THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 767/2008 of the European Parliament and of the Council of 9 July 2008 concerning the Visa Information System (VIS) and the exchange of information between Member States on short-stay visas, long-stay visas and residence permits (VIS Regulation) ⁽¹⁾, and in particular Article 9, third paragraph, thereof,

Whereas:

- (1) Regulation (EC) No 767/2008 establishes the Visa Information System (VIS) and defines the purpose and functionalities of, and the responsibilities for the system. That Regulation sets up conditions and procedures for the exchange of data between Member States on short-stay visas, long-stay visas and residence permits.
- (2) As part of the application form for short-stay visas to be completed by each applicant, applicants are to provide personal data related to their current occupation. When entering data in the application file pursuant to Article 9 of Regulation (EC) No 767/2008, the occupation is to be entered by selecting the occupation from a predetermined list of occupations (job group).
- (3) A predetermined list of job groups should thus be laid down for the purposes of the VIS. The list should use the International Standard Classification of Occupations (ISCO) adopted by the International Labour Organisation. In order to ensure that data on applicants' occupations is sufficiently specific, the visa authority should be required to select job groups to at least level 2 (sub-major group) of the Standard, but also to levels 3 (minor group) or 4 (unit group), where available.
- (4) The data field on the applicant's current occupation in the VIS application file should ensure that only relevant options are displayed and actively assist the visa authority in finding the job group by filtering options on the basis of previous selections made.
- (5) Specific provisions apply to third-country nationals subject to a visa requirement, who are family members of citizens of the Union to whom Directive 2004/38/EC of the European Parliament and of the Council ⁽²⁾ applies or of third-country nationals enjoying the right of free movement equivalent to that of Union citizens under an agreement between the Union and its Member States, on the one hand, and a third country, on the other, and who do not hold a residence card pursuant to Directive 2004/38/EC. Similarly, the predetermined list of current occupations (job groups) should not apply to family members of UK nationals who are themselves beneficiaries of the EU-UK Withdrawal Agreement in the host State for which the visa application is made.

⁽²⁾ Directive 2004/38/EC of the European Parliament and of the Council of 29 April 2004 on the right of citizens of the Union and their family members to move and reside freely within the territory of the Member States amending Regulation (EEC) No 1612/68 and repealing Directives 64/221/EEC, 68/360/EEC, 72/194/EEC, 73/148/EEC, 75/34/EEC, 75/35/EEC, 90/364/EEC, 90/365/EEC and 93/96/EEC (OJ L 158, 30.4.2004, p. 77).

- (6) Given that Regulation (EU) 2021/1134 of the European Parliament and of the Council ⁽³⁾ builds upon the Schengen *acquis*, Denmark, in accordance with Article 4 of Protocol No 22 on the Position of Denmark, annexed to the Treaty on European Union and to the Treaty on the Functioning of the European Union, notified the implementation of Regulation (EU) 2021/1134 in its national law. DECISIONS

COUNCIL DECISION (EU) 2023/1180

of 8 June 2023

establishing the position to be taken on behalf of the European Union with regard to certain resolutions to be voted on at the 21st General Assembly of the International Organisation of Vine and Wine, to be held on 9 June 2023

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 43, in conjunction with Article 218(9) thereof,

Having regard to the proposal from the European Commission,

Whereas:

- (1) The International Organisation of Vine and Wine (OIV) will examine and possibly adopt resolutions ('draft OIV resolutions') in its next General Assembly on 9 June 2023. Those resolutions will have legal effects for the purposes of Article 218(9) of the Treaty.
- (2) The Union is not a member of the OIV. However, on 20 October 2017, the OIV granted to the Union the particular status provided for in Article 4 of the Rules of Procedure of the OIV.
- (3) 20 Member States are members of the OIV. Those Member States have the possibility to propose amendments to the draft OIV resolutions and will be asked to adopt those resolutions in the next OIV General Assembly scheduled for 9 June 2023.
- (4) It is appropriate to establish the position to be taken on the Union's behalf at the OIV meetings with regard to the draft OIV resolutions in relation to matters within its competence. That position should be expressed at the OIV meetings by the Member States which are members of the OIV, acting jointly in the interest of the Union.
- (5) Pursuant to Regulation (EU) No 1308/2013 of the European Parliament and of the Council ⁽¹⁾ and Commission Delegated Regulation (EU) 2019/934 ⁽²⁾, certain resolutions adopted and published by the OIV will have legal effects.
- (6) Article 80(3)(a) of Regulation (EU) No 1308/2013 provides that the Commission is to take into account the oenological practices and methods of analysis recommended and published by the OIV when authorising oenological practices.
- (7) Article 80(5) of Regulation (EU) No 1308/2013 provides that the Commission, when laying down methods of analysis for determining the composition of the products of the wine sector, is to base those methods on any relevant methods recommended and published by the OIV, unless they are ineffective or inappropriate in view of the objective pursued by the Union.

⁽¹⁾ Regulation (EU) No 1308/2013 of the European Parliament and of the Council of 17 December 2013 establishing a common organisation of the markets in agricultural products and repealing Council Regulations (EEC) No 922/72, (EEC) No 234/79, (EC) No 1037/2001 and (EC) No 1234/2007 (OJ L 347, 20.12.2013, p. 671).

⁽²⁾ Commission Delegated Regulation (EU) 2019/934 of 12 March 2019 supplementing Regulation (EU) No 1308/2013 of the European Parliament and of the Council as regards wine-growing areas where the alcoholic strength may be increased, authorised oenological practices and restrictions applicable to the production and conservation of grapevine products, the minimum percentage of alcohol for by-products and their disposal, and publication of OIV files (OJ L 149, 7.6.2019, p. 1).

- (8) Article 90(2) of Regulation (EU) No 1308/2013 provides that products of the wine sector imported into the Union are to be produced in accordance with oenological practices authorised by the Union pursuant to that Regulation or, prior to that authorisation, produced in accordance with oenological practices recommended and published by the OIV.
- (9) Draft Resolution OENO-SCMA 20-666 establishes a new method of analysis for wines. Draft Resolution OENO-SCMA 21-687 amends the method of analysis used for the determination of sorbic, benzoic and salicylic acid content in wine by the use of high-performance liquid chromatography. In accordance with Article 80(3)(a) and Article 80(5) of Regulation (EU) No 1308/2013, those Resolutions will have legal effects.
- (10) Draft Resolution OENO-TECHNO 19-657 replaces an existing oenological practice in wine and draft Resolution OENO-TECHNO 19-658 establishes a new oenological practice in wine vinegar. In accordance with Article 80(3)(a) and Article 90(2) of Regulation (EU) No 1308/2013, those Resolutions will have legal effects.
- (11) Those draft OIV resolutions have been extensively discussed between scientific and technical experts of the wine sector. They contribute to the international harmonisation of wine standards and will set a framework which will ensure fair competition in the trading of products of the wine sector. They should therefore be supported.
- (12) In order to allow for the necessary flexibility during the negotiations ahead of the OIV General Assembly on 9 June 2023, Member States which are members of the OIV should be authorised to agree to changes to those draft OIV resolutions provided that such changes do not alter the substance thereof,

HAS ADOPTED THIS DECISION:

Article 1

The position to be taken on the Union's behalf in the OIV General Assembly scheduled for 9 June 2023 is set out in the Annex to this Decision.

Article 2

The position referred to in Article 1 shall be expressed by the Member States which are Members of the OIV, acting jointly in the interest of the Union.

Article 3

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 28(1) and Article 31(1) thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

- (1) On 21 September 2021, the Council adopted Decision (CFSP) 2021/1694 ⁽¹⁾.
- (2) Decision (CFSP) 2021/1694 is to expire 24 months after the conclusion of the agreement referred to in Article 3(3) thereof, i.e. on 8 October 2023.
