COMMISSION DELEGATED REGULATION (EU) 2017/2016

of 29 August 2017

amending Commission Delegated Regulation (EU) 2015/2195 on supplementing Regulation (EU) No 1304/2013 of the European Parliament and of the Council on the European Social Fund, regarding the definition of standard scales of unit costs and lump sums for reimbursement of expenditure by the Commission to Member States

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1304/2013 of the European Parliament and of the Council on the European Social Fund and repealing Council Regulation (EC) No 1081/2006 ⁽¹⁾, and in particular Article 14(1) thereof,

Whereas:

- (1) With a view to simplifying the use of the European Social Fund 'ESF' and reducing the administrative burden for beneficiaries, it is appropriate to increase the scope of standard scales of unit costs and lump sums available for reimbursement to Member States. The standard scales of unit costs and lump sums for reimbursement to Member States should be established on the basis of data submitted by Member States or published by Eurostat and on the basis of methods commonly agreed, including the methods set out in Article 67(5) of Regulation (EU) No 1303/2013 of the European Parliament and of the Council ⁽²⁾ and Articles 14(2) and 14(3) of Regulation (EU) No 1304/2013.
- (2) Taking into account the significant disparities between Member States regarding the level of costs for a particular type of operation, the definition and amounts of standard scales of unit costs and lump sums may differ according to the type of operation and the Member State concerned in order to reflect their specificities.
- (3) Austria, Lithuania, Poland, and Romania have submitted methods for defining standard scales of unit costs for reimbursement of expenditure by the Commission, while the Netherlands has submitted a method for defining a lump sum.
- (4) Further to the submission by the Czech Republic, Malta, Italy, and Slovakia of methods concerning types of operation not yet covered by Delegated Regulation (EU) 2015/2195, additional standard scales of unit costs should be defined for reimbursement of expenditure to these Member States for these types of operation.
- (5) The standard scales of unit costs for Sweden currently set out in Delegated Regulation (EU) 2015/2195, with the exception of those relating to participant's allowances, have been amended on the basis of a method submitted by Sweden.

⁽¹⁾ OJ L 347, 20.12.2013, p. 470.

⁽²⁾ Regulation (EU) No 1303/2013 of the European Parliament and of the Council of 17 December 2013 laying down common provisions on the European Regional Development Fund, the European Social Fund, the Cohesion Fund, the European Agricultural Fund for Rural Development and the European Maritime and Fisheries Fund and laying down general provisions on the European Regional Development Fund, the European Social Fund, the Cohesion Fund and the European Maritime and Fisheries Fund and repealing Council Regulation (EC) No 1083/2006 (OJ L 347, 20.12.2013, p. 320).

- (6) Taking into account the objective of expanding the possibilities for Member States to seek reimbursement from the Commission on the basis of standard scales of unit costs or lump sums, the Commission has defined unit costs and amounts for each Member State on the basis of data published by Eurostat for operations in the area of education.
- (7) Regulation (EU) 2015/2195 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

Article 1

Annexes I, III, V, VI, VII and IX to Delegated Regulation (EU) 2015/2195 are replaced by the text in Annex I to this Regulation.

Article 2

The text in Annex II to this Regulation is added as Annexes X to XIV to Delegated Regulation (EU) 2015/2195.

Article 3

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 29 August 2017.

(¹) 'Similar operations' are to be understood as including those operations with similar activities to those in measure 1.B of NOP YEI but with different target groups.

(²) 'Similar operations' are to be understood as including those operations with similar activities to those in measure 1.C of NOP YEI but with different target groups.

(³) 'Similar operations' are to be understood as including those operations with similar activities to those in measures 2A, 2B, 4A, 4C and 7.1 of NOP YEI but with different target groups.

(⁴) For unit cost number 3 relating to training for self-employment and self-entrepreneurship, the amount will be reimbursed only in the case of group formation of 4 or more students.

(⁵) The definition of the classes is in accordance with the provisions of Ministerial Circular no. 2 of 2 February 2009. This Circular defines the classes according to the type of teachers providing training.

(⁶) Similar operations is to be understood as including those operations with similar activities to those in measure 3 of NOP YEI but with different target groups.

(⁷) The young person will be profiled according to one of the four classes (low, medium, high, very high) on the basis of the following variables:

- age;
- sex;
- education;
- employment status one year before;
- region and province where the competent body which took in charge the young is based;
- language skills (only for non-nationals who have not obtained the educational qualification in Italy), for the evaluation of which will be used the already developed methodology for the issuance of an EC residence permit for long-term residents.

Based on the variables identified for the young, a "disadvantage coefficient" is calculated, with a value between 0 and 1.

(⁸) 'Similar operations' are to be understood as including those operations with similar activities to those in measure 5 of NOP YEI but with different target groups.

(⁹) 'Similar operations' are to be understood as including those operations with similar activities to those in NOP YEI but with different target groups.

(¹⁰) 'Similar operations' is to be understood as including those operations with similar activities to those in measure 7.1 of NOP YEI but with different target groups.

(¹¹) For unit cost number 8 relating to support for self-employment and self-entrepreneurship, the amount will be reimbursed only in the case of individual or individualised training ('individualised' meaning a maximum of 3 students).

(¹²) 'Similar operations' are to be understood as including those operations with similar activities to those in measure 8 of NOP YEI but with different target groups.

(¹³) The amounts in table 3.4 are the maximum allowance payable. Where an employer provides an allowance to cover travel, accommodation or meals, the allowance mentioned in point 3.4 will be reduced by:

- the amount mentioned in point 3.1 for travel (depending on location)
- the amount mentioned in point 3.2 for accommodation (depending on location)
- the amount mentioned in point 3.3 for meals (depending on location).

The amounts mentioned in tables 3.1, 3.2 and 3.3. will also be payable in a situation where the beneficiary pays only the categories of allowances mentioned in those tables.

(¹⁴) Additional specific support is limited to one unit per student per module.

2. Adjustment of amounts

- (a) For standard scales of unit costs 1-9, the amounts may be adjusted where the FOI index (consumer price index for blue and white collar worker households, excluding tobacco products) shows a monetary revaluation equal to or exceeding 5 %. In particular, in a given year y, the adjustment is made if in a period y + t the difference between the benchmarking coefficients shown by the FOI index for such years is equal to or higher than 5 %. The base year applied — and on the basis of which the amounts were adjusted — is 2014. Where this rate is equal to or higher than 5 %, each unit cost may be adjusted accordingly.

- (b) For standard scale of unit costs 10, the rate may be adjusted by replacing the monthly scholarship and/or social security contributions in the calculation method that consists of monthly scholarship plus social security contributions plus an amount for all other costs. Updated data can be found in amendments to the Ministerial Decree of 18.6.2008 (which defines the total gross annual amount of PhD scholarships) and biannual adjustment of the rate of social security contributions (Circular letter No. 13 of 29.1.2016 of the Director General of INPS, the National Institute for Social Security).
- (c) For standard scales of unit costs 11-15, which are based on the historical average number of certificates (output) awarded per module, the rate may be adjusted at the end of each financial year (31/12) following an assessment by the Managing Authority of the implementation of the operations related to each of the unit costs. Where such an assessment shows a divergence in the average number of certificates awarded per module for each type of training as compared to the average number used as the basis for calculating the existing unit cost, then a new unit cost will be calculated according to the following formula:

$$UC_{\text{new}} = UC_{\text{old}} + \text{Variation}$$

where

$$\text{Variation} = UC_{\text{old}} - (UC_{\text{old}} * \text{Output}_{\text{new}} / \text{Output}_{\text{old}})$$

2. Adjustment of amounts

The amounts of unit costs set out for types of operation 1-3 will be adjusted yearly in line with the Dutch consumer price index (CPI): <https://www.cbs.nl/nl-nl/conversie/uitgelicht/de-consumentenprijsindex>. Index figures can be found on CBS Statline.

The first indexation will be calculated in 2017. The baseline year for the amounts of unit costs set out in this annex is 2015. (CPI 2015 = 100).

Every year (N), as from 2017, the amounts will be indexed by applying the CPI of the year N-1 with the year 2015 as baseline. The following formula will be used for calculating the amounts of unit costs to be applied in a given year:

*Unit cost amounts in year N = Unit cost amounts included in this annex * CPI in year N-1 (with baseline 2015 = 100) / 100*

2. Adjustments of amounts.

If the Erasmus+ rates change, the same change may be reflected in the respective standard scale of unit costs for new calls (i.e. calls launched after the new Erasmus+ rates come into force). For operations 1-4, the formula used to update the respective daily rates is $(14 \times A + 46 \times B) / 60$, where 'A' represents the daily rate from the Polish ERASMUS+ programme for the first 14 days of the stay abroad and 'B' the remaining 46 days.'

⁽²⁾ Verified attendance means that proof of the attendance of the student in the education course is to be verified by national authorities on two or three occasions per academic year, in accordance with each Member State's normal practices and procedures for verifying attendance in formal education.

⁽³⁾ International Standard Classification of Education: [http://ec.europa.eu/eurostat/statistics-explained/index.php/International_Standard_Classification_of_Education_\(ISCED\)](http://ec.europa.eu/eurostat/statistics-explained/index.php/International_Standard_Classification_of_Education_(ISCED))

⁽⁴⁾ The table in point 3 sets out rates for all Member States with the exception of Greece and Denmark for which data is not currently available. These amounts can be reimbursed to the Member State on the following basis: 50 % for the first proof of attendance during the academic year (normally at the beginning of the academic year, in accordance with national rules and practices), 30 % for the second proof of attendance and 20 % for the third and final proof of attendance.
