded the conflict in South Sudan by reportedly assisting in arming and mobilizing as many as 1 000 Dinka youths to supplement traditional SPLA forces.

2. **Simon Gatewech DUAL (alias a.k.a.: a) Simon Gatwich Dual b) Simon Getwech Dual c) Simon Gatwec Duel d) Simon Gatweach e) Simon Gatwick f) Simon Gatwech g) Simon Garwich h) General Gaduel i) Dhual**

Title: Major General

Designation: Chief of General Staff, SPLA in Opposition

Date of Birth: 1953

Place of Birth: a) Akobo, Jonglei State, Sudan/South Sudan b) Uror County, Jonglei State, Sudan/South Sudan

Address: Jonglei State, Sudan/South Sudan

Date of UN designation: 1 Jul. 2015

Other information: Is the SPLM-IO Chief of General Staff and was previously the commander of opposition forces in Jonglei State. His forces conducted an early February 2015 attack in Jonglei State, and as of March 2015, he had tried to destroy the peace in Jonglei State through attacks on the civilian population. Photograph available for inclusion in the INTERPOL-UN Security Council Special Notice. INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/un/5879066>

Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

Simon Gatwech Dual was listed on 1 July 2015 pursuant to paragraphs 6, 7(a), 7(d), and 8 of resolution 2206 (2015) as, “responsible for or complicit in, or having engaged in, directly or indirectly, actions or policies that threaten the peace, security or stability of South Sudan”; “actions or policies that have the purpose or effect of expanding or extending the conflict in South Sudan or obstructing reconciliation or peace talks or processes, including breaches of the Cessation of Hostilities Agreement”; “the targeting of civilians, including women and children, through the commission of acts of violence (including killing, maiming, torture, or rape or other sexual violence), abduction, enforced disappearance, forced displacement, or attacks on schools, hospitals, religious sites, or locations where civilians are seeking refuge, or through conduct that would constitute a serious abuse or violation of human rights or a violation of international humanitarian law”; and as a leader “of any entity, including any South Sudanese government, opposition, militia, or other group, that has, or whose members have, engaged in any of the activities described in paragraphs 6 and 7”.

Simon Gatwech Dual (Gatwech Dual) has engaged in actions or policies that threaten the peace, security or stability of South Sudan and is a leader of the Sudan People's Liberation Movement in Opposition (SPLM-IO), an entity that has engaged in: actions that threaten the peace, security or stability of South Sudan; and targeted civilians, including women and children, through the commission of acts of violence.

Gatwech Dual is the SPLM-IO Chief of General Staff and was previously the commander of opposition forces in Jonglei State.

In 2014 to 2015, Gatwech Dual had a large number of troops under his command and operated somewhat autonomously in leading attacks. Gatwech Dual oversees the deployment of SPLM-IO and likely the deployment of some White Army (a Nuer youth militia) forces as well.

In late April 2014, forces under Gatwech Dual's overall command were gaining territory in Jonglei State as they marched on the state capital of Bor. Gatwech Dual may have used the news of the April 17, 2014 attack on Nuer internally displaced persons at the UN compound in Bor to incite his troops to seek revenge. The IGAD Monitoring and Verification Mechanism in Upper Nile, Unity and Jonglei states also cited forces under Gatwech Dual in its August 14, 2014 summary of ceasefire violations.

Gatwech Dual's forces conducted an early February 2015 attack in Jonglei State. As of March 2015, Gatwech Dual had tried to destroy the peace in Jonglei State through attacks on the civilian population.

In late April 2015, Gatwech Dual was involved in planning and coordinating surprise attacks against South Sudanese government forces in Upper Nile State. The IGAD Monitoring and Verification Mechanism summary report of cessation of hostilities violations from May 12-31, 2015 lists breaches by opposition forces under Gatwech's control, including an attack on government forces in Ayod.

SPLM-IO forces under Gatwech Dual's command targeted women, children and civilians. Gatwech Dual reportedly ordered units under his command to kill Dinka prisoners of war (POWs), women, and children, and officers under his command stated that opposition forces should not make any distinctions between different Dinka tribes and should kill all of them.

3. **James Koang CHUOL (alias: a) James Koang Chol Ranley b) James Koang Chol c) Koang Chuol Ranley d) James Koang Chual**

Title: Major General

Date of Birth: 1961

Nationality: South Sudan Passport no: R00012098, South Sudan

Date of UN designation: 1 Jul. 2015

Other information: Appointed commander of the Sudan People's Liberation Army in Opposition (SPLAIO) Special Division in December 2014. His forces have been engaged in attacks against civilians. In February 2014, forces under his command attacked United Nations camps, hospitals, churches, and schools, engaging in widespread rape, torture, and the destruction of property, in an attempt to flush out civilians, soldiers, and policemen allied with the government. INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/un/5879069>

Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

James Koang Chuol (Koang) was listed on 1 July 2015 pursuant to paragraphs 6, 7(a), 7(d) and 8 of resolution 2206 (2015) as, "responsible for or complicit in, or having engaged in, directly or indirectly, actions or policies that threaten the peace, security or stability of South Sudan"; "actions or policies that have the purpose or effect of expanding or extending the conflict in South Sudan or obstructing reconciliation or peace talks or processes, including breaches of the Cessation of Hostilities Agreement"; "targeting of civilians, including women and children, through the commission of acts of violence (including killing, maiming, torture, or rape or other sexual violence), abduction, enforced disappearance, forced displacement, or attacks on schools, hospitals, religious sites, or locations where civilians are seeking refuge, or through conduct that would constitute a serious abuse or violation of human rights or a violation of international humanitarian law"; and as a leader "of any entity, including any South Sudanese government, opposition, militia, or other group, that has, or whose members have, engaged in any of the activities described in paragraphs 6 and 7".

James Koang Chuol (Koang) has threatened the peace, security, or stability of South Sudan in his position as a leader of anti-government forces in Unity State, South Sudan, whose members targeted civilians, including women and children, with killing, sexual violence, and committed attacks on schools, hospitals, religious sites, and locations where civilians were seeking refuge.

Koang defected from his position as the Sudan People's Liberation Army (SPLA) Fourth Division commander in December 2013. Taking orders from Koang, defecting soldiers executed as many as 260 of their on-base counterparts before targeting and killing civilians in the state capital of Bentiu.

Koang was appointed commander of the Sudan People's Liberation Army in Opposition (SPLA-IO) Special Division in December 2014. In his new position, Koang led attacks on government forces in Upper Nile State's Renk and Maban counties in January 2015 that were cited by the Intergovernmental Authority on Development Monitoring and Verification Mechanism as violations of the CoHA.

In February 2014, after Koang was given command of anti-government forces in Unity State, those forces attacked United Nations camps, hospitals, churches, and schools, engaging in widespread rape, torture, and the destruction of property, in an attempt to flush out civilians, soldiers, and policemen allied with the government. On April 14-15, 2014, Koang's forces captured Bentiu after heavy fighting and engaged in attacks against civilians. In separate incidents at a Bentiu mosque, church, and abandoned food compound, forces separated civilians who were taking shelter by their ethnicity and nationality before engaging in targeted killings, leaving at least 200 dead and 400 wounded. In mid-September 2014, Koang reportedly ordered his forces to target Dinka civilians during an attack in Upper Nile State.

4. Santino Deng WOL (Alias: a) Santino Deng Wuol b) Santino Deng Kuol

Title: Major General

Designation: Commander of the SPLA's Third Division

Date of Birth: 9 Nov. 1962

Place of Birth: Aweil, Sudan/South Sudan

Date of UN designation: 1 Jul. 2015

Other information: Has led and directed military actions against opposition forces and conducted confrontational troop movements in violation of the CoHA. During May 2015, forces under his command killed children, women and old men, burned property, and stole livestock as they advanced through Unity State towards Thorjath oil field. INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/un/5879071>

Information from the narrative summary of reasons for listing provided by the Sanctions Committee:

Santino Deng Wol was listed on 1 July 2015 pursuant to paragraphs 7(a), 7(d) and 8 of resolution 2206 (2015) for, “actions or policies that have the purpose or effect of expanding or extending the conflict in South Sudan or obstructing reconciliation or peace talks or processes, including breaches of the Cessation of Hostilities Agreement”; “the targeting of civilians, including women and children, through the commission of acts of violence (including killing, maiming, torture, or rape or other sexual violence), abduction, enforced disappearance, forced displacement, or attacks on schools, hospitals, religious sites, or locations where civilians are seeking refuge, or through conduct that would constitute a serious abuse or violation of human rights or a violation of international humanitarian law”; and as a leader “of any entity, including any South Sudanese government, opposition, militia, or other group, that has, or whose members have, engaged in any of the activities described in paragraphs 6 and 7”.

Santino Deng Wol (Deng Wol) is a Sudan People's Liberation Army (SPLA) Major General and commander of the SPLA's Third Division, a South Sudanese military entity that has engaged in actions that have extended the conflict in South Sudan, including breaches of the January 2014 Cessation of Hostilities Agreement (CoHA) and the May 9, 2014 Agreement to Resolve the Crisis in South Sudan (May Agreement), which was a re-commitment to the CoHA.

Deng Wol led and directed military actions against opposition forces and conducted confrontational troop movements in violation of the CoHA.

Soon after negotiators from both sides agreed to cease hostilities, DENG WOL prepared his forces to advance on the Unity State town of Leer. They subsequently ambushed and shelled rebel fighters near Leer.

In mid-April 2014, Deng Wol's forces reportedly prepared to recapture Bentiu from anti-government forces. Later that month, Deng Wol's forces captured Mayom following a fierce battle in which they killed over 300 opposition forces. Then, in early May 2014, Deng Wol's forces captured Tor Abyad, killing opposition forces in the process. Shortly thereafter, SPLA forces, including Deng Wol's forces, attacked and recaptured the Unity State town of Wang Kai. Deng Wol authorized his forces to kill anyone carrying weapons or hiding in homes, and ordered them to burn any homes containing opposition supporters.

Deng Wol's SPLA Third Division participated in the April-May 2015 offensive in Unity State, during which the SPLA launched a coordinated offensive to take opposition strongholds in Mayom, Guit, Koch, Mayendit, and Leer counties. Deng Wol's forces killed children, women and old men, burned property, and stole livestock as they advanced through Unity State towards Thorjath oil field during May 2015. Additional information

Peter Gadet is the commander of Sudan People’s Liberation Army in Opposition (SPLA-IO) forces that have engaged in actions that have extended the conflict in South Sudan, including breaches of the January 2014 Cessation of Hostilities Agreement (CoHA).

Forces led by Gadet attacked and captured Kaka, Upper Nile State from the Sudan People's Liberation Army (SPLA) in late March 2014. Gadet was subsequently transferred from Jonglei State to Bentiu, where he was named military governor of Unity State, to assist the anti-government forces' efforts to mobilize the predominantly Bol Nuer population. Subsequently, Gadet led SPLA-IO attacks in Unity State. Gadet's forces were responsible for damaging a partially constructed oil refinery in Unity State being built by a Russian firm. Gadet's forces also took control of the Tor Abyad and Kilo 30 areas in Unity State's oil fields.

After the fall of the Taliban in 2001, Sirajuddin Haqqani took control of the Haqqani Network and has since then led the group into the forefront of insurgent activities in Afghanistan.

Sirajuddin Haqqani derives much of his power and authority from his father, Jalaluddin Haqqani, a former Minister of the Taliban regime, who was a Taliban military commander and a go-between for Al-Qaida and the Taliban on both sides of the Afghanistan/Pakistan border. During his tenure as a Minister of the Taliban regime, Jalaluddin Haqqani established very close links with Al-Qaida.

Sirajuddin Haqqani is strongly associated with the Taliban, who provides him funding for his operations. He also receives funding from various other groups and individuals, including drug lords. He is a key conduit for terrorist operations in Afghanistan and supporting activities in the Federally Administered Tribal Areas of Pakistan. His connections to the Taliban were made public in May 2006 by Mullah Dadullah, then one of the top Taliban military commanders, who stated that he worked with Sirajuddin Haqqani and planned operations with him. He also has connections with Jaish-i-Mohammed.

Sirajuddin Haqqani is actively involved in the planning and execution of attacks targeting International Security Assistance Forces (ISAF), Afghan officials and civilians, mainly in the eastern and southern regions of Afghanistan. Roshan Money Exchange (RMX) stores and transfers funds to support Taliban military operations and the Taliban's role in the Afghan narcotics trade. RMX was one of the primary hawalas (informal money remittance services) used by Taliban officials in Helmand Province as of 2011. In 2011, a senior Taliban member withdrew hundreds of thousands of dollars from an RMX branch in the Afghanistan-Pakistan border region to distribute to Taliban shadow provincial governors. To fund the Taliban's spring offensive in 2011, the Taliban shadow governor of Helmand Province sent hundreds of thousands of dollars to RMX. Also in 2011, a Taliban member received tens of thousands of dollars from RMX to support military operations. An RMX branch in the Afghanistan-Pakistan border region also held tens of thousands of dollars to be collected by a Taliban commander. In 2010, on behalf of the Taliban shadow governor of Helmand Province, a Taliban member used RMX to send thousands of dollars to the Afghanistan-Pakistan border region. The RMX branch in Lashkar Gah, Helmand Province, has been used by the Taliban to transfer funds for local operations. INTERPOL-UN Security Council Special Notice web link: <https://www.interpol.int/en/notice/search/une/5282012>

Additional information from the narrative summary of reasons for listing provided by the Sanctions Committee:

The Haqqani Network has its roots in the Afghan conflict of the late 1970s. In the mid-1980s, Jalaluddin Haqqani, the founder of the Haqqani Network, forged a relationship with the leader of Al-Qaida, Usama bin Laden (deceased). Jalaluddin joined the Taliban movement in 1995, but maintained his own power base along the border between Afghanistan and Pakistan. After the fall of the Taliban in 2001, Jalaluddin's son, Sirajuddin Haqqani took control of the network and has since then led the group into the forefront of insurgent activities in Afghanistan.

The Haqqani Network has been responsible for many of the highest-profile attacks in Afghanistan. In January 2008, Haqqani Network operatives stormed the Serena Hotel in Kabul, killing eight people. In January 2010, the Haqqani Network was behind a coordinated attack on key government buildings in Kabul, which killed five people and wounded 70. In June 2011, the network was responsible for the attack on the Intercontinental Hotel in Kabul, which killed 11 Afghan civilians and two Afghan policemen.
